GENERAL INFORMATION

See each quarter's registration poster for exact dates and deadlines.

It is the University's expectation that a student will follow University rules and regulations as they are stated in the *General Catalog*. In instances where no appeal procedure is spelled out and the student is persuaded that a special set of circumstances makes appeal reasonable, he may appeal the application of specific rules or regulations to the Office of the Dean of the school or college in which he is enrolled in the case of an academic matter, or to the Office of Student Affairs in the case of a nonacademic matter. These offices will either render a decision on the appeal or refer the student to the proper office for a decision.

1. All students currently in school who plan to register for the following quarter must make a \$50.00 advance payment of tuition and fees to guarantee their place for the next quarter. Continuing matriculated students will be allowed to complete their preregistration only if the \$50.00 prepayment has been made. Matriculated students who pay their \$50.00 but do not complete preregistration may obtain an appointment to go through in-person registration.

2. It is the student's responsibility to plan and select the required courses for his degree objective. Consult the *General Catalog* for degree requirements. Be sure to check also with your department advisory office because not all the material in the *Catalog* is up to date.

3. Note the following University requirements:

a. Students registering for more than 13 credits should select an afternoon class meeting at 12:30 or after if one is available. Only a daily class or two 2-hour laboratories, except lower-division ROTC and physical education activity, will satisfy this afternoon class requirement.

b. *Selective Service* requires full-time registration to maintain student status.

c. International students on temporary visas should normally register for a minimum of 12 credits per quarter; with graduate status, for 8 credits.

d. *Veterans*: Minimum full-time load exclusive of lower-division ROTC and physical education activity is as follows:

P.L. 815 and 894 (Disabled Veterans): Official Programs must be approved by training officers each quarter.

P.L. 358 (Veterans Act of 1966): 12 credits.

P.L. 634 (Children of Deceased and Totally Disabled Veterans): 12 credits.

Veterans who are graduate and/or Summer Quarter students should consult with the Office of Veteran Affairs regarding minimum credits required to be full-time students.

e. *Social Security*: Students who receive benefit payments from the Social Security Administration or Railroad Retirement Board must register for 12 credits for full-time status.

REGISTRATION INSTRUCTIONS

1. Obtain an Official Mark-Sense Program Sheet from your adviser's office.

2. Print with a **BLACK LEAD PENCIL** on your Mark-Sense Program Sheet.

a. Fill in all information, including your Permanent Student Number.

d. All courses offered within the College of Arts and Sciences which have an "Honors" designation require a permission card.

e. Obtain course permission cards where indicated in this *Time Schedule*. If you are registering for a course out-of-quarter, obtain the required permission form at your advisory office and request the course during the change-of-registration period.

f. If you have a known conflict of hours for which some adjustment could be made, obtain permission for the conflict from the departments concerned. Mark the "approved-conflict" boxes on the Mark-Sense Program Sheet for those courses in conflict.

g. Take your Mark-Sense Program Sheet to your adviser for his signature, if required.

h. If you work or require free time when classes must not be scheduled, mark the Free Time Boxes that correspond to the times you *do not* want classes assigned.

3. Fee payment.

a. You will be mailed a fee statement during the third week of the quarter.

b. Mail your fee payment to the Cashier in the envelope provided, before the due date indicated.

c. If payment is not received by the date specified on your fee statement, your registration will be cancelled and you will continue to owe one-half of your tuition and fees plus \$25.00 enrollment service charge.

3. a. Students who make a complete withdrawal from the University prior to the sixth day of instruction of the quarter forfeit the \$50 advance payment, but are not subject to any additional payment of tuition and fees. The \$50 advance fee payment is not refundable or transferable to another individual or quarter.

b. Students who make a complete withdrawal between the sixth day of instruction and the thirtieth calendar day of the quarter are subject to payment of one-half of their total fees plus a \$25 enrollment service charge.

c. Students withdrawing after the thirtieth calendar day receive no refund of fees.

WARNING:

All Autumn, Winter, and Spring Quarter fees (except those indicated as not subject to refund) are refundable or cancelable, less an enrollment service charge of \$50.00, if complete withdrawal is made prior to the sixth day of instruction; one-half of said fees less a \$25.00 enrollment service charge is refundable or cancelable if withdrawal is made during the first thirty calendar days, except for Air Force or Army ROTC uniform deposits.

Students withdrawing under discipline forfeit all rights to the return of any portion of the fees.
