Share your feedback on UW services
Earlier this week, all faculty and staff received an email with a unique link to the Transforming Administration Program (TAP) customer satisfaction survey. This confidential survey asks for your feedback on services provided by central administration units — and gives you a chance to win a prize (the first 100 participants to complete the survey will receive a ceramic UW/Starbucks travel mug).

New state accessibility policy affects all UW units: help is available
All UW units must ensure that information technology (IT) resources they provide are accessible to people with disabilities under a new state policy.

Support your New Year’s resolution with UW benefits
Do you need help starting a college savings plan, getting taxes done early or planning for retirement? Whatever your financial New Year’s resolution may be, plan for success with UW benefits.
