

## University of Washington's NIH Funding Trend, 2008 - 2018 as Compared to Top Three Funded Public Universities in FY18

This data comes from a NIH report titled "NIH Awards by Location and Organization." These numbers use a methodology and reporting period that is different from UW's Annual Report of Awards and Expenditures. For more information on NIH's figures see the following website - <https://report.nih.gov/award/index.cfm>
