

Time Schedule

Preliminary Autumn Quarter 1982

Preregistration: May 19-21, 24-28	Last day to register and receive highest priority
Freshmen (0-44 credits)	May 19, 20
Seniors (135 credits)	May 20, 21
Graduate students	May 21, 24
Postbaccalaureate (fifth-year) students	May 24, 25
Juniors (90-134 credits)	May 25, 26
Sophomores (45-89 credits)	May 26, 27, 28

Class standing is based on the projected number of credits the student will have at the beginning of the next quarter. Faculty and staff using tuition exemptions may not preregister.

In-person registration (by appointment only)

- Matriculated Students: June 24-August 20, September 16, 17, 20, 21
- Nonmatriculated students: September 22
- Tuition-exempt faculty/staff: September 22
- "Access" students: September 22

PREREGISTRATION

1. Eligibility

Preregistration is reserved for all continuing students *except* tuition-exempt faculty/staff, older adults auditing under the Access program, and nonmatriculated students. These last three groups may register only during the last day of in-person registration (see General Information section for specific registration dates).

Continuing students who withdraw during the first week of two consecutive quarters (Summer Quarter excepted) will not be eligible to register as continuing students for the third quarter. Such students must reapply as former students returning to the University. For example, a student who withdraws during the first week of Spring Quarter and Autumn Quarter must reapply as a returning former student for Winter Quarter.

2. Submitting the Preregistration Form

Mark-sense registration forms are available at advisory offices and at Registration Office, Window 3, second floor, Schmitz Hall. Please note that some courses listed in the *Time Schedule* have restricted enrollment and will require entry cards. Also, undergraduates will not be scheduled for more than 19 credits until the first day of the quarter. This is done to allow all students a chance to develop a basic program.

Students preregistering may turn in forms at:

- a) Registration lobby, second floor, Schmitz Hall
- b) B10 Padelford
- c) Fourth-floor student lounge, T-wing, Health Sciences Building
- d) Engineering Advising Office

3. If You Miss Preregistration

Obtain an in-person registration appointment and register by September 21 at Window 8, Schmitz Hall. After September 21 you will be required to register late and to pay a \$20 late registration fee at the Cashier's Office, 129 Schmitz, if registering by the tenth day of the quarter; \$50 after the tenth day of the quarter.

4. Schedule of Classes

All students who preregister will be scheduled by computer at one time. The scheduling priority is: freshmen, seniors, graduate students, postbaccalaureate (fifth-year) students, juniors, and sophomores. Schedules will be mailed June 14.

5. Registered Students

Students who preregister and do not get scheduled into any courses are not considered registered students. Their names are not included on the current file of registered students, and they are not eligible for preregistration the following quarter. Students in this category must submit a Former Student Application for the next quarter they wish to attend the University.

IN-PERSON REGISTRATION

1. Eligibility

In-person registration is primarily for newly admitted and returning former students. Continuing matriculated students who miss preregistration, tuition-exempt faculty/staff, older students in the Access program, and nonmatriculated students also register during in-person registration. All students, except Access students, must be admitted to the University before attempting to register. When you have confirmed your admission you will be issued a registration appointment.

2. How to Register

On or before your registration date, obtain a *Time Schedule* and a Registration Instructions worksheet from your advisory office or from the Registration Office, second floor, Schmitz Hall. (These may also be obtained in the Odegaard Undergraduate Library registration area *while registration is in progress*.) Obtain permission and/or course entry cards (if required) as indicated in the *Time Schedule* before your registration is processed. Once your registration is completed by the Sections staff, you are obligated for tuition and fee payment unless you officially withdraw by the fifth class day. Undergraduates will not be scheduled for more than 19 credits until the first day of the quarter. This is done to allow all students a chance to develop a basic program.

3. Submitting the Registration Worksheet

- a) New and returning former students register by appointment only on June 24–August 20, September 16–21 at Window 3, second floor, Schmitz Hall.
- b) If you are a continuing matriculated student who did not preregister, you must obtain an in-person registration appointment

and register by September 21. Continuing students who request in-person registration appointments and register after September 21 will be required to register late during the ten days of school and to pay the \$20; after the first ten days of the quarter, pay \$50.

c) If you are registering September 16–21, go to the Sections branch office, Odegaard Undergraduate Library, on the date and time indicated on your registration appointment. 353 Loew will be closed for registration. Engineering students will register in the Odegaard Undergraduate Library.

d) Nonmatriculated students may register only on September 22. Appointments are available at Window 8, second floor, Schmitz Hall.

e) Tuition-exempt faculty/staff members and students in the Access program register only on September 22.

4. Schedule of Classes

a) If you register June 24–August 20, your schedule of classes will be mailed to the address you indicate on the registration form. All students registering during this period are scheduled by computer at one time. The scheduling priority is: freshmen, seniors, graduate students, postbaccalaureate (fifth year) students, juniors, and sophomores. Schedules will be mailed September 7.

b) If you register September 16–22, your courses will be scheduled while you wait and you will be given a copy of your completed program when you have finished registering.

ENTRY CARDS

Certain courses and sections require entry cards for registration. Students who request these courses (and/or sections) on their registration request forms will not be registered in the courses unless the requests are accompanied by entry cards. An entry card alone is not sufficient. The course and schedule line number (SLN on entry card) must also be requested on the mark-sense registration form. Obtain course entry cards for courses designated with the symbol >>> in the margin of the *Time Schedule*. Information on where to obtain entry cards is found in the body of the *Time Schedule*, either as a comment before the course listing or just after the title of the course.

LATE REGISTRATION

Students who register after the official registration period will be charged a \$20 late registration fee, payable at the Cashier's Office, 129 Schmitz, if registering by the tenth day of the quarter; \$50 after the tenth day of the quarter.

REGISTRATION CHANGES

1. Change Appointments and Late Fee

a) All changes to a student's program should be completed during the official change periods (see calendar). Changes are made by appointment only. Appointments are available at Window 3, second-floor lobby, Schmitz Hall. A student who arrives more than a half-hour late will be required to make a new appointment.

Students in the schools/colleges of Medicine, Dentistry, Nursing, Pharmacy, Public Health and Community Medicine, Ocean and Fishery Sciences, and Forest Resources may make changes during the first week of the quarter, without an appointment, in the lobby of the T-wing, Health Sciences Building.

Engineering students may make registration changes in 110 Engineering Library. No appointments will be necessary for the engineering satellite registration station. Both the T-wing and engineering satellite station will close on Wednesday evening of the second week of the quarter. Changes on Thursday and Friday of the second week will be made in the Odegaard Undergraduate Library; after the second week, in 264 Schmitz.

Changes made after the change periods cost \$15 and may result in fee forfeiture (see item 3 of this section).

b) Students will be expected to present Autumn Quarter 1982 University of Washington student identification cards when requesting appointments. No more than one change appointment will be issued to a student at a time. Additional change appointments will be issued only after the initially assigned appointment has been used or the date has expired.

2. Grades in Dropped Courses and Drop Restrictions

a) *Undergraduates.* Undergraduate students who drop courses after the change periods receive no entry on their academic record if the drop is made during the first two weeks of the quarter. Drops made during the third and fourth weeks of the quarter will be recorded with a "W." No drops are permitted after the fourth week except for a limited number determined by the number of credits

Peak 1® Trail Notes

"Peak 1® is 'perfect fit' for Isle Royale canoe experience!"

Tom Gronback, Northland Outfitters, Germfask, Michigan

"In fact, Peak 1 fits us from more than one standpoint. We've been a full-service outfitter on the Upper Peninsula since 1974. Recently we're offering a 6-day fly-in canoe and fishing trip into the wilderness of Isle Royale National Park.

"The Peak 1 frames fit crosswise in our canoes. Their flexibility lets them wedge in tightly, then hold without shifting, a big safety factor on the water.

"Of course this lets us use frame packs, with their weight transfer advantage, instead of the usual canoe sacks. Result — more comfortable carrying on our portages to inland lakes.

"Finally, thanks to Peak 1's adjustability, we also get a perfect fit for each person in the party, trip after trip."

The Competitive Edge**

In the Coast Guard
you won't
get lost in the crowd
for a simple
reason.

No crowd.

Almost everything the Coast Guard does in small teams.

That means maybe for the first time in your life, what you do really matters. People are depending on you, listening to you.

The Coast Guard can be an exciting place to work, with challenge and executive responsibility for a young officer.

You start out on a management level,

with management responsibility and pay. You might be assigned to a merchant marine safety office or one of the Coast Guard's search and rescue groups. Or you could work with the boating public conducting a regional safety education program.

earned at the University. While completing the first 44 credits at the University, the student has three drops permitted after the fourth week. Any of these three drops not used by the time 45 credits are earned are forfeited. After 45 credits have been completed at the University, the student earns one late drop for each 45 credits earned. These may be accumulated and used as necessary. *No drops of any kind are permitted after the last day of instruction.*

b) *Graduate Students.* Graduate students who drop courses after the first two weeks of the quarter receive a grade of "W." No drops are permitted after the seventh week of instruction.

c) Students may petition the Registrar to drop a course after the regular drop deadline if: (1) the student is unable to complete the course in question because of a severe mental or physical disability, or (2) unusual or extenuating circumstances beyond the student's control prevented the student from dropping the course by the regular drop deadline. Petitions must be filed promptly after the occurrence of the event that gave rise to the need for dropping the course.

3. Fee Forfeitures or Refunds

a) Students will be billed for the number of credits, including audit hours, on their programs at the end of the first week of the quarter. Only partial fee reductions will result for courses dropped after the first week of the quarter.

b) Students dropping courses after the first seven calendar days of the quarter and through the thirtieth calendar day of the quarter will be expected to pay one-half of the tuition and fees associated with that course. Example: An undergraduate originally registered for 5 credits. The fee for 5 credits is \$197 (resident). The student then drops a 3-credit course in the second week of the quarter. The total number of credits for which the student remains registered is 2. Tuition and fees are due for the 2 credits (\$80) and one-half the difference between 5 credits and 2 credits, in this case an additional \$58.50. Total fees owed are \$138.50. The student has been registered in the dropped course for more than one week and therefore must pay half the fees for the course.

Courses dropped after the thirtieth calendar day receive no refund. Example: A student is registered for a 3-credit course. The student drops that course after the thirtieth calendar day. No refund is available. If the student adds a different 3-credit course at the time the original 3-credit course is dropped, he or she will pay tuition and fees for 6 credits.

c) Drops become effective the date received in Sections.

4. Courses Added After the Official Change Period

a) As a general rule, no courses may be added after the official change period. Exceptional cases may be approved if both the instructor of the course and the dean of the student's college consent.

b) Courses audited may not be changed to a credit registration after the first two weeks of the quarter.

FEE PAYMENT

1. A fee statement will be mailed to the address you indicate on your mark-sense registration form. If you have not received a fee statement by the end of the second week of the quarter, contact the Student Accounts and Scholarships Office for the amount of tuition due.

2. You may pay your fees in person in the Student Accounts and Scholarships Office or mail them to Student Accounts and Scholarships Office, 129 Schmitz, Seattle 98195, before the tuition due date. Fees must be paid by Friday of the third week of the quarter whether or not you have received a statement.

3. If you fail to pay by the deadline you may continue to pay your fees, with a \$25 late fee, for one week following the due date. If fees are not paid by this time your registration will be canceled. Students permitted to reregister after cancellation for nonpayment will be charged a \$50 fee, in addition to their tuition. No reregistration will be possible after the last day of instruction. *Please note: Even if your registration is canceled you will continue to owe one-half your tuition and fees if you are a continuing student or, if you are a new or returning student, \$50 or one-half your tuition and fees, whichever is greater.*

Quarterly Tuition and Fee Rates*

Undergraduate (includes postbaccalaureate [fifth-year] and nonmatriculated students)	Non-resident	
	Resident	Non-resident
Full fee (more than 9 credits)	\$392	\$1,085
Minimum (first 2 credits)	80	213
Each additional credit	39	109

Graduate and Law

Full fee (more than 6 credits)	462	1,293
6 or fewer credits:		
Minimum (first 2 credits)	132	368
Each additional credit	66	185
Dentistry and Medicine		
Full fee (more than 12 credits)	739	2,125
12 or fewer credits:		
Minimum (first 2 credits)	112	332
Each additional credit	57	163

* These fee rates will be modified by the Washington State Legislature. New and continuing students will be notified of the new fee rates when available.

Special Course and Laboratory Fees

The amounts listed in the Tuition and Fee Rate schedule normally cover University charges for course registration. Some courses, however, have extraordinary expenses associated with them and in such cases the University may charge additional fees in amounts approximating the added instructional or laboratory costs.

CHANGE OF ADDRESS

If you change your address after you have turned in your mark-sense registration form, be sure to complete a change of address form at the Registration Office. Forms are available at Window 3, second floor, Schmitz Hall. *You are responsible for notifying the Registrar's Office of any address change.*

STUDENT INSURANCE

UW students who remain registered through at least the first six days of instruction in the quarter are eligible to enroll in the student health insurance plan. The following students are not eligible:

1. Those enrolled only in programs administered by the Department of Continuing Education or Office of Short Courses and Conferences, including but not limited to extension, correspondence, independent study, continuing studies, noncredit courses, or the Access program; or

2. UW employees attending classes under the employee tuition exemption program.

Students who do not specifically request a particular student insurance plan or who do not specifically state they do not wish student insurance automatically will be enrolled and billed for *student only* medical, surgical, and hospital insurance.

If you are billed for student insurance and wish to cancel your coverage, complete the appropriate section on the remittance copy of the billing statement and pay the amount billed less the indicated amount for insurance. If you wish to change or add coverage, you must do so in person in the Student Accounts Office by the date tuition is due. Tuition/fees and the student health insurance premium must be paid in full by the due date to be eligible for health insurance.

International students must subscribe to the student insurance plan. Exceptions may be granted by the International Services Office if the student presents proof of other medical insurance coverage. To be eligible for health insurance, the student must pay, in full, tuition, fees, and the student health insurance premium by the due date.

WASHPIRG

An optional \$2 fee is indicated on the fee statement for the Washington Public Interest Research Group, a student research organization. If you do not desire to support this activity, simply pay the regular tuition and fees. If you want to support WASHPIRG, pay the regular tuition and fees plus \$2.

WITHDRAWAL FROM THE UNIVERSITY (DROPPING ALL COURSES FOR THE QUARTER)

1. Obtain an approved withdrawal form from your adviser.
2. Present the withdrawal form to the Withdrawal Office, Sections, 264 Schmitz. *Withdrawals are effective the date they are received in the Registrar's Office. Fees owed will be based upon the date the withdrawal is received in the Registrar's Office. No withdrawals will be accepted after the last day of instruction, December 8.*

Continuing students who withdraw during the first week of two consecutive quarters (Summer Quarter excepted) will not be eligible to register as continuing students for the third quarter. Such

Final examinations should be administered in accordance with the above examination schedule.

The dean may permit an instructor to change the time of a final examination upon prior application demonstrating good cause for such change. In such cases, the following guidelines shall be observed:

1. With the dean's permission, the final examination may be postponed or moved to an earlier time within the examination period if agreed to by all students and the instructor. Before approving the rescheduling of a final examination, the dean shall obtain assurances that the change will not have an undue adverse impact on the students. The dean shall notify the Registrar of the approval granted for changing the date of a final examination.
2. An instructor shall not, except in very unusual circumstances, grant permission to individual students for an early examination. If the student is unable to take an examination on the scheduled date, the procedure outlined in the following paragraph should be followed.
3. A student absent from any examination, or other-required class activity, either by permission of the dean or through sickness or other unavoidable cause, shall be given an opportunity to complete the required work, or its equivalent, at some other time. If the instructor determines this is not feasible during the current quarter, the instructor shall exempt the student from

the requirement or give the student a grade of Incomplete if his or her work in the course is otherwise satisfactory. The student may remove this Incomplete in the manner provided for the removal of Incomplete grades. In all other cases of absence from the scheduled final examination, a student should be given a grade of 0.0.

4. Classes that meet on the hour use the first full hour of instruction to determine the time of examination. For example, a class that meets at 10 a.m. uses the 10:30 a.m. examination time.
5. Classes that begin on the half hour and last longer than one hour use the actual starting time to determine the examination time. For example, a class that meets at 7:30 a.m. and continues until 9:00 a.m. would use the 7:30 p.m. time.
6. Classes in which the entire class meets at the same hour every day, in the same room, may use that room at 8:30 a.m. or 2:30 p.m. for a three-hour examination. All other examinations are limited to one hour and fifty minutes unless other arrangements are made with Room Assignments.
7. If an examination is held at a time other than the above schedule indicates, instructors must check with Room Assignments to make sure that the room is going to be available.

Questions concerning the examination schedule should be directed to Room Assignments, 543-1080.

NEW COURSES FOR AUTUMN QUARTER 1982

The following list includes new courses that will be offered Autumn Quarter 1982, which were added to the University curriculum after publication of the 1982-84 General Catalog. Consult the appropriate academic department for information on courses not listed below.

COLLEGE OF ARTS AND SCIENCES

ART

ART 425 Advanced Individual Projects in Fiber Arts (5, max. 15)

Specialized investigation involving surface design and/or fabric structures. Prerequisites: upper division standing in fiber arts and permission of art advisory office.

ASIAN LANGUAGES AND LITERATURE

Japanese

JAPAN 314 Advanced Japanese Conversation (2)

Guidance and drill in advanced Japanese conversation, conducted by native speakers, providing opportunities to enhance oral command of materials studied in 311, 312, 313, plus other upper-level vocabulary and syntax materials. Prerequisite: 213 or equivalent. Recommended: simultaneous registration in 311.

HISTORY

HST 204 Europe and America in the Era of the World Wars (5)

Declining role of Europe in the world and rise of the United States from 1914 to 1945.

PSYCHOLOGY

PSYCH 322 Introduction to Drugs and Behavior (3)

Basic concepts of drug action emphasizing the behavioral consequences of the intake of a variety of drugs. Prerequisite: 222.

SCHOOL OF MEDICINE

HUMAN BIOLOGY

HUBIO 516P P-Cell Biology (2)

Structure and function of cell components, interactions of cells with their substates and with other cells and events of cell differentiation, including the cell cycle, cell proliferation, and cell potential. Emphasizes basic aspects of cell biology relevant to medicine and complements concurrent and subsequent courses.

ORTHOPAEDICS

ORTHP 585P P-Sports Medicine (2)

Lectures, patient problem presentations, and seminar discussions used to explore impact of exercise and sport participation on various body systems. Biomechanics of certain sports injuries and adaptations of cardiovascular, pulmonary, and muscle functions. Sport participation at different ages and nutrition concerns in sports. Prerequisite: second year medical students.

INDEPENDENT STUDY THROUGH CORRESPONDENCE

AUTUMN QUARTER 1982

The Office of Independent Study provides University courses for correspondence credit primarily by correspondence instruction to persons who wish to study independently. Fees for Independent Study courses are separate from residence tuition and are \$26 per credit. Enrollment is not based on the quarter system but is continuous throughout the year, with one calendar year allowed to complete a course.

A regularly enrolled student who wishes to register for additional courses for Independent Study credit should consult his or her departmental adviser prior to enrolling in an Independent Study course. Applications and additional information on enrollment procedures may be obtained from the Independent Study office, 222 Lewis, or by telephoning 543-2350.

The following courses are currently offered by Independent Study (credits in parentheses; * indicates variable credit, to be arranged by student and instructor).
