The listing of courses contained in this Time Schedule is a preliminary list provided for planning purposes. The University reserves the right to (1) add or delete courses from its offerings, (2) change times, days, or locations of courses, (3) change academic calendars, or (4) cancel any courses for insufficient registration or academic/administrative decision without notice. All announcements in the Time Schedule are subject to change without notice and do not constitute an agreement between the University of Washington and the students.

E-MAIL SERVICES

The Office of the Registrar plans to use your E-Mail address to contact you. The staff can locate your e-mail address when you have an e-mail account on an Universal Access Computer. If you have an account on a departmental computer, you may also set up an account on an Universal Access Computer. If you do not have an account, you will be contacted by regular mail. We plan to gradually extend this service to respond to applications, petitions, and inquiries.

If you need an answer to a specific question that concerns the Office of the Registrar, please send us an e-mail message to "registrar@u.washington.edu" and the staff will respond to you directly.

PLANNING TO PARTICIPATE IN COMMENCEMENT?

Commencement is scheduled for Saturday, June 10. Graduation applications for all baccalaureate degrees to be conferred for Spring Quarter 1995 and for Summer Quarter applicants who wish to participate in commencement must be submitted to the Graduation and Academic Records Office, 264 Schmitz Hall no later than April 14. Applicants will receive a packet of information concerning the ceremonies from the Office of Public Exercises.

GSP REGISTRATION EXPANDED TO SUMMER QUARTER

Graduating seniors may now use Graduating Senior Priority registration for Summer Quarter registration. May 1 and 2 have been designated as GSP registration priority days. The same priority days are available to graduate and professional students. Summer quarter will continue to be a "free" quarter and will not count as one of the two GSP quarters available. All students who are not eligible to participate in GSP registration can register for Summer Quarter starting May 3, 1995

The University of Washington Student Conduct Code obligates students to:

- Maintain high standards of academic and professional honesty and integrity;
- Respect the rights, privileges and property of other members of the academic community and visitors to the campus, refraining from actions which would interfere with the University functions or endanger the health, safety, or welfare of other persons; and
- Comply with the rules and regulations of the University and its schools, colleges and departments.

Violations of these standards may result in a variety of disciplinary actions, including suspension or permanent dismissal from the University.

Copies of the Code may be obtained from 476 Schmitz Hall.

STAR Registration

STAR

STAR (Student Telephone Assisted Registration) is the University of Washington's touch-tone telephone registration system. You may call STAR from any touch-tone phone to register. Touch-tone phones are conveniently located in the Registration lobby, 225 Schmitz Hall, the T-Wing lobby in Health Sciences, 9 Communications, and the ground floor level of the HUB.

STAR is available all weekdays and most holidays and weekends. Weekend hours not specifically scheduled are not guaranteed and may be subject to equipment and software maintenance requirements. STAR weekend hours are 9:00 a.m. to 12:00 midnight. Weekday hours are 6:00 a.m. to 12:00 midnight.

STAR FEATURES

ADDING COURSES

Courses may be added during Periods I, II, and III. An add code is required to add a course and a \$20 change fee is charged beginning April 3. This is in addition to any tuition. Always check your balance after adding a course. See Changes in Registration for additional information on adding courses. Friday, April 7, at 6:00 p.m. is the last day to add a course for Spring Quarter 1995.

ADD CODES

Some courses require Add Codes or Faculty Numbers which are available through the department offering the course. See ENTRY CODES for more information on using Add Codes.

DROPPING COURSES

Courses may be dropped during Periods I, II, III and IV. You may drop courses through April 9 and receive no entry on your transcript. Beginning April 3, a \$20 change fee is charged to drop a course. This is in addition to any tuition forfeiture. Always check your balance after dropping a course. See Changes in Registration for additional information on dropping courses. Sunday, May 14, is the last day to drop a course for Spring Quarter 1995.

DROP CODES

Some courses require drop codes which are available through the department offering the course. See ENTRY CODES for more information on using drop codes.

COURSE AVAILABILITY

Beginning Period I, you may call STAR at any time to complete section II of the Star Worksheet and check course availability.

ALTERNATE SECTIONS

STAR lists alternative sections if the requested sections are closed or canceled.

CONFIRMED REGISTRATION

You may confirm your registration schedule by calling STAR and using the List Schedule Transaction (L#). This listing includes building and classroom locations.

STUDENT ACCOUNT AND LOAN STATUS

Call STAR to: list your current student account balance; list a summary of disbursed financial aid and

aid check availability; determine if outside lender loan funds are available; and list the latest recorded student account payment. Review the STAR Work Sheet for the transaction codes.

GRADES ON STAR

STAR lists all officially recorded grades for the most recently completed quarter. Spring Quarter 1995 grades become available on STAR beginning June 14.

CHANGING YOUR INSURANCE PLAN AND OPTIONAL CHARGES

If you wish to change your insurance plan or optional charges for WashPIRG and WSL after your initial selection, you may do so on STAR by the tuition due date. Please refer to the STAR Worksheet in this Time Schedule for instructions.

PRIVATE ACCESS CODE (PAC)

The first time you ever call STAR, enter your date of birth when STAR asks you to enter a Private Access Code. STAR will then prompt you to select a Private Access Code or PAC of 4 to 6 digits that you can easily remember. Enter the PAC you select when prompted by STAR. You will then use your PAC for all future calls to STAR. If you wish to change your PAC, you may do so at any time using transaction code 9. Please refer to the STAR Worksheet in this Time Schedule for instructions. If you forget your PAC, you will need to contact the Registration Office, 225 Schmitz Hall or call 543-8580 to obtain your code or select a new PAC.

IF YOU MAKE A MISTAKE

If you make a mistake before finishing an entry, press the star key and the number sign key (*#), and your entry will be discarded.

MERLIN TELEPHONE

If you are using an AT&T Merlin telephone to call STAR, press the # sign key twice to send transactions.

TIME AND CALL LIMITS WHEN CALLING STAR

Time limits are built into the system, so if you are holding on the STAR line for an extended period of time, you will be disconnected. Error limits are also a part of the STAR system, so if you do not enter the correct information after the second try, STAR will disconnect. If you are disconnected you may immediately call back to STAR. You may call STAR up to 100 times a day. No transactions will be permitted when your calls exceed 100 on that day.

CLOSED COURSE SECTIONS

If the section requested is closed, you will be informed by STAR of open section alternates (including new sections added after the publication of the quarterly Time Schedule). You may then select an alternate section to be added to your schedule. To overload a closed section see OVER-LOAD GUIDELINES on the following page.

STAR QUESTIONS

If you have questions regarding registration, please call the Registration Office, (206) 543-4000, Monday through Friday, from 8:00 a.m. to 5:00 p.m. The audiolibrary system has complete recorded instructions. If you need additional assistance, press "0" and a staff member will help you during business hours.

STAR TRANSACTIONS

The transactions you enter on your touch-tone telephone communicates to the computer what action to take (such as: add a course, drop a course, etc.) and what data you want considered. The transaction code legend follows:

- A = Add a course
- D = Drop a course
- L = List class schedule
- S = Course Status
- T = Terminate your call
- G = List your grades
- 11 = Account balance
- 12 = Financial Aid Summary
- 13 = Outside lender loan
- 14 = Last received payment
- 15 = Optional charges
- * = Star key, used to separate data
- # = Number sign key, used to complete transactions that you enter

FOLLOW THESE STEPS BEFORE CALLING STAR

Read the Registration Eligibility, Periods, and Confirmation; STAR Registration, and the STAR Work Sheet sections.

Academic advising is highly recommended, and it is suggested that you make an appointment with your adviser before selecting your courses.

Obtain an Entry Code or Faculty Number from department for courses requiring entry codes.

Organize your registration materials (Time Schedule, STAR Work Sheet). Use the Spring Quarter 1995 TIME SCHEDULE to obtain the schedule line number (SLN) for each course section. SLN's change every quarter. Prepare an alternate course section list because some sections may be full.

Take care of all University financial obligations before calling STAR, since STAR will not permit you to register if there is a "hold" on your registration.

Call STAR from a touch-tone telephone and begin with Section I on the STAR Work Sheet. You will be asked to provide information in Section II during your first telephone call to STAR each quarter. Always exit STAR using the "T" transaction following by the number sign key (#) so that you can find out how to obtain your Registration Confirmation.

Beginning with Registration Period I, you may call STAR as often as you want to check the status of sections, confirm schedule listed, add/drop courses, check your account balance, etc.

used to complete transactions that you enter

Additional Registration Information

ADDRESS CHANGE TELEPHONE SERVICE

You may call (206) 543-3868 at any time to change your address information.

CHANGES IN REGISTRATION

A \$20 change-of-registration fee is assessed for any number of add, drop or change transactions (including change of grading option) made during a given day beginning April 3. The \$20 fee is a service charge and is in addition to any change in tuition or forfeiture as a result of adds, drops or changes.

There is no charge for changes made in Registration Periods I, II and the first week of Period III.

Fee waivers are rarely approved. If you think your change is necessitated by a University error or is at the University's request, you must pay the fee and submit a petition for a refund to the Registration Office, 225 Schmitz Hall. You will be notified of the decision by the Office of the Registrar. The fee will be waived only if the change is necessitated by a University error or is at the University's request.

CLASS ATTENDANCE GUIDELINES

If you do not attend regularly scheduled class meetings during the first week of the quarter, you are subject to being dropped at the discretion of the teaching department to allow enrollment space for other students. Affected courses should be identified in the Time Schedule and/or posted in departmental offices. Please do not assume that departments will automatically initiate a drop for nonclass attendees. If you are not going to go to class, you should drop the course through STAR since the instructor will assign a failing grade. You may not attend a University course in which you have not been officially registered. An instructor may allow you to attend his or her class only if your name appears on the official class list from Office of the Registrar. A faculty member may attend informally with the approval of the instructor.

CREDIT LIMITATIONS

Undergraduates will be limited to 19 credits during Registration Periods I and II to allow all students a chance to develop a basic schedule. Additional credits may be added during Registration Period III. Thirty credits is the limit per quarter.

ENTRY CODES

Entry codes are five digit random numbers issued to you by academic departments as authorization to add or drop in restricted course sections. Entry Codes are not transferable. All courses require add codes to add beginning April 3.

Courses requiring add codes are designated with the symbol to the left of the schedule line number (SLN) in the Time Schedule.

Please note that departments reserve the right to require entry codes whether the course is so designated in the Time Schedule or not. Usually information on where to obtain entry codes is found in the body of the Time Schedule, either as a comment before the course listing or following the title of the course. Contact the department offering the course if STAR advises you an entry code is required and the location for obtaining one is not identified in the Time Schedule.

Instructors may issue add codes to students when a class is full. (See OVERLOAD GUIDELINES for additional information on using add codes to overload closed courses.)

Once you have used an entry code, the computer removes it from the list of viable codes and will not accept it again. If you drop a section that required an

entry code to add, then you must obtain another entry code from the department if you wish to re-add the section.

Some courses require a drop code to drop. Obtain the code from the department offering the course. Perform the drop transaction on STAR and enter the drop code when prompted by STAR.

FACULTY NUMBERS

If you are enrolling in independent study courses such as 499, 600, 700, or 800, you will first need to obtain a Faculty Number from the instructor or department. The Faculty Number is used instead of the entry code to register for the courses on STAR.

FULL-TIME STUDENT REQUIREMENT

You should register for 12 or more credits to be considered full-time if you are an undergraduate or professional student. If you are a graduate student, you should register for 9 or more credits. It is important to note that differing criteria and standards for full-time enrollment exist for eligibility in certain programs. Consult the Financial Aid Office for its requirements on satisfactory student progress. The tuition schedule does not reflect full-time credit requirements for loan deferments, teaching assistantships or other programs.

OVERLOAD GUIDELINES

For reasons of public safety and instructional quality, course enrollment in each section will be limited to the approved classroom capacity. The Office of the Registrar monitors course enrollments throughout the quarter according to the following guidelines:

- Through April 2, a student may add a section without permission unless the class is full or requires permission; then an add code is required. Beginning April 3, add codes are required to add any course. STAR will accept course overloads only up to 115% of classroom capacity to compensate for expected course drops.
- No course adds are accepted after April 7. STAR closes at 6:00 p.m. on that day.

REGISTRATION ASSISTANCE

If you work during the day or are incapacitated and need assistance with non-STAR transactions, please call the supervisor of the Registration Office at 543-5723 to make arrangements for assistance. If you are having problems using STAR, call the Registration Office at 543-8580 and a staff member will assist you.

REGISTRATION HOLDS

If you have a hold on your registration, you will not be permitted to register or add courses until the hold has been released by the initiating office. If you attempt to register on STAR before your hold has been released, the voice response will indicate which office has placed the hold and where to go to get it released. You may make other transactions on STAR.

REGISTRATION IN SEQUENCE COURSES

Departments may establish a registration priority for students enrolled in sequence courses. For example, students enrolled in a foreign language 101 course may have priority to register in the next course sequence (102) for the succeeding quarter.

REGISTRATION TAMPERING

A student who tampers or attempts to tamper with the registration records of another student, including but not limited to dropping courses and adding

courses, may be subject to disciplinary sanctions as defined in the Student Conduct Code (WAC 478-120).

TIME CONFLICT

You may not register on STAR for two courses that meet at the same time or for courses with overlapping meeting times. If you want the second course instead of the one you are registered for, you must drop the first one before adding the second course on STAR.

If you want to add a course that conflicts with another, you must add the second course, in person, at the Registration Office, 225 Schmitz Hall. Students must obtain the approval of both instructors to add a course that conflicts one hour a week or less; instructor signatures on an Authorization for Non-Star Transactions form are required for courses that conflict more than one hour a week.

UNDERGRADUATE SATISFACTORY PROGRESS

If you are pursuing a baccalaureate degree, you are expected to make satisfactory progress toward the attainment of that degree and are expected to enter a major and graduate after completion of a reasonable number of credits. Refer to the General Catalog for additional information.

VARIABLE CREDITS

Some courses are offered for a variable number of credits. See the department to obtain the appropriate number of credits for a variable credit course and be prepared to enter the number of credits when requested to do so by the voice response on STAR. Changes in variable credits are made only at the Registration Office, 225 Schmitz Hall.

Registration Eligibility, Periods, & Confirmations

REGISTRATION ELIGIBILITY

ALL STUDENTS

All students at the University who remain in good standing and in compliance with other rules and regulations, with no outstanding financial obligations, are guaranteed the opportunity to register each quarter as long as they maintain continuous enrollment (summer quarter excepted). Continuation must be in the same classification, e.g., undergraduate, post-baccalaureate (fifth-year), graduate, etc. Once a student earns a baccalaureate degree, he or she must apply for admission as a post baccalaureate (fifth year), nonmatriculated, or graduate student. Exceptions to the guarantee are: (1) students under disciplinary action, (2) students with a registration hold, (3) students not meeting their departmental continuation policies, or (4) students not meeting the University's satisfactory progress policy (see General Catalog).

UNDERGRADUATE AND PROFESSIONAL STUDENTS (QUARTER OFF ELIGIBILITY)

Subject to college, school and departmental enrollment policies, undergraduate and professional students who have completed a quarter at the University of Washington may take the following quarter off and remain eligible to register in Registration Period I for the subsequent quarter without re-application as returning students. For example, a student completing Autumn Quarter may, without registering for or completing Winter Quarter, register during Registration Period I for Spring Quarter without reapplying. Any quarter from which a student has completely withdrawn, or from which he/she is canceled, does not constitute a completed quarter. Summer Quarter enrollment is not required to maintain continuous registration eligibility.

Returning students who do not meet the criteria described in the above paragraph must submit a Returning Student Reenrollment Application by the published deadline.

GRADUATE STUDENTS

The Quarter-Off eligibility policy is not available to graduate students. Graduate

students who do not maintain continuous enrollment (Summer Quarter excepted) must file a Petition for On-Leave Status with the Graduate School. Students who are registered for any portion of a quarter may not go on-leave for that quarter unless they officially withdraw at the Registration Office, 225 Schmitz Hall prior to the first day of the quarter. On-leave graduate stu-

dents returning to the University on or before the termination of their authorized periods of leave must apply as returning former students (through the Registration Office by the published deadlines). See Grading, Withdrawal & On-Leave section for more information.

REGISTRATION PERIODS

STAR HOURS

STAR is available for registration Monday through Friday, 6:00 a.m. to 12:00 midnight, and most weekends 9:00 a.m. to 12:00 midnight.

PERIOD I FEBRUARY 17-MARCH 3

This period is open only for continuing students currently enrolled Winter Quarter 1995 or for students who completed Autumn Quarter 1994.

Priority registration dates are based on your completed credits, your Winter Quarter 1995 credits as of February 15, and the last digit of your student number. The student number priority will be changed each quarter so that all students will have the earliest possible priority every other quarter. One half of the available spaces in each course are reserved for day two of each priority period. If a STAR message states that the first day spaces are filled, then the other half will be released on day two of that priority period. You may call STAR on, or after, your registration date to register and make changes to your schedule.

you may save your priority quarters by not registering before your regular senior priority day. When you have used your Graduating Senior Priority for two quarters, you will revert to regular senior priority.

PERIOD II MARCH 6-26

This period is primarily for newly admitted students and returning former students. Advising / registration notices of dates are mailed to newly admitted or readmitted students. You may register on, or after, your date. Continuing students may call STAR any day during this period.

PERIOD III MARCH 27-APRIL 7

This period is open to all students for late registration and course adds and drops.

STAR closes at 6 p.m., Friday, April 7.

STAR will be closed on Saturday, April 8.

The Registration Office, 225 Schmitz will be open for transactions not available on STAR:

Monday-Friday: March 27 - April 7

8 a.m. to 5:00 p.m.

The deadline to add courses is 6 p.m. Friday, April 7.

PERIOD IV APRIL 10-MAY 14

This period is open for dropping courses on STAR and to elect audit grade option only. Changing to audit grade is only available at the Registration Office, 225 Schmitz Hall, Monday, April 10 through Friday, May 12, 8 a.m. to 5 p.m.

REGISTRATION CONFIRMATION

Registration confirmations for students who registered by March 3 will be mailed on March 7. If you register after March 3, your Registration Confirmation will be mailed in two working days. Call 543-3868 to record your correct address. Confirmations will not be mailed outside the United States during Registration Period II and III and will not be mailed to addresses outside of the state of Washington during the last week of Period II and during Period III. If you are using an out-of-state address, you may claim your confirmation at the Registration Office, 225 Schmitz Hall, within two working days.

You may also confirm your registration schedule by calling STAR and using the List Schedule Transaction (L #). This listing includes

building and classroom locations.

Grading, Withdrawal & On-leave Information

GRADING

AUDITORS

You must first register on STAR and then go in person to the Registration Office, 225 Schmitz Hall to select the audit grade option. You may select the audit option through May 12. A \$20 change fee is charged beginning April 3. Attendance in courses as an auditor is based on the consent of the instructor and space availability. Permission to audit is ordinarily granted for lecture classes only. You may not participate in class discussion or laboratory work and your registration may be canceled at the discretion of the instructor. No entry is made on the permanent record for audited courses. However, registered courses changed to audit after April 7 will be recorded on undergraduate academic transcripts with a "W" and a number designating the week of the quarter in which the course change occurred; for graduates and professional students only a "W" will be recorded. To receive credit for an audited course, you must register for the class for credit in a subsequent quarter.

Auditors, except ACCESS program students, pay standard tuition and fees and must be regularly admitted and registered in the course. Although credits for audited courses will not be listed on your transcript, they will be included in the billing on the fee statement. Such credits count in the calculation of fees.

Courses audited may not be changed to credit registrations after April 7.

CREDIT/NO CREDIT COURSES

Some courses are offered on a credit/no credit (CR/NC) basis. It is not possible to register S/NS for these courses. Neither CR nor NC is included in the grade-point average. In cases of withdrawal, a "W" is recorded.

GRADE APPEAL PROCEDURE

See the General Catalog for appeal procedure.

INCOMPLETE GRADE

Incomplete grades may only be awarded if you are doing satisfactory work up until the last two weeks of the quarter. Undergraduate students must not re-register for courses in which they have received an Incomplete, since a grade earned in a repeat course will not be recorded as an Incomplete conversion grade. To obtain credit for the course, an undergraduate student must convert an Incomplete into a passing grade no later than the last day of the next quarter. An Incomplete not made up by the end of the next quarter (Summer excluded) will be converted to the grade of 0.0 by the Registrar unless the instructor has indicated, when assigning the Incomplete grade, that a grade other than 0.0 should be recorded if the incomplete work is not completed. The original Incomplete grade is not removed from the transcript.

SATISFACTORY/NOT SATISFACTORY

You may elect to take certain courses on a Satisfactory/Not Satisfactory (S/NS) basis. Your advisers should be consulted and in no case are undergraduate students allowed to register for more than six credits (or for one course, if that course is offered for more than six credits) on a Satisfactory/Not Satisfactory basis in a given quarter.

Register for the course on STAR, but then you must go in person to the Registration Office, 225 Schmitz, to elect the S/NS grading option. You cannot select the S/NS grade option on STAR.

The S/NS grade option can be elected through April 7. A \$20 fee is charged beginning April 3.

As an undergraduate, a course in which an "S" is earned may not be used to satisfy any department, college, or University requirement, except that the credits may be applied to the minimum of 180 credits required for graduation. Each instructor will report numerical grades to the Registrar, who will convert satisfactory grades (2.0 or greater) to "S", and unsatisfactory grades (less than 2.0) to NS for the student's transcript. No more than 25 S/NS credits may apply toward an undergraduate degree.

If you are a graduate student and earn grades of 2.7 or above you will receive a grade of "S" (Satisfactory), while 2.6 or below are recorded as NS (Not Satisfactory). With the approval of your graduate program adviser or the Supervisory Committee Chairperson, you may elect to take any course for which you are eligible outside of your major academic unit on an S/NS basis.

In cases of withdrawal, the "W" is recorded. Neither S nor NS is included in the grade-point average.

"W" GRADES

If you are an undergraduate and drop a course during the first two weeks of a quarter, there is no entry on your permanent academic transcript. If all courses are dropped, then a complete withdrawal date is recorded on the transcript. A course drop made April 10 through May 14 is recorded on an undergraduate student's transcript with a "W" grade and a number designating the week of the quarter in which the course drop was transacted. Only a "W" grade is recorded on the transcript of graduate or professional students.

WITHDRAWAL

QUARTER OFF ELIGIBILITY POLICY

If you are an undergraduate or professional student (dental, law, or medical) who has completed the preceding quarter here at the University of Washington, you may take a quarter off under the Quarter Off Eligibility Policy. Review the REGISTRATION ELIGIBILITY section for complete details.

WITHDRAWAL FOR THE QUARTER

(Dropping all courses.) It is your responsibility to withdraw completely if you are unable to attend for the quarter. If you drop your last course on STAR and do not add a course you will be considered withdrawn for the quarter. If you drop your last course on STAR you will be charged the \$20 change fee beginning April 3. You may write to or withdraw in person at the Registration Office, 225 Schmitz Hall, Mailstop PD-10, University of Washington, Seattle, Washington, 98195. Withdrawals by mail are effective on the date of the postmark. No withdrawals are accepted after June 2.

Tuition owed will be based upon the date the complete withdrawal is recorded at the Registration Office, the date that the last class is dropped on STAR, or the postmark date for withdrawals received by mail. If you withdraw prior to April 3 you will owe a \$75 U-PASS fee unless you return your U-PASS to the Student Accounts and Cashiers Office by the tuition due date. If you pay the \$75 fee and then lose your U-PASS you are not eligible to purchase a replacement U-PASS sticker.

Review the Registration Eligibility section of the Time Schedule if you are withdrawing before the first

day of the quarter. New students must reapply through the Admissions Office.

Courses dropped as part of a complete withdrawal from the University during the first two weeks of a quarter (through April 9) are not recorded on your UW transcript; however, the date of the complete withdrawal is recorded.

If you withdraw during the first week of two consecutive quarters (Summer Quarter excepted) you will not be eligible to register as a continuing student for the third quarter. You must reapply as a former student returning to the University and will be required to pay the \$35 application fee and \$100 enrollment deposit. For example, if you withdraw during the first week of Autumn Quarter and Winter Quarter, you must reapply as a returning former student for Spring Quarter.

HARDSHIP WITHDRAWAL

Hardship withdrawals are for dropping individual courses after the seventh week of the quarter (May 14). The \$20 change of registration fee will be assessed.

You may petition the Registrar for a hardship withdrawal if the following apply: 1) you are unable to complete the course in question because of a severe mental or physical disability, or 2) unusual or extenuating circumstances beyond your control prevented you from dropping the course by the drop deadline, or 3) you have not been granted a degree for course work in your current status.

WITHDRAWAL FOR MILITARY SERVICE

If you are conscripted into the Armed Forces or called to active military duty you may withdraw through the end of the seventh week of instruction (May 14) and receive a full refund but no academic credit. If you withdraw after that date you may receive either a full refund or (academic) credit and no refund. Please consult with the Office of the Registrar for complete details.

GRADUATE STUDENTS ON-LEAVE

To go on-leave, have your Department Graduate Program Coordinator sign an On-leave Card, then take it to the Registration Office through March 31. You must pay a \$35 non-refundable fee at the Student Accounts and Cashiers Office, room 129 Schmitz Hall after your On-leave Card is processed at the Registration Office. The cashier will issue you an On-leave Card so you will have access to the libraries. If you have pre-registered for Spring and plan to go on-leave, you must officially withdraw prior to March 27 before the on-leave status will be granted.

Tuition Exemptions & Access Programs

UW FACULTY/STAFF AND WASHINGTON STATE CLASSIFIED EMPLOYEES TUITION EXEMPTION PROGRAM

If you have been continuously employed full time for six months with the University or an agency of the state of Washington prior to the academic quarter in which you are trying to enroll, you may be admitted to the University of Washington and take up to 6 credits per quarter using this exemption. According to legislative action, all registration must be on a space available basis after other matriculated students have registered. You may not register for graduate-level independent study courses numbered 600, 700, or 800 or any self-sustaining courses. If you are admitted as nonmatriculated in order to use this exemption, you may only register for classes when using the exemption and after the exemption request form has been submitted. Matriculated students will be permitted to register even when they are not using the exemption, however, full tuition and fees will be charged.

If you are enrolling under one of these exemption programs you may attend class with the permission of the instructor, beginning the first class day if space is available. Call STAR to determine the correct classroom location. The building and room number may have been changed by the department since the Time Schedule was printed.

ADMISSION FOR UW FACULTY, STAFF, OR CLASSIFIED STATE EMPLOYEES

If you would like to enroll as a new matriculated student or in a new matriculated category, apply to the Office of Undergraduate Admissions, 320 Schmitz Hall, by the regular admission closing date; January 15 is the closing date for Spring Quarter applications. If you are applying to the Graduate School (including Graduate Nonmatriculated status), you should contact the applicable academic department for application information. If you are applying as a new nonmatriculated student, you should go to the Office of Undergraduate Admissions.

If you are a former student at the UW and are returning in the same classification or as a nonmatriculated student you should apply at the Registration Office, room 225 Schmitz Hall. These applications are normally accepted up to the beginning of the quarter. Graduate nonmatriculated-program participants need to apply through the intended academic department.

REGISTERING

After the tuition exemption request has been received by the Registration Office, you may call STAR on or after the appropriate eligibility dates. Registration continues through Sunday, April 2, on STAR without assessment of late fees. Beginning Monday, April 3, a \$25.00 late registration fee is billed if you are initially registering for the quarter and a \$20.00 change fee is charged for registration changes. You will be billed these fees, if applicable, plus the registration fee when you register in a course. If you add your course before the tuition exemption program registration date, you will not be permitted to convert to the tuition exemption program and will be required to pay regular tuition for those credits. You will not be entitled to other student services such as those available at the Hall Health Center and the Intramural Activities Building. Faculty/staff identification cards may be used for library services. Washington State employees participating may obtain an ID card to be used for library services from the Student ID Center, 229 Schmitz Hall and a UPASS sticker for \$27.00 from the Registration Office, room 225 Schmitz Hall. Deadlines and registration dates are listed below:

UW FACULTY/STAFF

Friday, March 3 - Tuition exemption request card due to Registration, 225 Schmitz, PD-10.

Wednesday, March 29 - Registration begins on STAR. Open from 6:00 a.m. until 12:00 midnight.

Friday, April 14 - \$5 registration fee due. Fee is billed if a student successfully registers.

WASHINGTON STATE CLASSIFIED EMPLOYEES

Friday, March 3 - Tuition exemption request card due to Registration, 225 Schmitz, PD-10.

Thursday, March 30 - Registration begins on STAR. Open from 6:00 a.m. until 12:00 midnight.

Friday, April 14 - \$30 registration fee due. Fee is billed if a student successfully registers.

NOTE: You should contact your departmental office or the Registration Office, (206) 543-8580, 225 Schmitz Hall, for a tuition exemption form.

ACCESS PROGRAM FOR OLDER ADULTS

The University of Washington waives tuition for Washington residents sixty years or older who wish to attend classes as auditing students. If you are enrolling as an ACCESS student you may attend class with the permission of the instructor, beginning the first class day if space is available. Courses marked with a greater than sign (>) require an entry code to register. You should contact the offering department to obtain entry codes prior to coming to the Registration Office, room 225 Schmitz Hall. The fee is \$5.00 whether one or two courses are attended and will be billed if registration in a course(s) is completed. The payment will be due by April 14. Since you are auditing the course(s), you do not receive credit and are not expected to do any class work or take examinations. You may register for all courses except UW Extension, Distance Learning, studio, laboratory courses, and honors sections. You may also register in 500 level graduate courses with the approval of the instructor by obtaining an entry code through the department. A transcript is not maintained.

You will be limited to two courses per quarter. For additional information about this program, you may telephone UW Extension Information, 543-2320, between 8 a.m. and 5 p.m., weekdays.

REGISTERING

Please go to the Registration Office, room 225 Schmitz Hall on Wednesday, March 29, during the times listed below.

Tuition charges are based on your student classification, e.g. undergraduate, graduate, or professional, and not on course level.

Fees listed do not apply to students registered through University Extension. See University Extension Bulletin for their fee structure.

STUDENTS ARE EXPECTED TO KNOW

Drops or withdrawals after April 2 will cost you \$20 plus at least half of tuition reduction. (See Tuition Forfeitures or Refunds)

Tuition is due April 14.

Charges incurred after the tuition due date must be paid in 1-3 days.
(See Tuition/Fee Assessments and Deadlines)

through April 25. Courses dropped after April 25 receive no refund.

The effect of tuition forfeitures on the over-18-credit surcharge is as follows: forfeitures for courses dropped that exceeded 18 credits are charged the same as above. Also, if you drop a course after April 25 and add another, total credit charges will include credits that are added with no reduction for credits dropped.

The University's forfeiture schedule is as follows:

- If you withdraw before April 2, you do not pay tuition. New and returning students forfeit their \$100 Enrollment Confirmation Deposit. If you withdraw before April 3 without returning the U-PASS sticker, you will owe \$75 for the U-PASS. No replacements are allowed for students who pay the \$75 fee and then lose their U-PASS sticker.
- If you withdraw April 3 through April 25, you will continue to owe one-half of your tuition. If you withdraw after April 2, you will be charged the applicable forfeiture and you may retain your U-PASS by paying the quarterly fee or return it no later than April 14 to have the fee waived. There will be no U-PASS refunds after April 14.
- If you withdraw after April 25, you will continue to owe full tuition.
- If your registration is canceled for nonpayment of fees you will continue to owe the University one-half of your tuition and fees.
- If you are an international student who is registered for an English as a Second Language course, you must make a separate request for a refund for that course by contacting the ESL Office in 103 Lewis Hall at the same time you withdraw from the University.
- If you drop any classes April 3 through April 25, that results in lower tuition, you will owe one-half of the tuition associated with the reduced credit hours.
- If you are a Title IV aid recipient, attending your first quarter at the University and withdraw after April 2, you must pay a prorated portion of the University charges. Charges are prorated based on the portion of the quarter for which you are enrolled. If you withdraw after the seventh week of the quarter (May 14), you must pay full tuition. The pro rata refund provision applies to tuition, fees, room and board and other charges which would otherwise be assessed by the University. The \$100 Enrollment Confirmation Deposit is applied toward payment of tuition.

Course drops become effective the date received and processed on STAR, in the Registration Office, 225 Schmitz, or through the departmental registration screen used in academic departments.

TUITION/FEE ASSESSMENTS AND DEADLINES

It is your responsibility to see that tuition is paid in full by the tuition due date (April 14). Bills are sent at the beginning of each quarter to facilitate payment. However, failure to receive a tuition bill does not nullify your responsibility for payment by the due date.

Account balances are available through STAR (transaction 11#).

Select your permanent or local address on STAR for fee statement mailing. If you have not received a fee statement by April 7, contact the Student Accounts and Cashiers Office, or call STAR for the amount of tuition due.

You may pay your fees in person in the Student Accounts and Cashiers Office or mail them to UW, Student Accounts and Cashiers Office, 129 Schmitz, PE-10, Seattle, WA 98195, before April 14. Checks and money orders must be in U. S. Dollars and drawn on U. S. or Canadian banks. Payments postmarked on or before April 14 are accepted without a late fee. Mail postmarked after April 14 is subject to penalties as described below.

If you fail to pay by the deadline you may continue to pay your tuition the week following the due date, plus a late fee. For past due balances over \$250 the late fee is \$30; \$30-\$250 balance the late fee is \$10; and if the balance is less than \$30 then there is no late fee.

If payment has not been received in the Student Accounts and Cashiers Office by the end of the late payment period, registration for the current quarter as well as any future quarters will be canceled. Reregistration after cancellation for nonpayment requires a \$75 fee, in addition to tuition.

Tuition and fees incurred after the April 14 must be paid within three working days. Exception: As of the last week of instruction, charges must be paid by the next business day. Always check your account status and balance on STAR when completing a registration transaction.

If you reregister, you must reregister for all of the classes that were on your schedule at the time of registration cancellation. (Fees will include appropriate charges for classes dropped during the forfeiture period.) Please note: Even if your registration is canceled you will continue to owe one-half of your tuition.

Credit cards are not accepted.

Tuition and fees not paid by the end of the academic quarter (June 2) will be subject to an interest charge of 1% per month, or fraction of a month, (12% A.P.R.), beginning with the month following the end of the quarter. Delinquent unpaid accounts may be referred to a collection agency and reported to a credit bureau.

APPLICATION OF PAYMENTS TO A STUDENT'S ACCOUNT

As a rule, payments received for a student's account are applied to charges in order of their due dates. For charges with the same due date, payments are applied first to tuition and related University fees and then to other charges on the account. A payment may be applied to a specific charge by contacting the Student Accounts Office at 129 Schmitz Hall. Financial aid from Federal Title IV programs is applied only to required tuition and fees and to loan and aid repayment obligations. The University may not apply such aid to pay insurance and some other optional charges.

TUITION FORFEITURES / REFUNDS

You will be billed for the number of credits, including audit hours, on your course schedule at the beginning of the quarter. Only partial tuition reductions will result for courses dropped after April 2. You will be expected to pay one-half of the tuition associated with any courses dropped beginning April 3

Student Insurance and Optional Fees

STUDENT INSURANCE

The University offers a voluntary accident and sickness insurance plan to supplement the services available at the Hall Health Center. Seattle Campus UW students (except nonmatriculated students and those enrolled in programs administered by UW Extension and UW faculty/staff or Washington State classified employees attending classes under the employee tuition exemption programs) who remain registered through April 3 are eligible to enroll in the plan.

You may sign up for the plan when you register for classes. If you are registered for classes by your academic department, and no plan is indicated, you will be enrolled in the student-only quarterly plan. The insurance premium will be included on the quarterly tuition statement and must be paid by the quarterly tuition-due date (April 14). In most cases Financial Aid will not pay insurance directly so you must make sure the premium is paid on time. There is no late payment period for the insurance premium.

You may add, cancel, or change your insurance selection on STAR, and remit the correct balance by the tuition due date. Or, you may make changes when paying tuition in person at the Student Accounts and Cashiers Office, by the tuition due date (April 14).

If you are an international student, you must subscribe to the student insurance plan unless you are covered by another plan. Proof of other coverage must be submitted to the International Services Office and a waiver obtained each Autumn Quarter (or upon initial admission if other than Autumn Quarter) because waivers are valid only through Summer Quarter each year. Students holding insurance policies that expire during the academic year are responsible for obtaining new waivers, as necessary.

For those graduate students who are eligible for Graduate Appointee Insurance, please choose the option, "no insurance" when registering on STAR. If you have questions regarding your eligibility for this plan, please contact your department.

International graduate appointees, however, must still choose the quarterly student insurance option when registering. If you are an international RA/TA/SA, the system will automatically make adjustments so that you will not have double coverage. If you are an international fellow or trainee, please contact your department for further instructions.

Brochures describing the plan in more detail are available at the Hall Health Center, the HUB, and the Registration Office, 225 Schmitz Hall. Plan benefits may change each academic year, so students are encouraged to review the brochure carefully.

OPTIONAL FEES

SPECIAL COURSES AND LABORATORY FEES

The amounts charged for tuition and fees normally cover University charges for course registration. Some courses, however, have extraordinary expenses associated with them and in such cases the University may charge additional fees in amounts approximating the added instructional or laboratory costs.

WASHINGTON STUDENT LOBBY (WSL)

The Washington Student Lobby (WSL) is a voluntary, independent organization of university students whose purpose is to influence the Washington State Legislature and others on higher education matters of special interest to students. You may choose to support the WSL by contributing \$1.00 each quarter. Support for the WSL may be indicated during registration and the voluntary contribution will be included on your tuition billing statement for payment with tuition.

WASHINGTON PUBLIC INTEREST RESEARCH GROUP (WASHPIRG)

The Washington Public Interest Research Group (WashPIRG) is a student-directed, non-profit and non-partisan research organization which works on issues affecting the quality of life in Washington State. Students participate in WashPIRG as decision makers, volunteers and credit interns producing research reports, lobbying the legislature and organizing students and citizens around consumer, environmental and governmental issues. You may choose to support WashPIRG by contributing \$3 each quarter. Support of WashPIRG may be indicated during registration and the voluntary contribution will be included on the tuition billing statement for payment with tuition.

UW ID CARD

You should carry your UW ID Card with you at all times since it is required for a variety of services on campus. In some situations, you may be asked to provide additional pieces of identification, including one containing your photo. A quarterly validation sticker is mailed with your registration confirmation. The sticker should be affixed to the permanent ID Card as soon as it is received. Lost ID Cards may be replaced at the Student ID Center, 229 Schmitz. A non-refundable \$5 fee is charged for replacement of non-photo ID cards or \$10 for replacement of photo ID cards. (See also U-PASS information below).

U-PASS INFORMATION

A U-PASS validation sticker is mailed with your registration confirmation each quarter. The U-PASS is valid on all regular Metro and Community Transit routes at all times and provides parking privileges to car-poolers, riding privileges to van-pool and Night Ride passengers, and merchant discounts. The quarterly fee of \$27 will be included on the tuition bill. If you do not wish to participate in the U-PASS program you must return the validation sticker to the university by the tuition payment deadline (April 14). The sticker can be returned by mail in the return envelope provided, or mailed with your tuition payment, or returned in person at the Student Accounts and Cashiers Office or the Registration Office.

If you withdraw through April 2 without returning the U-PASS sticker, you will owe \$75 for the U-PASS. If you withdraw after April 2, you will be charged the applicable tuition and may retain the pass for \$27 or return it no later than the tuition due date (April 14) to have the \$27 fee waived. There will be no U-PASS refunds after the tuition payment deadline (April 14), and no replacements of lost U-PASS stickers for students who have withdrawn.

If you did not receive your U-PASS in the mail you will be asked to sign a certifying statement and will be issued a replacement sticker at no charge through April 2. Replacement stickers issued after April 2 will cost \$10. Lost ID cards bearing a U-PASS sticker will be replaced for a \$15 fee (\$20 fee with photo), which includes a new U-PASS sticker. Replacement fees are non-refundable. If you are issued a replacement sticker you will not be permitted to cancel the \$27 U-PASS fee by returning a sticker.

Eligible students who have not already purchased a U-PASS sticker may do so at the Registration Office, 225 Schmitz, anytime during the quarter. The fee will remain \$27 throughout the quarter.

The U-PASS is the property of the University of Washington and is not transferable. The U-PASS program, replacement policies, and quarterly fee are subject to change without notice.

Notices

ASSOCIATED STUDENTS OF THE UNIVERSITY OF WASHINGTON (ASUW)

The Associated Students of the University of Washington is a voluntary association of students designated by the University Regents to carry out a variety of student activities. In order to vote in ASUW elections or hold ASUW office, you must be a member. Membership choice will not affect tuition payment in any way. Information about the ASUW can be obtained from the ASUW Office in Room 204L Student Union building. You may join ASUW when registering on STAR.

DISABLED STUDENTS

If you are a student with a disability, various support services, including priority registration, note taking and examination accommodations are available. You may contact Disabled Student Services (DSS), room 448 Schmitz Hall, 543-8925 voice/TDD, for information on academic accommodations designed to meet individual student needs.

The STAR Work sheet and instructions are available from DSS in alternate media, including large print, tape recording and Braille. If you have a disability which limits your ability to use STAR, you may register through DSS or at the Registration Office, 225 Schmitz Hall.

DISCLOSURE OF STUDENT RECORDS

As a general rule the University will not release a student's education records to a third party without written consent of the student. This includes tuition account information. The complete University policy on student education records and the location of such records may be found in the Washington Administrative Code under WAC 478-140. Manuals containing the Code are available at Reference Stations on campus and at the Visitor's Information Center, 4014 University Way NE. The policy covers such items as accessibility, review and expunging of inaccurate records, and costs to be charged for copies of student records. Information release forms for tuition accounts information only may be obtained from the Student Accounts and Cashiers Office, 129 Schmitz.

EQUAL OPPORTUNITY

The University of Washington, as a standing policy, does not discriminate on the basis of race, color, creed, religion, national origin, sex, sexual orientation, age, marital status, disability, or status as a disabled veteran or Vietnam era veteran. Any discriminatory action can be a cause for disciplinary action. This policy applies to all University programs and facilities including, but not limited to, admissions, educational programs, employment, and patient and hospital services. Such discrimination is prohibited by Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973, Age Discrimination in employment Act Amendments of 1978, Vietnam Era veteran's Readjustment Assistance Act of 1974, Americans with Disabilities Act of 1990, State of Washington Gender Equity in Higher Education Act of 1989, other federal and state statutes and regulations, and University policy. Coordination of the compliance efforts of the University of Washington with respect to all of these laws and regulations is under the direction of the Equal Employment Officer, Dr. Helen Remick, University of Washington, Equal Employment and Affirmative Action Office, JA-08, 4045 Brooklyn Ave. NE, Seattle, Washington, 98195, telephone (206) 543-1830, V/TDD.

FOLLOWING RULES AND REGULATIONS

It is the University's expectation that you will follow University rules and regulations as they are stated in the General Catalog and the Time Schedule. In instances where no appeal procedure is spelled out and you believe that a special set of circumstances makes appeal reasonable, you may appeal the application of specific rules or regulations to the office of the dean of the school or college in which you are enrolled in the case of an academic matter, or to the Office of the Vice President for Student Affairs in the case of a nonacademic matter. These offices will either render a decision on the appeal or refer you to the proper office for a decision.

GRADUATION RATES

The graduation rates of full-time freshmen beginning their studies at the University of Washington either summer or Autumn Quarter 1987 are 57% in 5 years and 65% in 6 years.

RELEASE OF STUDENT

DIRECTORY INFORMATION

The Family Educational Rights and Privacy Act (FERPA) of 1974 protects the privacy of your education records. However, the following information is considered public or "directory" information and may be released to anyone unless you inform the Office of the Registrar that you do not wish any information released: name, address, telephone number, major field of studies, dates of attendance, degrees and awards received, full-or part-time enrollment status, educational institutions attended, and for athletes, date-of-birth, weight and height.

If you do not wish to authorize directory release and do not want your directory information to appear in the published or electronic Student Directory, you may call the address change service at 543-3868 to restrict access to this information. No information will be released on students that have restricted release of directory information including degrees awarded and dates of attendance. If you wish to change your authorization and allow release, you must go to the Registration Office, 225 Schmitz and present photo identification.

Under the provisions of the Family Educational Rights and Privacy Act (FERPA), you have the right to 1) inspect and review information contained in your education records, 2) challenge the contents of your education records, 3) request a hearing if the outcome of the challenge as unsatisfactory, 4) submit an explanatory statement for inclusion in the education record if the outcome of the hearing is unsatisfactory, 5) prevent disclosure with certain exceptions of personally identifiable information, 6) secure a copy of the institution policy, and 7) file complaints with the Department of Education concerning alleged failures by institutions to comply with the Act. Written complaints should be directed to FERPA, Department of Education, Room 4074, Switzer Building, Washington D.C. 20202.

SEXUAL HARASSMENT GRIEVANCE PROCEDURE

Students, as well as members of the faculty and staff, who wish to file a complaint regarding sexual harassment may contact either of the two offices listed below:

Ombudsman for Sexual Harassment, (206) 543-0283

Human Rights Office, (206) 543-7217

Personnel in these offices will be available to discuss and provide assistance in resolving the complaint.

IMMUNIZATION

University and local health authorities recommend immunization against measles for students. Individuals are considered to be immune to measles if they have received two documented doses of measles vaccine (measles-only or combined measles-mumps-rubella vaccines) since 1967, have laboratory evidence of measles immunity, have a documented episode of physician-diagnosed measles, or were born before 1957.

There have been outbreaks of measles at other universities, and to avoid such an occurrence on this campus, the University is asking students who are not immune to measles (as described above) to obtain the necessary shots. In the event of an outbreak here, students lacking acceptable documentation of measles immunity may be excluded from classes, living groups and/or other activities. For more information, students are encouraged to contact the Hall Health Center, the student health service on campus, at (206) 685-1055.

* Saturday courses may schedule their examination for the first Saturday of the examination week, but must make arrangements with Room Assignments to check on room availability. Dean's office approval is not required for Saturday only courses.

Final Examinations should be administered in accordance with the above examination schedule. The dean may permit an instructor to change the time of a final examination upon prior application demonstrating good cause for such change. In such cases, the following guidelines shall be observed:

1. With the dean's permission the final examination may be postponed or moved to an earlier time within the examination period if agreed to by all students and the instructor. Before approving the rescheduling of a final examination, the dean shall obtain assurances that the change will not have an undue adverse impact on the students. The dean shall notify the Registrar of the approval granted for the date of a final examination.

2. An instructor shall not schedule a final class examination before the beginning of finals week. An instructor shall not, except in very unusual circumstances, grant permission to individual students for an early examination. If the student is unable to take an examination on the scheduled date, the procedure outlined in the following paragraph should be followed.

3. A student absent from any examination through sickness or other cause, judged by the instructor to be unavoidable, shall be given an opportunity to take a rescheduled examination or perform work judged by the instructor to be the equivalent.

If the instructor determines that neither alternative is feasible during the current quarter, the instructor may exempt the student from the requirement. Examples of unavoidable cause include death or serious illness in the immediate family, illness of the student, and, provided previous notification is given, observance of regularly scheduled religious obligations, and might possibly include attendance at academic conferences or field trips, or participation in university-sponsored activities such as debating contests or athletic competition.

Students are responsible for taking any number of examinations for which they are scheduled on a given day.

4. Classes that begin on the half-hour and last longer than one hour use the actual starting time to determine the examination time. For example, a class that begins at 7:30 a.m. and continues until 9:00 a.m. would use the 7:30 a.m. time.

5. Classes that begin on the hour use the first following half-hour to determine the time of examination. For example, a class that begins at 10:00 a.m. uses the 10:30 a.m. examination time.

6. Day-time classes (7:30 a.m. to 3:30 p.m.) in which the entire class meets at the same hour every day, in the same room, may extend their final examination period to three hours. All other examinations are limited to one hour and fifty minutes unless other arrangements are made with Room Assignments.

7. If an examination is held during finals week at a time other than the above schedule indicates, instructors must check with Room Assignments to make sure the room is available.

8. Questions concerning the examination schedule should be directed to Time Schedule/Room Assignments Office, 543-1080.

New Courses

COLLEGE OF ARCHITECTURE AND URBAN PLANNING

BUILDING CONSTRUCTION

B CON 515 Innovative Project Management Concepts (3) Exploration of innovative concepts and trends such as Partnering, Total Quality Management (TQM), effective communication principles, leadership and team-building, and construction automation (robotics) and their application to construction projects.

B CON 565 Managing International Projects (3) Examination of the complex processes and common problems and solutions involved in the selection, acquisition, and management of international construction projects, including licensing, mobilization, financing, labor requirements, and direct and indirect cost projections and risks.

COMMUNITY & ENVIRONMENTAL PLANNING

CEP 303 Social Structures and Processes (5) Compares methods in which various cultures use formal and informal social structures. Emphasis on case studies and current issues.

COLLEGE OF ARTS AND SCIENCES

ART

ART 380 Video Art and Video Installation (5) Exposes students to broad range of high-end video industry equipment, terminology and production/post skills while viewing art works and creating alternative activities and ideas. Work in electronic image gathering, digital A/B roll editing, motion control, video as related to performance and environmental art. Prerequisite: foundation courses, 131, and 280.

ART 414 Digital Imaging II (5) Digital imaging on both IBM and Macintosh platforms. Emphasis on creative art approach to 2-D collaging and morphing with introduction to 3-D modeling and rendering. Prerequisites: 413.

ART 595 MFA Research Project (2-5, max. 9) An independent research project related to and informed by the MFA student's studio work. Final project form may be a lecture, slide presentation, or paper.

ASIAN LANGUAGES AND LITERATURE

INDON 499 Undergraduate Research (3-5, max. 15) Primarily for Southeast Asian language program majors. Prerequisite: permission of instructor.

ATMOSPHERIC SCIENCES

ATM S 520 Atmospheric Sciences Colloquium (1, max. 15) Seminars on current research in advanced topics related to atmospheric sciences, conducted by faculty and visiting scientists and professors. Includes presentation of doctoral dissertations by department graduate students. For Atmospheric Sciences graduate students only. Prerequisite: permission of department.

CHEMISTRY

CHEM 571 Topics in Biotechnology (1) Seminar presentations on current topics in biotechnology, with particular emphasis on speakers invited from local and national biotechnology industry and presentations in seminar format from some of the student grant recipients. Symposium including faculty and industry speakers.

GENETICS

GENET 581 Seminar in Drosophila Genetics (1) Discussions of contemporary research in and novel methods for genetic, cell biological, and molecular biological analysis of Drosophila development. Credit/no credit only.

GENET 582 Seminar in Mouse Genetics (1) Discussion of contemporary research in and novel methods for genetic, cell biological, and molecular analysis of mammalian development, with utilization of transgenic techniques. Credit/no credit only.

GENET 583 Seminar in Molecular Cytology (1) Discussions of contemporary research in and novel methods for genetic, cell biological, and molecular biological analysis of spindle behavior in the mitotic cell cycle of budding yeast. Credit/no credit.

GENET 584 Seminar in DNA Replication (1) Discussions of contemporary research in and novel methods for genetic, cell biological, and molecular biological analysis of budding yeast, with emphasis on the mechanisms and control of DNA replication. Credit/no credit only.

GENET 585 Seminar in Bacterial Genetics (1) Discussions of contemporary research in and novel methods for genetic, cell biological, and molecular biological analysis of bacterial assembly mechanisms, with emphasis on the topogenesis of membrane proteins. Credit/no credit only.

GENET 586 Seminar in Mammalian Genetics (1) Discussions of contemporary research in and novel methods for genetic, cell biological, and molecular biological analysis of mammalian genetics, with emphasis on lymphoblast development. Credit/no credit only.

GENET 587 Seminar in Nematode Genetics (1) Discussions of contemporary research in and novel methods for genetic, cell biological, and molecular biological analysis of nematode development, with emphasis on neurogenesis and other developmental processes. Credit/no credit only.

HISTORY

HSTAA 590 Topics in American History (3, max. 9) Seminar on selected topics in American history, with special emphasis on preparation for field examinations. Topics vary according to interests of students and instructor.

PHILOSOPHY

PHIL 505 Seminar in Teaching Philosophy (1, max. 3) Autumn quarter focus on topics of importance to a graduate student teaching two quiz sections a week for a larger lecture course. Winter quarter focus on assessment options. Spring quarter focus on helping student prepare to teach own course.

PHYSICS

PHYS 436 Nonlinear Dynamics and Chaos (4) Variational Principle, Lagrangian and Hamiltonian Mechanics, phase space, nonlinear dynamics, approach to chaos, Lyapunov exponents, applications to physical systems. Numerical exercises to illustrate phenomena. Prerequisites: 126 and MATH 309 or equivalents.

POLITICAL SCIENCE

POL S 363 Law in Society (5) Inquiry into how law matters in social practice. Examines general theories of law, the workings of legal institutions, and the character of legally constituted practices and relationships in diverse terrains of social life. Offered: jointly with SO JU 363.

SOCIETY AND JUSTICE

SO JU 363 Law in Society (5) Inquiry into how law matters in social practice. Examines general theories of law, the workings of legal institutions, and the character of legally constituted practices and relationships in diverse terrains of social life. Offered: jointly with POL S 363.

PSYCHOLOGY

PSYCH 599 Directed Research in Psychology (1-3, max. 24) Supervised participation in research. Prerequisite: permission of a supervising psychology faculty member.

WOMEN STUDIES

WOMEN 205 Introduction to Global Perspectives on Women (5) Introduction to basic concepts of gender, race-ethnicity, class, nation, and sexuality. Topics include international women's histories, comparative women's movements, activism and resistance, feminists' perspectives of global politics and economy, issues of violence, and consideration of women and human rights.

ZOOLOGY

ZOOL 557 Topics in Molecular Insect Endocrinology (1, max. 12) Assigned reading and discussion of current topics in molecular insect endocrinology. Topics variable. Prerequisite: 438 or 485 or equivalent.

SCHOOL OF BUSINESS ADMINISTRATION

BUSINESS COMMUNICATIONS

B CMU 499 Research in Business Communications (1-6) Prerequisite: permission of undergraduate office.

SCHOOL OF DENTISTRY**ORAL MEDICINE**

ORALM 601 Oral Medicine Research Seminar (1, max. 10) Presentation and discussion of current research problems by graduate students, faculty, and investigators from other departments in the university. Credit/no credit only. Prerequisite: permission of instructor.

COLLEGE OF EDUCATION**EDUCATION CURRICULUM & INSTRUCTION**

EDC&I 573 School Reform and Multicultural Education (3) Similarities and differences among the visions, goals, and strategies of proposals for school reform and multicultural education are analyzed; implications for practice in curriculum and instruction are deduced from these analyses. Prerequisite: one course in multicultural education or permission of instructor.

EDUCATION (TEACHER PREPARATION)

EDTEP 502 Second Quarter Field Experience - Elementary (3) Field experience accompanying the second quarter of study in the Elementary Teacher Education Program. Approximately 30 hours per week for four weeks during the quarter in supervised school placements and small group discussions. Credit/no credit only. Prerequisite: Elementary TEP student.

EDTEP 504 Fourth Quarter Field Experience - Elementary (9) Field experience accompanying the fourth quarter of study in the Elementary Teacher Education Program. Full time student teaching in supervised school placements and small group discussion. Credit/no credit only. Prerequisite: Elementary TEP student.

EDTEP 522 Teaching, Learning, and Assessment in Numeracy (4) Focus on pedagogy of mathematics. In conjunction with field experience, students extend understanding of mathematics and successfully integrate mathematics as a tool for learning science and art. Prerequisite: TEP student.

EDTEP 532, 533 Teaching, Learning, and Assessment in Literacy (4, 3) Introduces participants to the content and process of literacy learning in elementary school. Study of abilities needed for effective literacy use, instructional strategies to help children acquire these abilities, and assessment strategies to evaluate student progress. Prerequisite: TEP student.

EDTEP 542 Meeting the Needs of All Students - Elementary (4) Overview of physical, cognitive, and social development of elementary school-age children. Discussion of ways in which differences in development may affect children in school. Provides elementary teachers with understanding of how to facilitate the success of all children in general education classrooms. Prerequisite: TEP student.

EDTEP 562-563 Adolescent Development and Education (3-3) Overview of trends and issues of adolescent development and behavior in relation to contemporary secondary schooling. Psychological perspectives on adolescent identity, interpersonal relationships, academic engagement, and social deviancy in schools examined with special attention to classroom management and accommodating differences. Prerequisite: TEP student.

EDTEP 580-581 Teaching English and Language Arts in Secondary School I-II (5-3) Teaching of English and Language Arts in middle, junior, or high school. Prerequisite: TEP student.

EDTEP 582-583 Teaching Mathematics in the Secondary School I-II (5-3) Prerequisite: TEP student.

EDTEP 584-585 Teaching Social Studies in the Secondary School I-II (5-3) Developing, teaching, and evaluating social studies courses on the middle, junior, and senior high school levels. Prerequisite: TEP student.

EDTEP 586-587 Teaching Science in the Secondary School I-II (5-3) Prerequisite: TEP student.

EDTEP 588-589 Teaching World Languages I-II (5-3) Introduction to currently used foreign language teaching methods and approaches, including learning and teaching strategies and techniques for the four skills - reading, writing, speaking, listening - and culture. Current and future trends in pedagogy and technology. Prerequisite: TEP student.

EDTEP 593 Third Quarter Field Experience - Secondary (3) Field experience accompanying third quarter of study in Secondary Teacher Education Program. Approximately 4 weeks during the quarter in supervised school placements and small group discussions. Credit/no credit only. Prerequisite: Secondary TEP student.

COLLEGE OF ENGINEERING**COMPUTER SCIENCE AND ENGINEERING**

CSE 135 Computational Techniques (4) Principles of computation and techniques for using the computer as a tool in science and engineering. Basic programming techniques (conditionals, iteration, procedural, and data abstraction). Introduction to simulation, visualization, and symbolic mathematics. Solving engineering and science problems using programmable tools rather than conventional programming languages. Prerequisites: Math 124.

CSE 467 Advanced Digital Design (3) Advanced techniques in the design of digital systems. Hardware description languages, combinational and sequential logic synthesis and optimization methods, partitioning, mapping to regular structures. Emphasis on reconfigurable logic as an implementation medium. Memory system design. Digital communication including serial/parallel and synchronous/asynchronous methods. Prerequisites: 326 and 370.

TECHNICAL COMMUNICATIONS

T C 509 Writing the Scientific Article (3) Examination of principles and practice of writing research manuscripts, articles, abstracts, and oral presentations. Detailed examination of scientific publication process includes issues of style, organization, and ethics. Students draft, critique, and revise their own manuscripts and learn to review the manuscripts of others.

COLLEGE OF FOREST RESOURCES**FOREST ENGINEERING**

F E 404 Forest Engineering Field Seminar (1) Forest engineering activities examined and discussed during three all-day site visits. Opportunity for forest engineering practitioners, faculty, and students to interact in an informal, content-rich environment. Prerequisite: forest engineering student or permission of instructor.

FOREST MANAGEMENT

F M 574 Seminar in Forest Products Marketing (1-5) Evaluate and discuss current research topics in the area of marketing, marketing research, and international marketing of forest products. Presentation of a critical review of a published research paper based on research interests.

F M 587 Current Topics in International Forest Products Trade: Marketing Research (2, max. 6) Current research topics in marketing, market research, and technology related to the forest products sector. Presented by faculty and invited professionals, supplemented by student presentations.

URBAN HORTICULTURE

UHF 503 Current Issues in Urban Horticulture (1) Critical evaluation and discussion of published research in urban horticulture and restoration. Students and faculty present and discuss research methods and questions from current literature. Ecology course which emphasizes applied scientific knowledge of ecosystems. Credit/no credit.

INTERSCHOOL OR INTERCOLLEGE PROGRAMS**UNIVERSITY CONJOINT**

UCONJ 290 Diversity Issues in the Health Care Environment (1-2) Introduction to the complexity of the issues surrounding culture and health, the interrelatedness of ethnic and cultural characteristics and health care access, health and health care concerns of specific communities, traditional and alternative health care practices, and community-based promotion and disease prevention programs.

SCHOOL OF MEDICINE**BIOCHEMISTRY**

BIOC 465 Phytoremediation (1, max. 4) Literature survey of phytoremediation topics. Discussion of latest techniques for the use of plants to concentrate heavy metals in the soil and of plants and plant-bacteria combinations to detoxify various organic contaminants. Credit/no credit only.

BIOC 517 Protein Structure (1, max. 30) Prerequisite: permission of instructor. Credit/no credit only.

BIOC 518 Signaling in Development (1) Prerequisite: permission of instructor. Credit/no credit only.

BIOC 533 Topics In Biochemistry (1-3) Provides in-depth examination of current topics in biochemistry, molecular biology, and structural biology. Designed to help participants in basic science departments become acquainted with latest ideas on topics being covered. Emphasis on analysis of key concepts in the field with reference to classical papers and recent literature. Prerequisite: permission of instructor.

BIOC 534 Topics In Molecular Biophysics (1-2) Emphasis on methods used to study macromolecular structure and dynamics, including x-ray crystallography, NMR, optical spectroscopy, computer modeling, protein folding and ligand binding. Two topics covered each quarter; students may register for one or both. Prerequisite: permission of instructor.

BIOC 560 Protein Folding (1) Prerequisite: permission of instructor. Credit/no credit only.

BIOC 561 Origin of Polarity (1) Prerequisite: permission of instructor. Credit/no credit only.

BIOLOGICAL STRUCTURE

B STR 521 Advanced Biomacromolecular Crystallography (3) Aspects of protein crystallography ranging from crystal growth, phase determination methods, density averaging to refinement, fiber diffraction of DNA and proteins.

B STR 584 Seminar in Neurogenesis (1) Discussion of current research on process by which neurons are generated in the nervous system.

PHARMACOLOGY

PHCOL 560 Regulation of Cell Function by Cyclic Nucleotide Phosphodiesterases (1) Discussion of research strategies, methodologies, and literature relating to regulation of cyclic nucleotide levels in the cell. Emphasis on practical problem solving, data analysis, and presentation of methods important to understanding published data and designing new experiments. Prerequisite: permission of instructor. Credit/no credit only.

PHCOL 561 Molecular Properties of Ion Channels (1) Discussion of research strategies, methodologies, and literature concerning the structure, function, and regulation of sodium and calcium channels and the mechanism of action of drugs on them. Emphasis on experimental problem solving, data analysis, and presentation. Prerequisite: permission of instructor. Credit/no credit only.

PHCOL 562 Regulation of Synaptic Physiology (1) Discussion of research strategies and methodologies involved in the regulation of signal transduction and synaptic physiology. Emphasis on practical problem solving, data analysis, and presentation methods. Prerequisite: permission of instructor. Credit/no credit only.

PHCOL 563 Developmental Toxicology (1) Presentation of theory and techniques with highest priority given to current literature and research advances. Emphasis on mechanisms whereby drugs and other foreign organic chemicals affect dysmorphogenesis, functional abnormalities, and other types of permanent and semi-permanent embryotoxic effects. Prerequisite: permission of instructor. Credit/no credit only.

PHCOL 564 Cellular Regulation by Protein Kinases (1) Analysis of research problems, techniques, and emerging concepts in study of the function of protein kinases. Emphasis on critical evaluation of research and development of presentation skills. Prerequisite: permission of instructor. Credit/no credit only.

PHCOL 565 Intercellular Signaling in Development (1) Molecular genetic approaches to dissecting the roles and mechanisms of intracellular signaling during development. Emphasis on vertebrate genes related to *Drosophila* segment polarity genes. Prerequisite: permission of instructor. Credit/no credit only.

PHCOL 566 Molecular Pharmacology of Neurotransmitter and Neurokinin Receptors (1) Discussion of research strategies and methodologies in the areas of molecular neurobiology and signal transduction of muscarinic receptors, G-proteins, and neurokinin receptors. Emphasis on practical problem solving, data analysis, and presentation methods important to modern scientific work. Prerequisite: permission of instructor. Credit/no credit only.

PHCOL 567 Signal Transduction Mechanisms in Neuroplasticity and Neuron Growth (1) Discussion of research strategies, methodologies, and literature relating to signal transduction mechanisms important for neuroplasticity and regulation of neuron growth in the central nervous system. Emphasis on practical problem solving, data analysis, and presentation methods important to modern scientific work. Prerequisite: permission of instructor. Credit/no credit only.

PHCOL 568 Pharmacology of Free Radicals (1) Advanced considerations of current literature and of experimental design, implementation and interpretation of research dealing with the effects of reactive oxygen species and free radicals on cell membranes and cells. Discussion of relationships of such phenomena to human disease and the effects of drugs thereon. Prerequisite: permission of instructor. Credit/no credit only.

SCHOOL OF NURSING

PARENT AND CHILD NURSING

PCN 537 Advanced Mental Health Interventions with Children (3) Developmentally based assessment and therapeutic approaches relevant for children with psychosocial health problems. Consideration to matching therapeutic approaches with specific nature of symptomatology and other child, family, cultural, and environmental characteristics, including social and educational systems. Individual and group evaluation research emphasized. Prerequisite: 504. Offered: jointly with PSN 537.

PSYCHOSOCIAL NURSING

PSN 537 Advanced Mental Health Interventions with Children (3) Developmentally based assessment and therapeutic approaches relevant for children with psychosocial health problems. Consideration to matching therapeutic approaches with specific nature of symptomatology and other child, family, cultural, and environmental characteristics, including social and educational systems. Individual and group evaluation research emphasized. Prerequisite: 504. Offered: jointly with PCN 537.

SCHOOL OF PHARMACY

PHARMACY

PHARM 468 Case Studies in Pharmaceutical Care (3, max. 9) Small groups of students work with an instructor to review cases illustrating various aspects of specific diseases: pathophysiology, clinical features, psychosocial factors, therapeutic interventions with emphasis on drug therapies, and community resources. Analytic reasoning, self-study skills, and knowledge are emphasized.

SCHOOL OF PUBLIC HEALTH AND COMMUNITY MEDICINE

PATHOBIOLOGY

PABIO 548 Molecular and Cellular Parasitology (3) Molecular and cellular biology of parasites of health-related significance, emphasizing current research topics unique to parasites, particularly well-suited for study in parasites, and especially important to study in host-parasite systems. Prerequisite: familiarity with molecular and cellular biology and permission of instructor.

Recreational Sports Programs

SPORTS SKILLS INSTRUCTION

Instruction in a variety of sports is available through the Department of Recreational Sports Programs at the Intramural Activities Building (IMA) on a non-credit basis. Class time schedules will be available at the IMA after Feb. 27, 1995.

The following is a list of tentative classes and their registration fees. These classes are subject to change depending on enrollment and space availability. Contact the Sports Skills Office at 543-2571 for more information.

INTRAMURAL SPORTS

The Intramural Sports Program provides an opportunity for students and faculty/staff to participate in special events, leagues, tournaments, and officiating in various sport activities such as: crew (rowing), soccer, softball, tennis, track and field, ultimate frisbee, 4-on-4 volleyball. Registration information will be available the end of February in the Intramural Sports Office, IMA Building. Players looking for a team are encouraged to sign-up on the free agent roster in the Intramural Sports Office.

The Intramural Sports Programs also offers employment for students as officials for softball and soccer. Interested students are encouraged to attend the officials orientation meeting on Tuesday, March 28, 1995 at 5:30 pm in the IMA Building.

For further information call the IMA Sports Line, 543-8558 daily between 12:00 noon and 8:30 p.m.

ATTENTIONS: SPRING QUARTER 1995 STUDENTS

Spring Quarter students not attending Summer Quarter may use the IMA Building during Summer Quarter upon purchase of either a Quarterly Facility Use Card or a Single Use Ticket (good for one use).

Quarterly Cards may be purchased beginning Tuesday, May 30, 1995, and are valid for use through the beginning of Autumn Quarter. Purchase may be made in the IMA Administration Office from 8:00 a.m. to 4:30 p.m., Monday through Friday, and all operation hours on Saturday and Sunday.

Single Use Tickets may be purchased at the front entrance to the IMA Building beginning Saturday, June 24, 1995.

Remember, you must retain your Spring Quarter Student ID Card to purchase Summer Quarter IMA Facility Use Privileges.

With Distance Learning courses, you can study at your own schedule, in your home, for credit or for personal enrichment. You can enroll at any time in Distance Learning courses. You have one year to finish each course unless otherwise noted. Teachers can use unlimited Distance Learning credits for certification and endorsements.

How to Register

Complete the registration form on the page following the course listing. If you prefer to register by telephone and have a MasterCard or VISA, call (206) 543-2350 or 1-800-543-2320 between 9 a.m.-7 p.m., Monday thru Thursday and 9 a.m.-5 p.m., Friday. Voice mail is available all other hours. Please specify the course schedule number (CSN) when registering. To request the *Distance Learning Bulletin*, call 543-2320. To register for a course without a CSN, call 543-2350.

Fees

The cost of these courses is \$66 per credit plus a \$15 nonrefundable registration fee. Any supplemental fees for tapes (T), readings (R), lab kits (L) and videos (V) are shown at the end of each course listing. For descriptions or additional information on optional supplemental materials, call 543-2350. Full refunds minus the \$15 registration fee are available if you withdraw within one month of registration.

Continuing Nursing Education

Independent study courses are also offered by Continuing Nursing Education. For more information, call (206) 543-1047, or write Continuing Nursing Education, SC-72, University of Washington, Seattle, WA 98195.

"My 1994 Summer Quarter course was great. It was convenient taking a quarter-long class in five weeks. It enabled me to pass my master's program requirement for foreign language proficiency."

Shasta Turner
1994 UW Summer Student

Make progress toward your degree

Summer is a special time to learn at the UW. Class size is typically smaller during Summer Quarter, and with fewer students registering you're more likely to get the courses you need. Faculty members are often able to provide more personal instruction during the summer, due to smaller class size. Summer enrollment is especially appropriate for seniors who lack just a few credits for graduation. Juniors who plan to graduate in June 1996 and incoming freshmen who want to get a head start on their studies also benefit from the summer program.

Short terms are available

Short, four and one-half-week *a* and *b* terms are available during Summer Quarter. And some classes that are open only to majors in other quarters may be taken by nonmajors in the summer.

Over 1,500 courses

The UW is one of the nation's largest summer institutions, offering more than 1,500 courses in over 100 fields of study, including many classes and workshops that are scheduled only once a year. Many courses fulfill UW general education requirements. There are also special summer institutes in music plus a broad range of courses in the schools of education, law and library science.

Earn up to a year's language credit in nine weeks

You can earn up to a year's language credit in nine weeks by completing an intensive summer language course. Courses are offered in more than 20 languages including Arabic, Chinese, Greek, Hindi, Japanese, Lithuanian, Polish, Swedish, Russian and Uzbek. There are courses in major European languages as well.

In-state fees for most courses

Tuition for nonresidents is less in the summer than during other quarters, except for courses offered by the medical and dental schools. Both nonresidents and Washington state residents pay the same fees for most summer courses. Refer to the *Summer Quarter Preliminary Announcement* for a tentative summer tuition schedule.

Register by STAR starting May 1

Continuing UW students enrolled for Spring Quarter 1995 do not need to apply for Summer Quarter. Use the *Summer Quarter Bulletin and Time Schedule* available in mid-April and register by STAR the same way as for any other quarter. STAR registration begins May 1.

"The professors and TAs I had during Summer Quarter were among the best I have ever had at the UW. Also, I was pleased at how uncrowded the campus was, and how much smaller my classes were than during the regular school year. I would do it again in a heartbeat."

Alex Maloney
1994 UW Summer Student
