The UWRA board year begins with a luncheon meeting in June. New, continuing and departing board members attend this meeting. The board meets at least once more during the summer. A half-day morning retreat is held in lieu of a summer meeting or the September board meeting.

During the academic year the board meets monthly, based on business need. Meetings may be canceled with advance notice if there is not sufficient business to warrant a meeting. Meetings are not canceled two months in a row. Board meetings are open to UWRA members and the public.

**MEETING DAY:** Second Wednesday of the month

**NEW MEETING TIME:** 12:00-1:30 PM
