

# MYRESEARCH SUMMER '19 UPDATE

MYRESEARCH IS THE UW'S RESEARCHER PORTAL - A CENTRAL SYSTEM FOR RESEARCHERS TO PROACTIVELY MANAGE RESEARCH, GRANT, BUDGET AND COMPLIANCE ADMINISTRATIVE ACTIVITIES.

## USING MYRESEARCH

### Proposal & Award Status:

- » **Personalized Dashboard:** View all eGC1s, awards and related items associated to you
- » **Status Visibility:** See real-time progress, status changes, details and history
- » **Contact Information:** Quickly and easily see who to contact
- » **Important Award Comments:** See OSP and GCA's comments informing you of compliance and fiscal information changes
- » **Direct Links:** Depending on the status of your application, make use of direct links to SAGE & GrantTracker

### UW Required Training Transcript:

- » **Personalized Transcript:** Track your required research training in one location
- » **Quick Search:** Efficient lookup of other individual's training records
- » New features are added quarterly

## SPONSORSHIP

### VICE PROVOST FOR RESEARCH:

Mary Lidstrom is the UW's Vice Provost for Research and is the executive sponsor of MyResearch. Mary's continued focus on supporting UW faculty with collaborative tools is the primary driver of this project.

**PARTNERSHIPS:** The success of MyResearch is dependent upon building, maintaining, and leveraging partnerships with research centers, schools, departments, compliance units, and advisory committees across all three UW campuses.

## EXPLORE

### VISIT MYRESEARCH.UW.EDU:

MyResearch is in beta. We have a rich roadmap of additional features and would love your feedback!

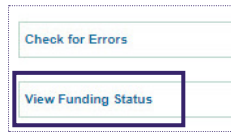

Email us at [myresearch@uw.edu](mailto:myresearch@uw.edu).

**YOUR RESEARCH PARTNER**

## NEW FOR 2019

**Link to MyResearch in SAGE:** Easily find status updates or hold information directly from your eGC1 or SAGE tasklist for proposals in approved, awarded or denied statuses.

| eGC1 # | PI | Full Application Title   | Sponsor Name                         | eGC1 Status | Date Created |
|--------|----|--|--------------------------------------|-------------|--------------|
| A      |    | Patient Perspectives on Prescription Opioid Tapering and Discontinuation | Kaiser Foundation Research Institute | Approved    | 5/29/2019    |

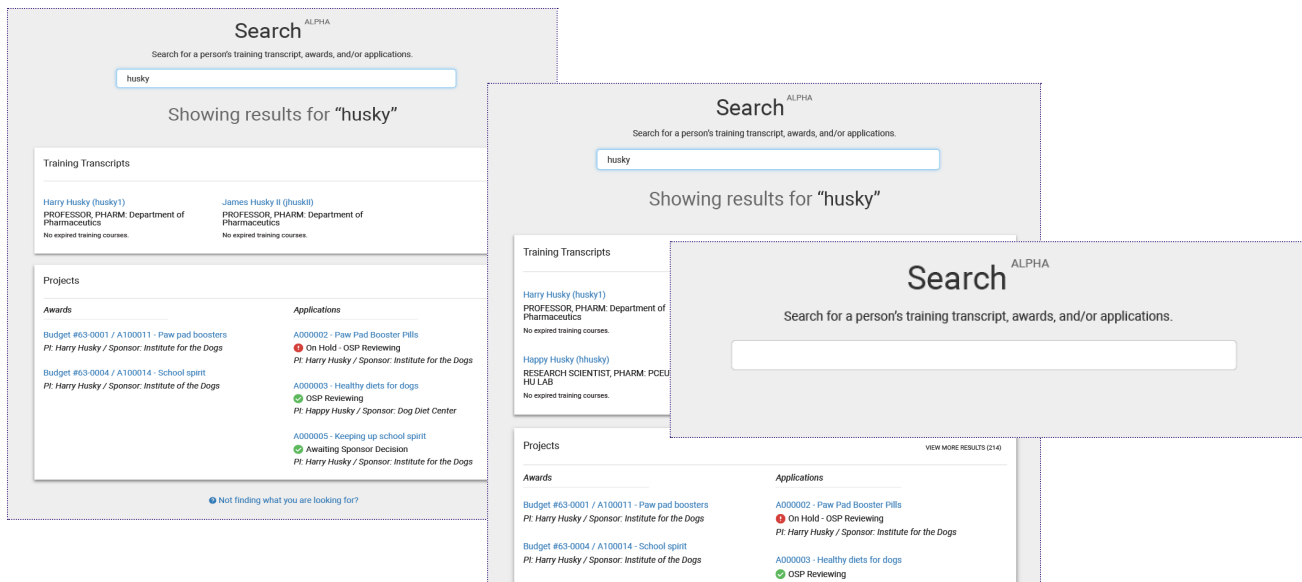

**Video Resource:** Watch our *Welcome to MyResearch* video to learn more about how MyResearch can accelerate your work. View at: [www.washington.edu/research/research-administration-learning/welcome-to-myresearch/](http://www.washington.edu/research/research-administration-learning/welcome-to-myresearch/).

**Feedback:** We've added a communication method for sending your comments to the product management team, so we can hear what you expect, need or want to see in MyResearch.

## SEARCH ALPHA IS COMING JUNE 2019!

### Search MyResearch

The MyResearch Search feature allows you to search across the entire MyResearch Portal by eGC1 number, budget number, principal investigator name and more. Quickly find an application, award, non-award agreement or training transcript for yourself, your research team or your collaborators.

### What's an Alpha?

The Alpha phase means we are still testing this feature so you may experience some unexpected behavior. We invite you to try out Search Alpha and let us know what you think! We are iterating quickly in response to feedback. Please tell us about your experience via the "Not Finding What You're Looking For?" link in MyResearch or contact us at [myresearch@uw.edu](mailto:myresearch@uw.edu).
