LEADERS HONORED FOR 30-YEARS OF SERVICE

Tuesday Trekkers led a standing ovation for Jessie Johanson and Elda Rae Teel, Tuesday Trekkers’ long-time co-chairs, at the Annual Spring Luncheon last May. Since 1980 these intrepid leaders have led Tuesday Trekkers on hikes in our spectacular mountains, forests, beaches, and rivers. Both have an “impeccable sense of direction and knowledge of the terrain” and could also identify most everything from wildflowers to distant peaks. The job also entailed numerous administrative tasks like taking calls, checking weather conditions, and organizing carpools, gas costs, and ferry fees. A list of participants extends to a page and a half, some of whom are no longer able to hike, but attend the social events.

Hikes over the years were not limited to our local scenery, but included trips to Copper Canyon, Mexico, a kayak/camping trip along the Sea of Cortez, river rafting on the Owyhee River, and hikes on the Rogue River, Ross Lake, and Cathedral Provincial Park, B.C. They began the annual 2 to 3 night stay at the Mountaineers Lodge at Mt. Baker ski area that continues today. The Tuesday Trekkers continue another favorite hike, the annual huckleberry-picking hike on Tonga Ridge. Jesse and Elda Ray each received a corsage and an album featuring photos taken on various hikes. They are still consulted by current co-chairs Anne Johnson and Katharina Maloof.

President’s Welcome at 2:00 pm
UWFA and UWRA member, guests, new and visiting faculty and spouses are welcome
President’s Message 2010-11

I want to welcome you to the 2010-2011 activities of the UW Faculty Auxiliary. We will begin our year with the Fall Reception at 1:30 on October 4th. It will be held at the Unitarian Church at 6556 35th Ave. NE, Seattle, WA. As always it will be an opportunity to visit with old and new friends and to sign up for the various interest groups. If you have friends who are not yet members of UWFA and might be interested in some of the varied activities offered, please bring them along so they can learn about the many opportunities offered by this group.

We will continue this year with the interesting Dinner/Lecture and Dinner/Movies series at the UW Club. They are held on the second Wednesday of the month and the details will be in your newsletters. Our other special annual events are the Holiday Tea at the President's home in December and the Spring Luncheon at the Seattle Yacht Club in May.

I want to express my appreciation to all the many volunteers who work so many hours to allow our organization to function and flourish. Our Interest Group Chairs, Board Members, and the lovely ladies who serve the Visiting Faculty Housing Service contributed upwards of 3400 hours of service this last year which I think is a remarkable figure. We all really value your contributions of time and energy.

~Gail Butterfield

UWFA PAST PRESIDENTS' LUNCHEON

Past Presidents, please mark your calendars for our annual "Friendship" luncheon for Tuesday October 26th, 2010, at the Seattle Yacht Club, from 11:45 am to about 2:30 pm in the Fireside Lounge. The Luncheon Committee has planned a special menu and looks forward to the pleasure of your company. For questions, please contact Mimi Wagar at 206-546-8251.
**Dinner Lecture**

October 13

*Shadow Tribe*

Andrew H. Fisher, associate professor of history at the College of William and Mary, is the speaker for the October Dinner/Lecture. He is the author of *Shadow Tribe*, which offers the first in-depth history of the Pacific Northwest’s Columbia River Indians -- the defiant River People whose ancestors refused to settle on the reservations established for them in central Oregon and Washington. Based on more than a decade of archival research and conversations with Native people, Andrew Fisher’s groundbreaking book traces the waxing and waning of Columbia River Indian identity from the mid-nineteenth through the late twentieth centuries.

**December 8**

*Stories in Stone*

Most people do not think of looking for geology from the sidewalks of Seattle, but for the intrepid geologist any good rock can tell a fascinating story. All one has to do is look at the building stone used in downtown Seattle to find a range of rocks equal to any assembled by plate tectonics. Furthermore, building stones provide the foundation for constructing stories about cultural as well as natural history.

**UWRA Travelogue**

**Dalmatia and the Croatian Coast**

October 20

Bill and Audrey Weitkamp

The Weitkamps spent a month leisurely exploring cities and off-shore islands of the Dalmatian coast. They made side-trips into Montenegro, to visit its old mountain-top capital, and to Mostar in Bosnia-Herzegovina, where standing ruins are a constant reminder of the ethnic hostilities between the Serbs, the Croats, and the Bosniaks that marked the break-up of Yugoslavia.

Come see what walled Dubrovnik looks like after the cruise ships depart in the afternoon; how the city of Split, built within the Palace of Diocletian, has turned his rooms and temples into new uses; and how the ferries connect the picturesque islands.

**Nicaragua Adventures**

November 17

Marilyn Smith

Central America’s largest country, Nicaragua offers a range of delights: ubiquitous art, distinguished pottery, volcanoes and volcanic lakes, a tourist farm that is completely self-sustaining, the tenth largest freshwater lake in the world, plantations of coffee and cocoa, and its own Granada, aptly named.

Join us November 17 for a sampling of the country’s places and faces, and flora and fauna.

**GALLERY GOERS**

**Pilchuck International Annual Glass Art Exhibition**

October 14

Gallery Goers and guests, please mark your calendars for Thursday October 14th, 2010, at 4:45 pm to enjoy the Pilchuck International Annual Glass Art Exhibition at the Seattle Westin Hotel. Admission is free and transportation is easy.

Please contact Mimi Wagar 206-546-8251.
