Know when to call SafeCampus
SafeCampus offers resources on relationship violence, stalking, suicide, cyber safety and general warning signs of distress. Visit the website or call 206-685-SAFE (206-685-7233) if you are concerned about your safety or the safety of others. Always call 911 in urgent situations.

Workday training underway for HR and payroll staff
In person training for Workday, the UW's new, modern human resources and payroll system, has begun for HR and payroll staff. More robust information for all employees is coming soon.

Academic lecture celebrates launch of the UW's I-Heal Program
Dr. Adil Haider will speak about his experience in the field of trauma disparities research on May 22. The lecture coincides with the launch of the UW's Injury-related Health Equity Across the Lifespan Program at the UW Harborview Injury Prevention and Research Center.

Do probiotics really work? Decipher
fact from hype on June 1
Get the facts — and debunk the myths — about probiotics with Associate Professor Will DePaolo, director of the Center for Microbiome Sciences and Therapeutics.

NEWS AND RESOURCES

IT CONNECT

Sign up to be an IT Accessibility Liaison
Join a new network of liaisons being established across the UW's three campuses who learn about accessible technology resources and share that information with their units.

HUMAN RESOURCES

Spring into summer with SmartHealth
Get inspired by SmartHealth — a unique, interactive health and wellness program that you design to help you live healthier.

Learn everything you need to know about homeownership in interactive seminars
Multiple seminars will provide information on a variety of homeownership issues, from budgeting and buying, to maintenance and remodeling.

THE WHOLE U

How did Gene Woodard build the greenest team in Building Services?
He started by empowering people. The director of Building Services at the UW says his team has been embarking on having a culture of engagement, where employees are influencing how the work gets done, when it gets done, and what tools are used.

Get moving, make history at UW Fitness Day May 24
No matter your fitness level, join hundreds of your colleagues at Husky Stadium for a 45-minute circuit training workout that's equal parts invigorating, inspiring and fun.
