REGISTRATION PERIODS

STAR REGISTRATION

The University of Washington's touchtone telephone registration system is referred to as STAR-Student Telephone Assisted Registration. STAR registers students in course sections immediately and accommodates subsequent course adds and course drops; immediate alternative section availability if the requesting sections are closed or cancelled, spoken listing of confirmed registration schedule, and open/closed status of course sections. The touchtone telephone registration system is available through the fifth class day of the quarter.

REGISTRATION PERIOD I

February 2-March 3
via STAR
6 a.m. to 12 midnight, Monday-Friday
STAR closes at 6 p.m. on March 3.
STAR is closed February 20 for President's Day.

ELIGIBILITY. This period is open only for continuing students currently enrolled Winter Quarter 1989. Priority registration dates are based on the projected number of credits students will have completed by the beginning of Spring Quarter 1989. Students may call STAR on, or after, their registration dates to register and make changes to their schedules. The priority registration schedules follow:

February 2,3	**Disabled students only as designated by the Disabled Student Services Office.**
February 6-10	**Freshmen (1-44 credits)**
February 13-17	**Seniors (135 or more credits)**
February 13-17	**Postbaccalaureates (fifth-yr)**
February 21-24	**Juniors (90-134 credits)**
February 27-March 3	**Sophomores (45-89 credits)**
Any day	**Graduates and Professionals**

REGISTRATION CONFIRMATION AND ID CARDS. Students registering through March 3 will have their Registration Confirmations and ID Cards mailed on March 7.

REGISTRATION PERIOD II

March 6-23
via STAR
6 a.m. to 12 midnight
Monday-Friday
STAR closes at 6 p.m. on March 23, and will remain closed on March 24.

ELIGIBILITY. This period is primarily for newly admitted students and returning former students. Advising/registration notice of dates are mailed to newly admitted or readmitted students. Students may register on, or after, their date. Continuing students may access STAR any day during this period.

REGISTRATION CONFIRMATION AND ID CARDS. If registered March 6 through 10, Registration Confirmation and ID cards will be mailed on March 13.

If registered March 13 through 23, Registration Confirmations and ID Cards are available to be picked up in person in the Registration Office, second floor, Schmitz Hall after 10 a.m. on the weekday morning following a call to STAR before 5:30 p.m. the prior day. If STAR is called after 5:30 p.m., the Registration Confirmation and ID Card will be available two working days after 10 a.m. in the Registration Office.

CHANGE OF REGISTRATION CONFIRMATIONS. Registration Change Confirmations will be mailed periodically. Students may also confirm their registration schedules by calling STAR and using the List Schedule Transaction (L #). This listing includes building and classroom locations.

REGISTRATION PERIOD III

March 27-31
via STAR
6 a.m. to 12 midnight
Monday-Friday
STAR closes at 6 p.m. March 31
or via
Sections Satellites 8 a.m.- 5:30 p.m.
209 HUB
264 Schmitz
Lander Hall-Room 131
Health Sciences T-Wing,
McMahon Hall-Southwest Dining Room

ELIGIBILITY. This period is open to all students for late registration and for changes to registration schedules. A $25 late registration fee is assessed and billed to students registering during this week, except for faculty/staff tuition exempt and ACCESS students.

Students are encouraged to register and complete changes to registration prior to this period since many course sections will be closed.

OVERLOAD GUIDELINES. Students may add a section without permission through the fifth class day unless the class is full or requires permission, in which case an entry code is required. The Registrar's Office will accept course overload authorization up to 115% of classroom capacity when the student presents an entry code from either the instructor or other authorized person in the department.

NEW REGISTRATION CONFIRMATION AND ID CARDS. Registration Confirmations and ID Cards may be picked up in person in the Registration Office, second floor, Schmitz Hall after 10 a.m. on the weekday morning following a call to STAR before 5:30 p.m. the prior day. If STAR is called after 5:30 p.m., the Registration Confirmation and ID Card will be available two working days after 10 a.m. in the Registration Office.

CHANGE OF REGISTRATION CONFIRMATIONS. Registration change confirmations will be mailed on April 3. Students may also confirm their registration schedules by calling STAR and using the List Schedule Transaction (L #). This listing includes building and classroom locations.

EXCEPTION PERIOD

April 3-June 2
Sections Office, 264 Schmitz
8 a.m.-5 p.m. Monday-Friday

During this exception period, a $20 fee is assessed for all changes of registration. Late registrants are assessed a $25 late registration fee through April 7, and $75 beginning April 10. **Entry codes are not valid during this period.**

ADDING COURSES. From April 3 through the remainder of the quarter, an add will be approved only under unusual circumstances. Students must obtain departmental authorization signatures using the Add/Drop cards. All Add/Drop cards must be submitted in person at the Sections Office.

From April 3-28, course adds will be accepted with departmental authorization signatures but only up to 105% of the classroom capacity of the course section.

From May 1-June 2, course adds require the signatures of both the instructor and the department chairperson of the department offering the course. Registration will not be permitted if enrollment has reached 100% of classroom capacity.

DROPPING COURSES. Refer to Grading Information Related to Registration section.

NONMATRICULATED STUDENTS

March 22, 6 a.m to midnight, via STAR
March 23, 6 a.m. to 6 p.m, via STAR
or
March 22-23, 8 a.m. to 4:30 p.m., in person
Sections Office, 264 Schmitz

Nonmatriculated students may register on STAR. Because nonmatriculated students register after all other students, enrollment may be closed in such areas as: mathematics, English composition, beginning foreign languages (particularly French and Spanish), business, and art.

Nonmatriculated students who register after March 23 will be charged a $25 late registration fee if registering by the tenth day of the quarter, and $75 after the tenth day of the quarter.

FACULTY/STAFF TUITION EXEMPTION

March 22, 6 a.m to midnight, via STAR
March 23, 6 a.m. to 6 p.m, via STAR
March 17-UW Faculty/Staff Tuition Exemption Request Card due.

APPROVAL REQUIRED. With the approval of their department administrator, regularly admitted full-time UW faculty and staff members who have been employed six months or more may take up to 6 credits per quarter under the tuition exemption program. According to legislative action, all registrations must be on a space-available basis after other matriculated students have registered.

ADMISSION STATUS. New faculty/staff members who enroll must be officially admitted by the Office of Admissions by the regular admission closing date; February 1 is the closing date for Spring Quarter. Faculty/staff members who are former students returning either in the same classification or as nonmatriculated students should apply at the Registration Office, window 7, second floor, Schmitz Hall.

HOW TO REGISTER. Mail, or present in person, an appropriately signed UW Faculty/Staff Tuition Exemption Request Card to Sections Office, 264 Schmitz, Mailstop PD-10. This card must be received no later than March 17 to insure the tuition exemption status will be recognized when STAR is called. Complete the STAR Work Sheet before calling in. FACULTY AND STAFF WILL NOT BE PERMITTED TO CONVERT TO THE TUITION EXEMPTION PROGRAM IF THEY HAVE ALREADY REGISTERED FOR SPRING QUARTER PRIOR TO MARCH 22, AND THEY WILL BE REQUIRED TO PAY REGULAR TUITION FOR THOSE CREDITS.

If using a Merlin phone on the UW campus to call STAR, press the # sign key twice to send transactions.

Tuition-exempt faculty/staff are not entitled to other student services such as those available at the Hall Health Center and the Intramural Activities Building. Therefore, UW student cards will not be issued to faculty and staff. Faculty/staff identification cards may be used for library services.

FEE PAYMENT. The $5 registration fee will be billed, but only if registration has successfully occurred. Do not send a $5 payment until a bill has been received.

LATE REGISTRATION. If registration or drop/add is necessary the first week of the quarter, use STAR or one of the Sections Satellites. The late registration fee will not be assessed during this period for faculty and staff in the tuition exemption program.

ACCESS PROGRAM FOR OLDER ADULTS

March 22
Registration Office, second floor, Schmitz Hall
Window 8 or 9
(Access Students do not Register through STAR)

Registration Time is based on last name.

8-9 a.m.	C-E
9-10 a.m.	F-H
10-11 a.m.	I-L
11-12 noon.	M-O
12-1 p.m.	P-R
1-2 p.m.	S
2-3 p.m.	T-Z
3-4 p.m.	A-B

March 23, 8 a.m. - 5 p.m, open to any ACCESS student who missed their previous registration time.

The University of Washington waives tuition for Washington residents sixty years or older who wish to attend classes, as auditing students, on a space-available basis. The fee is $5, whether one or two courses are attended. As auditors, they do not receive credit and are not expected to do laboratory work or to take examinations. A transcript is not maintained. Students who attend the University under the Access program are limited to two courses per quarter.

For additional information on mail-in registration or about the program in general, telephone UW Extension, 543-2300, between 8 a.m. and 5 p.m., weekdays.

REGISTRATION ELIGIBILITY

CONTINUING STUDENT GUARANTEED ELIGIBILITY. University of Washington students who remain in good scholastic standing are guaranteed the opportunity to register each quarter as long as they maintain continuous enrollment (Summer Quarter excepted). Continuation must be in the same classification, e.g., undergraduate, postbaccalaureate (fifth-year), graduate, etc. Once a student earns a baccalaureate degree, he or she must apply for readmission as a postbaccalaureate (fifth-year), nonmatriculated, or graduate student. Exceptions to the guarantee are: (1) students under disciplinary action, (2) students with a financial hold, (3) students not meeting their departmental continuation policies, or (4) students not meeting the University's satisfactory progress policy (See General Catalog).

Continuing students who withdraw during the first week of two consecutive quarters (Summer Quarter not included) will not be eligible to register as continuing students for the third quarter, and must reapply as former students returning to the University.

If an undergraduate does not enroll for one or more quarters, or if a graduate goes on-leave, s/he must file an application for readmission with the Registrar's Office, second floor, Schmitz Hall, window 7. Undergraduates must include payment of the $25 application fee. Information on admission closing dates is available at Window 5, second floor, Schmitz Hall, or by calling 543-5920.

NEW STUDENTS. Students new to the University or applying for a new classification should contact the Office of Undergraduate Admissions for undergraduate and/or postbaccalaureate (fifth-year) standing, or the Office of Graduate Admissions for graduate standing. Application closing date is February 1 for new students entering from high school, and for all other new and former students.

RETURNING FORMER STUDENTS. Returning former students not enrolled in autumn quarter and on-leave graduates must apply for readmission. A $50 enrollment service fee will be required of each eligible applicant. Former graduate students who did not request an on-leave status must contact the Office of Graduate Admissions. Space is limited, and enrollment quotas will be filled on a first-paid, first-served basis. Application closing date is February 1.

ACADEMIC ADVISING

Students are strongly encouraged to see an academic adviser to discuss their educational objectives, to assess progress toward completion of requirements, and to learn procedures involved in registering at the University. It is wise for students to make appointments with advisers and to have ideas of courses they would like to take by reviewing the *General Catalog* and the quarterly *Time Schedule* before the advising session. If students fail to maintain contact with their advisers and problems develop with degree programs, these problems are the students' responsibilities. The consequence may be additional time to complete degree programs.

HOW TO USE STAR

1. TOUCHTONE TELEPHONE. Use only a touchtone telephone to make entries on STAR. Touchtone phones make a different tone after each key is pressed. Telephones that make no tone or only a monotone will not work on the registration system. Your touchtone phone acts as a computer keyboard, enabling you to enter your course requests just as if you were sitting at a computer terminal. Within minutes, you will know your confirmed schedule.

2. CALLING STAR. STAR is available, during published registration dates and times. STAR is closed on holidays and may close earlier than 12 midnight on a few days to produce registration confirmations, ID cards, and instructors' class lists. If STAR does not answer your call, it is not in operation. If the phone line is busy, all lines are being used. Call back later. You may call STAR during, or after, your initial registration date to add, drop, check section status, etc.

3. VOICE RESPONSE. A voice response will guide you after each transaction. If you do not understand a response or instruction and would like it repeated, press the star key (*) first, and then the number sign key (#).

4. IF YOU MAKE A MISTAKE. If you make a mistake before finishing an entry, press the star key and the number sign key (*#), and your entry will be discarded.

5. TO SPEED UP YOUR REGISTRATION. To expedite your registration, you may enter data during the voice response. Be cautious about doing this, since you may miss some important information such as when and where to obtain your Registration Confirmation and ID Card.

6. DISCONNECT ACTION. Time limits are built into the system, so if you are holding on the STAR line for an extended period of time, you will be disconnected. Error limits are also a part of the STAR system, so if you do not enter the correct information after the second try, STAR will disconnect. You may immediately call back to STAR.

7. TRANSACTIONS. The transactions you enter on your touchtone telephone communicate to the computer what action to take (such as add a course, drop a course, check a section status, etc.) and what data you want considered. The transaction code legend follows:

- A = Add a course
- D = Drop a course
- L = Hear a spoken listing of your assigned courses
- S = Check the open or closed status of a course
- T = Terminate your call and get information on how to obtain your Registration Confirmation and ID card
- W = Completely withdraw from all UW courses this quarter
- * = Star key; used to separate data
- # = Number sign key; used to send transactions that you enter

8. ENTRY CODES. Entry codes are five digit random numbers issued to you by academic departments as authorization to enroll in restricted course sections. Academic departments have the ability to establish varying levels of enrollment control for course sections in each registration period, or they can maintain the same level of control throughout.

Courses requiring entry codes are designated with the symbol > to the left of the schedule line number (SLN) in the *TIME SCHEDULE*. Please note that departments reserve the right to require entry codes whether the course is so designated in the *TIME SCHEDULE* or not. Usually information on where to obtain entry codes is found in the body of the *TIME SCHEDULE*, either as a comment before the course listing or just after the title of the course. Contact the department offering the course if STAR advises you an entry code is required and the location for obtaining one is not identified in the *TIME SCHEDULE*.

Once you have used an entry code, the computer removes it from the list of viable codes and will not accept it again. If you drop a section that required an entry code to add, then you must obtain another entry code from the department if you wish to readd the section.

When you use an entry code to register, it becomes a part of your registration record, and is visible with your name on computer terminal screens. Entry codes are valid only through the fifth day of the quarter. Beginning the sixth day, you must obtain departmental authorization signatures to add courses using standard Add/Drop cards. These cards must be submitted in person at the Sections Office, 264 Schmitz Hall, and a $20 change fee will be assessed.

9. LECTURE/LAB/QUIZ/CONFERENCE. STAR will not allow you to enroll in a lab, quiz, or conference section without registering in the lecture section first. Also, you must register for any quiz, lab, or conference associated with a lecture, or your registration in the lecture will be cancelled. This cancellation is not immediate, so you may mistakenly assume you are registered in a class from which you will later be removed. You will not be allowed to drop a lecture section without first dropping the associated lab/ quiz/conference sections.

10. ALTERNATE SELECTIONS. If the section requested is closed you will be informed by STAR of open section alternates (including new sections added after the publication of the quarterly *TIME SCHEDULE*). You can then immediately select an alternate section to be added to your schedule. Have a pencil ready and be prepared to write down schedule line numbers (SLN) and meeting times of alternate sections.

11. TIME CONFLICT. You may not register on STAR for two courses that meet at the same time or for courses with overlapping meeting times. If you want the second course instead of the one you are registered for, you must drop the first one before adding the second course on STAR. If you want two time-conflicting courses, you must add the second course, in person, at Sections in 264 Schmitz during any registration period, or at one of the satellites during Registration Period III. Time conflicts of more than one hour require instructors' signatures for both courses involved.

12. REGISTRATION HOLDS. If you have a hold on your registration, you will not be permitted to complete your registration until the hold has been released by the initiating office. If you attempt to register on STAR before your hold has been released, the voice response will indicate which office has placed the hold, and where to go to get it released.

13. ELECTING S/NS GRADING OPTION. You may register for a course on STAR, but you must go in person to Sections, 264 Schmitz, or to one of the satellites during Registration Period III, to elect the Satisfactory/Not Satisfactory grading option.

14. AUDIT. Audit registrations will not be processed by STAR, but must be completed in person at Sections, 264 Schmitz Hall.

15. CREDIT LIMITATIONS. Undergraduates will be limited to 19 credits during Registration Periods I and II to allow all students a chance to develop a basic schedule. Additional credits may be added during Registration Period III. Thirty credits is the limit per quarter. Additional tuition is collected for credits over 18.

16. VARIABLE CREDITS. Some courses are offered for a variable number of credits. See the department to obtain the appropriate number of credits for a variable credit course and be prepared to enter the number of credits when requested to do so by the voice response on STAR. To change variable credits, go to Sections, 264 Schmitz.

17. SECTION II ON STAR WORKSHEET. Since Section II requires selection decisions only during your first telephone call this quarter, you may proceed directly from Section I to Section III through Section IX in a random manner when making subsequent calls.

STAR will not accommodate changes of your initial decisions in SECTION II. You must go in person to the Sections Office, 264 Schmitz Hall to modify selections. Faculty/staff using tuition exemption program will not be asked to make decisions for Section II.

18. QUESTIONS. If you have questions regarding registration, please call Sections, (206) 543-5875, Monday through Friday, from 8:00 a.m. to 5:00 p.m.

FOLLOW THESE STEPS BEFORE CALLING STAR

STEP 1. Read the Registration Periods, How To Use STAR, and the STAR Work Sheet sections of this *Time Schedule* carefully.

STEP 2. Academic advising is highly recommended, and it is suggested that you make an appointment with your adviser before registering. Use the Trial Schedule Form provided below to draft your schedule.

STEP 3. Obtain entry codes from departments for courses requiring entry codes.

STEP 4. Organize your registration materials (*Time Schedule*, STAR Work Sheet). Use the *Spring 1989 TIME SCHEDULE* to obtain the schedule line number (SLN) for each course section. SLN's change every quarter. Develop your program on the Trial Schedule Form. Prepare an alternate course section list because some sections may be full. Complete the STAR Work Sheet. By completing the work sheet before calling STAR, you will have all the information you need at your fingertips, and will reduce the chances of being disconnected.

STEP 5. Take care of all University financial obligations before calling STAR, since STAR will not permit you to register if there is a "hold" on your registration.

STEP 6. Call STAR from a touchtone telephone and begin with Section I on the STAR Work Sheet. You will be asked to provide information in Section II during your first telephone call to STAR. Always exit STAR using the "T" transaction following by the number sign key (#) so that you can find out how to obtain your Registration Confirmation and ID Card.

STEP 7. Remember once you have initially registered, you can call STAR as often as you want to check the status of sections, have your confirmed schedule listed, add/drop courses, or completely withdraw.

TRIAL SCHEDULE FORM

Plan your schedule on this form and then transfer appropriate information to STAR Work Sheet.

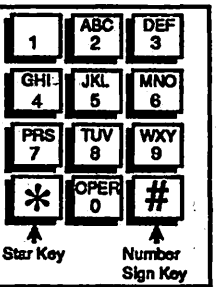
Schedule Line No.	Entry Code	Dept. Abbrev.	Course No.	Section	Credits	S/NS Audit	HOUR(S) CLASS MEETS				
							MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
			Total Credits								

University Of Washington
Student Telephone Assisted Registration (STAR)

Spring Quarter 1989 STAR Work Sheet

I. Always access STAR with these four steps.

1. Call STAR [5][4][8]–[S][T][A][R] (If calling long distance, precede STAR number with 1-206) (On UW campus call, 9-548-STAR)
   7 8 2 7
2. Enter Quarter Code [2] 2 = Spring
3. Identify yourself by entering your student ID # [ ][ ][ ][ ][ ][ ][ ]
4. Enter your birth date as six digits, followed by [#] (Example: 04-16-68 for April 16, 1968) (For security of your record, do not record your date of birth on this worksheet.)



SECTION I

II. You will only be asked to provide this information during your first telephone call to STAR each quarter. Make your entry when the STAR voice asks for each selection.

1. STUDENT HEALTH INSURANCE [ ] INSURANCE OPTIONS (For descriptions, refer to Time Schedule)
   1 = Student Quarterly Insurance
   2 = Student and Spouse Quarterly Insurance
   3 = Student, Spouse and Children Quarterly Insurance
   4 = Student and Children Quarterly Insurance
   5 = Student Annual Insurance
   6 = Student and Spouse Annual Insurance
   7 = Student, Spouse and Children Annual Insurance
   8 = Student and Children Annual Insurance
   0 = No Insurance
2. ASUW membership (See page 10) [ ] Y = Yes N = No
3. Contribute to Washington Student Lobby (See page 14) [ ] Y = Yes, add $1 for WSL to my bill. N = No
4. Contribute to WASHPIRG (See page 14) [ ] Y = Yes, add $2 for WASHPIRG to my bill. N = No
5. * Mail registration confirmation and ID card to [ ] L = Local Address P = Permanent Address
6. * Mail Statement of Account (tuition/fee billing) to [ ] L = Local Address P = Permanent Address
7. * Mail final grade report to [ ] L = Local Address P = Permanent Address

* is updated at time of this call.

SECTION II

Enter transaction code and data in the following format, be sure to end all transactions with the number sign key.

Be sure your current address is on file with the Registrar's Office. Call 543-3868, 24 hrs./day - 7 days/week to update your address.

III. To add courses:

Add Code	Schedule Line Number	Optional: Only for variable credit courses — Star Key	Optional: Only for variable credit courses — Credits	Optional: Only if entry code or permission is required — Star Key	Optional: Only if entry code or permission is required — Entry Code Number	Number Sign Key

ADDITIONAL REGISTRATION INFORMATION AND NOTICES

1. ADDRESS CHANGE TELEPHONE SERVICE - CALL 543-3868. Students are responsible for notifying the Registrar's Office when their address changes. An Address Change Telephone Answering Service is available 24 hours a day, seven days a week for changes of local and permanent addresses and telephone numbers, restricting release of directory information, and where to mail registration confirmations, ID cards, tuition billing statements, and final grades. Students should always leave a forwarding address with the U. S. Postal Service whenever they move. Addresses may also be changed at the Registration Office, window 5, second floor, Schmitz Hall.

If you have applied for financial aid, you must also report your address change to the Office of Financial Aid.

2. CLASS ATTENDANCE GUIDELINES. To provide enrollment space for others, students who do not attend all regularly scheduled class meetings during the first week of the quarter are subject to being dropped at the discretion of the teaching departments. Affected courses will be identified in the *TIME SCHEDULE* and posted in departmental offices.

Students must not assume that departments will automatically initiate a drop for nonclass attendance. Students who register for courses they do not attend are themselves responsible for officially dropping the courses through the Registrar's Office. The consequence of not officially dropping courses is a 0.0 grade.

Students should contact the instructor or teaching department if they plan to be absent any day during the first week of the quarter.

No person, other than a faculty member attending informally with the approval of the instructor, may attend a University course in which that person has not been officially registered through the Registrar's Office. An instructor may allow a student to attend his or her class only if the student's name appears on the official class list from the Registrar's Office.

3. REGISTRATION TAMPERING. A student who tampers or attempts to tamper with the registration records of another student including but not limited to dropping courses, withdrawing courses, and adding courses may be subject to disciplinary sanctions as defined in the Student Conduct Code (WAC 47B-120).

4. FULL-TIME STUDENT REQUIREMENT. To be considered a full-time student, an undergraduate must register for 12 credits and a graduate student must register for 9 credits. However, it is important to note that differing criteria and standards for full-time enrollment exist for participatory eligibility, e.g., Veterans Administration, athletic eligibility, Bureau of Indian Affairs, Vocational Rehabilitation, and various forms of financial aid. Information on full-time requirements of the Veterans Administration and the Immigration and Naturalization Service may be obtained at 460 Schmitz. Consult the Financial Aid Office for its requirement on satisfactory student progress.

5. OVERLOAD GUIDELINES. For reasons of public safety and instructional quality, course enrollment in each section will be limited to the approved classroom capacity. The Registrar's Office monitors course enrollments throughout the quarter according to the following guidelines:

a. Through the fifth class day, students may add a section without permission unless the class is full or requires permission; then an entry code is required. The Registrar's Office will accept course overloads up to 115% of classroom capacity when the student presents an entry code from either the instructor or authorized person in the department.

b. From the second through the fifth week, overload authorization signatures will be accepted up to 105% of classroom capacity.

c. Beginning the sixth week, no course registration will be accepted without co-signatures by both the instructor and the department chairperson. Registration will not be permitted if enrollment has reached 100% of classroom capacity.

6. COMPLETE WITHDRAWAL FROM THE UNIVERSITY. (dropping all courses for the quarter). It is the student's responsibility to withdraw completely if he or she is unable to attend for the quarter. Students may call STAR no later than March 27 and enter the withdrawal transaction, or write the Withdrawal Office, 264 Schmitz Hall, Mailstop PD-10, University of Washington, Seattle, Washington, 98195, or withdraw in-person in 264 Schmitz Hall.

Tuition owed will be based upon the date the complete withdrawal is transacted on STAR or received in the Withdrawal Office. No withdrawals are accepted after the last day of instruction for the quarter.

Courses dropped as part of a complete withdrawal from the University during the first two weeks of a quarter are not recorded on the student's UW transcript; however, the date of the complete withdrawal is recorded.

Continuing students who withdraw during the first week of two consecutive quarters (Summer Quarter excepted) will not be eligible to register as continuing students for the third quarter. Such students must reapply as former students returning to the University. For example, a student who withdraws during the first week of Spring Quarter and Autumn Quarter must reapply as a returning former student for Winter Quarter.

The forfeiture schedule for completely withdrawing from the University is as follows:

a. Students withdrawing before the sixth day of the quarter do not pay tuition. New and returning students forfeit their $50 enrollment service fee.

b. Students withdrawing on the sixth day through the thirtieth calendar day continue to owe one-half of their tuition.

c. Students withdrawing after the thirtieth calendar day continue to owe full tuition.

Students are required to turn in their student ID cards when they withdraw from the University and are not eligible to continue using University services or facilities after their withdrawal.

7. UNDERGRADUATE SATISFACTORY PROGRESS. Students admitted to the University to pursue baccalaureate degrees are expected to make satisfactory progress toward the attainment of that degree, and are expected to enter a major and graduate after completion of a reasonable number of credits. Refer to the *GENERAL CATALOG* for additional information.

8. STUDENT DIRECTORY INFORMATION. The University will routinely release student directory information, unless requested otherwise by the student. Directory information is defined as student's name, address, telephone number, date and place of birth, major field of studies, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous educational institution attended by the student.

9. DISCLOSURE OF STUDENT RECORDS. As a general rule the University will not release a student's education records to a third party without written consent of the student. The complete University policy on student education records and the location of such records may be found in the Washington Administrative Code under WAC 478-140. Manuals containing the Code are available at Reference Stations on campus, and at the Visitor's Information Center, 4014 University Way NE. The policy covers such items as accessibility, review and expunging of inaccurate records, and costs to be charged for copies of student records.

10. FOLLOWING RULES AND REGULATIONS. It is the University's expectation that a student will follow University rules and regulations as they are stated in the *GENERAL CATALOG*. In instances where no appeal procedure is spelled out

and the student believes that a special set of circumstances makes appeal reasonable, he or she may appeal the application of specific rules or regulations to the office of the dean of the school or college in which he or she is enrolled in the case of an academic matter, or to the Office of Student Affairs in the case of a nonacademic matter. These offices will either render a decision on the appeal or refer the student to the proper office for a decision.

11. EQUAL OPPORTUNITY. The University of Washington provides equal opportunity in education without regard to race, color, creed, religion, national origin, sex, sexual orientation, age, marital status, disability, or status as a disabled veteran or Vietnam era veteran in accordance with University of Washington policy and applicable federal and state statutes and regulations.

12. SEXUAL HARASSMENT GRIEVANCE PROCEDURE. Students, as well as members of the faculty and staff, who wish to file a complaint regarding sexual harassment may contact either of the two offices listed below:

Ombudsman for Sexual Harassment, (206) 543-0283
Human Rights Office, (206) 543-7217

Personnel in these offices will be available to discuss and provide assistance in resolving the complaint.

13. INTERNATIONAL STUDENTS must subscribe to the student insurance plan unless they are covered by another plan. Refer to the STUDENT INSURANCE section for more details.

14. DISABLED STUDENTS. Various support services, including priority registration, are available to students with disabilities. Contact the Coordinator for Disabled Student Services (DSS), 482 Schmitz, 543-8924, 543-8925 TDD, for information on equipment services, accessibility, and accommodations to meet individual needs.

Students with disabilities who require special accommodations for science labs, internships, etc., should contact the DSS Coordinator and the academic adviser of that department immediately to work out appropriate services.

The STAR Work Sheet and Instructions are available from DSS in alternate media, including tape recording, large print and braille. Students with disabilities which would limit their ability to use STAR may register through DSS or at the Sections Office, 264 Schmitz Hall.

15. THE ASSOCIATED STUDENTS OF THE UNIVERSITY OF WASHINGTON (ASUW). The Associated Students of the University of Washington is a voluntary association of students designated by the University Regents to carry out a variety of student activities. In order to vote in ASUW elections or hold ASUW office students must be members. Student's membership choice will not affect tuition payment in any way. Information about the ASUW can be obtained from the ASUW Office in, Room 204L Student Union Building.

GRADING INFORMATION RELATED TO REGISTRATION

DROP COURSE GRADES AND RESTRICTIONS

UNDERGRADUATES. Undergraduate students who drop courses receive no entry on their academic record if the drop is made during the first two weeks of the quarter, except if all courses are dropped, then a university withdrawal date is entered on the student's record.

Drops made during the third and fourth weeks of the quarter will be recorded with a "W." Refer to deadlines shown in the Student Action Guide on the following page.

After the fourth week, only a limited number of drops are permitted as determined by the number of credits earned at the University. While completing the first 44 credits at the University, a student has three drops permitted after the fourth week. Any of these three drops not used at the time 45 credits are earned are forfeited. After 45 credits have been completed at the University, the studenteams one late drop for each 45 credits earned. These may beaccumulated and used as necessary.

No drops, other than hardship withdrawals, may be made after the last day of instruction.

GRADUATE STUDENTS. Graduate students who drop courses after the first two weeks of the quarter receive a grade of "W." **No drops are permitted after the seventh week of instruction.**

HARDSHIP WITHDRAWAL. Hardship withdrawals are for dropping individual courses only. (See section on Complete Withdrawal from the University for procedure to follow for dropping all courses for the quarter)

Students may petition the Registrar for a hardship withdrawal if: (1) the student is unable to complete the course in question because of a severe mental or physical disability, or (2) unusual or extenuating circumstances beyond the student's control prevented the student from dropping the course by the drop deadline. See the *General Catalog* for complete information.

SATISFACTORY/NOT SATISFACTORY

Students may elect to take certain courses on a Satisfactory/Not Satisfactory (S/NS) basis. Advisers should be consulted, and in no case are undergraduate students allowed to register for more than one course or 6 credits on a Satisfactory/Not Satisfactory basis in a given quarter.

Students may register for the course on STAR, but they must go in person to Sections in 264 Schmitz Hall to elect the S/NS grade option. STAR will not accommodate the S/NS grade option.

For undergraduates, a course in which an "S" is earned may not be used to satisfy any department, college, or University requirement, except that the credits may be applied to the minimum of 180 credits required for graduation. Each instructor will report conventional grades to the Registrar, who will convert satisfactory grades (2.0 or greater) to "S," and unsatisfactory grades (less than 2.0) to "NS" for the student's transcript. No more than 25 S/NS credits will apply to an undergraduate degree. *S/NS must be elected during initial registration or added or dropped during the first five days of the quarter.*

Graduate students earning grades of 2.7 or above receive a grade of S (Satisfactory), while 2.6 or below are recorded as NS (Not Satisfactory). With the approval of his or her graduate program adviser or Supervisory Committee Chairperson, a graduate student may elect to take any course for which he or she is eligible outside of his or her major academic unit on an S/NS basis.

In cases of withdrawal, the W is recorded. Neither S nor NS is included in the grade-point average. N, I, and X are recorded until the instructor reports the final grade, or in cases of incompletes received by undergraduates, until the I is converted by the Registrar.

CREDIT/NO CREDIT COURSES

Some courses are offered on a credit/no credit (CR/NC) basis. It is not possible to register S/NS to take these courses, because the only grades assigned by the instructor are CR (Credit) or NC (No Credit). Neither CR nor NC is included in the grade-point average. In cases of withdrawal a W is recorded. N, I, and X are recorded until the instructor reports the final grade, or in cases of Incompletes received by undergraduates, until the I is converted by the Registrar.

AUDITORS

STAR is not available for audit registration, which must be completed in person at Sections, 264 Schmitz Hall. Registration is available during any of the registration periods. Attendance in courses as an auditor is by consent of the instructor involved and is conditioned on the space available. Permission to audit is ordinarily granted for lecture classes only. An auditor may not participate in class discussion or laboratory work, and his or her registration may be canceled at the discretion of the instructor. No entry is made on the permanent record for courses audited. To receive credit for an audited course, the student must register for the class for credit in a subsequent quarter.

Auditors, except ACCESS program students, pay standard tuition and fees and must be regularly admitted and registered in the course. Although credits for audited courses will not be listed on the schedule of classes, they will be included in the billing on the fee statement. Such credits count in the calculation of fees.

INCOMPLETE GRADE

Incomplete grades may only be awarded if the student is doing satisfactory work up until the last two weeks of the quarter. Undergraduate students **must not reregister for courses in which they have received an Incomplete,** since a grade earned in a repeat course will not be recorded as an incomplete conversion grade. See the *General Catalog* on Incomplete conversion deadlines.

GRADE APPEAL PROCEDURE

See the *General Catalog*, page 25, for appeal procedure.

SPRING QUARTER 1989 STUDENT ACTION GUIDE

REGISTRATION

February 2-March 3.....Registration Period I.
March 7.....Registration Confirmations and ID Cards mailed for registrations to date.
March 6-23.....Registration Period II.
March 22,23.....Registration for Nonmatriculated, Faculty/Staff Tuition Exempt, and Access Students.
March 23.....STAR closes at 6 p.m. for preparation of Instructor's Class List and remains closed March 24.
March 27-31.....Registration Period III.
March 31.....Last day entry codes are valid.
April 3-June 2.....Exception Period.
May 1.....Autumn Quarter *Time Schedules* available.
May 4.....Autumn Quarter Registration Begins.

ADDING/DROPPING COURSES OR UNIVERSITY WITHDRAWAL

March 31.....Last day for official complete withdrawal from the University without owing tuition or fee.

March 31.....Last day to add a course without instructor's permission.

March 31.....Last day to add or drop a course without being assessed a $20 change fees.

March 31.....Last day for graduate students to apply for on-leave status.

March 31.....Last day to make change to or from S/NS grade option.

April 3-25.....One-half tuition due if officially completely withdrawing from the University.

April 7.....Last day to drop a course without entry on transcript. (W is assigned beginning April 10)

April 21.....Last day for undergraduate, postbaccalaureate (fifth-year), and nonmatriculated students to drop a course, except for peremptory drops and hardship withdrawal.

April 26-June 2.....Full tuition due if officially completely withdrawing from the University.

May 12.....Last day for graduate students to drop a course.

June 2.....Last day to officially completely withdraw from the University (drop all classes).

TUITION PAYMENTS

March 27.....Tuition statements mailed to all registered students.

April 14.....Tuition payment deadline for all registered students.

April 17-21.....Late-payment period (requires a late-payment fee).

April 25.....Thirtieth calendar day (see *Tuition Forfeitures or Refunds* section).

APPLICATION DEADLINES

April 7.....Last day to return approved applications for credit by examination to 248 Schmitz.

April 11.....Applications for Arts and Sciences baccalaureate degrees for Spring Quarter 1989 must be submitted to B10 Padelford.

April 14.....Applications for baccalaureate degrees and certificates (all schools and colleges) to be conferred Spring Quarter 1989 must be submitted to Graduation Office, 207 Schmitz.

Fifth week of quarter.....Credit by examination (students must make arrangements with the Educational Assessment Center, 543-1170).

April 26.....Last day to hand-deliver an application for resident status for Spring Quarter 1989 to Residence Classification Office, 209 Schmitz. Applications that are mailed must be postmarked April 26.

GRADES

June 15.....Grades for Spring Quarter 1989 mailed to students.

TUITION/BILLING INFORMATION AND STUDENT INSURANCE

QUARTERLY TUITION RATE SCHEDULE
Autumn 1988, Winter 1989, Spring 1989

UNDERGRADUATE (Including nonmatriculated and fifth-year)	*Resident*	*Nonresident*
–ADDITIONAL FEE PER CREDIT FOR MORE THAN 18 CREDITS	$ 53	$ 160
–FULL TIME (More than 9 through 18 credits)	599	1,666
–PART TIME		
9 credits	539	1,499
8 credits	479	1,332
7 credits	419	1,165
6 credits	359	998

9 credits	973	2,464
8 credits	865	2,190
7 credits	757	1,916
6 credits	649	1,642
5 credits	541	1,368
4 credits	433	1,094
3 credits	325	820
2 credits (minimum)	217	546

*Does not apply to first year professional law students.

(Subject to change without notice)

Special Course and Laboratory Fees

The amounts charged for tuition and fees normally cover University charges for course registration. Some courses, however, have extraordinary expenses associated with them and in such cases the University may charge additional fees in amounts approximating the added instructional or laboratory costs.

TUITION FORFEITURES OR REFUNDS

Students will be billed for the number of credits, including audit hours, on their programs at the beginning of the quarter. Only partial tuition reductions will result for courses dropped after the first week of the quarter.

Students dropping courses after the first seven calendar days of the quarter and through the thirtieth calendar day of the quarter will be expected to pay one-half of the tuition associated with that course.

Courses dropped after the thirtieth calendar day receive no refund.

The effect of tuition forfeitures on the over-18-credit surcharge is as follows: forfeitures for courses dropped that exceeded 18 credits are charged the same as above. Also, if a student drops a course after the thirtieth calendar day and adds another, total credit charges will include credits that are added with no reduction for credits dropped.

Course drops become effective the date received and processed on STAR, in the Sections Office-264 Schmitz, or through the Department Registration Screen used in academic departments.

TUITION PAYMENT GUIDELINES

1. It is the student's responsibility to see that tuition is paid in full by the tuition due date (third Friday of each quarter). Bills are sent at the beginning of each quarter to facilitate payment. However, failure to receive a tuition bill does not nullify the student's responsibility for payment by the due date.

2. You should indicate selection of your permanent or local address on STAR for fee statement mailing. If you have not received a fee statement by the end of the second week of the quarter, contact the Student Accounts and Scholarships Office for the amount of tuition due.

3. You may pay your fees in person in the Student Accounts and Scholarships Office or mail them to UW, Student Accounts and Scholarships Office, 129 Schmitz, PE-10, Seattle, WA 98195, before the tuition due date. Fees must be paid by Friday of the third week of the quarter. Payments postmarked on or before the due date are accepted without a late fee. Metered mail received after the due date is subject to penalties as described in #4 below.

4. If you fail to pay by the deadline you may continue to pay your tuition the week following the due date, plus a late fee as follows:

Past Due Balance	Late Fee
Over $100	$30
$30-$100	$10
Less than $30	$ 0

If payment has not been received in the Student Accounts and Scholarships Office by this time, your registration will be cancelled. Students permitted to reregister after cancellation for nonpayment will be charged a $75 fee, in addition to their tuition.

5. If you reregister, you must reregister for all classes on your schedule at the time of registration cancellation. (Fees will include appropriate charges for classes dropped during the forfeiture period.) No reregistration will be possible after the last day of instruction. *Please note: Even if your registration is cancelled you will continue to owe one-half of your tuition.*

6. Credit cards and credit card checks are not accepted.

7. Tuition and fees not paid by the end of the academic quarter will be subject to an interest charge of 1% per month, or fraction of a month, (12% A.P.R.), beginning with the month following the end of the quarter.

APPLICATION OF PAYMENTS TO A STUDENTS ACCOUNT

As a rule, payments received for a student's account are applied to charges in order of their due dates. For charges with the same due date, payments are applied first to tuition and related University fees and then to other charges on the account. A payment may be applied to a specific charge by contacting the Student Accounts Office at 129 Schmitz Hall. Financial aid from Federal Title IV programs is applied only to required tuition and fees and to loan and aid repayment obligations. the University may not apply such aid to pay insurance and some other optional charges.

STUDENT INSURANCE

The University offers a voluntary accident and sickness insurance plan to supplement the services available at the Hall Health Center. UW students, except those enrolled in programs administered by UW Extension and UW employees attending classes under the employee tuition exemption program, who remain registered through at least the first six days of instruction in the quarter are eligible to enroll in the plan.

Students may sign up for the plan when they register for classes. If students are registered for classes by their academic departments, and no plan is indicated, they will be enrolled in the student only quarterly plan. The insurance premium will be included on the quarterly tuition statements and must be paid by the quarterly tuition-due date. In most cases Financial Aid will not pay insurance directly so students must make sure the premium is paid on time. There is no late payment period for the insurance premium.

If students are billed for student insurance and wish to add, cancel, or change coverage, complete the appropriate section on the remittance advice copy of the billing statement and pay the revised amount, or they may pay in person at the Student Accounts and Scholarships Office by the tuition-due date.

International students must subscribe to the student insurance plan unless they are covered by another plan. Proof of other coverage must be submitted to the International Services Office and a waiver obtained each Autumn Quarter (or upon initial admission if other than Autumn Quarter) because waivers are valid only through Summer Quarter each year. Students holding insurance policies that expire during the academic year are responsible for obtaining new waivers, as necessary.

Brochures describing the plan in more detail are available at the Hall Health Center, the HUB, and the 2nd floor Information Window in Schmitz Hall. Plan benefits may change each academic year, so students are encouraged to review the brochure carefully.

WASHINGTON STUDENT LOBBY (WSL)

The Washington Student Lobby (WSL) is a voluntary, independent organization of university students whose purpose is to influence the Washington State Legislature and others on higher education matters of special interest to students. Students may choose to support the WSL by contributing $1.00 each quarter. Support for the WSL may be indicated during registration and the voluntary contribution will be included on the tuition billing statement for payment with tuition.

WASHINGTON PUBLIC INTEREST RESEARCH GROUP (WASHPIRG)

The Washington Public Interest Research Group (WashPIRG) is a student-directed, non-profit and non-partisan research organization. Students may choose to support WashPIRG by contributing $2.00 each quarter. Support for WashPIRG may be indicated during registration and the voluntary contribution will be included on the tuition billing statement for payment with tuition.

Spring Quarter 1989 Examination Schedule

The last day of instruction is Friday, June 2.

Hour and day on which examination occurs, by days of class meeting in the week.					
Lecture session actually meets during quarter	Meeting four times a week, or daily	MWF; MT; MW; MF; WF; MWTh; MTh	TTh; T; Th; TThF; MTTh; TW; TF; TWTh	M; W; F; S Meeting once a week	Day of examination

4:30 p.m.	2:30-4:20p.m.	2:30-4:20p.m.	4:30-6:20p.m.	6:30-8:20p.m.	Friday June 9
EVENING CLASSES (5:30 or thereafter)	8-10 p.m. Thursday June 8	8-10 p.m. Monday June 5	8-10 p.m. Tuesday June 6	8-10 p.m. Wednesday June 7	
Makeups Incomplete Removals Conflicts	When mutually agreeable to faculty members and students concerned, provided scheduled no later then Friday June 9				

Final examinations should be administered in accordance with the above examination schedule.

The dean may permit an instructor to change the time of a final examination upon prior application demonstrating good cause for such change. In such cases, the following guidelines shall be observed:

1. With the dean's permission, the final examination may be postponed or moved to an earlier time within the examination period if agreed to by all students and the instructor. Before approving the rescheduling of a final examination, the dean shall obtain assurances that the change will not have an undue adverse impact on the students. The dean shall notify the Registrar of the approval granted for the date of a final examination.

2. An instructor shall not, except in very unusual circumstances, grant permission to individual students for an early examination. If the student is unable to take an examination on the scheduled date, the procedure outlined in the following paragraph should be followed.

3. A student absent from any examination through sickness or other cause, judged by the instructor to be unavoidable, shall be given an opportunity to take a rescheduled examination or perform work judged by the instructor to be the equivalent.

If the instructor determines that neither alternative is feasible during the current quarter, the instructor may exempt the student from the requirement. Examples of unavoidable cause include death or serious illness in the immediate family, illness of the student, and, provided previous notification is given, observance of regularly scheduled religious obligations.

4. Classes that meet on the hour use the first full hour of instruction to determine the time of examination. For example, a class that meets at 10 a.m. uses the 10:30 a.m. examination time.

5. Classes that begin on the half hour and last longer than one hour use the actual starting time to determine the examination time. For example, a class that meets at 7:30 a..m. and continues until 9:00 a.m. would use the 7:30 a.m. time.

6. Classes in which the entire class meets at the same hour every day, in the same room, may use that room at 8:30 a.m. or 2:30 p.m. for a three-hour examination. All other examinations are limited to one hour and fifty minutes unless other arrangements are made with Room Assignments.

7. If an examinations is held at a time other than the above schedule indicates, instructors must check with Room Assignments to make sure the room is available.

Questions concerning the examination schedule should be directed to Room Assignments, 543-1080.

NEW COURSES FOR SPRING QUARTER 1989

The following list includes new courses that will be offered Spring Quarter 1989, which were added to the University curriculum after publication of the *1988-90 General Catalog.* consult the appropriate academic department for information on courses not listed below.

COLLEGE OF ARCHITECTURE AND URBAN PLANNING

ARCHITECTURE

ARCH 418 WATERCOLOR DRAWING (3)
Principles and practice of using transparent watercolor for the naturalistic representation of objects, people, and interior and exterior space.

COLLEGE OF ARTS AND SCIENCES

AMERICAN ETHNIC STUDIES

AES 150 INTRODUCTORY HISTORY OF AMERICAN ETHNIC GROUPS (5)
Survey of the history of African Americans, Asian Americans, Chicanos, and Native Americans in the United States.

Asian American Studies

AAS 375 THE UNITED STATES SUPREME COURT AND ASIAN AMERICA (5)
Covers relevant decisions of the United States Supreme Court related to Asian Americans, examines the effects of these decisions on that ethnic group. Includes evolving notions of equal protection, due process, and relevant statutes such as the 1964 Civil Rights Act. Prerequisites: 205,206,370

Chicano Studies

CHSTU 260 INTRODUCTION TO CHICANO POLITICS (5)
Surveys the political position and activities of Mexican American people in the United States from two perspectives: (1) Chicanos as objects of the political process of United States life; (2) contributions of the Chicano people to United States politics.

AMERICAN INDIAN STUDIES

AIS 115 AMERICAN INDIAN LANGUAGE: NAVAJO (5)
Conversation, reading, and writing in Navajo. Oral literature and other aspects of Navajo culture integrated into language study.

ART

Art History

ART H 321 ARTS OF JAPAN (5)
The spectrum of Japanese art from prehistory to modern times. Examines the interrelationship of the major media for each historical period. Central theme: the appreciation of the varied aesthetics active in the development of Japanese painting, architecture, sculpture, and ceramics.

BIOLOGY

BIOL 107 INTRODUCTORY BIOLOGY (5)
Fundamentals of living systems with emphasis on how, why, what we know. Cellular and molecular biology studied through concern for human health ecology, including AIDS as a virus, DNA, self-assembly, and self-reproduction. Why molecules are important. The environment - principles of populations and communities, interrelationships of organisms in communities, distribution of organisms. (Last quarter offered: Sp 89.)

CHEMISTRY

CHEM 352 PHYSICAL CHEMISTRY FOR BIOLOGISTS (4)
General equilibrium thermodynamics and aspects of the theory transport properties, reaction kinetics, and electrochemical phenomena of particular relevance in the biological sciences. Prerequisites: introductory courses in chemistry and differential calculus.

COMPUTER SCIENCE

C SCI 523 COMPUTATIONAL GEOMETRY (3)
Algorithms for discrete computational geometry. Geometric computation, range searching, convex hulls, proximity, Vornoi diagrams, intersection. Application areas include VLSI design and computer graphics. Prerequisite: 521; recommended: 457 or equivalent.

ECONOMICS

ECON 508 MICROECONOMIC ANALYSIS III (4)
The role of time and uncertainty in microeconomic analysis. Prerequisites: 500,501.

GEOGRAPHY

GEOG 360 PRINCIPLES OF CARTOGRAPHY (5)
Origins, development, and methods of cartography. Principles of data representation and map design for thematic and topographic mapping. Introduction to the use of computers for mapping.

GEOG 520 GEOGRAPHIC INFORMATION REPRESENTATION (3)
Current issues in geographic information representation for cartography and geographic information systems. Includes representations for visualization and databases. Prerequisites: 460 or 465 or equivalent and concurrent registration in 529 or 565 or permission of instructor.

HISTORY

HST 123 THE MODERN WORLD: SPECIAL PROBLEMS (5)
Historians today exploit the techniques and insights of other disciplines (sociology, economics, psychology) to enrich their own understanding of the past. Using the history of the modern world as a data base, the contributions to the study of history made by other disciplines are examined.

History of the Americas

HSTAA 365 THE HISTORY OF AMERICAN FILM (5)
American films and film-making technology; the film industry and its financing and marketing strategies. Cultural, social, political, and economic impact of films upon American society. (Last quarter offered: Sp 89.)

INTERNATIONAL STUDIES

SIS 522 SPECIAL TOPICS IN ETHNICITY AND NATIONALISM (3, MAX. 6)
Topics vary, but always focus on ethnic group relations and nationalism viewed from a broad, comparative, interdisciplinary perspective. Emphasis is heavily cross-cultural, and the geographical coverage world-wide.

Comparative Religion

RELIG 310 SCRIPTURE IN JUDAISM (5)
Explores the phenomenon of religious interpretation of sacred books by attending to the destiny of the Bible as read within Judaism. Begins with the canonization of the biblical text itself and continues into the rationalist and mystical interpretive innovations of the Middle Ages. Recommended: 201, 210 and/or SISJE 250.

Vietnamese

VIET 113 FIRST-YEAR VIETNAMESE (5)
Introduction to modern Vietnamese conversation and grammar. Emphasis on correct pronunciation and basic structure.

VIET 213 SECOND-YEAR VIETNAMESE (5)
Continuation of 112. Review of Vietnamese grammar, development of conversational skills (listening and speaking), reading literary and cultural materials, writing compositions. Prerequisite: 113 or permission of instructor.

MATHEMATICS

MATH 307,308,309 LINEAR ANALYSIS I,II,III (3,3,3)
Ordinary differential equations, Laplace transform, series solutions, systems of linear equations, vector space R^n, systems of linear differential equations, stability, partial differential equations, Fourier series, orthogonal bases, projections, inner products. Prerequisites: 126 for 307, 307 for 308, 308 for 309.

MUSIC

Music

MUSIC 464 JAZZ LABORATORY (1, MAX. 9)
Forum for testing new technical skills, improvisational techniques, and jazz compositions and/or arrangements in a formal laboratory setting. Prerequisite: concurrent registration in MUSAP 400 or higher, or permission of instructor.

MUSIC 529 AURAL ANALYSIS (3)
Formal structural and stylistic analysis of music based on the aural rather than the printed form of music. Develops and uses a vocabulary of stylistic features for identification of musical examples, which are drawn from various parts of the world.

Music Applied

MUSAP 319,369,419,469 PRIVATE INSTRUCTION: VIOLA DA GAMBA (2-3, MAX. 9; 2-3, MAX. 9; 2-3, MAX. 9; 3, MAX. 18)

SCHOOL OF DENTISTRY

ORAL MEDICINE

ORALM 584 DENTAL CARE OF THE DISABLED (DECOD) III (*, MAX. 10)
Field practice in community outreach to facilities and agencies serving disabled populations. Includes observation, dental screenings, patient education and in-service training of direct care staff. Prerequisite: 404 or 664.

ORALM 664 DENTAL CARE OF THE DISABLED (DECOD) II (*, MAX. 10)
Practicum in chair/bedside delivery of dental care to different disabled populations. Includes rotations to institutions, long-term care facilities, and homebound service, using mobile equipment. Prerequisites: 564 and permission of instructor.

COLLEGE OF EDUCATION

INDEPENDENT STUDY, RESEARCH, AND FIELD EXPERIENCE

EDUC 553 SEMINAR IN STUDENT INQUIRY (2)
Presenting and discussing inquiry projects in which doctoral students are involved. Students, working alone or in collaboration with faculty and other students, present proposals and/or descriptions of their own inquiries and the results thereof. Student participants take leadership in determining the agenda of the seminar. Prerequisites: 552 and doctoral student status.

COLLEGE OF ENGINEERING

CIVIL ENGINEERING

Transportation, Surveying, and Construction Engineering

CETS 418 CONSTRUCTION SURVEY CONTROL (3)
Surveying specifications, instrumentation and calibration, infrastructure design and layout considerations; curves, sewer, building and slope taking. Project control and monitoring. As built surveys, Prerequisites: CIVE 306, 316 or equivalent or permission of instructor.

ELECTRICAL ENGINEERING

E E 465 FIBER OPTICS, DEVICES, AND APPLICATIONS (4)
Wave propagation in optical waveguidling structures, signal distortion, coupling of modes, modulation, sources and detectors, fabrication and measurement methods, communication and sensor systems. Prerequisite: 381; recommended: 383.

MATERIALS SCIENCE ENGINEERING

MSE 433 POLYMERIC MATERIALS (3)
Relationship between configuration, conformation, molecular ordering, microstructure and properties of polymeric materials. Application of materials characterization and processing techniques to polymers. Tailoring polymer molecules and microstructures for high-technology applications. Liquid crystalline polymers. Interaction between polymers and their in-service environment. Prerequisites: 315, 322.

MSE 700 MASTER'S THESIS (*)

COLLEGE OF FOREST RESOURCES

FOREST PRODUCTS AND ENGINEERING

FPE 526 ADVANCED SNOW HYDROLOGY (3)
Advanced treatment of snow from formation to melt as it relates to the hydrologic response of watersheds. Measurement of properties, energy and mass balances, effects of vegetation manipulation on accumulation and melt. Graduate focus on modeling some aspect of snow accumulation and/or melt. (Offered odd-numbered years.)

FPE 527 ADVANCED HILLSLOPE STABILITY (3)
Advanced exposure to the effects of land management, especially forest land management, on slope stability. Forest harvesting, road construction, and species conversion. Graduate focus on modeling slope stability in space and time.

FPE 535 ADVANCED SOIL PHYSICS (4)
Advanced exposure to physical properties of soil and water. Thermodynamic properties of soil-water mixtures and osmotic effects. Darcy's law and application to the movement of the water table. Focuses on an area of soil physics of interest to the student.

FOREST RESOURCE MANAGEMENT

FRM 511 ADVANCED SOIL MICROBIOLOGY AND PATHOLOGY (5)
Soil and pathogenic organisms in forest ecosystems, decomposition, mycorrhizae, nutrient cycling, N transformations, nonbiological diseases - air pollution, weather, biological diseases - root, stem, foliage, nursery and decline diseases, wilts, modeling, disease control. Prerequisites: general biology, microbiology, basic soils , or permission of instructor.

INTERDISCIPLINARY GRADUATE DEGREE PROGRAMS

NUTRITIONAL SCIENCES

NUTR 550 NUTRITION, METABOLISM AND DISEASE: UPDATE (3)
Update of recent developments in the field of nutrition, especially as related to human health maintenance and disease prevention. Focus placed on topics receiving active research attention or substantial public attention. Intended for graduate students in fields related to health/disease. Prerequisites: basic chemistry and biology

SCHOOL OF MEDICINE

BIOLOGICAL STRUCTURE

B STR 519 CURRENT PROBLEMS IN MACROMOLECULAR STRUCTURE (2, MAX. 10)
Discussion of macromolecular structures related to specific areas of biological research. Emphasis on relevant research papers and use of computer graphics to visualize the molecular structures. (Offered alternate years.)

B STR 556 TOPICS IN DEVELOPMENTAL AND SYSTEMIC CELL BIOLOGY (3)
Recent advances in molecular and developmental aspects of cell biology; emphasis on specific organ systems. Differentiation of lymphocytes, germ cells, muscle, epidermis; cell biology of lens, vessel wall, visual cortex; computer modeling; cell-cell and cell-matrix interactions. Prerequisites: undergraduate biochemistry and/or molecular biology, general cell biology; or permission of instructor.

CONJOINT

CONJ 590 AUTORADIOGRAPHY IN MOLECULAR BIOLOGY (2)
The application of autoradiographic methods to detect and quantify molecular probes in cells and tissues. Emphasis on current research literature and computer analysis.

COLLEGE OF OCEAN AND FISHERY SCIENCES

FISHERIES

FISH 498 INTERNSHIP/EXPERIENTIAL LEARNING (1-9, MAX. 9)
Structured, practical training in the fishing industry, government agencies and other areas utilizing fisheries, food science, ore quantitative science expertise. Experiences are supervised and evaluated. Written reports required. Prerequisite: permission of faculty advisor.

SCHOOL OF PHARMACY

PHARMACY PRACTICE

PHARM 469 DRUG INFORMATION SOURCES (2)
Introduction/evaluation of printed/computerized information sources, important to pharmacists. Emphasis on systematic methods of information retrieval, evaluation, and dissemination. Written and verbal communication skills for pharmacists stressed; current topics concerning ethical and liability issues and adverse drug reaction attribution covered. Prerequisite: pharmacy major.

SCHOOL OF PUBLIC HEALTH AND COMMUNITY MEDICINE

HEALTH SERVICES

HSERV 510 THEORY AND METHOD IN SOCIAL AND BEHAVIORAL SCIENCES: POVERTY AND HEALTH (3/4)
Major concepts and methods of social sciences applied to research and practice of public health. Substantive focus on effects of poverty on health status. Methodologic focus on survey research methods and analysis. Prerequisites: 511 or 512-513; BIOST 511 or equivalent; EPI 511 or equivalent or permission of instructor.

W COURSES OFFERED SPRING QUARTER 1989

Students who plan to take majors in the College of Arts and Sciences and who started college Autumn Quarter 1983, or later, must complete 10 credits of courses designated *"W"*. *W* courses are not English composition courses but, rather, are courses in which a substantial amount of writing is required. Almost any department can offer *W* courses. The following courses being taught SPRING Quarter 1989 have been designed as *W* courses.

ANTH	425	A	ENGL	200	A,B ,C, D, E, F, G, H, I, U	HSTAM	401	A	SISEA	451	A

COLLEGE STUDIES COURSES OFFERED SPRING QUARTER 1989

Students in the College of Arts and Sciences who elect to fulfill their education requirement through College Studies must complete three sequences of 15 credits in Natural Science, Social Science, and Humanities/Fine Arts from the College Studies list. The Following courses taught in Spring Quarter 1989 belong to various College Studies sequences.

ART	332	A	ENGL	346	A	PHIL	342	A	POL S	270	A

SPORTS SKILLS CLASSES OFFERED SPRING QUARTER 1989

Instruction in a variety of sports is available through the Department of Recreational Sports Programs at the Intramural Activities Building (IMA) on a non-credit basis. Class time schedules will be available at the IMA after February 1, 1989.

The following is a list of classes and registration fees. Contact the Sports Skills Office at 543-2571 for more information.

CLASS	Fee	Level
ADV. LIFESAVING	$20	
AEROBICS	$18,24,26,32	All
ARCHERY	$10	Beg.
BADMINTON	$10	Beg./Int.
CONDITIONING	$10,14	All
DANCE: BALLET/JAZZ	$40	Beg./Int.
FENCING: FOIL, SABRE	$18	Beg./Int.
GOLF (registration at golf range)	$15,24	Beg, Adv-Beg.
GYMNASTICS	$20	Beg./Int.
HYDRO-AEROBICS	$18,26	All
JUDO	$18	Beg.
KARATE	$18	Beg.
KAYAKING	$25	Beg.

CLASS	Fee	Level
PICKLEBALL	$8	Beg./Int.
RACQUETBALL	$14	Beg./Int.
ROLLERSKATING	$12	Beg./Int.
SKIN AND SCUBA	$140	Beg.
SOCCER	$12	All
SPRINGBOARD DIVING	$12	Beg.
SQUASH	$14	Beg./Int.
SWIMMING	$12	Beg./Int.
TAE KWON DO	$18	Beg.
TENNIS	$14	Beg./Int.
VOLLEYBALL	$10	All
WEIGHT TRAINING	$10,14	Beg, Adv-Beg.
YOGA	$18	Beg

ELIGIBILITY FOR CLASSES:
Spring Quarter Students. Faculty/Staff who have purchased an IMA Facility Use Card.

REGISTRATION:
In person registration (only) is April 3, 4, and 5, 1989 from 7:45AM to 6:00PM at the Intramural Activities Building (IMA), Meeting Room A. Bring your Spring Quarter Student ID Card or IMA Facility Use Card (Faculty/Staff) and pay when you register. Register throughout the quarter at the Golf Range for all golf classes, 543-8759.

LEARNING THROUGH CORRESPONDENCE

Distance Learning offers independent study by correspondence courses. These courses are self-paced, students complete the required assignments and examinations on their own schedule. The minimum completion time is two months. You can enroll for a course at any time (not just at the beginning of a quarter) and have up to a year from that date to finish the coursework.

A regularly-enrolled UW student who wishes to register for additional courses through Distance Learning should consult with a departmental advisor to verify applicability to his/her academic program. Fees for Distance Learning courses are separate from residence tuition and are $40 per credit.

Applications and additional information on enrollment procedures may be obtained form the Distance Learning office, 5001 25th N.E., or by telephoning (206) 543-2350.

The following courses are currently offered by Distance Learning (credits in parentheses)

College of Arts and Sciences

AMERICAN INDIAN STUDIES

W Courses Meets University of Washington W Course Requirement

GUIDE TO COURSE LISTINGS

The information published in the *Time Schedule* is subject to change. The instructor for a particular course may be changed, or the instructor may use assistants in teaching the course and courses may not meet each day listed. Additionally, courses listed in this publication may be canceled in the event of insufficient enrollment.

Course, term, and section information is listed in the following columnar order:

Department
Entry code required symbol (>), if appropriate
Schedule line number
Honors (H), or New Course (%), as appropriate
Writing Course meeting University requirement (W)
(B), means both honors and writing
Course number
Section designation
Section type--laboratory, quiz, or conference
Credits--listed with lecture section only; slash (/) means *or* ; 2.5 means *2 1/2 credits*; hyphen (-) means *to*; VAR means *variable credit* and any number of credits may be elected (however, fractional credit registration—e.g., 1/2 credit—cannot be processed for variable credit courses where the credit may vary from student to student in a single quarter)
Course title
Day(s) of meeting (ARR means "to be arranged")
Time of meeting
CR/NC ONLY means course offered for credit/no credit grading only
Remarks
Term designation--if *a* or *b* term
Classes taught in the same classroom at the same time--students register and receive credit for one course only (example: ARAB 312 with ARAB 472)
Place of meeting (** means "to be arranged")
Name of instructor

GUIDE TO CLASSROOM LOCATIONS

The three letter abbreviation is spoken on STAR and accompanied by the classroom number when the list schedule transaction (L#) is performed. The classroom abbreviation is also printed with the classroom number on your printed Registration Confirmation.

WORK FOR YOURSELF

As a campus rep you'll be responsible for placing advertising materials on bulletin boards and working on marketing programs for clients such as American Express, Ford, Boston University and campus recruiters. Part-time work; choose your own hours. No sales. Many of our reps stay with us long after graduation. If you are self-motivated and a bit of an entrepreneur, call or send the coupon below for more information to:

			* ***NOTE: THE 200/300 LEVEL MATH COURSES ARE REVISED				
			DURING 1988/1989. CHANGES FOR SPRING 1989: (1) STUDENTS				
			* PLANNING TO TAKE MATH 238 (DIFFERENTIAL EQUATIONS)				
			IN SPRING 1989 MUST REGISTER FOR MATH 307 (LINEAR ANALYSIS I)				
			* INSTEAD: (2) STUDENTS PLANNING TO TAKE MATH 302 (LINEAR ALGEBRA)				
			IN SPRING 1989 MUST REGISTER FOR MATH 308 (LINEAR ANALYSIS II)				
			* INSTEAD: (3) STUDENTS HAVING TAKEN MATH 238 BUT NO				
			LINEAR ALGEBRA PRIOR TO SPRING 1989 ARE ADVISED TO TAKE				
			* MATH 308 (LINEAR ANALYSIS II); (4) STUDENTS HAVING				
			TAKEN EITHER MATH 238 AND MATH 302 OR MATH 238 AND				
			* MATH 205 PRIOR TO SPRING 1989 ARE ADVISED TO TAKE MATH				
			309 (LINEAR ANALYSIS III) IN SPRING 1989; (5) STUDENTS				
			* HAVING TAKEN MATH 126 AND PLANNING TO TAKE MATH 327 MUST				
			REGISTER FOR MATH 328 (ADVANCED CLACULUS) INSTEAD IN				
			* SPRING 1989; THE REMAINING 200/300 COURSES ARE NOT				
			AFFECTED IN SPRING 1989.
