STAR REGISTRATION

The University of Washington's touchtone telephone registration system is referred to as STAR-Student Telephone Assisted Registration. STAR registers students in course sections immediately and accommodates subsequent course adds and course drops, immediate alternative section availability if the requesting sections are closed or cancelled, spoken listing of confirmed registration schedule, and open/closed status of course sections. The touchtone telephone registration system is available through the fifth class day of the quarter. Refer to section "How to use STAR."

REGISTRATION PERIOD I

April 30 - May 30
via STAR

6 a.m. to 12 midnight, Monday-Friday

STAR is closed May 28 for Memorial Day. STAR will close 6 p.m. May 30 to produce Registration Confirmations and ID Cards.

ELIGIBILITY. This period is open to continuing students currently enrolled Spring Quarter 1990, matriculated and nonmatriculated, and to new and returning students applying early enough to be notified of registration eligibility. Students may call STAR to make changes to their schedules after initial registration.

REGISTRATION CONFIRMATION AND ID CARDS. Students registering through May 30 will have their Registration Confirmations and ID Cards mailed on June 4.

REGISTRATION PERIOD II

May 31 - June 15
via STAR

6 to 12 midnight
Monday - Friday

STAR will close at 6 p.m., June 14 to produce Class Lists.

ELIGIBILITY. This period is open to continuing students who were enrolled Spring Quarter 1990, and to newly admitted students and returning former students who did not apply early enough to be eligible for Registration Period I, or who missed this period.

REGISTRATION CONFIRMATION AND ID CARDS. Registration Confirmations and ID Cards will be mailed in two working days following a completed registration transaction. Call 543-3868 to record your current address.

CHANGE OF REGISTRATION CONFIRMATIONS. Registration Change Confirmations will be mailed periodically. Students may also confirm their registration schedules by calling STAR and using the List Schedule Transaction (L.#). This listing includes building and classroom locations.

REGISTRATION PERIOD III

June 16 - 24
via STAR

12 noon to midnight, Saturday and Sunday
6 a.m. to 12 midnight, Monday-Thursday
6 a.m. to 6 p.m., Friday
or via

Registration, 225 Schmitz, 8 a.m. - 5:00 p.m., Monday-Friday

ELIGIBILITY. This period is open to all students for late registration and for changes to registration. A \$25 late registration fee is assessed and billed to students registering during this period, except for faculty/staff tuition exempt and ACCESS students.

Students are encouraged to register and complete changes to registration prior to this period since many course sections will be closed, and completing a schedule will be difficult.

NEW REGISTRATION CONFIRMATIONS AND ID CARDS. Registration Confirmations and ID Cards will be mailed in two working days following a completed registration transaction. Call 543-3868 to record your current address.

CHANGE OF REGISTRATION CONFIRMATIONS. Change confirmations will be mailed on June 26. Students may also confirm their registration schedules by calling STAR and using the List Schedule Transaction (L.#). This listing includes building and classroom locations.

REGISTRATION PERIOD IV

June 25 - August 10
Registration, 225 Schmitz
8 a.m. - 5 p.m. Monday-Friday

During this period, a \$20 fee is assessed for changes of registration. Late registrants are assessed a late registration fee. STAR is not in operation during this period, and entry codes are no longer valid. Therefore, you must register or change your registration at the Registration Office.

ADDING, DROPPING COURSES. Refer to the Student Action Guide.

SPECIAL DATE COURSES

In general, the registration, fee payment, and grading requirements of special-date courses will depend on whether the course is identified as an *a*, *b* or full-quarter course.

For courses that begin or end on dates other than the standard dates of *term a*, *term b*, or full quarter, observe the following:

Late registration fees. A \$25 late registration fee will be charged after the first day of the course.

Dropladd fee. A \$20 drop/add change fee will be assessed for either dropping or adding a special-date course after the first day of the course.

Tuition refunds. Full refund is possible if course is dropped no later than the first day of course instruction. One-half refund is possible if course is dropped during the first 40 percent of course. After 40 percent of the course is completed, no refund.

Grading. No grade and no entry on record if course is dropped by first day. Free drops permitted with "W" grade through first 40 percent of course. No drop permitted after 40 percent of course is completed except limited peremptory drops as available to each student. No drops of any kind are permitted on last day of course.

LATE REGISTRATION

Students whose initial registration occurs after June 15 (July 18 for *term b* courses) will be charged a late registration fee.

| Type of Course | Registration Date | Late Registration fee |
|----------------|-------------------|------------------------|
| full-quarter | June 16 - June 29 | \$25 (\$75 thereafter) |
| <i>term a</i> | June 16 - June 29 | \$25 (\$75 thereafter) |
| <i>term b</i> | July 19 - July 25 | \$25 (\$75 thereafter) |

FINAL EXAMINATIONS

There is no separate final examination week during Summer Quarter. Finals are given during the last scheduled class unless all students and their instructor agree on another time.

FACULTY/STAFF TUITION EXEMPTION

June 8, UW faculty/staff tuition exemption request card due to
Registration, 225 Schmitz, PD-10.

REGISTRATION June 13, 15, 6 a.m. to midnight, via STAR
REGISTRATION June 14, 6 a.m. to 6 p.m., via STAR

APPROVAL REQUIRED. With the approval of their department administrator, regularly admitted full-time UW faculty and staff members who have been employed six months or more may take up to 6 credits per quarter under the tuition exemption program. According to legislative action, all registrations must be on a space-available basis after other matriculated students have registered.

ADMISSION STATUS. Matriculated-faculty/staff members who wish to enroll as new matriculated students or to be a new matriculated category must apply to the Office of Admissions, 320 Schmitz Hall, by the regular admission closing date; May 15 is the closing date for Summer/Autumn applications.

Nonmatriculated-faculty/staff members who are applying as new nonmatriculated students should apply at the Office of Admissions. Applications will be accepted up to the beginning of the quarter.

Returning student-faculty/staff members who are former students returning in the same classification or as nonmatriculated students should apply at the Registration Office, window 3, 225 Schmitz Hall. Applications will be accepted up to the beginning of the quarter.

HOW TO REGISTER. Mail, or present in person, an appropriately signed UW Faculty/Staff Tuition Exemption Request Card to the Registration Office, 225 Schmitz, Mailstop PD-10. This card must be received no later than June 8 so that the tuition exemption status will be recognized when STAR is called this quarter. Complete the STAR Work Sheet before calling in. **FACULTY AND STAFF WILL NOT BE PERMITTED TO CONVERT TO THE TUITION EXEMPTION PROGRAM IF THEY HAVE ALREADY REGISTERED FOR SUMMER QUARTER PRIOR TO JUNE 13, AND THEY WILL BE REQUIRED TO PAY REGULAR TUITION FOR THOSE CREDITS.**

Tuition-exempt faculty/staff are not entitled to other student services such as those available at the Hall Health Center and the Intramural Activities Building. Therefore, UW student cards will not be issued to faculty and staff. Faculty/staff identification cards may be used for library services.

FEE PAYMENT. The \$5 registration fee will be billed, but only if registration has successfully occurred. Do not send a \$5 payment until a bill has been received.

LATE REGISTRATION. If registration or drop/add is necessary the first week of the quarter, use STAR. The late registration fee will not be assessed during this period for faculty and staff in the tuition exemption program.

ACCESS PROGRAM FOR OLDER ADULTS

June 13, 8 a.m. to 5 p.m.
Registration Office, 225 Schmitz Hall

The University of Washington waives tuition for Washington residents sixty years or older who wish to attend classes as auditing students, on a space-available basis. The fee is \$5, whether one or two courses are attended. As auditors, they do not receive credit and are not expected to do laboratory work or to take examinations. A transcript is not maintained. Students who attend the University under the Access program are limited to two courses per quarter.

Registration may be made in person or by mail. For additional information about the program in general, telephone UW Extension Student Services, 543-6160, between 8 a.m. and 5 p.m., weekdays.

ACADEMIC ADVISING

Students are strongly encouraged to see an academic adviser to discuss their educational objectives, to assess progress toward completion of requirements, and to learn procedures involved in registering at the University. It is wise for students to make appointments with advisers and to have ideas of courses they would like to take by reviewing the General Catalog and the quarterly Time Schedule before the advising session. If students fail to maintain contact with their advisers and problems develop with degree programs, these problems are the students' responsibilities. The consequence may be additional time to complete degree programs.

HOW TO USE STAR

1. TOUCHTONE TELEPHONE. Use only a touchtone telephone to make entries on STAR. Touchtone phones make a different tone after each key is pressed. Telephones that make no tone or only a monotone will not work on the registration system. Your touchtone phone acts as a computer keyboard, enabling you to enter your course requests just as if you were sitting at a computer terminal. Within minutes, you will know your confirmed schedule.

2. CALLING STAR. STAR is available, during published registration dates and times. STAR is closed on holidays and may close earlier than 12 midnight on a few days to produce registration confirmations, ID cards, and instructors' class list. If STAR does not answer your call, it is not in operation. If the phone line is busy, all lines are being used. Call back later. You may call STAR during, or after, your initial registration date to add, drop, check section status, etc.

3. VOICE RESPONSE. A voice response will guide you after each transaction. If you do not understand a response or instruction and would like it repeated, press the star key (*) first, and then the number sign key (#).

4. IF YOU MAKE A MISTAKE. If you make a mistake before finishing an entry, press the star key and the number sign key (*#), and your entry will be discarded.

5. TO SPEED UP YOUR REGISTRATION. To expedite your registration, you may enter data during the voice response. Be cautious about doing this, since you may miss some important information such as when and where to obtain your Registration Confirmation and ID Card.

6. DISCONNECT ACTION. Time limits are built into the system, so if you are holding on the STAR line for an extended period of time, you will be disconnected. Error limits are also a part of the STAR system, so if you do not enter the correct information after the second try, STAR will disconnect. You may immediately call back to STAR.

7. TRANSACTIONS. The transactions you enter on your touchtone telephone communicate to the computer what action to take (such as add a course, drop a course, check a section status, etc.) and what data you want considered. The transaction code legend follows:

- A = Add a course
- D = Drop a course
- L = Hear a spoken listing of your assigned courses
- S = Check the open or closed status of a course
- T = Terminate your call and get information on how to obtain your Registration Confirmation and ID card
- * = Star key; used to separate data
- # = Number sign key; used to send transactions that you enter

8. ENTRY CODES. Entry codes are five digit random numbers issued to you by academic departments as authorization to enroll in restricted course sections. Academic departments have the ability to establish varying levels of enrollment control for course sections in each registration period, or they can maintain the same level of control throughout.

Courses requiring entry codes are designated with the symbol > to the left of the schedule line number (SLN) in the *TIME SCHEDULE*. Please note that departments reserve the right to require entry codes whether the course is so designated in the *TIME SCHEDULE* or not. Usually information on where to obtain entry codes is found in the body of the *TIME SCHEDULE*, either as a comment before the course listing or just after the title of the course. Contact the department offering the course if STAR advises you an entry code is required and the location for obtaining one is not identified in the *TIME SCHEDULE*.

Once you have used an entry code, the computer removes it from the list of viable codes and will not accept it again. If you drop a section that required an entry code to add, then you must obtain another entry code from the department if you wish to readd the section.

When you use an entry code to register, it becomes a part of your registration record, and is visible with your name on computer terminal

screens. Entry codes are valid only through the fifth day of the quarter. Beginning the sixth day, you must obtain departmental authorization signatures to add courses using standard Add/Drop cards. These cards must be submitted in person at the Sections Office, 264 Schmitz Hall, and a \$20 change fee will be assessed.

9. LECTURE/LAB/QUIZ/CONFERENCE. These are combined under one SLN for each possible combination of time and day. On STAR, when you register for a course SLN associated with a lecture, lab and/or quiz or conference, you will be registered for all the lecture, lab, quiz or conference combination as listed under one SLN in the *TIME SCHEDULE*.

10. ALTERNATE SELECTIONS. If the section requested is closed you will be informed by STAR of open section alternates (including new sections added after the publication of the quarterly *TIME SCHEDULE*). You can then immediately select an alternate section to be added to your schedule. Have a pencil ready and be prepared to write down schedule line numbers (SLN) and meeting times of alternate sections.

11. TIME CONFLICT. You may not register on STAR for two courses that meet at the same time or for courses with overlapping meeting times. If you want the second course instead of the one you are registered for, you must drop the first one before adding the second course on STAR. If you want two time-conflicting courses, you must add the second course, in person, at the Registration office, 225 Schmitz during any registration period, or at one of the satellites during Registration Period III. Time conflicts of more than one hour require instructors' signatures for both courses involved.

12. REGISTRATION HOLDS. If you have a hold on your registration, you will not be permitted to complete your registration until the hold has been released by the initiating office. If you attempt to register on STAR before your hold has been released, the voice response will indicate which office has placed the hold, and where to go to get it released.

13. ELECTING S/NS GRADING OPTION. You may register for a course on STAR, but you must go in person to the Registration Office, 225 Schmitz, to elect the Satisfactory/Not Satisfactory grading option.

14. AUDIT. Audit registrations will not be processed by STAR, but must be completed in person at the Registration Office, 225 Schmitz Hall.

15. CREDIT LIMITATIONS. Undergraduates will be limited to 19 credits during Registration Periods I and II to allow all students a chance to develop a basic schedule. Additional credits may be added during Registration Period III. Thirty credits is the limit per quarter.

16. VARIABLE CREDITS. Some courses are offered for a variable number of credits. See the department to obtain the appropriate number of credits for a variable credit course and be prepared to enter the number of credits when requested to do so by the voice response on STAR. To change variable credits, go to the Registration Office, 225 Schmitz.

17. SECTION II ON STAR WORKSHEET. Since Section II requires selection decisions only during your first telephone call this quarter, you may proceed directly from Section I to Section III through Section VIII in a random manner when making subsequent calls.

STAR will not accommodate changes of your initial decisions in SECTION II. You must go in person to the Registration Office, 225 Schmitz Hall to modify selections. Faculty/staff using tuition exemption program will not be asked to make decisions for Section II.

18. MERLIN TELEPHONE. If using an AT&T Merlin telephone to call STAR, press the # sign key twice to send transactions.

19. QUESTIONS. If you have questions regarding registration, please call the Registration Office, (206) 543-5875, Monday through Friday, from 8:00 a.m. to 5:00 p.m.

FOLLOW THESE STEPS BEFORE CALLING STAR

- STEP 1. Read the Registration Periods, How To Use STAR, and the STAR Work Sheet sections of this *Time Schedule* carefully.
- STEP 2. Academic advising is highly recommended, and it is suggested that you make an appointment with your adviser before registering. Use the Trial Schedule Form provided below to draft your schedule.
- STEP 3. Obtain entry codes from departments for courses requiring entry codes.
- STEP 4. Organize your registration materials (*Time Schedule, STAR Work Sheet*). Use the *Summer 1990 TIME SCHEDULE* to obtain the schedule line number (SLN) for each course section. SLN's change every quarter. Develop your program on the Trial Schedule Form. Prepare an alternate course section list because some sections may be full. Complete the STAR Work Sheet. By completing the work sheet before calling STAR, you will have all the information you need at your fingertips, and will reduce the chances of being disconnected.
- STEP 5. Take care of all University financial obligations before calling STAR, since STAR will not permit you to register if there is a "hold" on your registration.
- STEP 6. Call STAR from a touchtone telephone and begin with Section I on the STAR Work Sheet. You will be asked to provide information in Section II during your first telephone call to STAR. Always exit STAR using the "T" transaction following by the number sign key (#) so that you can find out how to obtain your Registration Confirmation and ID Card.
- STEP 7. Remember once you have initially registered, you can call STAR as often as you want to check the status of sections, have your confirmed schedule listed, or add/drop courses.

SECTION VIII

1. ADDRESS CHANGE TELEPHONE SERVICE - CALL 543-3868. Students are responsible for notifying the Registrar's Office when their address changes. An Address Change Telephone Answering Service is available 24 hours a day, seven days a week for changes of local/permanent addresses and telephone numbers, restricting release of directory information, and where to mail registration confirmations, ID cards, tuition billing statements, and final grades. Students should always leave a forwarding address with the U. S. Postal Service whenever they move. You may also change your address in person at the Registration Office, window 5, second floor, Schmitz Hall.

If you have applied for financial aid, you must also report your address change to the Office of Financial Aid.

2. CLASS ATTENDANCE GUIDELINES. To provide enrollment space for others, students who do not attend regularly scheduled class meetings during the first week of the quarter are subject to being dropped at the discretion of the teaching departments. Affected courses will be identified in the *TIME SCHEDULE* and posted in departmental offices.

Students must not assume that departments will automatically initiate a drop for nonclass attendance. Students who register for courses they do not attend are themselves responsible for officially dropping the courses through the Registrar's Office. The consequence of not officially dropping courses is a 0.0 grade.

Students should contact the instructor or teaching department if they plan to be absent any day during the first week of the quarter.

No person, other than a faculty member attending informally with the approval of the instructor, may attend a University course in which that person has not been officially registered through the Registrar's Office. An instructor may allow a student to attend his or her class only if the student's name appears on the official class list from the Registrar's Office.

3. REGISTRATION TAMPERING. A student who tampers or attempts to tamper with the registration records of another student including but not limited to dropping courses and adding courses may be subject to disciplinary sanctions as defined in the Student Conduct Code (WAC 47B-120).

4. SECURING YOUR REGISTRATION DATA. If, for any reason, you believe that another person might tamper with your registration on STAR and you want to avoid this possibility, you may go to the Registration Office, second floor, Schmitz Hall and request a security code. Ask for the Security Code Request Form and identify the 6 digits you wish to use instead of your date of birth when accessing STAR each quarter.

5. FULL-TIME STUDENT REQUIREMENT. To be considered a full-time student, an undergraduate or professional student must register for 12 credits and a graduate student must register for 9 credits. However, it is important to note that various and differing criteria and standards for full-time enrollment exist for participatory eligibility, e.g., Department of Veterans Affairs, athletic eligibility, Bureau of Indian Affairs, Vocational Rehabilitation, and various forms of financial aid. Information on full-time requirements of the Veterans Administration and the Immigration and Naturalization Service may be obtained at 460 Schmitz. Consult the Financial Aid Office for its requirement on satisfactory student progress.

6. OVERLOAD GUIDELINES. For reasons of public safety and instructional quality, course enrollment in each section will be limited to not more than the approved classroom capacity. The Registrar's Office monitors course enrollments for full quarter courses according to the following guidelines:

a. Through the fifth class day, students may add a section without permission unless the class is full or requires permission; then an entry code is required. The Registrar's Office will accept course overloads up to 115% of classroom capacity when the student presents an entry code from either the instructor or authorized person in the department.

b. From the second through the fifth week, overload authorization signatures will be accepted up to 105% of classroom capacity.

c. Beginning the sixth week, no course registration will be accepted without co-signatures by both the instructor and the department chairperson. Registration will not be permitted if enrollment has reached 100% of classroom capacity.

7. \$20 CHANGE-OF-REGISTRATION FEE. The \$20 change-of-registration fee is assessed uniformly for all registration schedule changes made after the fifth class day of each quarter. The \$20 fee is a service charge, and not a penalty.

There is no charge for changes made in Registration Periods I, II and III. This "free" period gives students an incentive to complete their schedule before the quarter is too far advanced.

Fee waivers are rarely approved. If you think your change is necessitated by a University error or is at the University's request, you must pay the fee and complete a petition for a refund. The petition will be sent to the Dean of your college for a decision. You will be notified of the decision by the Registrar's Office. The fee will be waived only if the change is necessitated by a University error or is at the University's request.

8. COMPLETE WITHDRAWAL FROM THE UNIVERSITY. (Dropping all courses for the quarter). It is the student's responsibility to withdraw completely if he or she is unable to attend for the quarter. Students must write the Registration Office, 225 Schmitz Hall, Mailstop PD-10, University of Washington, Seattle, Washington, 98195. Complete withdrawal for the quarter is not available via STAR.

Tuition owed will be based upon the date the complete withdrawal is received in the Registration Office. No withdrawals are accepted after the last day of instruction for the quarter.

Courses dropped as part of a complete withdrawal from the University during the first two weeks of a quarter are not recorded on the student's UW transcript; however, the date of the complete withdrawal is recorded.

The forfeiture schedule for completely withdrawing from the University is as follows:

No withdrawals will be accepted after July 11 for *term a* courses or after August 10 for *term b* and *full-quarter* courses. The fee schedule below will be followed:

Full-Quarter or term a-only courses.

- a. Students withdrawing by the fifth day of the quarter or term (June 22) do not pay tuition or fees.
- b. Students withdrawing on the sixth through the tenth class day of the quarter or term (June 25- June 29) are obligated for one-half of their tuition and fees.
- c. Students withdrawing after the tenth class day of the quarter or term (June 29) are obligated for full tuition and fees.
- d. Students whose registrations are canceled for nonpayment of fees will continue to owe the University one-half their tuition and fees.
- e. International students who are registered for an English as a Second Language course must make a separate request for a refund for that course by contacting the ESL Office in 102 Lewis Hall at the same time they withdraw from the University.

Term b-only courses

- a. Students withdrawing on or after June 25 and before the sixth class day of the term (July 26) are eligible for a full refund of tuition and fees.
- b. Students withdrawing on the sixth through the tenth class day of the term (July 26- August 1) are obligated for one-half of their tuition and fees.
- c. Students withdrawing after the tenth class day of the term (August 1) receive no refund of tuition and fees.
- d. *Term b-only* registrants who do not pay their tuition and fees by July 6 will have their registration automatically canceled. However, because this date occurs during the official withdrawal period for *term b-only* registration, these students are not obligated for one-half their tuition and fees.

Students who were unable to turn in their withdrawal on time because of extenuating circumstances may petition the penalty. Petition forms are available in the Student Accounts and Scholarships Office, 129 Schmitz.

If you have been accepted for Summer-Autumn, withdrawal from Summer Quarter on or after June 18 does not affect your Autumn Quarter status. Withdrawal must, however, be official to guarantee Autumn

Quarter space. Withdrawal from Summer Quarter prior to June 18 invalidates summer registration, and a new application for Autumn Quarter is required.

Courses dropped as part of a University withdrawal completed by June 29 for *full-quarter* registration and by June 22 and July 25 for *term a* and *term b* registration, respectively, receive no grade and no entry. Withdrawal after these dates results in the courses being assigned a grade of "W."

Students are required to turn in their student ID cards when they withdraw from the University and are not eligible to continue using University services or facilities after their withdrawal.

9. UNDERGRADUATE SATISFACTORY PROGRESS. Students admitted to the University to pursue baccalaureate degrees are expected to make satisfactory progress toward the attainment of that degree, and are expected to enter a major and graduate after completion of a reasonable number of credits. Refer to the *GENERAL CATALOG* for additional information.

10. STUDENT DIRECTORY INFORMATION. The University will routinely release student directory information, unless requested otherwise by the student. Directory information is defined as student's name, address, telephone number, place of birth, major field of studies, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous educational institution attended by the student.

11. DISCLOSURE OF STUDENT RECORDS. As a general rule the University will not release a student's education records to a third party without written consent of the student. The complete University policy on student education records and the location of such records may be found in the Washington Administrative Code under WAC 478-140. Manuals containing the Code are available at Reference Stations on campus, and at the Visitor's Information Center, 4014 University Way NE. The policy covers such items as accessibility, review and expunging of inaccurate records, and costs to be charged for copies of student records.

12. FOLLOWING RULES AND REGULATIONS. It is the University's expectation that a student will follow University rules and regulations as they are stated in the *GENERAL CATALOG*. In instances where no appeal procedure is spelled out and the student believes that a special set of circumstances makes appeal reasonable, he or she may appeal the application of specific rules or regulations to the office of the dean of the school or college in which he or she is enrolled in the case of an academic matter, or to the Office of Student Affairs in the case of a nonacademic matter. These offices will either render a decision on the appeal or refer the student to the proper office for a decision.

13. EQUAL OPPORTUNITY. The University of Washington provides equal opportunity in education without regard to race, color, creed, religion, national origin, sex, sexual orientation, age, marital status, disability, or status as a disabled veteran or Vietnam era veteran in accordance with University of Washington policy and applicable federal and state statutes and regulations.

14. SEXUAL HARASSMENT GRIEVANCE PROCEDURE. Students, as well as members of the faculty and staff, who wish to file a complaint regarding sexual harassment may contact either of the two offices listed below:

Ombudsman for Sexual Harassment, (206) 543-0283

Human Rights Office, (206) 543-7217

Personnel in these offices will be available to discuss and provide assistance in resolving the complaint.

15. INTERNATIONAL STUDENTS must subscribe to the student insurance plan unless they are covered by another plan. Refer to the *STUDENT INSURANCE* section for more details.

16. DISABLED STUDENTS. Various support services, including priority registration, are available to students with disabilities. Contact the Coordinator for Disabled Student Services (DSS), 482 Schmitz, 543-8924, 543-8925 TDD, for information on equipment, services, accessibility, and accommodations to meet individual needs.

Students with disabilities who require special accommodations for science labs, internships, etc., should contact the DSS Coordinator and the academic adviser of that department immediately to work out appropriate services.

The STAR Work Sheet and Instructions are available from DSS in alternate media, including tape recording, large print and braille. Students with disabilities which would limit their ability to use STAR may register through DSS or at the Sections Office, 264 Schmitz Hall.

17. THE ASSOCIATED STUDENTS OF THE UNIVERSITY OF WASHINGTON (ASUW). The Associated Students of the University of Washington is a voluntary association of students designated by the University Regents to carry out a variety of student activities. In order to vote in ASUW elections or hold ASUW office students must be members. Student's membership choice will not affect tuition payment in any way. Information about the ASUW can be obtained from the ASUW Office in, Room 204L Student Union Building.

18. PLACEMENT CENTER. The Placement Center provides comprehensive career and job search information and services for students and alumni to facilitate their transition from academic programs of the UW to the broader society. Services are available to UW students and alumni who are registered with our office. Registration is free for students; alumni must pay applicable fees for the period of time during which services are desired.

Types of services offered include individual career counseling, job search seminars, a career information library, a Minority Job Placement Program, on-campus interviews, job opportunity bulletin, a placement/credential file services, and career-and degree-related program, students must attend an orientation session. For more information, please come by the Placement Center at 301 Loew Hall, FH-30, or call (206)543-0535.

19. UW ID CARD. Carry your UW ID Card with you at all times since it is required for a variety of transactions and services on campus. In some situations, you may be asked to provide additional pieces of identification, including one containing your photo.

GRADING INFORMATION RELATED TO REGISTRATION

PEREMPTORY DROP (UNDERGRADUATES)

While completing the first 44 credits at the University, a student has three preemptory drops permitted after the fourth week. Any of these three drops not used at the time 45 credits are earned are forfeited. After 45 credits have been completed at the University, the student earns one late drop for each 45 credits earned. These may be accumulated and used as necessary.

HARDSHIP WITHDRAWAL

Hardship withdrawals are for dropping single courses only. See section on Complete Withdrawal from the University for procedure to follow for dropping all courses for the quarter; no petition is required to drop all courses.

A student may petition the Registrar for a hardship withdrawal if: (1) the student is unable to complete the course in question because of a severe mental or physical disability, or (2) unusual or extenuating circumstances beyond the student's control prevented the student from dropping the course by the drop deadline. See the *General Catalog* for complete information.

SATISFACTORY/NOT SATISFACTORY

Students may elect to take certain courses on a Satisfactory/Not Satisfactory (S/NS) basis. Advisers should be consulted, and in no case are undergraduate students allowed to register for more than one course or 6 credits on a Satisfactory/Not Satisfactory basis in a given quarter.

Students may register for the course on STAR, but they must go in person to the Registration Office, 225 Schmitz Hall to elect the S/NS grade option. STAR will not accommodate the S/NS grade option.

For undergraduates, a course in which an "S" is earned may not be used to satisfy any department, college, or University requirement, except that the credits may be applied to the minimum of 180 credits required for graduation. Each instructor will report conventional grades to the Registrar, who will convert satisfactory grades (2.0 or greater) to "S," and unsatisfactory grades (less than 2.0) to "NS" for the student's transcript. No more than 25 S/NS credits will apply to an undergraduate degree. *S/NS must be elected during initial registration or added or dropped during the first five days of the quarter.*

Graduate students earning grades of 2.7 or above receive a grade of S (Satisfactory), while 2.6 or below are recorded as NS (Not Satisfactory). With the approval of his or her graduate program adviser or Supervisory Committee Chairperson, a graduate student may elect to take any course for which he or she is eligible outside of his or her major academic unit on an S/NS basis.

In cases of withdrawal, the W is recorded. Neither S nor NS are included in the grade-point average. N, I, and X are recorded until the instructor reports the final grade, or in cases of incompletes received by undergraduates, until the I is converted by the Registrar.

CREDIT/NO CREDIT

Some courses are offered on a credit/no credit (CR/NC) basis. It is not possible to register S/NS to take these courses, because the only grades assigned by the instructor are CR (Credit) or NC (No Credit). Neither CR nor NC is included in the grade-point average. In cases of withdrawal a W is recorded. N, I, and X are recorded until the instructor reports the final grade, or in cases of Incompletes received by undergraduates, until the I is converted by the Registrar.

AUDITORS

STAR is not available for audit registration which must be completed in person at the Registration Office, 225 Schmitz Hall. Registration is available during any of the registration periods. Attendance in courses as an auditor is by consent of the instructor involved and is conditioned on the space available. Permission to audit is ordinarily granted for lecture classes only. An auditor may not participate in class discussion or laboratory work, and his or her registration may be canceled at the discretion of the instructor. No entry is made on the permanent record for courses audited. To receive credit for an audited course, the student must register for the class for credit in a subsequent quarter.

Auditors, except ACCESS program students, pay standard tuition and fees and must be regularly admitted and registered in the course. Although credits for audited courses will not be listed on the schedule of classes, they will be included in the billing on the fee statement. Such credits count in the calculation of fees.

Courses audited may not be changed to credit registration after the second week of the quarter.

INCOMPLETE GRADE

Incomplete grades may only be awarded if the student is doing satisfactory work up until the last two weeks of the quarter. Undergraduate students must not reregister for courses in which they have received an Incomplete, since a grade earned in a repeat course will not be recorded as an Incomplete conversion grade. To obtain credit for the course, an undergraduate student must convert an Incomplete into a passing grade no later than the last day of the next quarter. An Incomplete not made up by the end of the next quarter will be converted to the grade of 0.0 by the Registrar unless the instructor has indicated, when assigning the Incomplete grade, that a grade other than 0.0 should be recorded if the incomplete work is not completed. The original Incomplete grade is not removed from the transcript.

GRADE APPEALS

See the *General Catalog*, page 25, for appeal procedure.

Special Course and Laboratory Fees

The amounts charged for tuition and fees normally cover University charges for course registration. Some courses, however, have extraordinary expenses associated with them and in such cases the University may charge additional fees in amounts approximating the added instructional or laboratory costs.

TUITION FORFEITURES OR REFUNDS

Students will be billed for the number of credits including audit hours, on their registration at the beginning of the quarter. Courses added after this date may result in additional fees. Only partial fee reductions will be made for *full-quarter* and term a courses dropped after June 22. Term b courses dropped by July 25 will result in full refund of fee differential.

For each category of courses (*full-quarter*, *term a* or *term b*), there is a period during which students owe one-half the fees associated with dropped courses.

| Type of course | Half-payment period |
|----------------|---------------------|
| full-quarter | June 25 - June 29 |
| term a | June 25 - June 29 |
| term b | July 26 - August 1 |

After these final dates, there is no reduction in the fees owed, due to drops or withdrawal.

The effective drop date is the date the drop is processed on STAR or in Sections, 264 Schmitz.

TUITION PAYMENT GUIDELINES

1. It is the student's responsibility to see that tuition is paid in full by the tuition due date (third Friday of each quarter). Bills are sent at the beginning of each quarter to facilitate payment. However, failure to receive a tuition bill does not nullify the student's responsibility for payment by the due date.

2. Students should indicate selection of their permanent or local address on STAR for fee statement mailing. If they have not received a fee statement by the end of the second week of the quarter, contact the Student Accounts and Scholarships Office for the amount of tuition due.

3. Students may pay fees in person in the Student Accounts and Scholarships Office or mail them to UW, Student Accounts and Scholarships Office, 129 Schmitz, PE-10, Seattle, WA 98195, before the tuition due date. Fees must be paid by Friday of the third week of the quarter. Payments postmarked on or before the due date are accepted without a late fee. Metered mail received after the due date is subject to penalties as described in #4 below.

4. If students fail to pay by the deadline, they may continue to pay their tuition the week following the due date, plus a late fee as follows:

| Past Due Balance | Late Fee |
|------------------|----------|
| Over \$100 | \$30 |
| \$30-\$100 | \$10 |
| Less than \$30 | \$ 0 |

If payment has not been received in the Student Accounts and Scholarships Office by this time, their registrations will be cancelled. Students permitted to reregister after cancellation for nonpayment will be charged a \$75 fee, in addition to their tuition.

5. If students reregister, they must reregister for all classes on their schedule at the time of registration cancellation. (Fees will include appropriate charges for classes dropped during the forfeiture period.) No reregistration will be possible after the last day of instruction. *Please note: Even if registration is cancelled, students will continue to owe one-half of their tuition.*

6. Credit cards and credit card checks are not accepted.

7. Tuition and fees not paid by the end of the academic quarter will be subject to an interest charge of 1% per month, or fraction of a month, (12% A.P.R.), beginning with the month following the end of the quarter.

APPLICATION OF PAYMENTS TO A STUDENT'S ACCOUNT

As a rule, payments received for a student's account are applied to charges in order of their due dates. For charges with the same due date, payments are applied first to tuition and related University fees and then to other charges on the account. A payment may be applied to a specific charge by contacting the Students Accounts Office at 129 Schmitz Hall. Financial aid from Federal Title IV programs is applied only to required tuition and fees and to loan and aid repayment obligations. The University may not apply such aid to pay insurance and some other optional charges.

STUDENT INSURANCE

The University offers a voluntary accident and sickness insurance plan to supplement the services available at the Hall Health Center. UW students, except those enrolled in programs administered by UW Extension and UW employees attending classes under the employee tuition exemption program, who remain registered through at least the first six days of instruction in the quarter are eligible to enroll in the plan.

Students may sign up for the plan when they register for classes. If students are registered for classes by their academic departments, and no plan is indicated, they will be enrolled in the student only quarterly plan. The insurance premium will be included on the quarterly tuition statements and must be paid by the quarterly tuition-due date. In most cases Financial Aid will not pay insurance directly so students must make sure the premium is paid on time. There is no late payment period for the insurance premium.

If students are billed for student insurance and wish to add, cancel, or change coverage, they complete the appropriate section on the remittance advice copy of the billing statement and pay the revised amount, or

make payment in person in the Student Accounts and Scholarships Office by the tuition-due date.

International students must subscribe to the student insurance plan unless they are covered by another plan. Proof of other coverage must be submitted to the International Services Office and a waiver obtained each Autumn Quarter (or upon initial admission if other than Autumn Quarter) because waivers are valid only through Summer Quarter each year. Students holding insurance policies that expire during the academic year are responsible for obtaining new waivers, as necessary.

Brochures describing the plan in more detail are available at the Hall Health Center, the HUB, and the 2nd floor Information Window in Schmitz Hall. Plan benefits may change each academic year, so students are encouraged to review the brochure carefully.

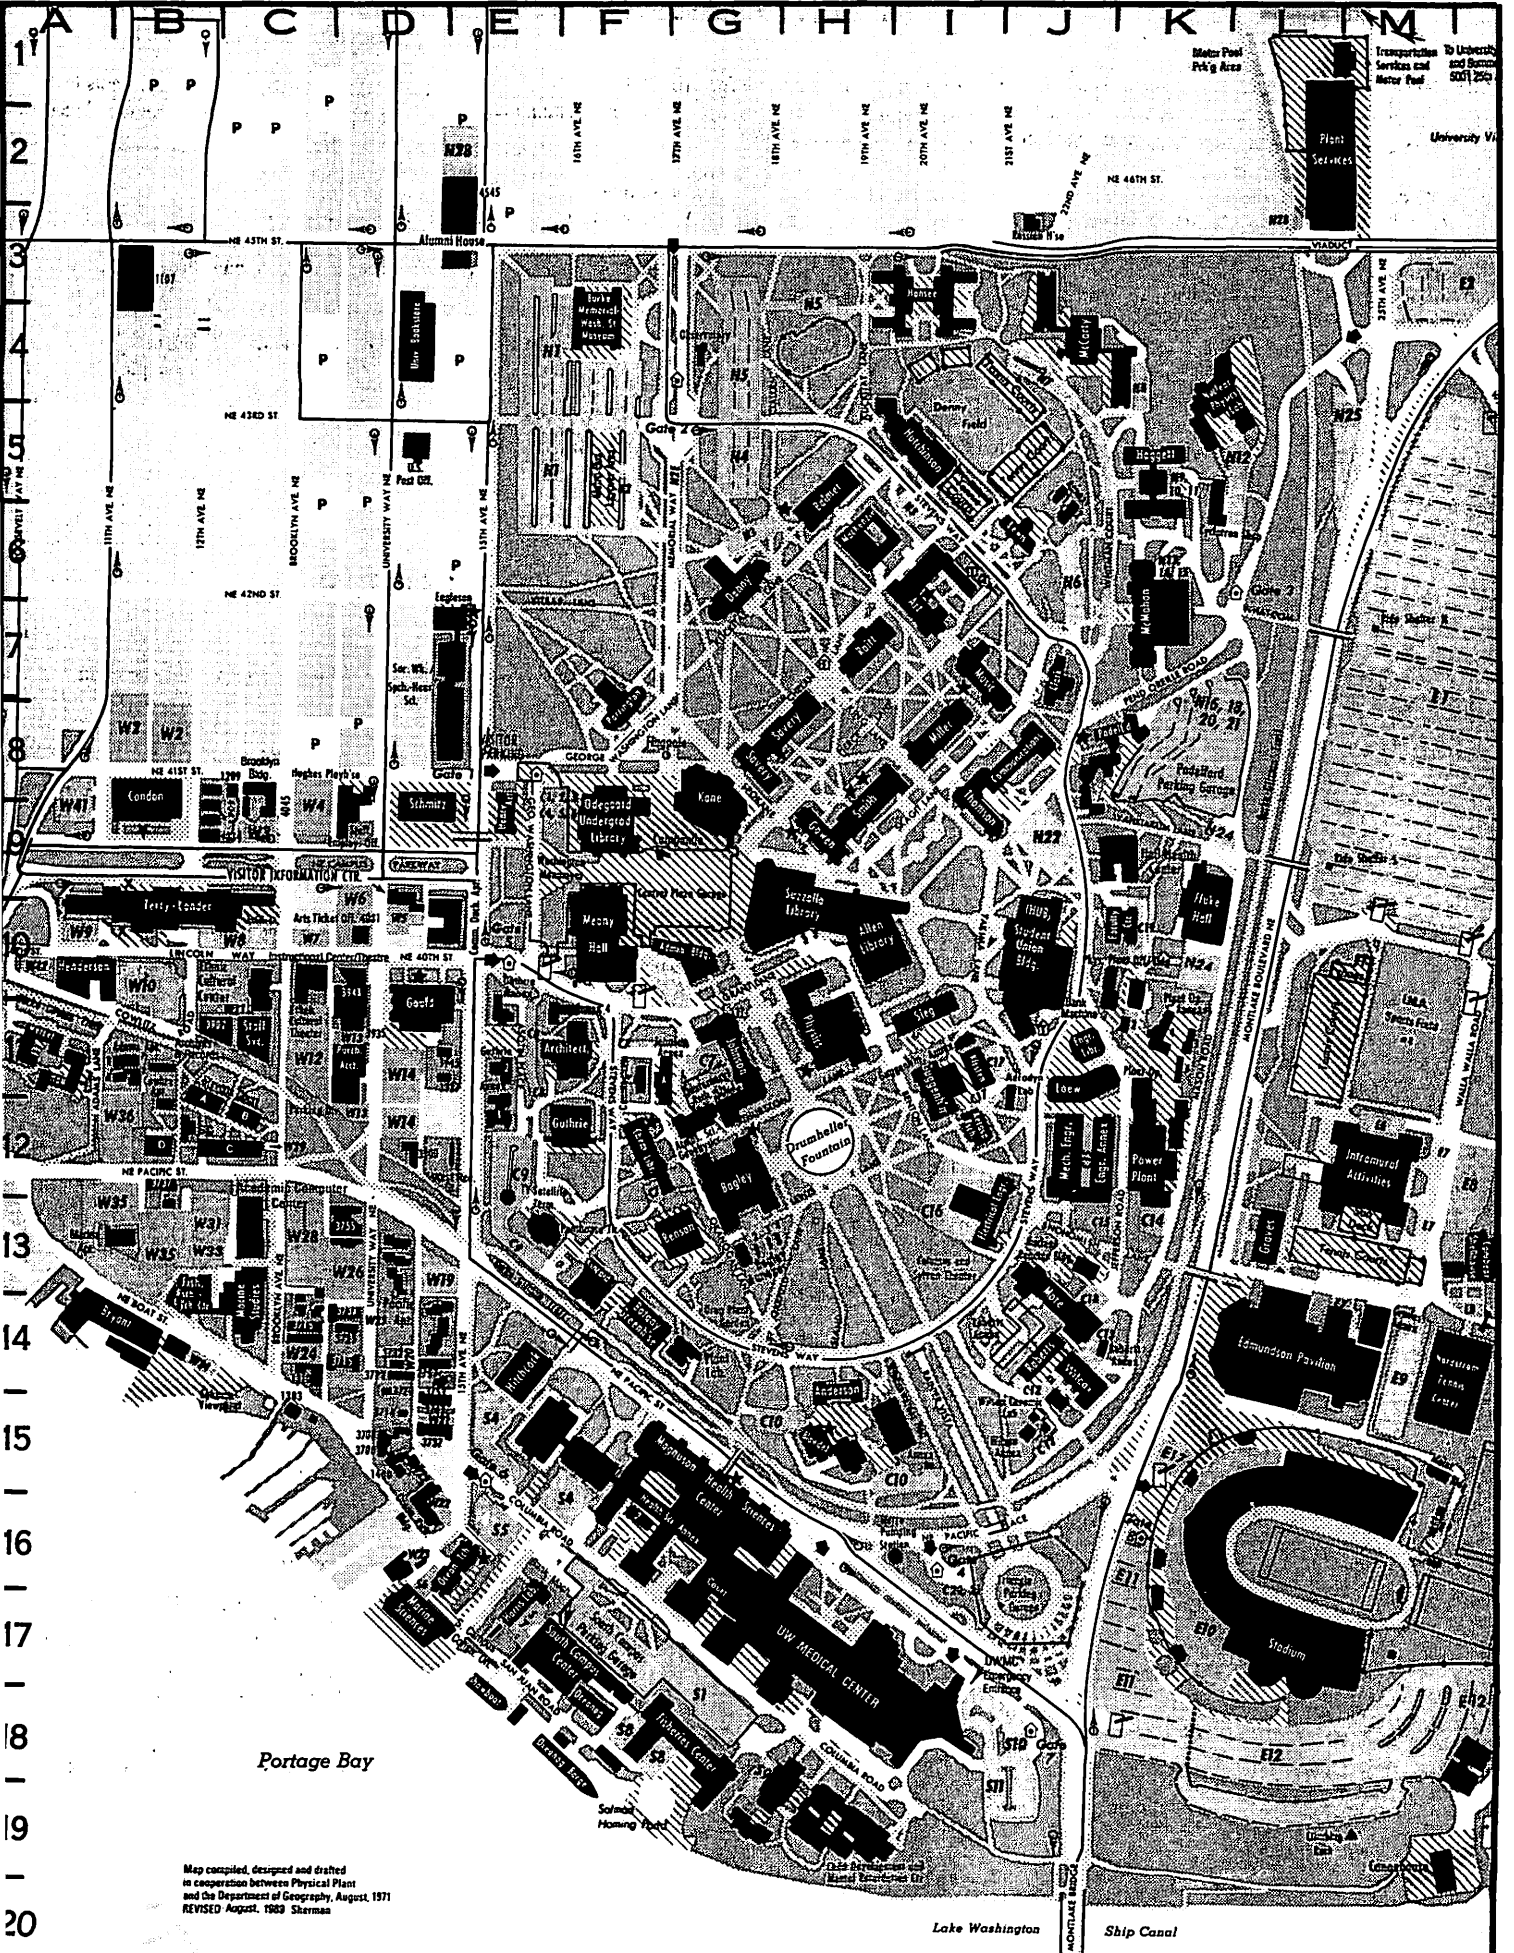

The University also sponsors a field-trip accident insurance plan. Applications may be requested from the Risk Management Office, 270 Administration Building, or by calling 543-1083.

WASHINGTON STUDENT LOBBY (WSL)

The Washington Student Lobby (WSL) is a voluntary, independent organization of university students whose purpose is to influence the Washington State Legislature and others on higher education matters of special interest to students. Students may choose to support the WSL by contributing \$1.00 each quarter. Support for the WSL may be indicated during registration and the voluntary contribution will be included on the tuition billing statement for payment with tuition.

WASHINGTON PUBLIC INTEREST RESEARCH GROUP (WASHPIRG)

The Washington Public Interest Research Group (WashPIRG) is a student-directed, non-profit and non-partisan research organization. Students may choose to support WashPIRG by contributing \$2.00 each quarter. Support for WashPIRG may be indicated during registration and the voluntary contribution will be included on the tuition billing statement for payment with tuition.

GUIDE TO COURSE LISTINGS

The information published in the *Time Schedule* is subject to change. The instructor for a particular course may be changed, or the instructor may use assistants in teaching the course and courses may not meet each day listed. Additionally, courses listed in this publication may be canceled in the event of insufficient enrollment. Course, term, and section information is listed in the following columnar order:

Department
 Entry code required symbol (>), if appropriate
 Schedule line number
 Honors (H), or New Course (%), as appropriate
 Writing course meeting/ University requirement (W)
 (B), means both honors and writing
 Course number
 Section designation
 Credits—listed with lecture section only; slash (/) means or; 2.5 means 2 1/2 credits; hyphen (-) means to; VAR means variable credit and any number of credits may be elected (however, fractional credit registration—e.g., 1/2 credit—cannot be processed for variable credit courses where the credit may vary from student to student in a single quarter)

Course title
 Day(s) of meeting (ARR means "to be arranged")
 Time of meeting
 CR/NC ONLY means course offered for credit/no credit grading only
 Remarks
 Term designation—if a or b term
 Classes taught in the same classroom at the same time—students register and receive credit for one course only (example: ARAB 312 with ARAB 472)
 Place of meeting (** means "to be arranged")
 Name of instructor

"W" COURSES OFFERED SUMMER QUARTER 1990

Students who plan to take majors in the College of Arts and Sciences and who started college Autumn Quarter 1983, or later, must complete 10 credits of courses designated "W". Students graduating in colleges/schools other than Arts and Sciences may also be required to complete "W" courses. "W" courses are not English composition courses but, rather, are courses in which a substantial amount of writing is required. Almost any department can offer "W" courses. The following courses being taught Summer Quarter 1990 have been designed as "W" courses.

For further information call the IMA Sports Line, 543-8558 daily between 12:00 noon and 6:30 p.m. The Goodwill Games will not interrupt the scheduling of Summer intramural activities.

Independent Study by Correspondence

Distance Learning offers University of Washington courses through independent study by correspondence. These courses are self-paced. Students complete the required assignments and examinations on their own schedule. The minimum completion time is two months.

Although you cannot enroll in these courses through STAR, you can enroll for a course at any time (not just at the beginning of a quarter) and have up to a year from that date to finish the coursework.

A regularly-enrolled UW student who wishes to register for additional courses through Distance Learning should consult with a departmental adviser to verify applicability to his/her academic program. Fees for Distance Learning courses are separate from Summer Quarter tuition and are \$51 per credit.

Applications and additional information on enrollment procedures may be obtained from the Distance Learning office, 5001 25th N.E., or by telephoning (206) 543-2350.

The following courses are currently offered by Distance Learning (credits in parentheses).

"IF YOU NEED TO WORK TO GET THROUGH SCHOOL, YOU NEED TO SEE UPS."

"I need two things to get through school: good grades and money. I can take care of the grades myself and UPS is helping me take care of the second. They gave me a part-time job that really pays."

"I make almost \$10,000 a year for working about 3-4 hours a day, 5 days a week. My work hours fit around my class hours. There are three work schedules: late night, early morning and late afternoon. I still have time for classes and studying."

"I also get paid holidays and vacation and a complete benefits package that is second to none." No other company offers more to students than UPS. Talk to them. Get an education through school and let UPS help pay for it.

To arrange an interview for Seattle contact: The Aurora Job Service at 545-7027 Tuesday thru Thursday between 2:00pm - 4:00pm only.

To apply for Redmond, applications are being accepted at: The Bellevue Job Service at 13133 NE Bell-Red Road, Bellevue, WA. Apply between 9:00am - 1:00pm only.

Directory of Classes

QUESTION: *What publication guarantees you 100% readership by every student on campus?*

ANSWER: *The Directory of Classes®*

Whether you are trying to promote your student organization, or a local merchant trying to increase the amount of your college business, the **Directory of Classes®** is the direct answer to meeting all of your communication goals.

Students literally can not go to classes without us. If reaching every student on campus is something you consider important, doesn't advertising in this course schedule make good business sense?

For more information on how we can put you at the head of the class, please call:

MCAT • GMAT LSAT • GRE • DAT SCORE HIGH

A single exam score may be more important than your hard-earned GPA.

Thousands of bright, otherwise eligible students are unfairly penalized every year for being underprepared, for not knowing critical test-taking skills or for freezing up during the actual exam, thus concealing their true "aptitude." You can overcome these problems if you know what kind of questions to expect, have learned proven test-taking strategies, and have practiced under simulated test conditions.

GAPS gives you the knowledge, confidence and the competitive edge you need to succeed on critical exams.

Yes! Please send me the complete preparation course checked below.

MCAT \$379.00
(Physics, Chemistry, Biology, Reading Comprehension, Quantitative Skills and Interview Preparation)
• 1132 pages of text
• 46 cassettes

LSAT \$159.00
(Reading Comprehension, Disputes and Rules, Logical Reasoning, Analytical Reasoning and Writing Samples)
• 210 pages of text
• 10 cassettes

DAT \$315.00
(Chemistry, Biology, Math Skills, Perceptual Motor Ability, Reading Comprehension and Interview Preparation)
• 1190 pages of text
• 37 cassettes

GMAT \$179
(Verbal and Quantitative Skills)
• 578 pages of text
• 14 cassettes

GRE \$159.00
(Verbal, Quantitative and Analytical Ability)
• 727 pages of text
• 17 cassettes

**If you want
America to keep its
competitive edge,
do something about it.**

Support America's colleges. Because college is more than a place
where young people are preparing for their future. It's where *America* is
preparing for *its* future.

If our country's going to get smarter, stronger — and more competitive
— our colleges and universities simply must become a national priority.
Government. Business. And you. We're all in this together. Because
it's *our* future.

So help America keep its competitive edge with a gift to the college of
your choice — and you'll know you've done your part.

Give to the college of your choice.

Maybe there is a substitute for experience.

After you're done with school, you face one of the hardest lessons in life:

Without experience, it's tough to get a job. And without a job, it's tough to get experience.

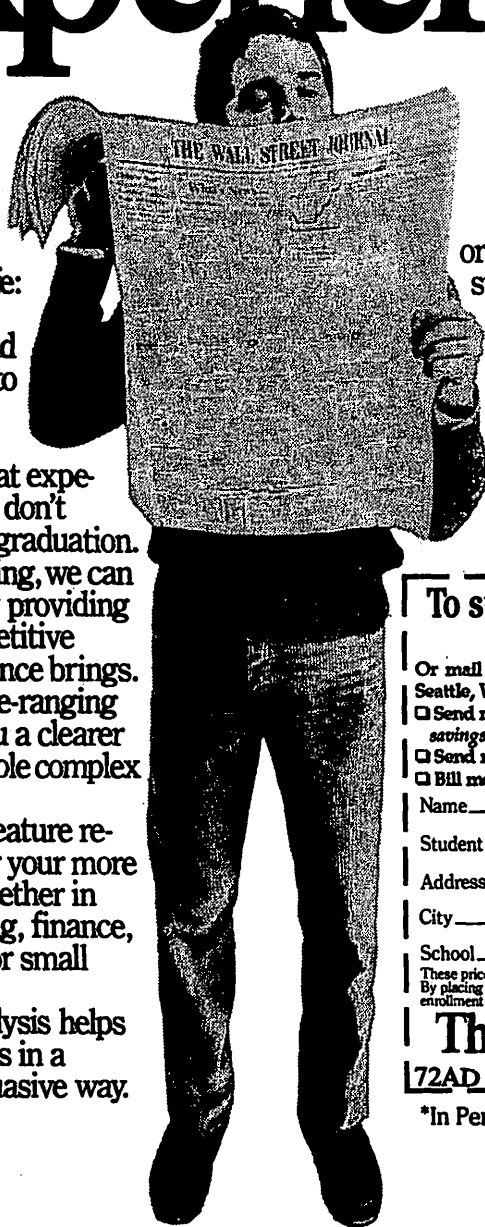

At The Wall Street Journal, we recognize that experience is something you don't start earning until after graduation.

But while you're waiting, we can give you a head start by providing some of the same competitive advantages that experience brings.

For instance, our wide-ranging news coverage gives you a clearer understanding of the whole complex world of business.

Our tightly focused feature reporting prepares you for your more specific ambitions — whether in management, accounting, finance, technology, marketing or small business.

And our in-depth analysis helps you formulate your ideas in a sharper and more persuasive way.

Call 800-257-1200,* Ext. 1066 or mail the coupon — and start your subscription to The Wall Street Journal at student savings of up to \$51 off the regular subscription price.

That's a pretty generous offer. Especially when you consider what it actually represents.

Tuition for the real world.

**To subscribe, call 800-257-1200,*
Ext. 1066 toll-free.**

Or mail to: The Wall Street Journal, 500 3rd Ave. W.,
Seattle, WA 98119.

Send me one year of The Wall Street Journal for \$68 — a
savings of \$51 off the regular subscription price.

Send me 15 weeks for \$28 Payment enclosed

35mm Color

Prints and Slides from the same roll

Seattle FilmWorks has adapted Kodak's professional Motion Picture film for use in your 35mm camera. Now you can use the same film—with the same fine grain and rich color saturation—Hollywood's top studios demand. Its wide exposure latitude is perfect for everyday shots. You can capture special effects, too. Shoot it in bright or low light—at up to 1200 ASA. All for a surprisingly low processing cost. And Seattle FilmWorks lets you choose prints or slides, or both, from the same roll—without the high cost of slide film. Try this remarkable film today!

Kodak, 5247 and 5294 are trademarks of Eastman Kodak Co. Seattle FilmWorks is wholly separate from the manufacturer. Process at Seattle FilmWorks with limited availability from other labs. 1987:FW
