A Message from the Governor and the Secretary of State

Over the past decade, one of the things that we've taken the most pride in has been watching the astounding generosity of our state employees through the Combined Fund Drive.

The Combined Fund Drive is an outstanding program that allows thousands of state employees and retirees to donate to their favorite charities. In the 27 years since its creation, the Combined Fund Drive has raised over \$100 million for local, national and global charities through statewide fundraisers and payroll contribution.

Our communities need our help, and through programs like the Combined Fund Drive, we can provide hope and assistance to those that need it the most. Your generosity and goodwill through payroll contribution will ensure that people receive the assistance they need from valuable non-profit organizations around our great state.

The time is now. Let's all come together and care for our community.

Regards,
