Jumpstart Research@UW Next Steps…

Mari Ostendorf, Vice Provost for Research
Simon Neame, Dean of University Libraries

UNIVERSITY *of* WASHINGTON

Our next steps

- Send you an electronic handout with a list of resources and URLs

- Put together follow-up seminars & short courses based on your interests & feedback

- Update OR web pages to make it easier for you to find answers to your questions

Your next steps

- Get an ORCID #
- If you are planning to apply to NSF or NIH, get a SciENcv account
- Learn about data management plans & options for open data
- Create a research or lab web page
- Take courses required for submitting grants
- Know your Assoc/Vice Dean for Research
- Learn more about research communities that match your interests
- ***Do great work!***
