GENERAL INFORMATION

It is the University's expectation that a student will follow University rules and regulations as they are stated in the *General Catalog*. In instances where no appeal procedure is spelled out and the student is persuaded that a special set of circumstances makes appeal reasonable, he or she may appeal the application of specific rules or regulations to the office of the dean of the school or college in which he or she is enrolled in the case of an academic matter, or to the Office of Student Affairs in the case of a nonacademic matter. These offices will either render a decision on the appeal or refer the student to the proper office for a decision.

GUARANTEED REGISTRATION ELIGIBILITY

Matriculated University of Washington students who remain in good scholastic standing are guaranteed the opportunity to register each quarter as long as they maintain continuous enrollment (Summer Quarter excepted). Continuation must be in the same classification, e.g., undergraduate, postbaccalaureate (fifth-year), graduate, etc. Once a student earns a bachelor's degree, he or she must apply for readmission as a postbaccalaureate (fifth-year), nonmatriculated, or graduate student. Exceptions to the guarantee are: (1) students under disciplinary action, (2) students with a financial hold, or (3) students not meeting their departmental continuation policy.

If an undergraduate does not enroll for one or more quarters, or if a graduate student goes on-leave, he or she must file an application for readmission, including payment of a \$25 application fee, with the Registrar's Office. Information on admission closing dates is available at Window 3, second floor, Schmitz Hall, or by calling 543-5920.

FULL-TIME STUDENT REQUIREMENT

To be considered a full-time student, an undergraduate must register for 12 credits and a graduate student must register for 9 credits. The full-time registration requirement varies for different agencies. Information on full-time requirements of the Veterans Administration, Immigration and Naturalization Service, and Social Security Administration may be obtained at 460 Schmitz. Consult the Financial Aid Office for its requirement on satisfactory student progress.

ENROLLMENT SERVICE FEE

The \$50 Enrollment Service Fee is not required for Summer Quarter. If a payment has been made for the coming Autumn Quarter, it cannot be credited to Summer Quarter fees. Summer Quarter fees are entirely separate from fees collected for the regular academic year and, therefore, credit balances in student accounts may not be applied to Summer Quarter tuition. Student account credit balances must be either refunded or applied to another quarter of the regular academic year.

NONMATRICULATED STUDENTS

During summer, nonmatriculated students receive the same priority as matriculated students for registration appointments, have equal access to departmental advisory offices, and may preregister for summer classes if they receive their admission and preregistration eligibility notification in time.

TUITION-EXEMPT FACULTY/STAFF

With the approval of their department heads, regularly admitted full-time UW faculty and staff members who have been employed six months or more may take up to 6 credits per quarter under the tuition exemption program. According to statute, all registrations must be on a space-available basis after other students have registered. Members of the faculty and staff who wish to utilize the exemption may not preregister; registration may occur no earlier than the last day of the registration period. Faculty/staff who register before the last day will not be eligible to use a tuition exemption that quarter. Registration appointments are not required. New faculty/staff enrolling as students must be officially admitted by the Office of Admissions by the regular admission closing date. Faculty/staff members who are former students returning, either in the same classification or as nonmatriculated students, should apply at the Registration Office, Window 8, second floor, Schmitz Hall, by May 15 and no later than June 13.

Employees should present their approved tuition exemption cards at Sections, Odegaard Undergraduate Library, according to the schedule listed below. A \$5 registration fee will be collected at the time of registration. The alphabetic priority will change each quarter. Regularly admitted faculty and staff members who are unable to meet this schedule may register late by paying a \$25 fee if registering by the tenth day of the quarter; \$75 if registering after the tenth day. Term *b*-only students may register through July 20 without a late fee; July 20-25 with a \$25 late fee; and after July 25 with a \$75 late fee.

Summer Quarter Registration date: June 13, 1984

Last names beginning with N-O-P (8-9 a.m.); Q-Z (9-10 a.m.); A-B (10-11 a.m.); C (11 a.m.-noon); D-E-F (noon-1 p.m.); G-H (1-2 p.m.); I-J-K (2-3 p.m.); L-M (3-4 p.m.); makeup (4-4:30 p.m.).

Tuition-exempt faculty/staff are not entitled to other student services such as those available at the Hall Health Center and the Intramural Activities Building. Therefore, UW student cards will not be issued to faculty and staff. Faculty/staff identification cards may be used for library services.

"ACCESS" PROGRAM FOR OLDER ADULTS

The University of Washington waives tuition for Washington residents sixty years or older who wish to attend classes as auditing students on a space available basis. The fee is \$5, whether one or two courses are attended. As auditors, students do not receive credit and are not expected to do laboratory work or to take examinations. Registration may be made in person on Wednesday, June 13, between 8 a.m. and 2 p.m. at the Sections branch office, in the basement of the Odegaard Undergraduate Library. Interested students should proceed to the area marked *Access*. For additional information on mail-in registration or about the program in general, telephone Continuing Education, 545-7418, between 9 a.m. and noon.

AUDITORS

Auditors, except Access program students, pay standard tuition and fees and must be regularly admitted and registered in the course. Although credits for audited courses will not be listed on the schedule of classes, they will be included in the billing on the fee statement.

Attendance in courses as an auditor is by consent of the instructor involved and is conditioned by the extent to which space is available. Permission to audit is ordinarily granted for lecture classes only. An auditor may not participate in class discussion or laboratory work, and his or her registration may be cancelled at the discretion of the instructor.

No entry is made on the permanent record for courses audited. To receive credit for an audited course, the student must register for the class for credit in a subsequent quarter.

Auditors follow registration instructions below:

DISABLED STUDENTS

Various support services, including priority registration, are available to students with disabilities. Contact the Coordinator for Disabled Student Services, 482 Schmitz, 543-8924, for information on equipment, technical aids, and accommodations to meet individual needs. *Access: University of Washington*, a guidebook to buildings on the campus, and an accompanying map may be obtained from the office.

Students with disabilities who register for a science laboratory class should telephone the Coordinator, 543-8924, and the academic adviser of that department immediately to evaluate whether some accommodation of the facilities will be necessary.

REGISTRATION INSTRUCTIONS

ACADEMIC ADVISER

Using the *Summer Quarter Bulletin* and the quarterly *Time Schedule*, plan your program of study for the summer. See an aca-

ademic adviser if you have questions about registration procedures, the courses you wish to take, or if approval of your quarterly program of study is required.

Nonmatriculated students may consult advisers in the academic department offering the courses they wish to take (adviser approval of summer programs is not required, however).

PREREGISTRATION

1. Eligibility

Preregistration is open to all students continuing from Spring Quarter, matriculated or nonmatriculated, and to new and returning students applying early enough to be notified of preregistration eligibility. Exceptions are tuition-exempt faculty/staff and older adults auditing under the Access program, who may register only during the last day of in-person registration (see General Information section for specific registration dates).

2. Submitting the Preregistration Form

Mark-sense registration forms are available at advisory offices and at Window 3, Registration Office, second floor, Schmitz Hall. Please note that some courses listed in the *Time Schedule* have restricted enrollment and will require entry cards. Also, undergraduates will not be scheduled for more than 19 credits until the first day of the quarter. This is done to allow all students a chance to develop basic programs.

Continuing students preregistering may turn in forms at:

- a. Registration lobby, second floor, Schmitz Hall
- b. B10 Padelford
- c. Fourth-floor student lounge, T-wing, Health Sciences Building

New or returning students preregistering must turn in forms at Schmitz Hall.

3. If you Miss Preregistration

Obtain in-person registration appointment beginning May 7 at Window 8, Schmitz Hall. Term *a* or full-quarter students registering after June 13 will pay a \$25 late registration fee; after June 29 the late registration fee will be \$75. Term *b*-only students may register through July 20 without a late fee; July 20-25 with a \$25 late fee; and after July 25 with a \$75 late fee. Late fees are to be paid at the Student Accounts and Scholarships Office, 129 Schmitz.

4. Schedule of Classes

All students who preregister will be scheduled by computer at one time. The scheduling priority is: freshmen, seniors, graduate students, postbaccalaureate (fifth-year), juniors, sophomores, and nonmatriculated. Schedules will be mailed May 25.

5. Registered Students

Students who preregister but are not scheduled into any courses are not considered registered students. They are not included on the current file of registered students, and are not eligible for preregistration the following quarter. Students in this category must submit a Former Student Application for the next quarter they wish to attend the University.

IN-PERSON REGISTRATION

1. Eligibility

In-person registration is primarily for newly admitted and returning former students who do not apply early enough to be eligible for preregistration or who miss preregistration. New students who miss the May 15 closing date for matriculated status may apply for Summer Quarter as nonmatriculated students. Former students in their same classification and applicants for nonmatriculated status may apply by mail through June 1; after June 1 they must apply in person. Former students apply in person at the Registration Office, second floor, Schmitz Hall; new students apply in person at the Office of Admissions, 320 Schmitz. When admission is confirmed, a registration appointment will be issued. Students applying in person June 7-13 may register at the same time they apply.

Continuing students who miss preregistration, tuition-exempt faculty/staff, and older students in the Access program also register during in-person registration. All students, except Access students, must be admitted to the University before attempting to register.

2. How to Register

See an academic adviser as indicated in the registration instructions that you received with your registration appointment.

Develop a schedule of classes selected from courses in the quarterly *Time Schedule*. List the classes on a worksheet, available from your adviser, or at Window 3, second floor, Schmitz Hall, and take it together with your registration appointment (or your faculty/staff exemption card) to the Sections branch office in the Undergraduate Library. If your registration appointment is for, or after, 4 p.m., try to see an adviser an hour early so that you can

arrive at Sections by the time indicated on the appointment. *Your classes will be scheduled while you wait.*

ENTRY CARDS

Certain courses and sections require entry cards for registration. Students who request these courses (and/or sections) on their registration forms will not be registered in the courses unless the requests are accompanied by entry cards. An entry card alone is not sufficient. The course and schedule line number (SLN on entry card) must also be requested on the mark-sense registration form. Obtain course entry cards for courses designated with the symbol >>> in the margin of the *Time Schedule*. Information on where to obtain entry cards is found in the body of the *Time Schedule*, either as a comment before the course listing or just after the title of the course.

LATE REGISTRATION

Students who apply and/or register after the official registration period will be charged a \$25 late registration fee, payable at the Student Accounts and Scholarships Office, 129 Schmitz, if registering by the tenth day of the quarter; \$75 after the tenth day of the quarter. Term *b*—only students may register through July 20 without a late fee; July 20-25 with a \$25 late fee, after July 25, with a \$75 late fee. Instructor signatures are required after June 22 for full-quarter and term *a* students and after July 20 for term *b* only students.

REGISTRATION CHANGES

1. Change Appointments and Late Fee

a) *All changes to a student's program should be completed during the official change period (see calendar).* Changes are made by appointment only. Appointments are available, beginning May 31, at Window 3, second floor lobby, Schmitz Hall. A student who arrives more than a half-hour late will be required to make a new appointment. Evening-only students may change their programs without an appointment any time after 5 p.m. and no later than 6:15 p.m. during the first three days of school; they should go directly to Sections in the Undergraduate Library cafeteria.

Students in the schools/colleges of Medicine, Dentistry, Nursing, Pharmacy, Public Health and Community Medicine, Ocean and Fishery Sciences, and Forest Resources may make changes during the first week of the quarter, without an appointment in the lobby of the T-wing, Health Sciences Building.

Engineering students may make registration changes in 110 Engineering Library. No appointments will be necessary during the first week of school for the engineering satellite registration station. Beginning the second week of the quarter, all changes will be made in 264 Schmitz.

Changes made after the official change periods cost \$20 and may result in fee forfeiture (see item 3 of this section).

b) *Students will be expected to present University of Washington Summer Quarter 1984 student identification cards when requesting appointments. Tuition-exempt faculty and staff present faculty/staff identification cards and copy of their program.* No more than one change appointment will be issued to a student at a time. Additional change appointments will be issued only after the initially assigned appointment has been used or has expired.

c) Credit changes in variable credit courses and changes to or from S/NS grading may be accomplished without change appointments during the change period. Changes to or from S/NS (Satisfactory/Not Satisfactory) grading must be made during the official change period.

d) Undergraduates in the College of Arts and Sciences must have their adviser's signature to carry more than 22 credits; 30 credits is the limit per quarter.

2. Grades in Dropped Courses and Drop Restrictions

After the Official Change Period, courses may be dropped under the following conditions:

Full-quarter courses

a. Dropped courses will not be entered on the student's record—through June 29.

b. Dropped courses will be entered on the student's record with a grade of W—July 2-13 (graduate students: July 2-August 3).

c. Undergraduate student deadline to drop full-quarter courses—July 13. A limited number of drops are permitted after this date (see below). No drops of any kind are permitted for full-quarter courses after the eighth week of instruction—August 10.

d. Graduate student deadline to drop full-quarter courses—August 3.

Term a courses

a. Dropped courses will not be entered on the student's record—through June 22.

b. Dropped courses will be entered on the student's record with a grade of W—June 25–29 (for both undergraduate and graduate students).

c. Undergraduate student deadline to drop term a courses—June 29. A limited number of drops are permitted after this date (see below). No drops of any kind are permitted for term a courses after July 11.

d. Graduate student deadline to drop term a courses—June 29.

Term b courses

a. Dropped courses will not be entered on the student's record—through July 25.

b. Dropped courses will be entered on the student's record with a grade of W—July 26–August 1 (graduate students: July 26–August 3).

c. Undergraduate student deadline to drop term b courses—August 1. A limited number of drops are permitted after this date (see below). No drops of any kind are permitted for term b courses after August 10.

d. Graduate student deadline to drop term b courses—August 3.

Undergraduate students may make a limited number of drops after the aforementioned deadlines. The number of late drops permitted depends upon the number of academic credits the student has completed at the University. While completing the first 44 credits at the University, the student has three drops permitted after the deadline, but before the last week of instruction. Any of these three drops not used by the time 45 credits are earned are forfeited. After 45 credits have been completed at the University, the student earns one late drop for each 45 credits earned. These may be accumulated and used as necessary. *No drops of any kind are permitted after July 11 for term a courses or after August 10 for term b courses and full-quarter courses.*

Graduate students do not earn late drops; they may drop courses only until the date specified.

Any student may petition the Registrar to drop a course after the regular drop deadline if: (1) the student is unable to complete the course in question due to a severe mental or physical disability, or (2) unusual and extenuating circumstances beyond the student's control prevented the student from dropping the course by the regular drop deadline. Petitions must be filed promptly after the occurrence of the event that gave rise to the need for dropping the course.

3. Fee Forfeitures or Refunds

All drops and adds made through June 22 will be reflected on your bill. Courses added after this date may result in additional fees, which are payable at the time of the change. Courses dropped may result in fee refunds, depending on the number of credits you continue to carry. Students who drop full-quarter and term a courses June 25–29 are eligible for a half refund of fee differential. Students who drop term b courses June 25–July 25 are eligible for a full refund of fee differential; students who drop term b courses July 26–August 1 are eligible for a half refund of fee differential. After these final dates, there is no reduction in the amount of tuition and fees owed.

Dropped courses become effective the date received in Sections.

4. Courses Added After the Official Change Periods

The instructor's signature is required for adding a full-quarter or term a course after June 22; a term b course after July 20.

Courses audited may not be changed to a credit registration after July 29 for full-quarter courses; after June 22 for term a courses; and after July 25 for term b courses.

SUMMER QUARTER FEES*

Credits	Undergraduate†	Graduate and Law‡
2 cr (min)	\$90	\$124
3 cr	\$133	\$186

4 cr	\$176	\$248
5 cr	\$219	\$310
6 cr	\$262	\$372
7 cr	\$305	\$434
8 cr	\$348	\$434
9 cr	\$391	\$434
Over 9 cr	\$434	\$434

* Fees are subject to change by the legislature.

† Includes postbaccalaureate (fifth-year) and nonmatriculated students.

‡ Fee schedule for students admitted to the Graduate School or School of Law.

Half-credit increments are charged at the next fee level. In contrast to academic year procedures, nonresident fees are not charged during Summer Quarter; nor is the \$50 enrollment service fee required. There is no reduction in fees for auditors. A separate fee schedule applies to medical and dental students.

Special Course and Laboratory Fees

The amounts listed in the above fee schedule normally cover University charges for course registration. Some courses, however, have extraordinary expenses associated with them, and in such cases the University may charge additional fees in amounts approximating the added instructional or laboratory costs.

FEE PAYMENT

1. You will be billed for tuition and fees based on the number of credits on your program at the end of the first week of the quarter, including courses added or dropped through June 22. The fee statement will be mailed on June 25 to the address you indicate at the time of registration. If you have not received your tuition billing by June 29, please contact the Student Accounts and Scholarships Office for the amount due. You may pay your fees in person in the Student Accounts and Scholarships Office or mail them to UW, Student Accounts and Scholarships Office, 129 Schmitz, PE-10, Seattle, WA 98195, before the tuition due date. Fees must be paid by Friday of the third week of the quarter whether or not you have received a statement. There is no late payment period.

If payment is not received by July 6, your registration will be canceled. *Even if your registration is canceled, you are obligated for one-half your tuition and fees unless you have officially withdrawn from your summer classes by June 22.*

2. If you have a scholarship or a grant, or will be receiving educational aid, you must pay the required fees if the notice of award is not on file at the Student Accounts and Scholarships Office.

3. If you are permitted to reregister after cancellation for non-payment, you will be assessed a \$75 reregistration fee. When you reregister, you must reregister for all classes on your original schedule.

4. Credit card checks are not accepted.

CHANGE OF ADDRESS

If you change your address after you have registered, be sure to complete a change of address form at the Registration Office. Forms are available at Window 3, second floor, Schmitz Hall. *You are responsible for notifying the Registrar's Office of any address change.*

STUDENT INSURANCE

UW students who remain registered through at least the first six days of instruction in the quarter are eligible to enroll in the student health insurance plan. The following students are not eligible:

1. Those enrolled only in programs administered by Continuing Education or Conferences and Institutes, including but not limited to extension, correspondence, independent study, continuing studies, noncredit courses, or the Access program; or

2. UW employees attending classes under the employee tuition exemption program.

Students who do not specifically request a particular student insurance plan or who do not specifically state they do not wish student insurance automatically will be enrolled and billed for *student only* medical, surgical, and hospital insurance.

If you are billed for student health insurance and wish to cancel your coverage, complete the appropriate section on the remittance copy of the billing statement and pay the amount billed less the indicated amount for insurance. If you wish to change or add coverage, you must do so in person in the Student Accounts and Scholarships Office by the date tuition is due. Tuition/fees and the

student health insurance premium must be paid in full by the due date to be eligible for health insurance.

International Students

International students must subscribe to the student insurance plan. Exceptions may be granted by the International Services Office if the student presents proof of other medical insurance coverage. Students are responsible for obtaining a waiver each Autumn Quarter (or upon initial admission if other than Autumn Quarter) because waivers are valid only through Summer Quarter each year. Students holding insurance policies that expire during the academic year are responsible for obtaining new waiver cards, as necessary.

To be eligible for the student health insurance, the student must pay, in full, tuition, fees, and the student health insurance premium by the due date. If the health insurance premium or waiver is not submitted by the tuition due date registration cancellation may result. International students who want coverage during the Summer Quarter and are not enrolled Summer Quarter must prepay the Summer Quarter premium during one of the preceding quarters.

WASHPIRG

An optional \$2 fee is indicated on the fee statement for the Washington Public Interest Research Group, a student research organization. If you do not wish to support this activity, simply pay the regular tuition and fees. If you want to support WASHPIRG, check the payment card and pay the regular tuition and fees plus \$2.

WASHINGTON STUDENT LOBBY (WSL)

An optional \$1 fee is indicated on the fee statement for the Washington Student Lobby (WSL), a voluntary, independent organization of University students whose purpose is to influence the state legislative process on matters of special interest to students. Students who do not wish to support this activity simply pay the regular tuition and fees. Students who wish to support WSL check the payment card and pay the regular tuition and fees plus \$1.

WITHDRAWAL FROM THE UNIVERSITY (DROPPING ALL COURSES FOR THE QUARTER)

1. If you register and subsequently wish to withdraw from all your summer classes, you must withdraw officially from Summer Quarter. Unofficial withdrawal by nonpayment of fees by the July 6 deadline results in a financial obligation of one-half your tuition and fees (term *b*-only registrants excepted).

2. Obtain a withdrawal form from the Withdrawal Office, 264 Schmitz, or from your advisory office. Some colleges and schools require adviser approval to withdraw from classes, but most students (including students in the College of Arts and Sciences and all nonmatriculated students) may withdraw in person or by writing directly to the Withdrawal Office.

3. Present or mail the withdrawal form to the Withdrawal Office, 264 Schmitz. Withdrawals are effective the date they are received in the Withdrawal Office; fee refunds or fees owed will be based on this date. No withdrawals will be accepted after July 11 for term *a* courses or after August 10 for term *b* and full-quarter courses. The fee schedule below will be followed:

Full-quarter or term *a*-only courses

a. Students withdrawing before the sixth class day of the quarter or term (June 25) do not pay tuition or fees.

b. Students withdrawing on the sixth through the tenth class day of the quarter or term (June 25-29) are obligated for one-half their tuition and fees.

c. Students withdrawing after the tenth class day of the quarter or term (June 29) are obligated for full tuition and fees.

d. Students whose registration is canceled for nonpayment of fees will continue to owe the University one-half their tuition and fees.

Term *b*-only courses

a. Students withdrawing on or before June 22 do not pay tuition or fees. Students withdrawing after June 22 and before the sixth class day of the term (July 26) are eligible for a full refund of tuition and fees.

b. Students withdrawing on the sixth through the tenth class day of the term (July 26-August 1) are eligible for a half refund of tuition and fees.

c. Students withdrawing after the tenth class day of the term

(August 1) receive no refund of tuition or fees.

d. Term *b*-only registrants who do not pay their tuition and fees by July 6 will have their registration automatically canceled. However, because this date occurs during the official withdrawal period for term *b*-only registration, these students are not obligated for one-half their tuition and fees.

4. Students who were unable to turn in their withdrawal on time because of extenuating circumstances may petition the Comptroller's Office. Petition forms are available in the Student Accounts and Scholarships Office, 129 Schmitz.

5. If you have been accepted for Summer-Autumn, withdrawal from Summer Quarter on or after June 18 does not affect your Autumn Quarter status. Withdrawal must, however, be official to guarantee Autumn Quarter space. Withdrawal from Summer Quarter prior to June 18 invalidates summer registration, and a new application for Autumn Quarter is required.

6. Courses dropped as part of a University withdrawal completed by June 29 for full-quarter registration and by June 22 and July 25 for term *a* and term *b* registration, respectively, receive no grade and no entry. Withdrawals after these dates result in the courses being assigned a grade of "W."

GRADING SYSTEM

The University of Washington uses a numerical grading system with certain exceptions in the schools of Dentistry, Law, and Medicine. Instructors may report grades from 4.0 to 0.7 in 0.1 increments and the grade 0.0. The number 0.0 is assigned for failing work or unofficial withdrawal. Grades in the range 0.6 to 0.1 may not be assigned. Grades reported in this range will be converted by the Registrar's Office to 0.0. For graduate students, grades reported in the range 1.6-0.1 will be converted to 0.0; 100-200-level courses are excluded from credits earned and grade-point averages although such grades are recorded on the transcript; for 300-level courses and courses numbered 600, 601, 700, 750, and 800 grades are recorded and credit is allowed, but grades are not included in the grade-point averages. Numerical grades may be considered equivalent to letter grades as follows:

Undergraduate/Graduate*

A	4.0-3.9	
A-	3.8-3.5	
B+	3.4-3.2	
B	3.1-2.9	
B-	2.8-2.5	
C+	2.4-2.2	
C	2.1-1.9	
C-	1.8-1.5	* Lowest grade earning credit
D+	1.4-1.2	for graduate students is 1.7.
D	1.1-0.9	
D-	0.8-0.7	Lowest passing grade for undergraduates.
E	0.0	Failure or Unofficial Withdrawal. No credit earned.

Additional information on grades and scholarship rules may be obtained from the Grade Information Office, 248 Schmitz.

Repeating Courses

Undergraduate courses may be repeated only if the original grade was lower than a 2.0. Courses may be repeated only once. Both the original grade and the second grade will be computed in the student's grade-point average but credit will be allowed once. Students repeating courses should so indicate on their registration form.

The Grade of Incomplete

In order to obtain credit for a course in which an Incomplete has been awarded, an undergraduate student must complete the remaining work for the course by the last day of the following quarter. An Incomplete grade for a Summer Quarter course must be made up by the last day of Autumn Quarter, or the Incomplete will be converted to a grade of 0.0 by the Registrar, unless the instructor has indicated when assigning the Incomplete grade that a grade other than 0.0 should be recorded if the incomplete work is not completed. This time limitation may be extended up to one year with instructor approval. Such approval must be received by the Registrar's Office before the end of the next quarter.

A graduate student who receives an Incomplete must complete the remaining work for the course by the last day of the next quarter in residence. An Incomplete received by a graduate student does not automatically convert to 0.0 but remains an Incomplete if the course work is not completed. This time limitation may be waived by the dean of the college in which the course was offered only if the nature of the uncompleted work is such as to make the fulfillment of this requirement impossible. In no case can an Incomplete received by a graduate student be converted to a passing grade after a lapse of two years. The Incomplete grade entry remains on the record permanently. When the final grade is received, it is posted under the quarter in which the final grade is received.

Satisfactory/Not Satisfactory

Students may elect to take certain courses on a Satisfactory/Not Satisfactory basis. Advisers should be consulted, and in no case are students allowed to register for more than one course or 6 credits on a Satisfactory/Not Satisfactory basis in a given quarter. No more than 25 S/NS credits will apply to an undergraduate degree. *S/NS must be elected or dropped during the official change of program period.* Undergraduate students earning grades of 1.7 or above receive a grade of S (Satisfactory) while grades below 1.7 are recorded as NS (Not Satisfactory). Graduate students earning grades of 2.7 or above receive a grade of S (Satisfactory), while

2.6 or below are NS (Not Satisfactory). No credit is awarded for an NS grade. In cases of withdrawal, the W is recorded. Neither S nor NS is included in the grade-point average. N, I, or X are recorded until the instructor reports the final grade, or in cases of incompletes received by undergraduates, until the I is converted by the Registrar. With the approval of his or her Graduate Program Adviser or Supervisory Committee Chairperson, a graduate student may elect to take any course for which he or she is eligible outside of his or her major academic unit on a S/NS basis.

Credit/No Credit-Only Courses

Some courses are offered on a CR/NC-only basis. It is not necessary to register S/NS to take these courses, because the only grades assigned by the instructor are CR (Credit) or NC (No Credit). Neither CR nor NC is included in the grade-point average. In cases of withdrawal, a W is recorded. N, I, or X are recorded until the instructor reports the final grade, or in cases of incompletes received by undergraduates, until the I is converted by the Registrar.

FINAL EXAMINATIONS

There is no separate final examination week during Summer Quarter. Finals are ordinarily given during the last scheduled class unless all students and their instructor agree on another time.

INDEPENDENT STUDY THROUGH CORRESPONDENCE

The Office of Independent Study provides University courses for correspondence credit primarily by correspondence instruction to persons who wish to study independently. Fees for Independent Study courses are separate from residence tuition and are \$28 per credit. Enrollment is not based on the quarter system but is continuous throughout the year, with one calendar year allowed to complete a course.

A regularly enrolled student who wishes to register for additional courses for Independent Study credit should consult his or her departmental advisor prior to enrolling in an Independent Study course. Applications and additional information on enrollment procedures may be obtained from the Independent Study office, 222 Lewis, or by telephoning 543-2350.

The following courses are currently offered by Independent Study (credits in parentheses; * indicates variable credit, to be arranged by student and instructor).

Stamp out forest fires.

It doesn't take much to start a forest fire. A cigarette ember nestled in some leaves. A match that's not completely cooled. Or a campfire cinder that has made its way into the brush. That's all it takes to destroy millions of acres, and thousands of living creatures.

It doesn't take much to prevent forest fires either. Making sure your cigarette or

match is absolutely lifeless, and that your campfire has been doused with water, and covered with soil.

Carelessness with fire affects all of us who love the forest. And we think it's about time we all put our foot down.

**THE SCHOLARSHIP
THAT LEADS ENGINEERING
STUDENTS RIGHT
INTO MANAGEMENT.**

There's a lot more to an Army ROTC scholarship than tuition, books, lab fees, supplies and up to \$1,000 per school year for living expenses.

There's leadership. You start sharpening your ability to lead while you're still in engineering school. So when you graduate as a second lieutenant, you're ready to take charge.

You're trim, fit. You know how to motivate people. And you're capable of managing the thousands of dollars worth of equipment you're in charge of.

And as you progress, you'll discover increasing opportunities to advance your engineering skills, to attend graduate school, while you serve your country.

All the while, you'll be acquiring the management skills that industry leaders look for.

So look into an Army ROTC scholarship. Talk it over with the Professor of Military Science on your campus. Or write: Army ROTC, Dept. JA, P.O. Box 9000, Clifton, N.J. 07015.

And start your move into engineering and management.

**ARMY ROTC.
BE ALL YOU CAN BE.**

HELP WANTED?

YOU'VE GOT IT.

The career that truly satisfies and fulfills you is more than a job that earns you a living—it comes from enjoying the work you have chosen. Career Planning Today is designed to set you on course, and keep you moving ahead on a career path that will be both rewarding and satisfying.

Not just another job hunting book. Career Planning Today is addressed to everyone who seeks a managerial, technical or professional position. It is built upon the sound career planning concepts of assessment, exploration and job search. It shows you how to take a meaningful look at yourself and your range of job options.

You'll find Career Planning Today is a practical guide, logically organized, and written in an easy reading style with useful graphics. Here are proven concepts, strategies and techniques to dispel job search confusion, remove chance luck and make the employment system work to your advantage.

The usefulness of Career Planning Today extends far beyond the one-shot job hunt in the scope and depth of its coverage.

Be in charge of your career.

The right start is just the beginning. It is never too early or too late to plan your career. Remember, career planning is a continuous activity that peri-

odically interfaces with serious job search activity. That's why freshman to graduate student to experienced professional can all benefit from Career Planning Today.

Here is an outline of the invaluable guidance and practical step-by-step advice you'll find in its pages.

- **Part I: Planning Your Career.**
The search for employment—goal setting—self assessment—exploring options—work environments—management careers—career decision making.
- **Part II: Organizing Your Career.**
Finding and getting the job—search systems and strategies—marketing and creative searches—resume preparation—cover letters—interviewing techniques and presentations—employment correspondence—continuing education.
- **Part III: Controlling Your Career.**
Career management—planning and organizing toward long-term career goals.

As you'll see, the book is action-oriented—filled with exercises, projects, examples, tools, strategies and techniques—all explained in detail. What's more, Career Planning Today is market-oriented to the realities of today's employment climate, and shows you

how to maximize your educational investment into a positive return.

Your authoritative resource.

Career Planning Today is used in hundreds of college career planning courses and job search seminars and workshops. The author, Dr. C. Randall Powell, is a nationally recognized expert and Director of Placement at Indiana University, one of the largest college placement programs in the nation.

The book totals 308 pages, measures 8½ x 11 and comes in a useful paperback format. The cost: only \$11.95 including postage. Send the coupon or write: Career Communications, P.O. Box 1481, Bloomington, IN 47402.
