### Nature of Organization

Due to a number of challenges, less than half of foster youth graduate high school on time, and fewer than 2% will earn a four-year degree. Treehouse has a plan to ensure that foster youth graduate high school at the same rate as their peers.

### Duties and Responsibilities

The Assistant will assist with data entry (in Excel and Access) of school records and assessments, filing hard copies of records, assisting with pulling data for reporting, and providing general support to the Impact Measurement Team.

### Minimum Qualifications

This position requires keen attention to detail and ability to spend prolonged amounts of time at the computer. Demonstrated experience with MS Office or other data-base systems preferred. Ability to communicate in a positive and professional manner.

### Educational Benefits

The work study student will gain knowledge of program evaluation and gain skills in the following software systems: MS Access, Excel and Dynamics CRM. The student will also gain general knowledge of educational needs of youth in foster care.

### How to Apply
