

**Operational Excellence**

This is a reduced scale than above to show which of those Administrative Action Required items resulted in a Management Plan (determination by OR that SFI was FCOI which requires management).

This shows all Disclosures received by the Office of Research (OR) from the Financial Interest Disclosure System (FIDS) per month. This number is compared to those disclosures for which Administrative Action is required (review by OR personnel of Significant Financial Interests (SFI) for Financial Conflict of Interest (FCOI)).
