All announcements in the Time Schedule are subject to change without notice and do not constitute an agreement between the University of Washington and the students.

WHAT'S NEW FOR AUTUMN QUARTER 1993

PRIVATE ACCESS CODE (PAC)

Students have had the option of using a Private Access Code or PAC instead of their birth date when calling STAR. Beginning March 15, 1993, you must select a 4 to 6 digit Private Access Code to call STAR. The PAC will serve as your guarantee of privacy in case someone knows both your student number and birth date. The access to your registration record, grades, tuition and fee balances and financial aid information will be controlled by the PAC that you select when you first call STAR.

The next time you call STAR, enter your birth date when STAR asks for your Private Access Code. STAR will then ask you to select a random 4-6 digit number that you can remember as your new Private Access Code. You will use this number for all future STAR transactions. You will be able to change that number on STAR anytime that you wish to do so. If you forget your PAC, you will need to come in person to the Registration Office, 225 Schmitz Hall, and present photo ID to obtain your Private Access Code or to select a new one.

CHANGING YOUR OPTIONAL CHARGE INFORMATION

You are now able to change insurance plans and other optional charges on STAR after you have made a selection. The STAR worksheet has been revised to guide you through these new features. Pay particular attention to the student insurance selections. Some of the numbers of the insurance plans have been changed.

REMINDER

Residence questionnaires and all documentation must be on file with the Office of the Registrar, 209 Schmitz Hall, no later than September 24, 1993 to be considered for a change of residence status by the tuition due date.

The University of Washington Student Conduct Code obligates students to:

- Maintain high standards of academic and professional honesty and integrity;
- Respect the rights, privileges and property of other members of the academic community and visitors to the campus, refraining from actions which would interfere with the University functions or endanger the health, safety, or welfare of other persons; and
- Comply with the rules and regulations of the University and its schools, colleges and departments.

Violations of these standards may result in a variety of disciplinary actions, including suspension or permanent dismissal from the University.

Copies of the Code may be obtained from 476 Schmitz Hall.

REGISTRATION

STAR REGISTRATION. The University of Washington's touch-tone telephone registration system is referred to as STAR-Student Telephone Assisted Registration. Through STAR students may add and drop courses. STAR lists alternative sections available if the requested sections are closed or canceled, reports the open/closed status of specified course sections, provides a spoken listing of the confirmed registration schedule, tuition balance, financial aid status, date and amount of last payment, optional charges and previous quarters grades.

Students may call STAR from any touch-tone phone and register. STAR is available all weekdays and most holidays and weekends. Weekend hours not specifically scheduled are not guaranteed and may be subject to equipment and software maintenance requirements. Beginning Period I you may call STAR at any time to complete section II of the STAR Worksheet and check course availability. STAR weekend hours are 9:00 a.m. - 12:00 Midnight.

REGISTRATION ELIGIBILITY

ALL STUDENTS

GUARANTEED REGISTRATION ELIGIBILITY. All students at the University who remain in good standing and in compliance with other rules and regulations, with no outstanding financial obligations, are guaranteed the opportunity to register each quarter as long as they maintain continuous enrollment (summer quarter excepted). Continuation must be in the same classification, e.g., undergraduate, post baccalaureate (fifth-year), graduate, etc. Once a student earns a baccalaureate degree, he or she must apply for readmission as a post baccalaureate (fifth year), nonmatriculated, or graduate student. Exceptions to the guarantee are: (1) students under disciplinary action, (2) students with a registration hold, (3) students not meeting their departmental continuation policies, or (4) students not meeting the University's satisfactory progress policy (see General Catalog).

UNDERGRADUATE AND PROFESSIONAL STUDENTS

QUARTER-OFF ELIGIBILITY POLICY. Subject to college, school and departmental enrollment policies, undergraduate and professional students who have completed a quarter at the University of Washington may take the following quarter off and remain eligible to register in Registration Period I for the subsequent quarter without reapplication as returning students. For example, a student completing Winter quarter may, without registering for or completing Spring quarter, register during Registration Period I for Autumn quarter without reapplying. Any quarter from which a student has completely withdrawn, or from which he/she is canceled, does not constitute a completed quarter. Summer quarter enrollment is not required to maintain continuous registration eligibility.

Returning students who do not meet the criteria described in the above paragraph must submit a Returning Student Application by the published deadline.

GRADUATE STUDENTS

ON-LEAVE STATUS. The quarter-off eligibility policy is not available to graduate students. Graduate students who do not maintain continuous

enrollment (summer quarter excepted) must file a Petition for On-Leave Status with the Graduate School. Students who are registered for any portion of a quarter, may not go on-leave for that quarter unless they officially withdraw at the Registration Office, 225 Schmitz Hall prior to the first day of the quarter. On-leave graduate students returning to the University on or before the termination of their authorized periods of leave must apply as returning former students (through the Registration Office by the published deadlines).

ACADEMIC ADVISING

Students are strongly encouraged to see an academic adviser to discuss their educational objectives, to assess progress toward completion of requirements, and to learn procedures involved in registering at the University. It is wise for students to make appointments with advisers and to have ideas of courses they would like to take by reviewing the General Catalog and the quarterly Time Schedule before the advising session. If students fail to maintain contact with their advisers and problems develop with degree programs, these problems are the students' responsibilities. The consequence may be additional time to complete degree programs. Advising offices are generally open Monday-Friday, 8:00 a.m. - 4:30 p.m.

REGISTRATION PERIOD I

Via STAR
May 7-June 20,
Weekday hours are 8:00 a.m. to 12:00 midnight
Weekend hours are 9:00 a.m. to 12:00 midnight

NEW AND CONTINUING STUDENTS AUTUMN QUARTER. Before you call STAR for the first time, select your Private Access Code, unless you have previously entered your PAC on STAR. Refer to "What's New Autumn 1993" on page 3.

ELIGIBILITY. This period is open only for continuing students currently enrolled Spring Quarter 1993 or for students who completed Winter Quarter 1993.

Priority registration dates are based on your completed credits, your Spring Quarter 1993 credits as of May 5, and the last digit of your student number. The number priority will be changed each quarter so that all students will have the earliest possible priority every other quarter. You may call STAR on or after your registration date to register and make changes to your schedule.

PERIOD I PRIORITY REGISTRATION SCHEDULE

May 21	Sophomores (45-89 credits) with student numbers ending in 5, 6, 7, 8, or 9
May 22	Sophomores (45-89 credits) open period for all sophomores
May 24-June 20	Open to all continuing students.

50% REGISTRATION CLASSROOM SPACE. One half of the available spaces in each course are reserved for day two of each priority period. If a STAR message states that the first day spaces are filled, then the other half will be released on day two of that priority period.

REGISTRATION CONFIRMATION WILL BE MAILED ON AUGUST 31. Call 543-3868 to record your correct address. You may also confirm your registration schedule by calling STAR and using the List Schedule Transaction (L #). This listing includes building and classroom locations.

REGISTRATION PERIOD II

Via STAR
June 21-September 28,
Weekday hours are 8:00 a.m. to 12:00 midnight
Weekend hours are 9:00 a.m. to 12:00 midnight
STAR closes Thursday, September 23 at 6:00 p.m.

ELIGIBILITY. This period is primarily for newly admitted students and returning former students. Advising/registration notices of dates are mailed to newly admitted or readmitted students. You may register on, or after, your date. Continuing students may call STAR any day during this period.

REGISTRATION CONFIRMATION. If you register by August 27 your Registration Confirmation will be mailed on August 31. If you register after August 27, your Registration Confirmation will be mailed in two working days. Call 543-3868 to record your correct address. Confirmations will not be mailed outside the United States during Registration Period II and III and will not be mailed to addresses outside of the state of Washington during the last week of Period II and during Period III. If you are using a out-of-state address, you may claim your confirmation at the Registration Office, 225 Schmitz Hall, within two working days.

You may also confirm your registration schedule by calling STAR and using the List Schedule Transaction (L #). This listing includes building and classroom locations.

REGISTRATION PERIOD III

Via STAR
September 27-October 8,
Weekday hours are 8:00 a.m. to 12:00 midnight
Weekend hours are 9:00 a.m. to 12:00 midnight
STAR closes at 6 p.m., Friday, October 8.
STAR will be closed on Saturday, October 9.

The Registration Office, 225 Schmitz will be open for transactions not available on STAR: Monday-Friday; September 27-October 8, 8 a.m. to 5:00 p.m.

ELIGIBILITY. This period is open to all students for late registration and course adds and drops. To avoid a \$25 late registration fee, students must call STAR and complete Section II of the STAR Worksheet before Registration Period III.

ADD GUIDELINES Beginning Monday, October 4, an entry code is required to register or add any course. Friday, October 8 at 6:00 p.m. is the last day to add a course for Autumn Quarter 1993.

STAR will accept entry codes for course overload authorization only up to 115% of classroom capacity to compensate for expected course drops. Although you received an entry code from the department, there is no guarantee that you can register in the course. If you have received an entry code to add a course, enter the data on your touch-tone telephone in the following sequence:

Add	Schedule Line Number	Star Key	Entry Code	Number Sign Key
A	□□□□	*	□□□□□□	#

COURSE DROP. You may drop courses through the tenth class day and receive no entry on your academic transcript. If you drop all courses, a complete withdrawal date is recorded on your transcript. Complete withdrawals may also be made at the Registration Office, 225 Schmitz, or by mail. Some courses require drop codes which are available through the departments.

\$20 CHANGE FEE. A \$20 change fee will be assessed for any number of add, drop or change transactions processed during a given day beginning Monday, October 4. This fee will be billed to students. This fee is in addition to any tuition increase or forfeiture as a result of the change.

REGISTRATION ASSISTANCE. If you need assistance with non-STAR transactions and you work during the day or are temporarily incapacitated, you may call the supervisor of the Registration Office at 543-5723 and make arrangements.

PERIOD IV - FOR DROPPING COURSES AND ELECTING AUDIT GRADE OPTION ONLY, NO ADDS ACCEPTED

Via STAR

October 11-November 14,

Weekday hours are 8:00 a.m. to 12:00 midnight
Weekend hours are 9:00 a.m. - 12:00 midnight.

ELIGIBILITY. This period is open for dropping courses and electing audit grade option only. A \$20 change fee will be assessed for all changes occurring during the same day. This fee is in addition to any tuition increase or forfeiture as a result of the change.

DROP GUIDELINES. A course drop or change in grade option made during this period will be recorded on undergraduate academic transcripts with a "W" and a number designating the week of the quarter in which the course drop occurred; for graduates and professional students a "W" will be recorded for course drops.

TUITION EXEMPTION PROGRAMS FOR UW FACULTY/STAFF AND WASHINGTON STATE CLASSIFIED EMPLOYEES

Students enrolling under these exemption programs must be full-time permanent employees and meet the criteria established for faculty and staff of the University of Washington or by the employing agency of the state of Washington for non-university employees. University of Wash-

ington employees must have been continuously employed full time for six months or more with the university immediately prior to the academic quarter in which they are enrolling. Those who meet the requirements and are admitted to the University of Washington may take up to 6 credits per quarter under the tuition exemption programs. According to legislative action, all registration must be on a space-available basis after other matriculated students have registered. Students cannot register for graduate-level independent study courses numbered 600, 700, or 800. Students admitted as nonmatriculated in order to use one of these exemption programs may only register for classes when using the exemption and the exemption request form has been submitted. Matriculated students will be permitted to register even when they are not using the exemption full tuition and fees will be charged. Deadlines and registration dates are listed below by category:

UW Faculty/Staff

Friday, September 3 - Tuition exemption request card due to Registration, 225 Schmitz, PD-10.

Wednesday, September 22 - Registration begins on STAR. Open from 6:00 a.m. until 12:00 midnight.

Friday, October 15 - \$5 registration fee due. Fee is billed if a student successfully registers.

Washington State Classified Employees

Friday, September 3 - Tuition exemption request card due to Registration, 225 Schmitz, PD-10.

Thursday, September 30 - Registration begins on STAR. Open from 6:00 a.m. until 12:00 midnight.

Friday, October 15 - \$30 registration fee due. Fee is billed if a student successfully registers.

Students enrolling under these exemption programs may attend class beginning the first class day if space is available. Please check with the department offering the course to determine the correct classroom location. The building and room number may have been changed by the department since the Time Schedule was printed.

ADMISSION STATUS. Program participants who wish to enroll as new matriculated students or in a new matriculated category must apply to the Office of Admissions, 320 Schmitz Hall, by the regular admission closing date; July 1 is the closing date for Autumn applications. Students applying to the Graduate School must contact the applicable academic department for application information.

Program participants who are applying as new nonmatriculated students should apply at the Office of Admissions. Applications will be accepted up to the beginning of the quarter.

Program participants who are former students returning in the same classification or as nonmatriculated students should apply at the Registration Office, 225 Schmitz Hall. Applications will be accepted up to the beginning of the quarter.

Graduate nonmatriculated-program participants apply through the intended academic department.

HOW TO REGISTER. If the tuition exemption request has been received by the Registration Office in time, program participants may call STAR on or after the appropriate eligibility dates listed above. Registration continues through Sunday, October 3, on STAR without assessment of late fees. Effective Monday, October 4, a \$25 late

registration fee is billed if the student is initially registering for the quarter and a \$20 change fee is charged for registration changes. Students participating in the exemption programs listed above will be billed these fees if applicable plus the registration fee when registration in a course is successful.

Students enrolling under these exemption programs will not be permitted to convert to the tuition exemption program if they have already registered for the quarter, and they will be required to pay regular tuition for those credits.

Students participating in these programs are not entitled to other student services such as those available at the Hall Health Center and the Intramural Activities Building. Faculty/staff identification cards may be used for library services. Washington State employees participating in the program may obtain an ID card to be used for library services from the Student ID Center, 229 Schmitz Hall.

ACCESS PROGRAM FOR OLDER ADULTS

Wednesday, September 28, 8 a.m. to 5 p.m.
Registration Office, 225 Schmitz Hall
Registration time is based on last name.
(Access Students do not register through STAR)

8-9 a.m. C-E	12-1 p.m. P-R
9-10 a.m. F-H	1-2 p.m. S
10-11 a.m. I-L	2-3 p.m. T-Z
11-12 noon .. M-O	3-4 p.m. A-B

The University of Washington waives tuition for Washington residents sixty years or older who wish to attend classes as auditing students, on a space-available basis. Courses marked with a greater than sign (>) require an entry code to register. Contact the offering department to obtain entry codes prior to coming to the Registration Office. The fee is \$5 whether one or two courses are attended and will be billed if registration in a course(s) is completed. The payment is due by Friday, October 15. As auditors, students do not receive credit and are not expected to do laboratory work or to take examinations. ACCESS students may register for all courses except UW Extension, Distance Learning, studio, laboratory courses, and honors sections. ACCESS students may also register in 500 level graduate courses with the approval of the instructor by obtaining an entry code through the department. A transcript is not maintained. Students who attend the University under the Access program are limited to two courses per quarter.

For additional information about the program, telephone UW Extension Student Records, 543-2300, extension 425, between 8 a.m. and 5 p.m., weekdays.

REGISTRATION INFORMATION

1. ADDRESS CHANGE TELEPHONE SERVICE - call 543-3868. Students are responsible for notifying the Office of the Registrar when their address changes. The Address Change Telephone Service is available 24 hours a day, seven days a week for changes of local and permanent addresses and telephone numbers, restricting release of directory information, and where to mail registration confirmations, tuition billing statements, and final grades. Students should always leave a forwarding address with the U. S. Postal Service whenever they move. Addresses may also be changed at the Registration Office, 225 Schmitz Hall.

Students who have applied for or are receiving financial aid, must also report their address change to the Office of Financial Aid.

2. CLASS ATTENDANCE GUIDELINES. To provide enrollment space for others, students who do not attend regularly scheduled class meetings during the first week of the quarter are subject to being dropped at the discretion of the teaching departments. Affected courses may be identified in the Time Schedule and posted in departmental offices.

Students must not assume that departments will automatically initiate a drop for nonclass attendance. Students who register for courses they do not attend are themselves responsible for officially dropping the courses through STAR. The consequence of not officially dropping courses is a 0.0 grade.

Students should contact the instructor or teaching department if they plan to be absent any day during the first week of the quarter.

No person, other than a faculty member attending informally with the approval of the instructor, may attend a University course in which that person has not been officially registered through STAR. An instructor may allow a student to attend his or her class only if the student's name appears on the official class list from Office of the Registrar. Instructors may permit students attending class under a faculty/staff tuition exemption or the Washington State classified employee tuition exemption program to attend class prior to registration on Wednesday or Thursday respectively of the first week of the quarter provided space is available.

3. OVERLOAD GUIDELINES. For reasons of public safety and instructional quality, course enrollment in each section will be limited to the approved classroom capacity. The Office of the Registrar monitors course enrollments throughout the quarter according to the following guidelines:

- a. Through the seventh calendar day, a student may add a section without permission unless the class is full or requires permission; then an entry code is required. Beginning the sixth class day, entry codes are required to add any course. STAR will accept course overloads only up to 115% of classroom capacity to compensate for expected course drops.
- b. No course adds are accepted after the tenth class day of the academic quarter. STAR closes at 6:00 on that day.

4. REGISTRATION TAMPERING. A student who tampers or attempts to tamper with the registration records of another student, including but not limited to dropping courses and adding courses, may be subject to disciplinary sanctions as defined in the Student Conduct Code (WAC 478-120).

5. PRIVATE ACCESS CODE. When calling STAR for the first time, enter your date of birth as

six digits, e.g. 060375, when STAR asks for your Private Access Code (PAC). STAR will then ask you to enter the 4-6 digit PAC that you have selected. You should select a PAC that you can easily remember. If you forget your PAC, you will need to go to the Registration Office, 225 Schmitz Hall, and present your photo ID to obtain your code or select a new one.

6. FULL-TIME STUDENT REQUIREMENT. To be considered full-time, an undergraduate or professional student must register for 12 or more credits and a graduate student must register for 9 or more credits. However, it is important to note that differing criteria and standards for full-time enrollment exist for eligibility in certain programs. Consult the Financial Aid Office for its requirement on satisfactory student progress.

The tuition schedule does not reflect full-time credit requirements for loan deferments, teaching assistantships or other programs. For more information, consult the Additional Registration Information and Notices section of this Time Schedule.

7. \$20 CHANGE-OF-REGISTRATION FEE. The \$20 change-of-registration fee is assessed for any number of add, drop or change transactions (including change of grading option) made during a given day beginning the sixth class day of each quarter. The \$20 fee is a service charge, not a penalty, and is in addition to any change in tuition or forfeiture as a result of adds, drops or changes.

There is no charge for changes made in Registration Periods I, II and the first week of Period III. This "free" period gives students an incentive to complete their schedule before the quarter is too far advanced.

Fee waivers are rarely approved. If you think your change is necessitated by a University error or is at the University's request, you must pay the fee and submit a petition for a refund to the Registration Office, 225 Schmitz Hall. Students will be notified of the decision by the Registrar's Office. The fee will be waived only if the change is necessitated by a University error or is at the University's request.

8. UNDERGRADUATE SATISFACTORY PROGRESS. Students admitted to the University to pursue baccalaureate degrees are expected to make satisfactory progress toward the attainment of that degree, and are expected to enter a major and graduate after completion of a reasonable number of credits. Refer to the General Catalog for additional information.

9. GRADUATE STUDENTS ON-LEAVE. Students who are registered for any portion of a quarter may not go on-leave for that quarter unless they officially withdraw at the Registration Office, 225 Schmitz Hall prior to the first day of the quarter. To avoid liability for tuition and fees, students must withdraw before the sixth calendar day of the quarter. Students who withdraw beginning the eighth calendar day through thirtieth calendar day pay 50% of tuition/fees. After the thirtieth calendar day students pay 100% of tuition/fees. To go on-leave, obtain an On-leave card, and have it signed by the Department Graduate Program Coordinator. Bring the signed card to the Registration Office through the fifth class day of the quarter. Pay the \$35 non-refundable fee at the Student Accounts and Cashiers Office, 129 Schmitz Hall.

10. CENTER FOR CAREER SERVICES. The Center for Career Services provides comprehensive career and job search information and services for students and alumni to facilitate their transition from academic programs of the UW to the broader society. Services are available to UW students and alumni who are registered with the office. Registration is

free for students; alumni must pay applicable fees for the period of time during which services are desired.

Types of services offered include individual career counseling, job search seminars, a career information library, a Minority Job Placement Program, on-campus interviews, job opportunity bulletins, a placement/credential file service, and career-and degree-related summer jobs/internships. To participate in the on-campus interview program, students must attend an orientation session. For more information, please come to the Center for Career Services at 301 Loew Hall, FH-30, or call (206)543-0535.

11. UW ID CARD. Students should carry their UW ID Card with them at all times since it is required for a variety of transactions and services on campus. In some situations, students may be asked to provide additional pieces of identification, including one containing their photo. A quarterly validation sticker is mailed with students' registration confirmation. The sticker should be affixed to the permanent ID Card as soon as it is received. Lost ID Cards may be replaced at the Student ID Center, 229 Schmitz. A non-refundable \$5.00 fee is charged for replacement of non-photo ID cards or \$10.00 for replacement of photo ID cards. (See also U-PASS information below).

12. U-PASS INFORMATION. A U-PASS validation sticker is mailed with students' registration confirmation each quarter. The U-PASS is valid on all regular Metro routes and most Community Transit routes at all times and provides parking privileges to car-poolers, riding privileges to vanpool and Night Ride passengers, and merchant discounts. The quarterly fee of \$24 will be included on the tuition bill. Students who do not wish to participate in the U-PASS program must return the validation sticker to the university by the tuition payment deadline. The sticker can be returned by mail in the return envelope provided; or mailed with your tuition payment, or returned in person at the Student Accounts and Cashiers Office.

Students who withdraw through the seventh calendar day of the quarter without returning the U-PASS sticker will owe \$75 for the U-PASS. Students who withdraw after the seventh calendar day will be charged the applicable tuition and may retain the pass for \$24 or return it no later than the tuition due date to have the \$24 fee waived. There will be no U-PASS refunds after the tuition payment deadline.

Students who did not receive their U-PASS in the mail will be asked to sign a certifying statement and will be issued a replacement sticker at no charge through the first week of the quarter. Replacement stickers issued after the first week will cost \$10. Lost ID cards bearing a U-PASS sticker will be replaced for a \$15 fee (\$20 fee with photo), which includes a new U-PASS sticker. Replacement fees are non-refundable. Students issued replacement stickers will not be permitted to cancel the \$24 U-PASS fee by returning a sticker.

Eligible students who have not already purchased a U-PASS sticker may do so at the Registration Office, 225 Schmitz, anytime during the quarter. The fee will remain \$24 throughout the quarter.

The U-PASS is the property of the University of Washington and not transferable. The U-PASS program and replacement policies are subject to change without notice.

WITHDRAWAL INFORMATION

1. WITHDRAWING FROM THE QUARTER. Students may withdraw under the guidelines described below. Undergraduate and professional students (dental, law, or medical) who have completed the preceding quarter may take a quarter off under the Quarter Off Eligibility Policy. Review the Registration Eligibility section for complete details.

Students who drop their last course on STAR and do not add a course will be considered withdrawn for the quarter. The last date to add or drop courses is listed in the Student Action Guide of the Time Schedule. Students who drop their last course on STAR will be charged the \$20 change fee beginning the eighth calendar day of the quarter.

2. COMPLETE WITHDRAWAL FOR THE QUARTER. (Dropping all courses for the quarter). It is the student's responsibility to withdraw completely if he or she is unable to attend for the quarter. Students may write the Registration Office, 225 Schmitz Hall, Mailstop PD-10, University of Washington, Seattle, Washington, 98195, or withdraw in-person at 225 Schmitz Hall. Withdrawals by mail are effective on the date of the postmark.

Tuition owed will be based upon the date the complete withdrawal is recorded at the Registration Office or the postmark date for withdrawals received by mail. Students who withdraw prior to the second week of the quarter will owe a \$75 U-PASS fee unless they return their U-PASS to the Student Accounts and Cashiers Office by the tuition due date. No withdrawals are accepted after the last day of instruction for the quarter.

Students who withdraw before the first day of the quarter should review the Registration Eligibility section of the Time Schedule for more information. New students must reapply through the Admissions Office.

Courses dropped as part of a complete withdrawal from the University during the first two weeks of a quarter are not recorded on the student's UW transcript; however, the date of the complete withdrawal is recorded.

Continuing students who withdraw during the first week of two consecutive quarters (Summer Quarter excepted) will not be eligible to register as continuing students for the third quarter. Such students must reapply as former students returning to the University. For example, a student who withdraws during the first week of autumn quarter and winter quarter must reapply as a returning former student for spring quarter.

The forfeiture schedule for the University is as follows:

- Students withdrawing before the eighth calendar day of the quarter do not pay tuition. New and returning students forfeit their \$50 enrollment confirmation deposit. Students who withdraw before the eighth calendar day of the quarter without returning the U-PASS sticker will owe \$75 for the U-PASS.
- Students withdrawing on the eighth calendar day through the thirtieth calendar day continue to owe one-half of their tuition. Students who withdraw after the seventh calendar day will be charged the applicable forfeiture and may retain their U-PASS for \$24 or return it no later than the tuition due date to have the \$24 fee waived. There will be no U-PASS refunds after the tuition payment deadline.
- Students withdrawing after the thirtieth calendar day continue to owe full tuition.

d. Students whose registrations are canceled for nonpayment of fees will continue to owe the University one-half their tuition and fees.

e. International students who are registered for an English as a Second Language course must make a separate request for a refund for that course by contacting the ESL Office in 103 Lewis Hall at the same time they withdraw from the University.

f. Students who drop classes on the eighth through the thirtieth calendar day of the quarter that result in lower tuition, will owe one-half of the tuition associated with the reduced credit hours.

3. HARDSHIP WITHDRAWAL. Hardship withdrawals are for dropping individual courses after the seventh week of the quarter. The \$20 change of registration fee will be assessed. (See section on Complete Withdrawal from the University for procedure to follow for dropping all courses for the quarter.)

A student may petition the Registrar for a hardship withdrawal if: (1) the student is unable to complete the course in question because of a severe mental or physical disability, or (2) unusual or extenuating circumstances beyond the student's control prevented the student from dropping the course by the drop deadline. See the General Catalog for complete information.

4. WITHDRAWAL FOR MILITARY SERVICE. Students conscripted into the Armed Forces or called to active military duty may withdraw through the end of the seventh week of instruction and receive a full refund but no academic credit. Students withdrawing after that date receive either a full refund or credit and no refund. Please consult with the Office of the Registrar for complete details.

GRADING INFORMATION

1. SATISFACTORY/NOT SATISFACTORY. Students may elect to take certain courses on a Satisfactory/Not Satisfactory (S/NS) basis. Advisers should be consulted, and in no case are undergraduate students allowed to register for more than six credits (or for one course, if that course is offered for more than six credits) on a Satisfactory/Not Satisfactory basis in a given quarter.

Students may register for the course on STAR, but they must go in person to the Registration Office, 225 Schmitz Hall to elect the S/NS grade option. STAR will not accommodate the S/NS grade option.

The S/NS grade option can be elected only through the tenth class day. A \$20 fee is charged beginning the sixth class day.

For undergraduates, a course in which an "S" is earned may not be used to satisfy any department, college, or University requirement, except that the credits may be applied to the minimum of 180 credits required for graduation. Each instructor will report conventional grades to the Registrar, who will convert satisfactory grades (2.0 or greater) to "S," and unsatisfactory grades (less than 2.0) to "NS" for the student's transcript. No more than 25 S/NS credits will apply to an undergraduate degree.

Graduate students earning grades of 2.7 or above receive a grade of S (Satisfactory), while 2.6 or below are recorded as NS (Not Satisfactory). With the approval of his or her graduate program adviser or Supervisory Committee Chairperson, a graduate student may elect to take any course for which he or she is eligible outside of his or her major academic unit on an S/NS basis.

In cases of withdrawal, the W is recorded. Neither S nor NS is included in the grade-point average.

2. CREDIT/NO CREDIT COURSES. Some courses are offered on a credit/no credit (CR/NC) basis. It is not possible to register S/NS to take these courses, because the only grades assigned by the instructor are CR (Credit) or NC (No Credit). Neither CR nor NC is included in the grade-point average. In cases of withdrawal a W is recorded.

3. AUDITORS. Students must first register on STAR, and then go in person to the Registration Office, 225 Schmitz Hall to select the audit grade option. Students may select the audit option through the seventh week of the quarter. A \$20 change fee is charged beginning the sixth class day of the quarter. Attendance in courses as an auditor is by consent of the instructor involved and is conditioned on the space available. Permission to audit is ordinarily granted for lecture classes only. An auditor may not participate in class discussion or laboratory work, and his or her registration may be canceled at the discretion of the instructor. No entry is made on the permanent record for courses audited however, registered courses changed to audit after the second week of the quarter will be recorded on undergraduate academic transcripts with a "W" and a number designating the week of the quarter in which the course change occurred; for graduates and professional students a "W" will be recorded. To receive credit for an audited course, the student must register for the class for credit in a subsequent quarter.

Auditors, except ACCESS program students, pay standard tuition and fees and must be regularly admitted and registered in the course. Although credits for audited courses will not be listed on your transcript, they will be included in the billing on the fee statement. Such credits count in the calculation of fees.

Courses audited may not be changed to credit registrations after the second week of the quarter.

4. INCOMPLETE GRADE. Incomplete grades may only be awarded if the student is doing satisfactory work up until the last two weeks of the quarter. Undergraduate students must not reregister for courses in which they have received an Incomplete, since a grade earned in a repeat course will not be recorded as an Incomplete conversion grade. To obtain credit for the course, an undergraduate student must convert an Incomplete into a passing grade no later than the last day of the next quarter. An Incomplete not made up by the end of the next quarter will be converted to the grade of 0.0 by the Registrar unless the instructor has indicated, when assigning the Incomplete grade, that a grade other than 0.0 should be recorded if the incomplete work is not completed. The original Incomplete grade is not removed from the transcript.

5. W GRADES. Undergraduates dropping a course during the first two weeks of a quarter shall have no entry on their permanent academic transcript. If all course are dropped, then a complete withdrawal date is recorded on the transcript. A course drop made during the third through the seventh week of the quarter is recorded on an undergraduate student's transcript with a W grade and a number designation the week of the quarter in which the course drop was transacted. A W grade only is recorded on the transcript of graduate or professional students.

6. GRADE APPEAL PROCEDURE. See the General Catalog, page 31, for appeal procedure.

HOW TO USE STAR

1. TOUCHTONE TELEPHONE. Use only a touchtone telephone to make entries on STAR. Touchtone phones make a different tone after each key is pressed. Telephones that make no tone or only a monotone will not work on the registration system. Students may call STAR from any touchtone phone and register. Touchtone phones are conveniently located in the Registration lobby, 225 Schmitz Hall, the T-Wing lobby in Health Sciences, 9 Communications, and the HUB on the ground floor level. These phones are part of the U.S. West phone system and have no special link to the STAR system.

2. CALLING STAR. STAR is available during published registration dates and times. STAR is closed on holidays and may close earlier than 12 midnight on a few days to produce registration confirmations, ID cards, and instructors' class list. If STAR does not answer your call, it is not in operation. If the phone line is busy, all lines are being used. Call back later. You may call STAR on, or after, your initial registration date or priority period.

3. VOICE RESPONSE. A voice response will guide you after each transaction. If you do not understand a response or instruction and would like it repeated, press the star key (*) first, and then the number sign key (#).

4. PERSONAL ACCESS CODE (PAC). When you call STAR for the first time, enter your date of birth when STAR asks you to enter a Private Access Code. Select a Private Access Code or PAC of 4 to 6 digits that you can easily remember. Enter the PAC that you selected when prompted by STAR. You will then use your PAC for all future calls to STAR. If you wish to change your PAC, you may do so at any time using transaction code 9. Please refer to the STAR Worksheet in this Time Schedule for instructions. If you forget your PAC, you will need to go to the Registration Office, 225 Schmitz Hall and present photo ID to obtain your code or select a new PAC.

5. IF YOU MAKE A MISTAKE. If you make a mistake before finishing an entry, press the star key and the number sign key (*#), and your entry will be discarded.

6. TO SPEED UP YOUR REGISTRATION. To expedite your registration, you may enter data during the voice response. Be cautious about doing this, since you may miss some important information.

7. DISCONNECT ACTION. Time limits are built into the system, so if you are holding on the STAR line for an extended period of time, you will be disconnected. Error limits are also a part of the STAR system, so if you do not enter the correct information after the second try, STAR will disconnect. You may immediately call back to STAR.

8. TRANSACTIONS. The transactions you enter on your touchtone telephone communicate to the computer what action to take (such as add a course, drop a course, check a section status, etc.) and what data you want considered. Refer to the STAR Worksheet for transaction codes. Beginning the sixth class day, check your account balance (transaction 11) after adding or dropping courses.

9. ENTRY CODES. Entry codes are five digit random numbers issued to you by academic departments as authorization to enroll in restricted course sections. Entry Codes are not transferable. All courses require entry codes to add beginning the sixth class day of the quarter.

Courses requiring entry codes are designated with the symbol > to the left of the schedule line number (SLN) in the Time Schedule. Please note that departments reserve the right to require entry codes whether the course is so designated in the Time Schedule or not. Usually information on where to obtain entry codes is found in the body of the Time Schedule, either as a comment before the course listing or following the title of the course. Contact the department offering the course if STAR advises you an entry code is required and the location for obtaining one is not identified in the Time Schedule.

Instructors may issue entry codes to students when a class is full. You may use this code to override the system but not if the overload will increase enrollment over 115% of room capacity.

Once you have used an entry code, the computer removes it from the list of viable codes and will not accept it again. If you drop a section that required an entry code to add, then you must obtain another entry code from the department if you wish to re-add the section.

When you use an entry code to register, it becomes a part of your registration record, and is visible with your name on computer terminal screens. Entry codes are required to add courses during the second week of the quarter.

10. LECTURE/LAB/QUIZ/CONFERENCE.

These are combined under one SLN for each possible combination of time and day. On STAR, when you register for a course SLN associated with a lecture, lab and/or quiz or conference, you will be registered for all the lecture, lab, quiz or conference combination as listed under one SLN in the Time Schedule.

11. ALTERNATE SELECTIONS. If the section requested is closed you will be informed by STAR of open section alternates (including new sections added after the publication of the quarterly Time Schedule). You can then immediately select an alternate section to be added to your schedule. Have a pencil ready and be prepared to write down schedule line numbers (SLN) and meeting times of alternate sections.

12. TIME CONFLICT. You may not register on STAR for two courses that meet at the same time or for courses with overlapping meeting times. If you want the second course instead of the one you are registered for, you must drop the first one before adding the second course on STAR. If you want to add a course that conflicts with another, you must add the second course, in person, at the Registration Office, 225 Schmitz Hall. All time conflicts between classes require the approval of the instructors involved. For the student's convenience in registration, time conflicts of up to one hour per week without written permission are permitted, but the student is nevertheless obligated to make certain that the instructors do not object. The signatures of the instructors of both courses are required on the *Authorization for Non STAR Transactions* before a student can add a course at the Registration Office that conflicts more than one hour a week.

13. REGISTRATION HOLDS. If you have a hold on your registration, you will not be permitted to register or add courses until the hold has been released by the initiating office. If you attempt to register on STAR before your hold has been released, the voice response will indicate which office has placed the hold, and where to go to get it released. You may make other transactions on STAR.

14. ELECTING S/NS GRADING OPTION. You may register for a course on STAR, but you must go in person to the Registration Office, 225 Schmitz to elect the Satisfactory/Not Satisfactory grading option. The deadline to elect the Satisfactory/Not Satisfactory grading option is the tenth class day. A \$20 change fee is assessed beginning the sixth class day.

15. AUDIT. You must first register on STAR for the course you wish to audit, and then go in person to the Registration Office, 225 Schmitz Hall to set the audit grade option. You may change to audit through the seventh week of the quarter. After the 10th class day a "W" and the week of the quarter in which the grade option change occurred will be recorded on your transcript. A \$20 change fee is charged beginning the sixth class day.

16. CREDIT LIMITATIONS. Undergraduates will be limited to 19 credits during Registration Periods I and II to allow all students a chance to develop a basic schedule. Additional credits may be added during Registration Period III. Thirty credits is the limit per quarter.

17. VARIABLE CREDITS. Some courses are offered for a variable number of credits. See the department to obtain the appropriate number of credits for a variable credit course and be prepared to enter the number of credits when requested to do so by the voice response on STAR. Changes in variable credits are made at the Registration Office, 225 Schmitz Hall.

18. SECTION II ON STAR WORKSHEET.

Call STAR beginning the first day of Registration Period I, complete Section II and check course availability. Then call STAR to register during your scheduled registration priority period. Faculty/staff or Washington State classified employees using a tuition exemption program, and branch campus students will not be asked to make decisions for Section II.

19. MERLIN TELEPHONE. If using an AT&T Merlin telephone to call STAR, press the # sign key twice to send transactions.

20. QUESTIONS. If you have questions regarding registration, please call the Registration Office, (206) 543-4000, Monday through Friday, from 8:00 a.m. to 5:00 p.m. The audiolibrary system has complete recorded instructions. If you need additional assistance, press "0" and a staff member will help you during business hours.

21. REGISTRATION IN SEQUENCE COURSES. Departments may establish a registration priority for students enrolled in sequence courses. For example, students enrolled in a foreign language 101 course may have priority to register in the next course sequence (102) for the succeeding quarter.

22. CHANGING YOUR INSURANCE PLAN AND OPTIONAL CHARGES. If you wish to change your insurance plan or optional charges for WashPIRG and WSL after your initial selection, you may do so on STAR by the tuition due date. Please refer to the STAR Worksheet in this Time Schedule for instructions.

Q: What is 'Electronic Payment'?

A: It is paying your bills directly from your bank account.

Q: What is the advantage of 'Electronic Payment'?

A: No lines to stand in to pay tuition, no deadlines to remember, no guessing the 'amount due.' The computer will automatically calculate your balance, even if you make changes at the last minute.

Q: Is it safe?

A: You control the process. You authorize the limits of the transfer. You see the amount transferred on your tuition statement and on your bank statement. You can cancel the process at any time.

Q: How will I know about the transfers?

A: Bank inquiries and statements, payments appear on your tuition statement, and STAR (11# and 14#).

Q: What is the difference between payment plans A and B?

A: You do your own financial planning by indicating the amount you want transferred each month. In Plan A the remaining balance you owe will be taken out the month tuition is due. In Plan B you tell us all amounts, the total amount authorized needs to equal the total amount due.

Q: In plan A, why do you take the balance on three dates in one month?

A: To accommodate changes many students make to registration, insurance, UPass or any other tuition related fees. The first transfer is on the fifth day in order to have it appear on the second tuition bill. This leaves two weeks to deal with any further changes.

UNIVERSITY OF WASHINGTON AUTHORIZATION TO PAY TUITION ACCOUNT

ACADEMIC YEAR 1993/4

I hereby authorize the University of Washington to initiate funds transfers from the depository financial institution account indicated below and authorize the depository financial institution to honor these transfers to the University of Washington depository account.

Student Name: _____ Student Number: _____

Please attach a preprinted blank checking or savings deposit slip, or a blank voided check. The deposit slip or voided check must be preprinted with the bank imprinted account number.

This authority is to remain in full force and effect for the academic year or until the University of Washington has received written notification from me/account owner of its termination in such time and in such manner as to afford the University of Washington a reasonable opportunity to act on it. Allow at least two business days to cancel future transfers.

*The bal limit includes only amount owed for your tuition and tuition related fees as they appear on your tuition statement. We will make the first balance transfer on the fifth day of the quarter. Any changes in your registration which increase the balance owed will result in additional transfers on the second and third Friday of the quarter. If payments result in a credit balance on your account the overpayment will be returned to your bank account on the first business day after the tuition due date. Any balances due after the tuition due date are not covered by bank transfers. Transfers are applied only to the quarters as indicated in the schedule above. Tuition due date is the third Friday of the quarter.

----- ◆ ◆ ◆ -----
The amount and student number will appear on the bank account within three business days of the transfers in plan selected above. If there are not sufficient funds in your account to cover any authorized payment, your student account will be assessed a returned item fee of \$8 and possible late payment fees. You are responsible for paying by the due date all fees not covered by payments from your bank account. Non-payment will result in late payment fees, transcript and registration holds and/or registration cancellation.

1 See Additional Registration Information for full-time student requirement #6.

2 Does not apply to first professional law students. (Fees are subject to change without notice)

2. SPECIAL COURSES AND LABORATORY FEES. The amounts charged for tuition and fees normally cover University charges for course registration. Some courses, however, have extraordinary expenses associated with them and in such cases the University may charge additional fees in amounts approximating the added instructional or laboratory costs.

STUDENTS ARE EXPECTED TO KNOW
Drops or withdrawals after the first week of the quarter will cost you \$20 plus at least half of tuition reduction.
(See Forfeitures (#3) below.)

Tuition is due the third Friday of the quarter.

Charges incurred after the tuition due date must be paid in 1-3 days.
(See Deadlines (#4) below.)

3. TUITION FORFEITURES OR REFUNDS. Students will be billed for the number of credits, including audit hours, on their programs at the beginning of the quarter. Only partial tuition reductions will result for courses dropped after the first week of the quarter. Students dropping courses after the first seven calendar days of the quarter and through the thirtieth calendar day of the quarter will be expected to pay one-half of the tuition associated with that course. Courses dropped after the thirtieth calendar day receive no refund.

The effect of tuition forfeitures on the over-18-credit surcharge is as follows: forfeitures for courses dropped that exceeded 18 credits are charged the same as above. Also, if a student drops a course after the thirtieth calendar day and adds another, total credit charges will include credits that are added with no reduction for credits dropped.

Course drops become effective the date received and processed on STAR, in the Registration Office, 225 Schmitz, or through the departmental registration screen used in academic departments.

4. TUITION/FEE ASSESSMENTS AND DEADLINES. It is the student's responsibility to see that tuition is paid in full by the tuition due date (third Friday of each quarter). Bills are sent at the beginning of each quarter to facilitate payment. However, failure to receive a tuition bill does not nullify the student's responsibility for payment by the due date. Account balances are available through STAR.

Students should indicate selection of their permanent or local address on STAR for fee statement mailing. If you have not received a fee statement by the end of the second week of the quarter, contact the Student Accounts and Cashiers Office, or call STAR for the amount of tuition due.

Students may pay their fees in person in the Student Accounts and Cashiers Office or mail them to UW, Student Accounts and Cashiers Office, 129 Schmitz, PE-10, Seattle, WA 98195, before the tuition due date. Fees must be paid by Friday of the third week of the quarter. Checks and money orders must be in U. S. Dollars and drawn on U. S. or Canadian banks. Payments postmarked on or before the due date are accepted without a late fee. Mail postmarked after the due date is subject to penalties as described below.

Students who fail to pay by the deadline may continue to pay their tuition the week following the due date, plus a late fee as follows:

Past Due Balance	Late Fee
Over \$250	\$30
\$30-\$250	\$10
Less than \$30	\$ 0

If payment has not been received in the Student Accounts and Cashiers Office by the end of the late payment period, registration for the current quarter as well as any future quarters will be canceled. Students permitted to reregister after cancellation for nonpayment will be charged a \$75 fee, in addition to their tuition.

Tuition and fees incurred after the tuition due date must be paid within three working days to avoid cancellation of registration. Exception: As of the last week of instruction, charges must be paid by the

next business day. Always check your account status and balance on STAR when completing a registration transaction.

Students who reregister must reregister for all classes on your schedule at the time of registration cancellation: (Fees will include appropriate charges for classes dropped during the forfeiture period.) If you wish to drop any courses after you reregister, you may do so on STAR until the end of the seventh week of the quarter. A \$20 change fee will be assessed. Please note: Even if your registration is canceled you will continue to owe one-half of your tuition.

Credit cards are not accepted.

Tuition and fees not paid by the end of the academic quarter will be subject to an interest charge of 1% per month, or fraction of a month, (12% A.P.R.), beginning with the month following the end of the quarter. Delinquent unpaid accounts may be referred to a collection agency and reported to a credit bureau.

5. APPLICATION OF PAYMENTS TO A STUDENT'S ACCOUNT. As a rule, payments received for a student's account are applied to charges in order of their due dates. For charges with the same due date, payments are applied first to tuition and related University fees and then to other charges on the account. A payment may be applied to a specific charge by contacting the Student Accounts Office at 129 Schmitz Hall. Financial aid from Federal Title IV programs is applied only to required tuition and fees and to loan and aid repayment obligations. The University may not apply such aid to pay insurance and some other optional charges.

6. STUDENT INSURANCE. The University offers a voluntary accident and sickness insurance plan to supplement the services available at the Hall Health Center. Seattle Campus UW students (except nonmatriculated students and those enrolled in programs administered by UW Extension and UW faculty/staff or Washington State classified employees attending classes under the employee tuition exemption programs) who remain registered through at least the first six days of instruction in the quarter are eligible to enroll in the plan.

Students may sign up for the plan when they register for classes. If students are registered for classes by their academic departments, and no plan is indicated, they will be enrolled in the student-only quarterly plan. The insurance premium will be included on the quarterly tuition statements and must be paid by the quarterly tuition-due date. In most cases Financial Aid will not pay insurance directly so students must make sure the premium is paid on time. There is no late payment period for the insurance premium.

Students who wish to add, cancel, or change their insurance selection, may do so on STAR, and remit the correct balance by the tuition due date. Or, students may make changes when paying tuition in person at the Student Accounts and Cashiers Office, by the tuition due date.

International students must subscribe to the student insurance plan unless they are covered by another plan. Proof of other coverage must be submitted to the International Services Office and a waiver obtained each Autumn Quarter (or upon initial admission if other than Autumn Quarter) because waivers are valid only through Summer Quarter each year. Students holding insurance policies that expire during the academic year are responsible for obtaining new waivers, as necessary.

Brochures describing the plan in more detail are available at the Hall Health Center, the HUB, and the Registration Office, 225 Schmitz Hall. Plan benefits may change each academic year, so students are encouraged to review the brochure carefully.

7. WASHINGTON STUDENT LOBBY (WSL).

The Washington Student Lobby (WSL) is a voluntary, independent organization of university students whose purpose is to influence the Washington State Legislature and others on higher education matters of special interest to students. Students may choose to support the WSL by contributing \$1.00 each quarter. Support for the WSL may be indicated during registration and the voluntary contribution will be included on the tuition billing statement for payment with tuition.

8. WASHINGTON PUBLIC INTEREST RESEARCH GROUP (WASHPIRG).

The Washington Public Interest Research Group (WashPIRG) is a student-directed, non-profit and non-partisan research organization which works on issues affecting the quality of life in Washington State. Students participate in WashPIRG as decision makers, volunteers and credit interns producing research reports, lobbying the legislature and organizing students and citizens around consumer, environmental and governmental issues. Students may choose to support WashPIRG by contributing \$2 each quarter. Support of WashPIRG may be indicated during registration and the voluntary contribution will be included on the tuition billing statement for payment with tuition.

NOTICES

1. NOTICE TO STUDENTS OF THEIR PRIVACY RIGHTS.

Under the provisions of the Family Educational Rights and Privacy Act (FERPA), students have the right to 1) inspect and review information contained in education records, 2) challenge the contents of their education records, 3) a hearing if the outcome of the challenge is unsatisfactory, 4) submit an explanatory statement for inclusion in the education record if the outcome of the hearing is unsatisfactory, 5) prevent disclosure, with certain exceptions, of personally identifiable information (see item #3 this page), 6) secure a copy of the institution policy (see item #4 this page), and 7) file complaints with the Department of Education concerning alleged failures by institutions to comply with the Act. Written complaints should be directed to FERPA, Department of Education, Room 4074, Switzer Building, Washington, D. C. 20202.

2. DISCLOSURE OF STUDENT RECORDS.

As a general rule the University will not release a student's education records to a third party without written consent of the student. This includes tuition account information. The complete University policy on student education records and the location of such records may be found in the Washington Administrative Code under WAC 478-140. Manuals containing the Code are available at Reference Stations on campus, and at the Visitor's Information Center, 4014

University Way NE. The policy covers such items as accessibility, review and expunging of inaccurate records, and costs to be charged for copies of student records. Information release forms for tuition accounts information only may be obtained from the Student Accounts and Cashiers Office, 129 Schmitz.

3. STUDENT DIRECTORY INFORMATION.

The University will routinely release student directory information, unless requested otherwise by the student. Directory information is defined as student's name, telephone number, major field of studies, dates of attendance, degrees and awards received, and place of birth, weight and height of members of athletic teams. Students who do not wish to authorize directory release and do not want their name and phone number to appear in the Student Directory, may call the address change service at 543-3868 to restrict access to this information. The University will release no information regarding their information including dates of attendance and degrees granted without a written release from the student. Students who wish to change their authorization and allow release, must go to the Registration Office, 225 Schmitz and present photo identification.

4. FOLLOWING RULES AND REGULATIONS.

It is the University's expectation that a student will follow University rules and regulations as they are stated in the General Catalog and the Time Schedule. In instances where no appeal procedure is spelled out and the student believes that a special set of circumstances makes appeal reasonable, he or she may appeal the application of specific rules or regulations to the office of the dean of the school or college in which he or she is enrolled in the case of an academic matter, or to the Office of Student Affairs in the case of a nonacademic matter. These offices will either render a decision on the appeal or refer the student to the proper office for a decision.

5. DISABLED STUDENTS. Various support services, including priority registration, are available to students with disabilities. Contact Disabled Student Services (DSS), 448 Schmitz, 543-8925 voice/TDD, for information on accommodations to meet individual needs, accessibility and equipment services.

Students with disabilities who require special accommodations for science labs, internships, etc., should contact their professor, the DSS Director and/or the academic adviser of that department to work out appropriate services.

The STAR Work Sheet and Instructions are available from DSS in alternate media, including large print, tape recording and braille. Students with disabilities which would limit their ability to use STAR may register through DSS or at the Registration Office, 225 Schmitz Hall.

6. EQUAL OPPORTUNITY. The University of Washington, as a standing policy, does not discriminate on the basis of race, color, creed, religion, national origin, sex, sexual orientation, age, marital status, disability, or status as a disabled veteran or Vietnam era veteran. Any discriminatory action can be a cause for disciplinary action. This policy applies to all University programs and facilities including, but not limited to, admissions, educational programs, employment, and patient and hospital services. Such discrimination is prohibited by Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973, Age Discrimination in Employment Act Amendments of 1978, Vietnam Era Veteran's Readjustment Assistance Act of 1974, Americans with Disabilities Act of 1990, State of Washington Gender Equity in Higher Education Act of 1989, other federal and state statutes and regulations, and University policy. Coordination of the compliance efforts of the University of Washington with respect to all of these laws and regulations is under the direction of the Equal Employment Officer, Dr. Helen Remick, University of Washington, Equal Employment and Affirmative Action Office, JA-08, 4045 Brooklyn Ave. N.E., Seattle, Washington, 98195, telephone (206) 543-1830, V/TDD.

7. INTERNATIONAL STUDENTS must subscribe to the student insurance plan unless they are covered by another plan. Refer to the STUDENT INSURANCE section for more details.

8. SEXUAL HARASSMENT GRIEVANCE PROCEDURE. Students, as well as members of the faculty and staff, who wish to file a complaint regarding sexual harassment may contact either of the two offices listed below:

Ombudsman for Sexual Harassment, (206) 543-0283

Human Rights Office, (206) 543-7217
Personnel in these offices will be available to discuss and provide assistance in resolving the complaint.

9. ASSOCIATED STUDENTS OF THE UNIVERSITY OF WASHINGTON (ASUW). The Associated Students of the University of Washington is a voluntary association of students designated by the University Regents to carry out a variety of student activities. In order to vote in ASUW elections or hold ASUW office, students must be members. A student's membership choice will not affect tuition payment in any way. Information about the ASUW can be obtained from the ASUW Office in Room 204L Student Union Building. Students may join ASUW when registering on STAR.

10. GRADUATION RATES The graduation rates of full-time freshmen beginning their studies at the university either summer or autumn quarter 1986 are 55.5% in 5 years and 63.25% in 6 years.

* Saturday courses may schedule their examination for the first Saturday of the examination week, but must make arrangements with Room Assignments to check on room availability. Dean's office approval is not required for Saturday only courses.

Final Examinations should be administered in accordance with the above examination schedule. The dean may permit an instructor to change the time of a final examination upon prior application demonstrating good cause for such change. In such cases, the following guidelines shall be observed:

1. With the dean's permission the final examination may be postponed or moved to an earlier time within the examination period if agreed to by all students and the instructor. Before approving the rescheduling of a final examination, the dean shall obtain assurances that the change will not have an undue adverse impact on the students. The dean shall notify the Registrar of the approval granted for the date of a final examination.

2. An instructor shall not schedule a final class examination before the beginning of finals week. An instructor shall not, except in very unusual circumstances, grant permission to individual students for an early examination. If the student is unable to take an examination on the scheduled date, the procedure outlined in the following paragraph should be followed.

3. A student absent from any examination through sickness or other cause, judged by the instructor to be unavoidable, shall be given an opportunity to take a rescheduled examination or perform work judged by the instructor to be the equivalent.

If the instructor determines that neither alternative is feasible during the current quarter, the instructor may exempt the student from the requirement. Examples of unavoidable cause include death or serious illness in the immediate family, illness of the student, and, provided previous notification is given, observance of regularly scheduled religious obligations.

Students are responsible for taking any number of examinations for which they are scheduled on a given day.

4. Classes that begin on the half-hour and last longer than one hour use the actual starting time to determine the examination time. For example, a

class that begins at 7:30 a.m. and continues until 9:00 a.m. would use the 7:30 a.m. time.

5. Classes that begin on the hour use the first following half-hour to determine the time of examination. For example, a class that begins at 10:00 a.m. uses the 10:30 a.m. examination time.

6. Day-time classes (7:30 a.m. to 3:30 p.m.) in which the entire class meets at the same hour every day, in the same room, may extend their final examination period to three hours. All other examinations are limited to one hour and fifty minutes unless other arrangements are made with Room Assignments.

7. If an examination is held during finals week at a time other than the above schedule indicates, instructors must check with Room Assignments to make sure the room is available.

NEW COURSES FOR AUTUMN 1993

For descriptions of new courses that will be offered Autumn 1993, which were added to the university curriculum after publication of the 1992-94 General Catalog, see your academic advisor. Student copies of the New Course Descriptions are available upon request in the Undergraduate Advising Center, 9 Communication, or the Registration Office, 225 Schmitz Hall.

W COURSES OFFERED AUTUMN QUARTER 1993

Students who plan to take majors in the College of Arts and Sciences and who started college Autumn Quarter 1985, or later, must complete 10 credits of courses designated "W". Some other undergraduates majors also require W courses. W courses are not English composition courses but, rather, are courses in which a substantial amount of writing is required. Almost any department can offer W courses. The following courses being taught Autumn Quarter 1993 have been designated as W courses.

Versatel[®] Checking: It's Easy It's Fast It's FREE

With Seafirst's new Versatel Checking, there are no monthly service charges. And there is no charge for your first 200 checks.

All we ask in return for these money saving features is that you do your routine transactions at any of 2,000 Versateller cash machines,* or through the automated portion of our 24-hour Customer Service line.**

For more information, stop by and see us or give us a call today.

University Branch 4701 University Way N.E. 358-1959

University Village Branch 4501 University Court N.E. 585-4799

*Deposits and payments can only be made at Versateller cash machines located at Seafirst branches.

**A \$1 fee applies if you use a Seafirst banker to do a routine transaction.

Teachers are better than Tapes

Some test prep services seem to have an almost fanatical fondness for audio tapes. If you miss a class, they hand you a tape. Need extra help? More tapes. Heck, they even train their teachers with the darn things.

At The Princeton Review, we believe that teachers are better than tapes. A well-trained teacher will answer your questions, focus on problem areas, and even smile on occasion. That's why we provide our students with FREE Extra-Help, with their teachers, to focus on areas in which they need to improve.

**LSAT • GMAT
GRE • MCAT**

Think Of It As Cross-Training For The MCAT.

The principle: the more ways you have of learning something, the better you'll understand it. Academic types call this "multi-modal learning." At Kaplan Test Prep, we call it cross-training for the mind.

At Kaplan, we integrate more different learning approaches than any other program. When you train for the MCAT with us, you'll have access to live classes, audio reinforcements, academic and strategy clinics, home study notes and individual tutoring. You'll take practice tests that run the gamut from topic drills to full-length released exams, from taped self-tests to a simulated MCAT.

With this kind of training, no wonder Kaplan produces more top MCAT scores and prepares more med school candidates than all other courses combined.

Kaplan MCAT Prep.

Taking the LSAT?

THINK

your way to the right answer.

To get your highest possible LSAT score, you must:

Discern the point and logic of arguments. Explain what you read. Understand how rules can order and limit the universe. Construct a written position.

These are the *thinking skills* required of a legal mind. Skills tested by the LSAT. Skills taught by Kaplan. And only Kaplan.

Give us a call today to sign up for intelligent LSAT Prep:

THINKING

VS.

CRACKING

Other companies say that you can ace the LSAT with gimmicks and short cuts—and a trick called "cracking." They're wrong. On the LSAT, you will not be rewarded for cracking. You will be rewarded for thinking.

Your Master of Education degree is within reach at the UW Bothell Campus

The Master of Education degree program at the UW Bothell campus is founded upon a deep respect for practicing educators. It is a personalized program designed to build upon your own existing skills and knowledge. Here is why the UW Bothell program is unique.

- An interdisciplinary program unmatched in its application to classroom teaching
- Study options that assist educators in meeting the needs of increasingly diverse student bodies
- Flexibility and innovation in program design and content
- The integrity of a graduate degree offered by the UW
- A program designed specifically for part-time students
- The convenience of the branch campus location in Bothell

“Favorite Pizza of the Husky Band” Steve Emtman says, “Pizza every Dawg should eat.”

All our pizzas are made with your choice of our five homemade and historic sauces. Our special dough is all natural, with no sugar and no yeast, and is proofed for a full 18 hours! Smothered in mozzarella and romano cheeses, our pizzas truly capture the flavors that made the Garlic Gulch a gastronomic paradise.

CHOOSE FROM OUR FIVE SAUCES

- The Classic Atlantic Street**
Marinara with fresh basil, garlic, and our special herb and spice blend.
- The Two Star Classic**
Our house marinara zestfully reinforced with extra garlic and spices.
- Mild Sweet Rosemary Sauce**
Delightful, sweet option.
- Olive Oil-Thyme-Garlic Sauce**
“A Truly Basic Sauce”
- Flora Masclao's Cinque Cheese Sauce**
Classic white sauce.

DOC 401

Wild Should Wild Remain.

"Man always kills the thing he loves, and so we the pioneers have killed our wilderness. Some say we had to. Be that as it may, I am glad I shall never be young without wild country to be young in."

ALDO LEOPOLD

"We need wilderness preserved—as much of it as is still left, and as many kinds . . . It is important to us . . . simply because it is there—important, that is, simply as an idea."

WALLACE STEGNER

"The love of wilderness is more than a hunger for what is always beyond reach. It is also an expression of loyalty to the earth, (the earth which bore us and sustains us), the only home we shall ever know, the only paradise we ever need—if we had the eyes to see."

EDWARD ABBEY

"The clearest way into the Universe is through a forest wilderness."
