

AccessComputing Team Application

For high school or college students with disabilities interested in computing careers, mentoring, and internships.

AccessComputing provides a nationwide resource to help students with disabilities pursue computing fields and computing educators and employers, professional organizations, and other stakeholders develop more inclusive programs and share effective practices.

AccessComputing Team members

- engage in an online community of peers and professionals that help guide students through transitions to college, graduate school, and employment
- receive information from *AccessComputing* staff about paid internships, research experiences, and other work-related opportunities
- attend *AccessComputing* events and activities
- communicate with professionals in computing fields

Eligibility

High school, college, or graduate students with disabilities in the United States are eligible to be *AccessComputing* Team members. Participants must demonstrate an interest in pursuing professional careers in computing fields. These fields include systems designers, computer scientists, information professionals, software developers, information systems analysts, technology teachers, computing faculty, and other computing professionals.

How to Apply

Apply online at www.uw.edu/accesscomputing/get-involved/students/join-accesscomputing-team, or submit the following by postal mail, fax, or email. Applications are accepted on an ongoing basis. Please contact us if you would like assistance in completing any portion of your application.

1. Application Form and Participation Agreement

Complete the attached forms, including parent or guardian signature(s) if you are under eighteen years of age.

2. Paragraph

Submit a paragraph with your application explaining why you are interested in participating in an *AccessComputing* internship and mentoring and how participation will help you reach your career goals. Include school honors, extracurricular and community activities, work-related experiences, and any other relevant information about yourself.

3. Recommendation

Submit one letter of recommendation from a teacher, faculty member, or someone who has worked with you closely or provide the name and contact information of a person that can provide a reference for you.

4. Resume

Submit an up-to-date copy of your resume.

About AccessComputing

The Department of Computer Science and Engineering at the University of Washington and DO-IT (Disabilities, Opportunities, Internetworking, and Technology) sponsor the *AccessComputing* project for the purpose of increasing the participation of people with disabilities in computing careers.
