“Dad was right.
You get what
you pay for.”

Greg Riley · University of North Carolina · Class of 1989

More people choose AT&T over any other long distance service. Because, with AT&T, it costs less than you think to get the service you expect, like clearer connections, 24-hour AT&T operator assistance, instant credit on wrong numbers. And the assurance that we can put virtually every one of your calls through the first time. That's the genius of the AT&T Worldwide Intelligent Network.

So when it's time to make a choice, remember, it pays to choose AT&T.

If you'd like to know more about our products or services, like the AT&T Card, call us at 1 800 222-0300.

AT&T

The right choice.

AUTUMN QUARTER 1988 STUDENT ACTION GUIDE

REGISTRATION

For detailed information, refer to Registration Guidelines and Instructions sections.

- June 27–September 2, 12–22** Registration Period II
By appointment only
Open to all matriculated students for registration and changes of registration. Location of registration will be provided when appointment is issued.
- September 9** Registration Confirmation/ID Cards mailed to students registered in Period II through September 2.
- September 21–22** Registration for nonmatriculated students, Faculty/Staff Tuition Exempt students, and Access students. By appointment only.
- September 26–30** Registration Period III
By appointment only
\$25 Late Registration Fee Assessed for all students except Faculty/Staff Exempt and Access students
Satellite locations available 8 a.m.–5:30 p.m. for registration, changes of registration, and registration related information: 209 HUB, Health Sciences T-Wing Lobby, Sections—264 Schmitz, McMahon Hall—Southwest Dining Room, Lander Hall—Room 131
- September 30** Last day to change to or from S/NS grading
- October 31** Winter Quarter 1989 Registration Period I begins

ADDING/DROPPING COURSES OR COMPLETE UNIVERSITY WITHDRAWAL:

- September 30** Last day for official withdrawal from the University without owing tuition or fees.
- September 30** Last day to add a course without instructor's permission.
- September 30** Last day to add or drop a course without being assessed a \$20 change fee. (See "Fee Forfeitures or Refunds" section)
- October 7** Last day to drop a course without entry on transcript.
- October 7** Last day to change from audit to credit registration.
- October 21** Last day for undergraduate, postbaccalaureate (fifth-year), and nonmatriculated students to drop a course, except for preemptory drops and hardship withdrawal.
- November 10** Last day for graduate students to drop a course.
- December 7** Last day to withdraw from the University (dropping all classes).

FEE PAYMENTS:

- October 3** Fee statements mailed to all registered students.
- October 14** Fee payment deadline for all registered students.
- October 17–21** Late-payment period (requires a late-payment fee)
- October 25** Thirtieth calendar day of the quarter (see "Fee Forfeitures or Refunds" section).

APPLICATION DEADLINES:

- October 7** Last day to return approved applications for credit by examination, 248 Schmitz.
- October 11** Applications for baccalaureate degrees for Autumn Quarter 1988 for Arts and Sciences must be submitted to B10 Padelford.
- October 14** Applications for baccalaureate degrees and certificates (all schools and colleges) to be conferred Autumn Quarter 1988 must be submitted to Graduation Office, 207 Schmitz.
- Fifth week of quarter** Credit by examination (students must make arrangements with the Educational Assessment Center, 543-1170).
- October 26** Last day to hand-deliver an application for resident status to Residence Classification Office, 209 Schmitz. Applications must be postmarked October 25 if mailed.

GRADES:

- December 23** Grades for Autumn Quarter 1988 mailed to students.

REGISTRATION GUIDELINES

It is the University's expectation that a student will follow University rules and regulations as they are stated in the *General Catalog*. In instances where no appeal procedure is spelled out and the student is persuaded that a special set of circumstances makes appeal reasonable, he or she may appeal the application of specific rules or regulations to the office of the dean of the school or college in which he or she is enrolled in the case of an academic matter, or to the Office of Student Affairs in the case of a nonacademic matter. These offices will either render a decision on the appeal or refer the student to the proper office for a decision.

GUARANTEED REGISTRATION ELIGIBILITY

University of Washington students who remain in good scholastic standing are guaranteed the opportunity to register each quarter as long as they maintain continuous enrollment (Summer Quarter excepted). Continuation must be in the same classification, e.g., undergraduate, postbaccalaureate (fifth-year), graduate, etc. Once a student earns a baccalaureate degree, he or she must apply for readmission as a postbaccalaureate (fifth-year), nonmatriculated, or graduate student. Exceptions to the guarantee are: (1) students under disciplinary action, (2) students with a financial hold, (3) students not meeting their departmental continuation policies, or (4) students not meeting the University's Satisfactory Progress Policy (See General Catalog.).

If an undergraduate does not enroll for one or more quarters, or if a graduate student goes on-leave, he or she must file an application for readmission with the Registration Office, second floor, Schmitz Hall, Window 7. Undergraduates must include payment of the \$25 application fee. Information on admission closing dates is available at Window 3, second floor, Schmitz Hall, or by calling 543-5920.

RESTRICTIONS ON ATTENDING CLASSES

No person, other than a faculty member attending informally with the approval of the instructor, may attend a University course in which that person has not been registered officially through the Registrar's Office.

An instructor may allow a student to attend his or her class only if the student's name appears on the official class list from the Registrar's Office.

FULL-TIME STUDENT REQUIREMENT

To be considered a full-time student, an undergraduate must register for 12 credits and a graduate student must register for 9 credits. The full-time registration requirement varies for different agencies. Information on full-time requirements of the Veterans Administration and Immigration and Naturalization Service, may be obtained at 460 Schmitz. Consult the Financial Aid Office for its requirement on satisfactory student progress.

NONMATRICULATED STUDENTS

Nonmatriculated students register by appointment September 21-22 and enroll only on a space-available basis. Nonmatriculated students who register after September 22 will be charged a \$25 late registration fee if registering by the tenth day of the quarter, and \$75 after the tenth day of the quarter.

Because nonmatriculated students register after all other students, enrollments may be closed in the following areas: mathematics, English composition, beginning foreign languages (particularly French and Spanish), business, and art. Nonmatriculated students may participate in preregistration for the Summer Quarter.

TUITION-EXEMPT FACULTY/STAFF

September 21-22—Autumn Quarter Registration Dates

With the approval of their department chairperson, regularly admitted full-time UW faculty and staff members who have been employed six months or more may take up to 6 credits per quarter under the tuition exemption program. According to legislative action, all registrations must be on a space-available basis after other students have registered. Members of the faculty and staff who wish to utilize the exemption may not preregister. Faculty/staff who register prior to September 21 will not be eligible to use a tuition exemption Autumn quarter. New faculty/staff members who enroll must be officially admitted by the Office of Admissions by the regular admission closing date; July 1 is the closing date for Autumn

Quarter. Faculty/staff members who are former students returning either in the same classification or as nonmatriculated students should apply at the Registration Office, Window 7, second floor, Schmitz Hall.

Faculty/staff should present their approved tuition exemption cards and obtain a registration appointment at the Registration Office, second floor, Schmitz Hall, Window 7 prior to September 21. The location of registration will be identified at the time the registration appointment is issued. A \$5 registration fee will be assessed. Faculty/staff will not be assessed a late registration fee during the first week of the quarter.

Tuition-exempt faculty/staff are not entitled to other student services such as those available at the Hall Health Center and the Intramural Activities Building. Therefore, UW student cards will not be issued to faculty and staff. Faculty/staff identification cards may be used for library services.

"ACCESS" PROGRAM FOR OLDER ADULTS

September 21-22—Autumn Quarter Registration Dates

Registration Office, second floor, Schmitz Hall, Window 8 or 9, 8 a.m.-5 p.m.

The University of Washington waives tuition for Washington residents sixty years or older who wish to attend classes as auditing students on a space-available basis. The fee is \$5, whether one or two courses are attended. As auditors, they do not receive credit and are not expected to do laboratory work or to take examinations. Students who attend the University under the Access program are limited to two courses per quarter.

Registration may be made in person. For information on mail-in registration or about the program in general, telephone UW Extension, 543-2300, between 8 a.m. and 5 p.m.

AUDITORS

Auditors, except Access program students, pay standard tuition and fees and must be regularly admitted and registered in the course. Although credits for audited courses will not be listed on the schedule of classes, they will be included in the billing on the fee statement. Such credits count in the calculation of fees.

Attendance in courses as an auditor is by consent of the instructor involved and is conditioned by the extent to which space is available. Permission to audit is ordinarily granted for lecture classes only. An auditor may not participate in class discussion or laboratory work, and his or her registration may be canceled at the discretion of the instructor.

No entry is made on the permanent record for courses audited. To receive credit for an audited course, the student must register for the class for credit in a subsequent quarter. Audit registration must be completed in Sections, 264 Schmitz Hall and is available during any of the registration periods.

DISABLED STUDENTS

Various support services, including priority registration, are available to students with disabilities. Contact the Coordinator for Disabled Student Services, 482 Schmitz, 543-8924, for information on equipment, technical aids, and accommodations to meet individual needs. Access: *University of Washington*, a guidebook to buildings on the campus, and an accompanying map may be obtained from the office.

Students with disabilities who register for a science laboratory class should telephone the Coordinator, 543-8924, and the academic adviser of that department immediately to evaluate whether some accommodation of the facilities will be necessary.

REGISTRATION INSTRUCTIONS

ACADEMIC ADVISER

See an academic adviser to discuss your educational objectives and to learn the procedures involved in registering at the University. Have an idea of the courses you would like to take before seeing an adviser by reviewing the *General Catalog* and the quarterly *Time Schedule*.

ENTRY CARDS

Certain courses and sections require entry cards for registration. Students who request these courses (and/or sections) on their registration request forms will not be registered in the courses unless the requests are accompanied by entry cards. An entry card alone is not sufficient. The course and schedule line number (SLN on entry card) must also be requested on the mark-sense registration form. Obtain course entry cards for courses designated with the symbol >>>> in the margin of the *Time Schedule*. Information on where to obtain entry cards is found in the body of the *Time Schedule*, either as a comment before the course listing or just after the title of the course.

CHANGE OF ADDRESS

YOU ARE RESPONSIBLE FOR NOTIFYING THE REGISTRAR'S OFFICE OF ANY ADDRESS CHANGE. When you change your address, be sure to complete a Change of Address Form at the Registration Office. Forms are available at Window 3, second floor, Schmitz Hall.

REGISTRATION PERIOD I (CONTINUING STUDENTS ONLY)

1. Eligibility

This period is reserved for all continuing students *except* tuition-exempt faculty/staff, adults auditing under the Access program, and nonmatriculated students. These last three groups may register September 21-22.

Continuing students who withdraw during the first week of two consecutive quarters (Summer Quarter excepted) will not be eligible to register as continuing students for the third quarter. Such students must reapply as former students returning to the University.

2. If You Miss Registration Period I

Obtain a registration appointment and register by September 22. Appointments are available at the Registration Office, second floor, Schmitz Hall, Window 7. After September 22 students will be required to register late and will be billed a \$25 late registration fee if registering by the tenth day of the quarter; \$75 is billed after the tenth day of the quarter.

3. Registered Students

Students who register but are not scheduled into any courses are not considered registered students, and are not eligible for Registration Period I the following quarter. Students in this category must submit a Former Student Application for the next quarter they wish to attend the University.

REGISTRATION PERIOD II (NEW AND RETURNING STUDENTS AND CONTINUING STUDENTS WHO DID NOT REGISTER IN PERIOD I)

1. Eligibility

This registration period is primarily for newly admitted and returning former students. Continuing matriculated students who miss Registration Period I, tuition-exempt faculty/staff, adult students in the Access program, and nonmatriculated students also register during Period II. All students, except Access students, must be admitted to the University and issued a registration appointment before attempting to register.

2. How to Register

On or before your registration appointment, obtain a *Time Schedule* and a Registration Instructions worksheet from your advisory office or from the Registration Office, second floor, Schmitz Hall. Obtain permission and/or course entry cards (if required) as indicated in the *Time Schedule* before attempting to register. Once your registration is completed, you are obligated for tuition and fee payment unless you officially withdraw by the fifth day of the quarter. Undergraduates will not be scheduled for more than 19 credits until the first day of the quarter to allow all students a chance to develop a basic program.

REGISTRATION PERIOD III (Open)

Registration and changes to registration are open to students during this period. An appointment is required. All students, except Access students, must be admitted to the University and be issued a

registration appointment before attempting to register.

A \$25 late registration fee (\$75 after the tenth class day of the quarter) will be assessed. Students are encouraged to register and complete changes to registration prior to this period since many sections will be closed and finding a schedule of classes will be difficult.

CHANGES OF REGISTRATION

1. Change Appointments and Late Fee

Students will be expected to present Autumn Quarter 1988 UW student identification cards when requesting appointments. No more than one change appointment will be issued to a student at a time. Additional change appointments will be issued only after the initially assigned appointment has been used or the date has expired.

Appointments are not required to (1) drop a course, (2) change to or from S/NS, (3) change variable credits, (4) add an entry card course. Evening-only students do not need appointments for the 4:30 p.m. to 5:30 p.m. change period during the first week of the quarter. A student who arrives more than a half-hour late will be required to make a new appointment.

Graduate students do not need appointments during the first week of the quarter at 264 Schmitz.

Students in the schools/colleges of Medicine, Dentistry, Nursing, Pharmacy, Public Health and Community Medicine, Ocean and Fishery Sciences, and Forest Resources, and the Department of Biology may make changes during the first week of the quarter, without an appointment, in the fourth floor lobby of the T-wing, Health Sciences Building.

Engineering students may make changes without an appointment or register late with an appointment, in 209 A-B HUB, during the first week of the quarter.

Changes made after the official change period are restricted and, if permitted, cost \$20 and may result in fee forfeiture (see item 4 of this section).

Undergraduates in the College of Arts and Sciences must have their adviser's signature to carry more than 22 credits; 30 credits is the limit per quarter.

2. Adding Courses/Permission Guidelines

For reasons of public safety and instructional quality, course enrollment in each section will be limited to not more than the approved classroom capacity. The Registrar's Office monitors course enrollments throughout the quarter according to the following guidelines:

a) Through the fifth class day, students may add a section without the instructor's signature unless the class is full or requires permission. The Registrar's Office will accept course overload authorization up to 115% of room capacity when the student presents authorization signature from either instructor or authorized person in the department.

b) From the second through the fifth week, overload authorization signatures will be accepted up to 105% of room capacity.

c) Beginning the sixth week, no course registration will be accepted without co-signatures by both the instructor and the department chairperson. Registration will not be permitted if enrollment has reached 100% of room capacity.

d) Audited courses may not be changed to credit registration after the first two weeks of the quarter.

3. Grades in Dropped Courses and Drop Restrictions

a) *Undergraduates.* Undergraduate students who drop courses after the change periods receive no entry on their academic record if the drop is made during the first two weeks of the quarter, except if all courses are dropped then a university withdrawal date is entered. Drops made during the third and fourth weeks of the quarter will be recorded with a "W." No drops are permitted after the fourth week except a limited number may be dropped as determined by the number of credits earned at the University. While completing the first 44 credits at the University, a student has three drops permitted after the fourth week. Any of these three drops not used at the time 45 credits are earned are forfeited. After 45 credits have been completed at the University, the student earns one late drop for each 45 credits earned. These may be accumulated and used as necessary. No drops, other than hardship withdrawals may be made after the last day of instruction.

b) *Graduate Students.* Graduate students who drop courses after the first two weeks of the quarter receive a grade of "W." No drops are permitted after the seventh week of instruction.

c) Students may petition the Registrar for a hardship withdrawal after the regular drop deadline if: (1) the student is unable to com-

plete the course in question because of a severe mental or physical disability, or (2) unusual or extenuating circumstances beyond the student's control prevented the student from dropping the course by the regular drop deadline. Petitions must be filed promptly after the occurrence of the event that gave rise to the need for dropping the course. Hardship withdrawals are for dropping individual courses only. See section on Withdrawal from the University for the procedure to follow for dropping all courses for the quarter; no petition is required.

4. Fee Forfeitures or Refunds

a) Students will be billed for the number of credits, including audit hours, on their programs at the end of the first week of the quarter. Only partial tuition reductions will result for courses dropped after the first week of the quarter.

b) Students dropping courses after the first seven calendar days of the quarter and through the thirtieth calendar day of the quarter will be expected to pay one-half of the tuition associated with that course.

c) Courses dropped after the thirtieth calendar day receive no refund.

d) The effect of tuition forfeitures on the over-18-credit surcharge is as follows: forfeitures for courses dropped that exceeded 18 credits are charged the same as in (b) and (c) above. Also, if a student drops a course after the thirtieth calendar day and adds another, total credit charges will include credits that are added with no reduction for credits dropped.

e) Drops become effective the date received in Sections, 264 Schmitz.

WITHDRAWAL FROM THE UNIVERSITY (DROPPING ALL COURSES FOR THE QUARTER)

1. Obtain a withdrawal form from your adviser or from the Withdrawal Office.

2. Present the withdrawal form to the Withdrawal Office, Sections, 264 Schmitz. Withdrawals are effective the date they are received in the Registrar's Office. Tuition owed will be based upon the date the withdrawal is received in the Registrar's Office. No withdrawals accepted after the last day of instruction, December 7.

Continuing students who withdraw during the first week of two consecutive quarters (Summer Quarter excepted) will not be eligible to register as continuing students for the third quarter. Such students must reapply as former students returning to the University. For example, a student who withdraws during the first week of Spring Quarter and Autumn Quarter must reapply as a returning former student for Winter Quarter.

3. Students are required to turn in their student I.D. cards when they withdraw and are not eligible to continue using University services or facilities after their withdrawal.

The forfeiture schedule for withdrawing from the University is as follows:

(a) Students withdrawing before the sixth day of the quarter do not pay tuition. New and returning students forfeit their \$50 enrollment service fee.

(b) Students withdrawing on the sixth day or through the thirtieth calendar day continue to owe one-half of their tuition.

(c) Students withdrawing after the thirtieth calendar day continue to owe full tuition.

Students who were unable to turn in their withdrawal in time may petition the Comptroller's Office. Petition forms are available at the Student Accounts and Scholarships Office, 129 Schmitz.

Courses dropped as part of a University withdrawal completed during the first two weeks of a quarter receive no grade and no entry except date of withdrawal is made on the student's permanent academic record. Withdrawals completed after the first two weeks result in the courses being assigned a grade of "W."

Incomplete Grade

Incomplete grades may only be awarded if the student is doing satisfactory work up until the last two weeks of the quarter. Undergraduate students must not reregister for courses in which they have received an Incomplete. A grade earned in a repeat course will not be recorded as an incomplete conversion grade.

Satisfactory/Not Satisfactory Grade Option

Students may elect to take certain courses on a Satisfactory/Not Satisfactory basis by going to 264 Schmitz on one of the registration satellite locations. Advisers should be consulted, and in no case are students allowed to register for more than 6 credits (or for one course, if that course is offered for more than 6 credits) on a Satisfactory/Not Satisfactory basis in a given quarter. A course in which an "S" is earned may not be used to satisfy any department, college, or University requirement, except that the credits may be applied to the minimum of 180 credits required for graduation. Each

instructor will report conventional grades to the Registrar, who will convert satisfactory grades (2.0 or greater) to "S," and unsatisfactory grades (less than 2.0) to "NS" for the student's transcript. No more than 25 S/NS credits will apply to an undergraduate degree. S/NS must be elected no later than registration period III. Undergraduate students earning grades of 2.0 or above receive a grade of S (Satisfactory) while grades below 2.0 are recorded as NS (Not Satisfactory).

Graduate students earning grades of 2.7 or above receive a grade of S (Satisfactory), while 2.6 or below are recorded as NS (Not Satisfactory). With the approval of his or her graduate program adviser or Supervisory Committee Chairperson, a graduate student may elect to take any course for which he or she is eligible outside of his or her major academic unit on an S/NS basis.

In cases of withdrawal, the W is recorded. Neither S nor NS are included in the grade-point average. N, I, and X are recorded until the instructor reports the final grade, or in cases of incompletes received by undergraduates, until the I is converted by the Registrar.

Credit/No Credit-Only Courses

Some courses are offered on a CR/NC-only basis. It is not necessary to register S/NS to take these courses, because the only grades assigned by the instructor are CR (Credit) or NC (No Credit). Neither CR nor NC is included in the grade-point average. In cases of withdrawal a W is recorded. N, I, and X are recorded until the instructor reports the final grade, or in cases of incompletes received by undergraduates, until the I is converted by the Registrar.

QUARTERLY TUITION RATE SCHEDULE Autumn 1988, Winter 1989, Spring 1989

UNDERGRADUATE (Including nonmatriculated and fifth year)	Resident	Nonresident
—ADDITIONAL FEE PER CREDIT FOR MORE THAN 18 CREDITS	\$ 53	\$ 160

4 credits	433	1,094
3 credits	325	820
2 credits (minimum)	217	546

*Does not apply to first professional law students.

FEE PAYMENT

1. You should indicate selection of your permanent or local address during registration for fee statement mailing. If you have not received a fee statement by the end of the second week of the quarter, contact the Student Accounts and Scholarships Office for the amount of tuition due.

2. You may pay your fees in person in the Student Accounts and Scholarships Office or mail them to UW, Student Accounts and Scholarships Office, 129 Schmitz, PE-10, Seattle, WA 98195, before the tuition due date. Fees must be paid by Friday of the third week of the quarter whether or not you have received a statement. Payments postmarked on or before the due date are accepted without a late fee. Metered mail received after the due date is subject to penalties as described in # 3 below.

3. If you fail to pay by the deadline you may continue to pay your tuition in the week following the due date, plus a late fee as follows:

<u>Past Due Balance</u>	<u>Late Fee</u>
Over \$100	\$30.
\$30-\$100	\$10
Less than \$30	\$ 0

If fees have not been received in the Student Accounts and Scholarships Office by this time, your registration will be cancelled. Students permitted to reregister after cancellation for nonpayment will be charged a \$75 fee, in addition to their tuition.

4. If you reregister, you must reregister for all classes on your schedule at the time of registration cancellation. (Fees will include appropriate charges for classes dropped during the forfeiture period.) All fees for registration must be paid by cash, money order, or cashier's check. No reregistration will be possible after the last day of instruction, December 7. *Please note: Even if your registration is canceled and you do not reregister you will continue to owe one-half of your tuition and fees.*

5. Credit card checks are not accepted.

6. Tuition and fees not paid by the end of the academic quarter will be subject to an interest charge of 1% per month, or fraction of a month, (12% A.P.R.), beginning with the month following the end of the quarter.

Special Course and Laboratory Fees

The amounts charged for tuition and fees normally cover University charges for course registration. Some courses, however, have extraordinary expenses associated with them and in such cases the University may charge additional fees in amounts approximating the added instructional or laboratory costs.

STUDENT INSURANCE

UW students who remain registered through at least the first six days of instruction in the quarter are eligible to enroll in the student health insurance plan. The following students are not eligible:

1. Those enrolled only in programs administered by UW Extension, including but not limited to extension, correspondence, independent study, continuing studies, noncredit courses, conferences and institutes, the Access program, or English as a Second Language (ESL).

2. UW employees attending classes under the employee tuition exemption program.

Students may enroll in the plan when they register for classes. If no plan choice is indicated, students automatically will be enrolled and billed for student-only quarterly insurance.

If you are billed for student insurance and wish to add, cancel, or change your coverage, complete the appropriate section on the remittance advice copy of the billing statement and pay the revised amount or you may do so in person in the Student Accounts and Scholarships Office by the date tuition is due. Tuition and the

student health insurance premium must be paid in full by the tuition due date to be eligible for health insurance. There is no late payment period for the insurance premium.

International Students

International students must subscribe to the student insurance plan. Penalties for not paying insurance fees by the tuition due date are the same as tuition penalties under #3 of Fee Payment section. Exceptions may be granted by the International Services Office if the student presents proof of other medical insurance coverage. Students are responsible for obtaining a waiver each Autumn Quarter (or upon initial admission if other than Autumn Quarter), because waivers are valid only through Summer Quarter each year. Students holding insurance policies that expire during the academic year are responsible for obtaining new waiver cards, as necessary. To be eligible for the student health insurance plan, the student must pay, in full, tuition, fees, and the student health insurance premium by the due date. International students who want coverage during the Summer Quarter and are not enrolled Summer Quarter must prepay the Summer Quarter premium during one of the preceding quarters.

WASHINGTON PUBLIC INTEREST RESEARCH GROUP (WASHPIRG)

When they register for classes, students may choose to contribute \$2 to the Washington Public Interest Research Group (WASHPIRG), a student-directed, nonprofit organization. This voluntary contribution will be included on the tuition billing statement for payment with tuition.

WASHINGTON STUDENT LOBBY (WSL)

When they register for classes, students may choose to contribute \$1 to the Washington Student Lobby (WSL), a voluntary, independent organization of University students whose purpose is to influence the Washington State Legislature and others on matters of special interest to students. This voluntary contribution will be included on the tuition billing statement for payment with tuition.

ASSOCIATED STUDENTS OF THE UNIVERSITY OF WASHINGTON (ASUW)

The ASUW is a voluntary association of students designated by the University Regents to carry out a variety of student activities. In order to vote in ASUW elections or hold ASUW office, students must be members. Membership does not affect tuition payments in any way.

ATHLETIC EVENTS

Students may purchase a Husky Football Season Pass at the Husky Ticket Office, 101 Graves, or at the HUB Ticket Office, for admission to the following athletic events: football, soccer, and volleyball. For additional information, telephone 543-2200.

SEXUAL HARRASSMENT GRIEVANCE PROCEDURE

Students, as well as members of the faculty and staff, who wish to file a complaint regarding sexual harrassment may contact either of the two offices listed below:

Ombudsman for Sexual Harrassment
(206) 543-0283

Human Rights Office
4045 Brooklyn Avenue N.E.
(206) 543-7217

Personnel in these offices will be available to discuss and provide assistance in resolving the complaint.

Autumn Quarter 1988 Examination Schedule

The last day of instruction is Wednesday, December 7

HOUR lecture session actually meets during quarter	Hour and day on which examination occurs, by days of class meeting in the week.				
	Meeting four times a week, or daily	MWF; MT; MW; MF; WF; MWTh; MTh	TTh; T; Th; TThF; MTTh; TW; TF; TWTh	M; W; F; S Meeting once a week	Day of examination
7:30 a.m.	8:30-10:20	8:30-10:20	10:30-12:20	12:30- 2:20	Thursday December 15
8:30 a.m.	8:30-10:20	8:30-10:20	10:30-12:20	12:30- 2:20	Monday December 12

4:30 p.m.	2:30- 4:20	2:30- 4:20	4:30- 6:20	6:30- 8:20	Thursday December 8
EVENING CLASSES (5:30 or thereafter)	8-10 p.m. Thursday December 15	8-10 p.m. Monday December 12	8-10 p.m. Tuesday December 13	8-10 p.m. Wednesday December 14	
Makeups Incomplete Removals Conflicts	When mutually agreeable to faculty members and students concerned, provided scheduled <i>no later than Friday, December 15.</i>				

Final examinations should be administered in accordance with the above examination schedule.

The dean may permit an instructor to change the time of a final examination upon prior application demonstrating good cause for such change. In such cases, the following guidelines shall be observed:

1. With the dean's permission, the final examination may be postponed or moved to an earlier time within the examination period if agreed to by all students and the instructor. Before approving the rescheduling of a final examination, the dean shall obtain assurances that the change will not have an undue adverse impact on the students. The dean shall notify the Registrar of the approval granted for changing the date of a final examination.
2. An instructor shall not, except in very unusual circumstances, grant permission to individual students for an early examination. If the student is unable to take an examination on the scheduled date, the procedure outlined in the following paragraph should be followed.
3. A student absent from any examination through sickness or other cause, judged by the instructor to be unavoidable, shall be given an opportunity to take a rescheduled examination or perform work judged by the instructor to be the equivalent. If the instructor determines that

neither alternative is feasible during the current quarter, the instructor may exempt the student from the requirement. Examples of unavoidable cause include death or serious illness in the immediate family, illness of the student, and, provided previous notification is given, observance of regularly scheduled religious obligations.

4. Classes that meet on the hour use the first full hour of instruction to determine the time of examination. For example, a class that meets at 10 a.m. uses the 10:30 a.m. examination time.
5. Classes that begin on the half hour and last longer than one hour use the actual starting time to determine the examination time. For example, a class that meets at 7:30 a.m. and continues until 9:00 a.m. would use the 7:30 a.m. time.
6. Classes in which the entire class meets at the same hour every day, in the same room, may use that room at 8:30 a.m. or 2:30 p.m. for a three-hour examination. All other examinations are limited to one hour and fifty minutes unless other arrangements are made with Room Assignments.
7. If an examination is held at a time other than the above schedule indicates, instructors must check with Room Assignments to make sure that the room is going to be available.

GUIDE TO COURSE LISTINGS

The information published in the *Time Schedule* is subject to change. The instructor for a particular course may be changed, or the instructor may use assistants in teaching the course and courses may not meet each day listed. Additionally, courses listed in this publication may be canceled in the event of insufficient enrollment.

Course, term, and section information is listed in the following columnar order:

Entry card required symbol (>>>), if appropriate

Schedule line number

Department

Course number

Term designation—if *a* or *b* term

Section designation

Section type—laboratory, quiz, or conference

Credits—listed with lecture section only; slash (/) means *or*; 2.5 means 2½ credits; hyphen (-) means *to*; VAR means variable credit and any number of credits may be elected (however, fractional credit registration—e. g., ½ credit—cannot be processed for variable credit courses where the credit may vary

from student to student in a single quarter)
Honors (H), Permission Required (#), or New Course (%), as appropriate

Writing Course meeting University requirement (W)

Day(s) of meeting (ARR means "to be arranged")

Time of meeting

Place of meeting (** means "to be arranged")

Course title and remarks—CR/NC ONLY means course offered for credit/no credit grading only

Name of instructor

Classes taught in the same classroom at the same time—students register and receive credit for one course only (example: ARAB 312 with ARAB 472)

NEW COURSES FOR AUTUMN QUARTER 1988

The following list includes new courses that will be offered Autumn Quarter 1988, which were added to the University curriculum after publication of the 1988-90 *General Catalog*. Consult the appropriate academic department for information on courses not listed below.

COLLEGE OF ARTS AND SCIENCES

AMERICAN ETHNIC STUDIES

Chicano Studies

CHSTU 260 INTRODUCTION TO CHICANO POLITICS (5)
Surveys the political position and activities of Mexican American people in the United States from two perspectives: (1) Chicanos as objects of the political process of United States life; (2) contributions of the Chicano people to United States politics.

AMERICAN INDIAN STUDIES

AIS 113 AMERICAN INDIAN LANGUAGE: NAVAJO (5)
Conversation, reading, and writing in Navajo. Oral literature and other aspects of Navajo culture integrated into language study.

ANTHROPOLOGY

ANTH 331 NORTHWEST COAST INDIAN ARTS (5)
Joint with ART H 331. See Art History for description.

APPLIED MATHEMATICS

AMATH 400 METHODS OF ENGINEERING ANALYSIS (3)
Applications of mathematics to problems in chemical engineering; vector calculus: properties and methods of solution of first and second order partial differential equations; similarity transforms, separation of variables, Laplace and Fourier transforms. Joint with CH E 400. Prerequisites: MATH 205, MATH 238, MATH 327 or permission of instructor.

ART HISTORY

ART H 331 NORTHWEST COAST INDIAN ARTS (5)
Introduction to arts of Indians of the Pacific Northwest from precontact to present. Themes explored include diversity of artistic expression; cultural contexts; styles; artists' responses to foreign trade and settlement; and ways in which art may reflect historical developments in the lives of the Indians. Joint with ANTH 331.

ASIAN LANGUAGES AND LITERATURE

Vietnamese

VIET 111 FIRST-YEAR VIETNAMESE (5)
Introduction to modern Vietnamese conversation and grammar. Emphasis on correct pronunciation and basic structure.

VIET 113 FIRST-YEAR VIETNAMESE (5)
Introduction to modern Vietnamese conversation and grammar. Emphasis on correct pronunciation and basic structure.

VIET 211 SECOND-YEAR VIETNAMESE (5)
Continuation of 111, 112, 113. Review of Vietnamese grammar, development of conversational skills (listening and speaking), reading literary and cultural materials, writing compositions. Prerequisite: 113 or permission of instructor.

BIOLOGY

BIOL 476 CONSERVATION BIOLOGY (3)
Joint with ENV S 476. See Environmental Studies for description.

DRAMA

DRAMA 305 COMPUTERS IN THE THEATRE (5)
Computing and information systems as problem solving tools for the theatre. Analysis of problems in theatre production and scholarship, with approaches to solutions through computing. Database, spreadsheet, and CAD system applications in the practice and study of lighting and scenic design, theatre management, and research in theatre history and criticism.

ENVIRONMENTAL STUDIES

ENV S 476 CONSERVATION BIOLOGY (3)
Explores biological, managerial, economic, and ethical concepts affecting survival of species. Applications of ecology, biogeography, population genetics, and social sciences for the preservation of species in the face of widespread global habitat modification, destruction, and other human activities. Joint with BIOL 476. Prerequisite: 204 or BIOL 472 or equivalent.

ENV S 555 LAKE MANAGEMENT (2)
Joint with CEWA 555. See Civil Engineering for course description.

GEOGRAPHY

GEOG 360 PRINCIPLES OF CARTOGRAPHY (5)
Origins, development, and methods of cartography. Principles of data representation and map design for thematic and topographic mapping. Introduction to the use of computers for mapping.

HISTORY

HST 121 THE ANCIENT WORLD: SPECIAL PROBLEMS(5)
Introduction to the general problems of historiography, using the history of the ancient world as a base. Concentrates on the role of leadership, institutions, and elites in the course of history.

MATHEMATICS

MATH 307,308 LINEAR ANALYSIS I,II (3,3)

Ordinary differential equations, Laplace transform, series solutions, systems of linear equations, vector space R^n , systems of linear differential equations, stability, partial differential equations, Fourier series, orthogonal bases, projections, inner products. Prerequisites: 126 for 307, 307 for 308.

MUSIC

Music

MUSIC 464 JAZZ LABORATORY (1, MAX. 9)

Forum for testing new technical skills, improvisational techniques, and jazz compositions and/or arrangements in a formal laboratory setting. Prerequisite: concurrent registration in MUSAP 400 or higher, or permission of instructor.

COLLEGE OF ENGINEERING

CHEMICAL ENGINEERING

CH E 400 METHODS OF ENGINEERING ANALYSIS (3)

Joint with AMATH 400. See Applied Mathematics for course description.

CIVIL ENGINEERING

Transportation, Surveying, and Construction Engineering

CETS 506 DESIGN OF TEMPORARY STRUCTURES IN CONSTRUCTION (3)

Fundamental criteria to be considered in the design of various temporary structures in construction. Temporary structures include rock crushing plants, belt conveying systems, concrete forms, cellular fill cofferdams, braced cofferdams. Manual and computer

aided design approaches. Prerequisite: 406 which may be taken concurrently, CESM 486 ore equivalent, or permission of instructor.

Environmental Engineering and Science

CEWA 555 LAKE MANAGEMENT (2)

Application of recognized techniques/approaches to restore and manage eutrophic lakes. Includes critiques of restoration proposals. Joint with ENV S 555. Prerequisites: 434, BIOL 473, or permission of instructor

COLLEGE OF OCEAN AND FISHERY SCIENCES

FISHERIES

FISH 498 INTERNSHIP/EXPERIENTIAL LEARNING (1-9, MAX. 9)

Structured, practical training in the fishing industry, government agencies and other areas utilizing fisheries, food science, ore quantitative science expertise. Experiences are supervised and evaluated. Written reports required. Prerequisite: permission of faculty advisor.

PUBLIC HEALTH AND COMMUNITY MEDICINE

EPIDEMIOLOGY

EPI 519 EPIDEMIOLOGY OF CARDIOVASCULAR DISEASE (3)

Principles, methods, and issues in the epidemiology of cardiovascular disease. Focuses on coronary heart disease and its major risk factors; also covers other topics such as stroke and sudden death. The format includes informal lectures and discussions of the current literature. Prerequisites: 511 or 512-513.

W COURSES OFFERED AUTUMN QUARTER 1988

Students who plan to take majors in the College of Arts and Sciences and who started college Autumn Quarter 1983, or later, must complete 10 credits of courses designated "W." W courses are not English composition courses but, rather, are courses in which a substantial amount of writing is required. Almost any department can offer W courses. The following courses being taught Autumn Quarter 1988 have been designed as W courses.

AAS 401 A	ENGL 202 A	IMS 455 A	
ARCHY 497 A	ENGL 203 A	JAPAN 321 A	SISJE 490 B

SPORTS SKILLS CLASSES FOR AUTUMN QUARTER 1988

Sports skills instruction classes are available through the Department of Recreational Sports Programs (IMA) on a noncredit basis for a class registration fee. Classes are open to all regularly enrolled Autumn Quarter students and to faculty/staff who have purchased an IMA Facility Use card. Specific information on fees, dates, and times will be available at the IMA building after September 1, 1988. Registration will be October 3, 4, and 5, from 7:45 a.m. to 6:00 p.m. in Meeting Room A of the IMA building. After these dates, if spaces are still available, registration will continue in the IMA administration office from 8:00 a.m. to 4:30 p.m., Monday through Friday. Disabled students are encouraged to participate in sports skills classes and should contact the Sports Skills Office.

ADVANCED LIFESAVING
AEROBICS
ARCHERY
BADMINTON
CONDITIONING
DANCE: JAZZ
FENCING: FOIL, SABRE
FIRST-AID & CPR
GOLF (registration at
golf range)
GYMNASTICS

HYDRO-AEROBICS
JUDO
KARATE (GOJU RYU)
KARATE (SHOTOKAN)
RACQUETBALL
ROLLERSKATING
SKI CONDITIONING
SKIING
SKIN AND SCUBA
SOCCER
SPRINGBOARD DIVING

SQUASH
SWIMMING
TAE KWON DO
TENNIS
VOLLEYBALL
WATER SAFETY INSTRUCTION
WEIGHT TRAINING
YOGA

The majority of classes are held at the IMA; a few are held in HEC Edmundson Pavilion or at Hutchinson Hall (upper campus).

Equipment is provided or can be checked out from the IMA main issue window for most of the classes.

This list of classes is subject to change depending on enrollment and space availability. For further information, telephone the Sports Skills Office at 206/543-2571 during regular business hours.

INDEPENDENT STUDY THROUGH CORRESPONDENCE

The Distance Learning office provides University courses for correspondence credit primarily by correspondence instruction to persons who wish to study independently. Fees for Distance Learning courses are separate from residence tuition and are \$40 per credit. Enrollment is not based on the quarter system but is continuous throughout the year, with one calendar year allowed to complete a course.

A regularly enrolled student who wishes to register for additional courses for Distance Learning credit should consult his or her departmental adviser prior to enrolling in a Distance Learning course. Applications and additional information on enrollment procedures may be obtained from the Office of Distance Learning, 5001-25th Ave. N.E., or by telephoning 543-2350.

The following courses are currently offered by Distance Learning (credits in parentheses).

Learn to take photos you'll be proud to show.

Professional photographers can teach you their secrets—in your own home! Proven techniques make learning easy. Actual shooting assignments help you develop and grow comfortable with your new skills. Attend class wherever and whenever you like. Review lessons at your own convenience, as often as you like.

What a bargain! These courses originally retailed for \$29.95. Now you can purchase them for only \$19.95! And, each course is covered by our famous 100% satisfaction guarantee.

BEGINNER'S SPECIAL — SAVE EVEN MORE!

You don't have to be an expert to get the most out of our courses. With your order for at least full-price one course, we'll send you our complete Basic 35mm Photography or Intermediate 35mm Photography course at only one-half the already-reduced price!

Just check the appropriate box on the order form and pay only \$9.98 plus shipping and handling.

Here's what you get:

- A Deluxe Binder for all your course materials
- Two 60-minute Lecture Tapes
- A Complete 80-Page Four-Color Text
- Shooting Record Forms—just like the pro use

"I have been able to increase my photography skills 100%. Friends and relatives are now coming to me for photography advice."

The National Security Agency is looking. We're in search of new professional relationships with both Mr. and Ms. Right. What we offer in return is a unique career that may well be the answer to your personal desires.

What we offer is certainly different. At NSA, our threefold mission is critical to our country's security. We process foreign intelligence information. We safeguard our government's communications. And we secure our nation's computer systems. A mission of that proportion requires a diverse range of leading technology and talented professionals.

Currently, NSA is searching for Mathematicians and Language Specialists.

Our **Mathematicians** work with applied and pure math. They apply—and create—a host of advanced concepts from Galois theory

and combinatorics to probability theory and astrodynamics.

Language Specialists in Slavic, Near East, and Asian languages contribute to our mission in many ways. NSA linguists tackle the challenges of translation, transcription and analysis. They use both their language skills and their knowledge of world events.

If you're in search of a meaningful career with variety and distinction, look to NSA. Write to us at the address below.

National Security Agency

Attn: M322 (ABK)

Ft. Meade, MD 20755-6000

NSA. The opportunities are no secret.

An equal opportunity employer.
U.S. citizenship required for applicant and immediate family members.

YOU NEED SOME UNDERSTANDING

Some things they don't teach you in nursing school. Like how to reassure an accident victim in a bucking helicopter at 3,000 feet. But the good nurses manage it. The ones who read AJN.

You see, our articles don't assume that all emergencies happen in convenient proximity to well-staffed hospitals. We know better. We're nurses, just like you.

That's why we feature practical, real-world approaches to nursing technique — the kind that make

sense and ring true. Plus career opportunities you'll find nowhere else. Articles for continuing education credit. And the widely acclaimed Nurses' Drug Alert.

So if you're looking for ideas and skills that can make you more informed, competent and confident at what you do, turn to AJN. Wherever your job takes you, we'll be there; talking person to person, nurse to nurse.

**Nobody understands
you like**
