Databases

UW Carelink APS Portal
Use “UW” as your company code to access. It’s a searchable database with hundreds of referrals.

Care.Com
Private contractors with reviews/scoring system.

GPSS Caregiver Directory
This is a database of UW-affiliated caregivers (typically students) who provide care services. Potential employers can also post help wanted adverts.

Child Care Resources
State-wide child care info and referral advice.

Care.Com
Private contractors with reviews/scoring system.

State-wide locations for babysitters, parent co-ops, playgroups, childcare centers, and more.

EMERGENCY CARE

Tender Loving Care
Sick child care for kids aged 1-12. UW underwrites the entire daily fee for these services. Participants pay only a one time $5 registration fee.

Bright Horizons Back Up Care
$100 a day. Pre-registration for the service required.

PUBLIC DISCOUNTS AND SUBSIDIES

City of Seattle Child Care Assistance Program
Amount of voucher depends on family income. Program targets low and moderate income working families with children aged 1 month to 13 years. At least one parent must be employed to qualify. Both primary residence and place of employment must be in Seattle city limits.

Seattle provides vouchers to subsidize child care at over 100 locations.
