<b>Email Address</b>	zwstowell@seattleschools.org
<b>Website</b>	<a href="http://northgatees.seattleschools.org">http://northgatees.seattleschools.org</a>

### **Duties and Responsibilities**

Tutors are sought to work with students in language arts in general and reading in content areas such as social studies and science. Tutors are also sought to work with students in math, especially with understanding word problems. Tutors are currently needed to work with students from K to grade 5, and do so in one-to-one settings as well as in small groups.

### **Minimum Qualifications**

It is helpful for someone to be positive with students and patient, yet still able to have high expectations for them.

### **Educational Benefits**

This is good experience for anyone considering a career in education. It provides exposure to and practice in various approaches to teaching across subject areas.

### **Additional Information**

To apply, e-mail the contact person to arrange an interview. Be sure to indicate that you are seeking placement through America Reads.
