AccessSTEM Parental Permission for Participation

AccessSTEM supports students with disabilities from across the country in reaching critical junctures toward college and careers by providing advice, resources, mentoring opportunities, professional contacts, and funding for tutoring, internships, and conferences.

Team members:

- Engage in an online community of peers and mentors to help guide you through transitions to college, graduate school, and employment.
- Receive information from *AccessSTEM* staff about paid internships, research experiences, and other work-related opportunities.
- Attend *AccessSTEM* events and activities.
- Communicate with professionals in STEM fields.
- Are eligible to receive funding to attend professional conferences or for tutoring.

Participation Agreement

As a member of *AccessSTEM*, the participant must actively communicate with *AccessSTEM* staff, peers, and mentors. To remain on the *AccessSTEM* Team and to be eligible for work-related opportunities, such as internships or other paid positions, participants must be an “active.” “Active” participants are expected to:

- Log on to their email accounts at least once per week and read and respond to email messages.
- Notify *AccessSTEM* staff of any changes in contact information, or ability to participate in *AccessSTEM* internships and activities.

For Applicants Under the Age of 18 Years

I give permission for my son/daughter to participate in *AccessSTEM* activities and events. I have read and agree to the above conditions, including the Participation Agreement expectations.
