Office of Sponsored Programs

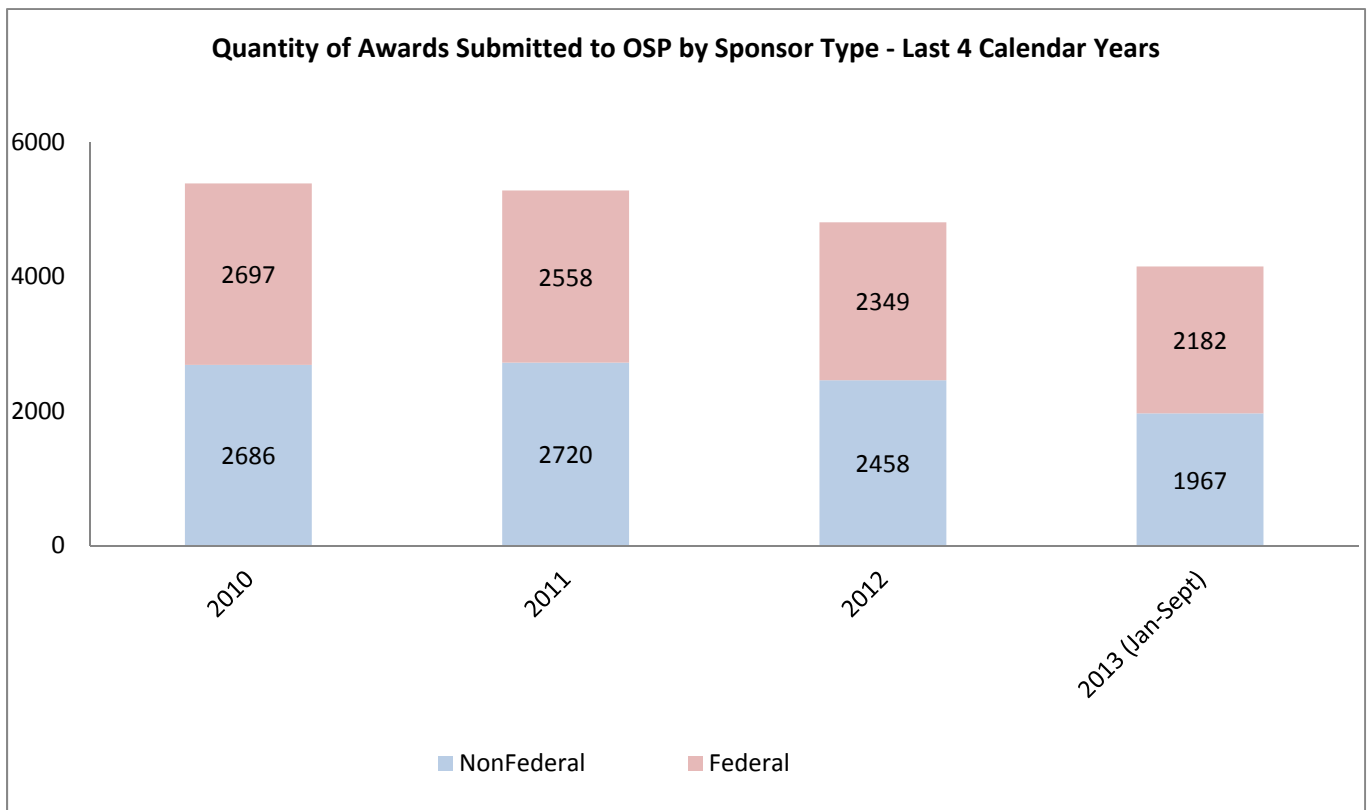

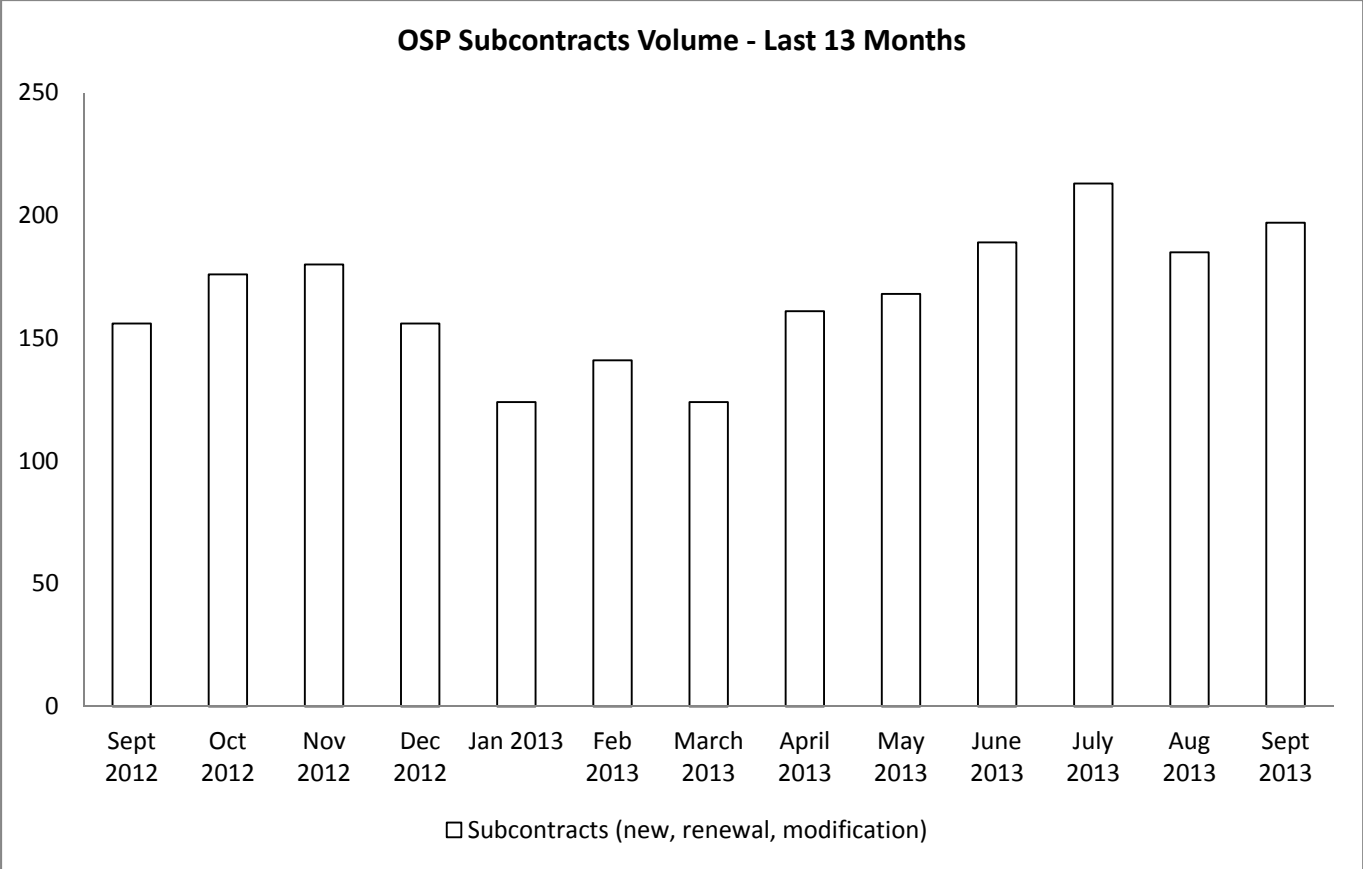

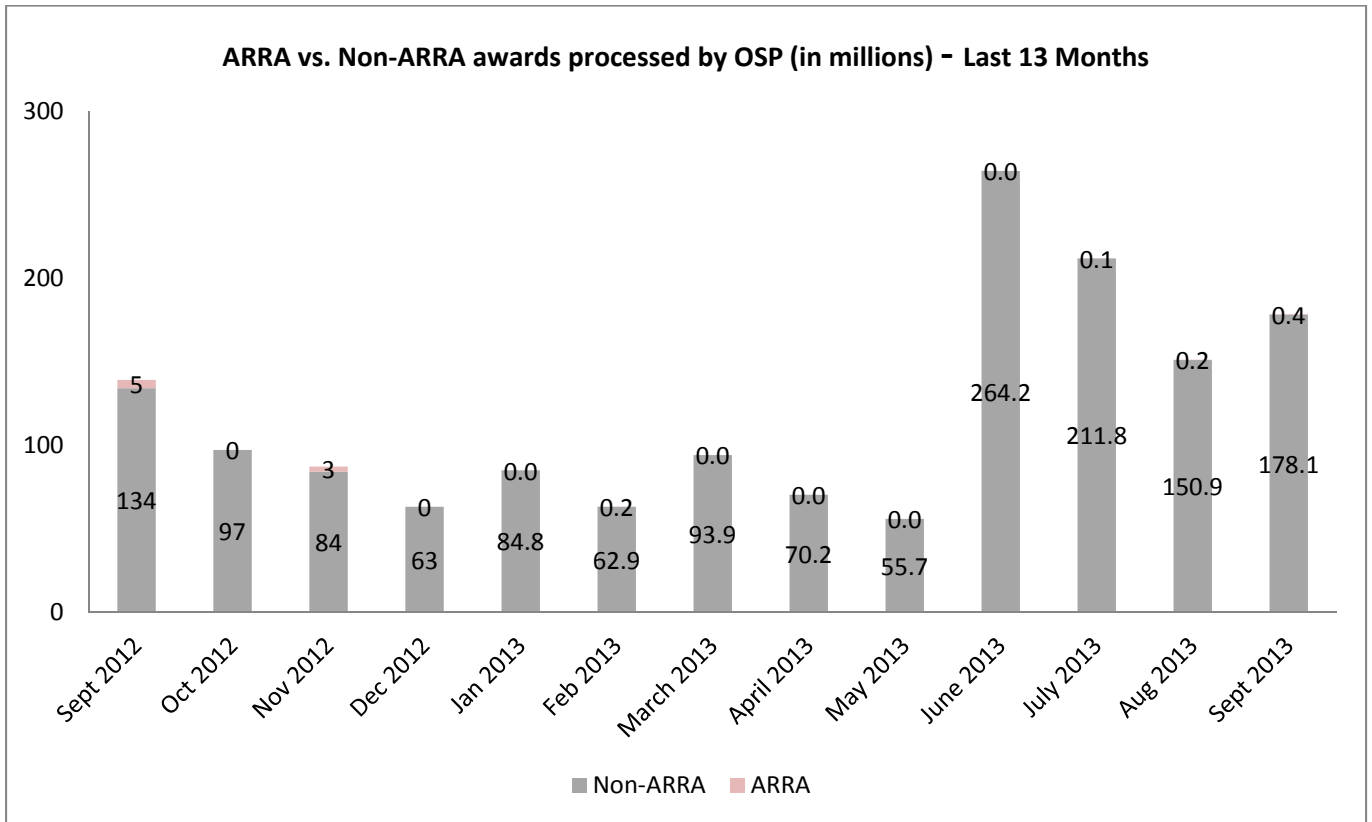

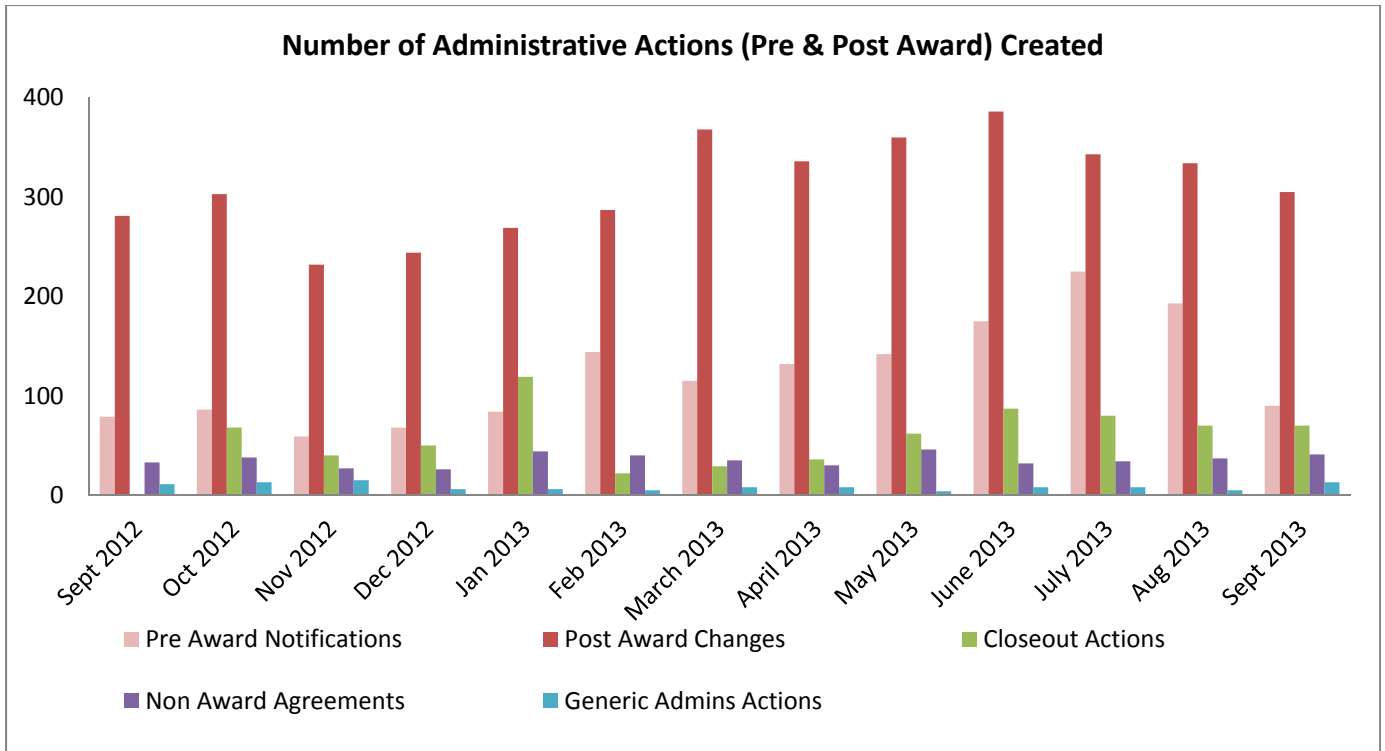

The dramatic increase in the number of awards and dollar amount processed June 2012 is attributed to the effort on the part of OSP staff to ensure that as many awards as possible are accepted for the closing fiscal year.

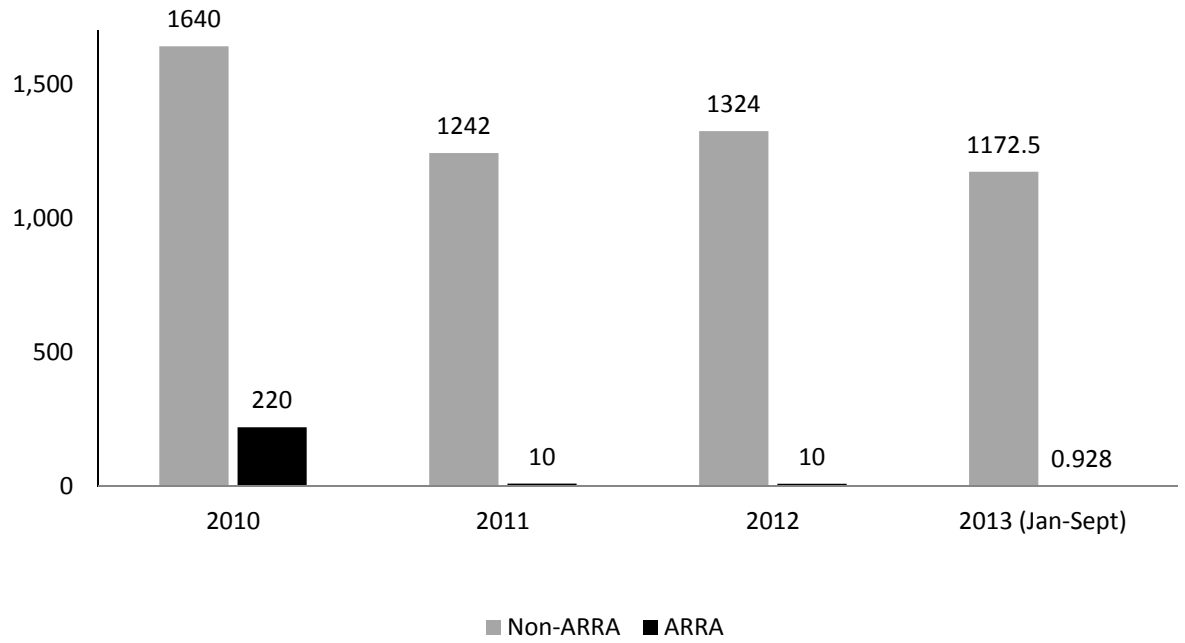

I deleted a subcontracts turnaround table from the first tab (on the recommendation of Lynette). This metric has never meant much and now that processes are changing in subcontracts group it is even more meaningless. - KH

ARRA vs. Non-ARRA awards processed by OSP (in millions) - By Calendar Year

Number of awards processed by OSP by ARRA and Non-ARRA - Last 13 Months
