

Work Study Job Description

Job Title	Usability Researcher
Organization Name	Knowledge As Power
Job Location	Seattle, WA
Address	98115
Pay Rate	\$13.00 - \$13.00
Employment Period	Summer
Hours Per Week	19 hrs/wk
Contact Supervisor	Sarah Schacht
Phone Number	206-909-2684
Email Address	director@knowledgeaspower.org
Website	http://knowledgeaspower.org/

Nature of Organization

Knowledge As Power (KAP) is an open government, 501 (c)(3) organization, dedicated to helping people become better citizens, legislators become better lawmakers, and governments become better servants of the public.

Duties and Responsibilities

- Sitting in on planning meetings to assist in design and execution of the study
- Translating research observations into compelling stories about users
- Assisting in data analysis and report writing/editing
- Participating in post-session analysis meetings, offering analysis and design suggestions

Minimum Qualifications

- Working toward a degree in Informatics, Information Science, Information Management, Human Centered Design, or similar research focused course of study
- Strong knowledge of user research or usability methods, including the think-aloud study protocol
- Ability to make participants at ease during testing while preserving research rigor
- Detail oriented while always being able to keep the big picture in mind
- Passion for good user experiences and usable software

Educational Benefits

The Usability Researcher will gain valuable real-world experience running usability sessions, working with study participants and turning research data into an effective report.

How to Apply

Send a brief cover letter, resume and two references to Jen Dougherty at jenny@knowledgeaspower.org
