Set a fitness record with the UW
Take part in the largest circuit training workout ever held at the UW! Join us May 24 at Husky Stadium as we move together with the help of UW athletic coaches, IMA instructors and Whole U fitness partners.

Join a discussion May 2 on public higher education excellence, access
Speakers at The Lincoln Project Symposium will discuss how public research universities can be strengthened to address challenges faced by students, our state and nation. UW President Ana Mari Cauce will host at the Husky Union Building.

Build partnerships with small businesses at upcoming fair
Attend the UW Small Business Fair May 2 to meet with small, local, minority and women-owned businesses.
and find out how you and your department can benefit from their goods and services.

**Find Courses feature in MyPlan gets mobile-friendly makeover**
The redesigned Find Courses feature in MyPlan — UW's academic planning tool — allows students and advisers to quickly search the course catalog or time schedule from any device.

**NEWS AND RESOURCES**

**IT CONNECT**

**Explore vast collection of statistics in Data-Planet**
Data-Planet is a dynamic tool offered through UW Libraries to scan, search, compare and cite data from more than 4.9 billion datasets to create custom tables, maps, charts and other visualizations.

**Master Panopto with free workshop series**
Take advantage of one-hour Panopto workshops. Learn how to edit videos on May 2, caption videos on May 18, and share and reuse videos on June 2.

**HUMAN RESOURCES**

**Mammogram Van screenings May 10 for Uniform Medical Plan members**
The Mammogram Van offers a convenient way to fit a mammogram screening into your busy schedule. Make your appointment today.

**Learn to design the end-user experience**
Participants in this two-day course will be introduced to the experience design storyboard, a tool that can be used to organize all the factors of the service experience. Learn more May 4 and May 9 on the Seattle campus.

**THE WHOLE U**

**Marcos Llobera brings landscapes of the past to life**
Associate Professor in the UW Department of Anthropology and head of the UW's Digital Archaeology Lab Marco Llobera uses cutting-edge computational methods and digital archaeology.

**Celebrate spring with a Whole U cooking demo**
Come celebrate spring's bright flavors at our May 10 cooking class, where you'll learn how to make delicious spring risotto cakes and refreshing rhubarb shrub.
