TABLE TENNIS TOURNAMENT

ACTIVITY
Table tennis is a sport in which two or four players hit a lightweight, hollow ball back and forth with paddles. The game takes place on a hard table divided by a net. Except for the initial serve, players must allow a ball played toward them only one bounce on their side of the table and must return it so that it bounces on the opposite side. Points are scored when a player fails to return the ball within the rules. Team(s) will play one weekend of pool play, followed by a weekend of single elimination tournament.
