What's New for Winter Quarter 1999 and Other Important Information

SELECTING A SATISFACTORY/NOT SATISFACTORY GRADE OPTION ON STAR

The deadline to change to or from S/N/S has been extended to the end of the 7th calendar week of the quarter. Several other restrictions have also been removed for an undergraduate who may earn a maximum of 25 general elective credits graded Satisfactory. Effective with registration for winter quarter, you may change to S/N/S on STAR! Instructions are in Section V on the STAR Worksheet in this Time Schedule.

REGISTERING AT UNIVERSITY OF WASHINGTON, BOTHELL OR UNIVERSITY OF WASHINGTON, TACOMA

You may now register for courses at other University of Washington campuses if you are junior standing or higher and have at least 25 UW earned credits on your transcript. Students enrolled at the University of Washington, Seattle may register for courses offered by the Bothell or Tacoma campus' beginning with Registration Period III or the first day of the quarter. Course information is available on the Bothell or Tacoma Home Pages. Check with your adviser to ensure that these courses will count toward your degree.

UNSATISFIED PREREQUISITES AND YOUR WINTER REGISTRATION

If you are permitted to register in a course for winter quarter 1999 that has a course prerequisite which you are taking autumn quarter, you must satisfactorily complete the prerequisite course or risk cancellation of your winter quarter course. Your winter registration in the course is tentative until the prerequisite is satisfied. Courses subject to this cancellation policy are indicated by the symbol PX in this Time Schedule. If you do not satisfactorily complete the prerequisite, the winter course will be dropped from your schedule.

EVENING DEGREE COURSES

The courses available under the Evening Degree Program (YA Sections) have been incorporated into the regular course listings. An index of these courses is available at the end of the course listings in the Time Schedule. For course detail, look these courses up under the regular course listing. If you are admitted to the Day Program, you may register for evening sections beginning the first day of the quarter, January 4, 1999.

DARS (Degree Audit) Reports Available

A Degree Audit or DARS Report shows how your courses apply to the degree requirements in your major or prospective major. It is intended to be used as a supplement to the advising you get from your department for tracking your progress toward a degree and for planning future coursework.

In the past, DARS reports have only been available through the departmental advisers. Now you can order them at the Transcript Request Window in 225 Schmitz Hall. Your DARS report will be available for pick up at the Transcript window after 10:00 a.m. on the next business day.

Registration Eligibility, and Periods

REGISTRATION ELIGIBILITY

ALL STUDENTS

All students at the University who remain in good standing and in compliance with other rules and regulations, with no outstanding financial obligations, are guaranteed the opportunity to register each quarter as long as they maintain continuous enrollment (summer quarter excepted). Continuation must be in the same classification, e.g., undergraduate, post-baccalaureate (fifth-year), graduate, etc. Once a student earns a baccalaureate degree, he or she must apply for admission as a post-baccalaureate (fifth year), nonmatriculated, or graduate student. Exceptions to the guarantee are: (1) students under disciplinary action, (2) students with a registration hold, (3) students not meeting their departmental continuation policies, or (4) students not meeting the University's satisfactory progress policy (see General Catalog).

You will not be eligible to register for winter quarter 1999 if you have an outstanding balance on your tuition and fee account. Contact the Student Account Office and pay any fees due, in order to register.

UNDERGRADUATE AND PROFESSIONAL STUDENTS (QUARTER OFF ELIGIBILITY)

Subject to college, school and departmental enrollment policies, undergraduate and professional students who have completed a quarter at the University of Washington may take the following quarter off and remain eligible to register in Registration Period I for the subsequent quarter without submitting applications as returning students. For example, a student completing spring quarter may, without registering for or completing autumn quarter, register during Registration Period I for winter quarter without reapplying. Any quarter from which a student has completely withdrawn, or from which he/she is canceled, does not constitute a completed quarter. Summer quarter enrollment is not required to maintain continuous registration eligibility.

Returning students who do not meet the criteria described in the above paragraph must submit a Returning Student Reenrollment Application by the published deadline.

GRADUATE STUDENTS

The Quarter-Off Eligibility Policy is not available to graduate students. Graduate students who do not maintain continuous enrollment (summer quarter excepted) must file a Petition for On-Leave Status with the Graduate School. Students who are registered for any portion of a quarter may not go on-leave for that quarter unless they officially withdraw at the Registration Office, 225 Schmitz Hall prior to the first day of the quarter, January 4. On-leave graduate students returning to the University on or before the termination of their authorized periods of leave must apply as returning former students (through the Registration Office by the published deadlines). If you withdraw

after the quarter begins, you may register for the next quarter during Registration Period I. See page 10, Grad-ing, Withdrawal & On-Leave section for more information.

In addition to registration, you may call STAR to listen to your grades for any quarter, check your tuition balance, as well as many other transactions. See STAR Transaction Codes (this page) or the STAR Work Sheet for a complete listing of STAR transactions.

STAR FEATURES

ADD AND DROP CODES

Some courses require a special five-digit code number that is available through the department offering the course. See ENTRY CODES on page 9 for more information on using these codes.

ADDING AND DROPPING COURSES

Courses may be added during Periods I, II, III and the Late Add Period. Beginning with the Late Add Period on January 11, an add code is required to add any course and a \$20 change fee is charged. This is in addition to any tuition. Always check your balance after adding a course. Sunday, January 24, at midnight is the last day to add a course for winter quarter 1999.

You have unlimited drops through January 17 without entry on your transcript. STAR closes at 6:00 p.m. on Friday, January 15, and remains closed on Saturday, January 16. Beginning January 11, a \$20 registration-change-fee is charged to drop a course. This is in addition to any tuition forfeiture. Always check your balance after dropping a course.

If you use your annual drop that is available for that academic year, a \$20 registration-change-fee will be charged.

See CHANGES IN REGISTRATION (page 10) for additional information on adding and dropping courses.

ALTERNATE SECTIONS

STAR lists alternative sections if the requested sections are closed or canceled.

If you wish to change your insurance plan or optional charges for WashPIRG and WSL after your initial selection, you may do so on STAR by the tuition due date. Please refer to the STAR Worksheet in this Time Schedule for instructions.

section see OVERLOAD GUIDELINES page 9.

CONFIRMED REGISTRATION

You may confirm your registration schedule by calling STAR and using the List Schedule Transaction (L#). This listing includes building and classroom locations.

COURSE AVAILABILITY

Beginning Period I, you may call STAR at any time to complete section II of the Star Worksheet and check course availability using transaction (S. SLN #).

IF YOU MAKE A MISTAKE

If you make a mistake before finishing an entry, press the star key and the number sign key (*#), and your entry will be discarded.

GRADES ON STAR

STAR lists all officially recorded grades for the most recently completed quarter. Winter quarter 1999 grades and GPA's become available on STAR beginning March 24.

Grades for prior quarters can also be requested on STAR by entering the quarter code and year. Review the STAR Work Sheet for the specific transaction codes. Grades are also available from the WEB on STAR Online.

PREREQUISITES

Certain courses require that you have prerequisites in order to add that course to your schedule. These courses are identified by a P symbol in the Time Schedule listing section in this publication. Prerequisites may be a course(s), a minimum test score, or a minimum grade in a prerequisite course. You will be permitted to add a course section even if you have not completed the course prerequisite provided you are currently registered for that course. However, departments may elect to have the course that required the prerequisite dropped from your schedule if you do not satisfactorily complete the course. Courses subject to cancellation are identified by the symbol PX in the Time Schedule. If you do not satisfactorily complete the prerequisite course, it will be dropped from your schedule no later than the 3rd calendar day of the quarter.

PRIVATE ACCESS CODE (PAC)

The first time you ever call STAR, enter your date of birth (in 6 digits) when STAR asks you to enter a Private Access Code. STAR will then prompt you to select a Private Access Code or PAC of 4 to 6 digits that you can easily remember. STAR will not accept zero as the first number in your PAC. Enter the PAC you select when prompted by STAR. You will then use your PAC for all future calls to STAR. If you wish to change your PAC, you may do so at any time using transaction code 9. Please refer to the STAR Worksheet in this Time Schedule for instructions. If you forget your PAC, you will need to contact the Registration Office, 225 Schmitz Hall or call 543-8580 to reset your PAC.

New students may call STAR anytime after they have been assigned an appointment date for advising or orientation to establish a PAC. Once you have selected your PAC on STAR, you may establish an e-mail account at the University. In general, you may open your e-mail account two days after selecting your PAC on STAR.

STUDENT ACCOUNT AND AID STATUS

Call STAR to list your current student account balance; list a summary of disbursed financial aid and aid check availability; and list the latest recorded student account payment. Review the STAR Work Sheet for the transaction codes.

TIME AND CALL LIMITS WHEN CALLING STAR

Time limits are built into the system, so if you are holding on the STAR line for an extended period of time, you will be disconnected. Error limits are also a part of the STAR system, so if you do not enter the correct information after the second try, STAR will disconnect. If you are disconnected you may immediately call back to STAR. You may call STAR up to 100 times a day. No transactions will be permitted when your calls exceed 100 on that day.

Additional Registration Information

ADDRESS CHANGES

You may change your address through STAR Online www.washington.edu/students/staronline. Once updated, you will receive an e-mail message confirming your revised address information. You may also call (206) 543-3868 any time 24 hours a day to change your address information.

CHANGES IN REGISTRATION

A \$20 change-of-registration fee is assessed for any number of add, drop or change transactions (including change of grading option) made during a given day beginning January 11. The \$20 fee is a service charge and is in addition to any change in tuition or forfeiture as a result of adds, drops or changes.

There is no charge for changes made in Registration Periods I, II, or III.

Fee waivers are rarely approved. If you think your change is necessitated by a University error or is at the University's request, you must pay the fee and submit a petition for a refund to the Registration Office, 225 Schmitz Hall. The Office of the Registrar will notify you of the decision. The fee will be waived only if the change is necessitated by a University error or is at the University's request.

CLASS ATTENDANCE GUIDELINES

If you do not attend regularly scheduled class meetings during the first week of the quarter, you are subject to being dropped at the discretion of the teaching department to allow enrollment space for other students. Affected courses should be identified in the Time Schedule and/or posted in departmental offices. Please do not assume that departments will automatically initiate a drop for nonclass attendees. If you are not going to go to class, you should drop the course through STAR since the instructor will assign a failing grade. You may attend a University course in which you have not been officially registered during the first two weeks of the quarter.

An instructor may allow you to attend his or her class only if you are registered after January 15. A faculty member may attend informally with the approval of the instructor.

CREDIT LIMITATIONS

Undergraduates will be limited to 19 credits during Registration Periods I and II to allow all students a chance to develop a basic schedule. Additional credits may be added during Registration Period III. The limit is 30 credits per quarter.

ENTRY CODES

Entry codes are five digit random numbers issued to you by academic departments as authorization to add or drop in restricted course sections. Entry Codes are not transferable.

Courses requiring add codes are designated with the symbol > to the left of the schedule line number (SLN) in the Time Schedule. All courses require add codes beginning January 11.

Please note that departments reserve the right to require entry codes whether the course is so designated in the Time Schedule or not. Departments give the location for obtaining entry codes either before the course listings or following the title of the course. Contact the department offering the course if STAR advises you an entry code is required and the location for obtaining one is not identified in the Time Schedule. (Campus Operator - 543-2100.)

Instructors may issue add codes to students when a class is full. (See OVERLOAD GUIDELINES for additional information on using add codes to overload closed courses.)

Once you have used an entry code, the computer removes it from the list of valid codes and will not accept it again. If you drop a section that required an entry code to add, then you must obtain another entry code from the department if you wish to re-add the section.

Some courses require a drop code to drop. Obtain the code from the department offering the course. Perform the drop transaction on STAR and enter the drop code when prompted by STAR.

FACULTY NUMBERS

If you are enrolling in independent study courses such as 499, 600, 700, or 800, you will first need to obtain a Faculty Number from the instructor or department. The Faculty Number is used instead of the entry code to register for the courses on STAR.

FULL-TIME STUDENT REQUIREMENT

You should register for 12 or more credits to be considered full time or 6-11 credits for half time if you are an undergraduate or professional student. If you are a graduate student, you should register for 10 or more credits. The Graduate School requires 10 credits for full-time status and 5-9 credits for half time status. It is important to note that differing criteria and standards for full-time enrollment exist for eligibility in certain programs. Consult the Financial Aid Office for its requirements on satisfactory student progress. The tuition schedule does not reflect full-time credit requirements for loan deferments, teaching assistantships or other programs.

OVERLOAD GUIDELINES

For reasons of public safety and instructional quality, course enrollment in each section will be limited to the approved classroom capacity. The Office of the Registrar monitors course enrollments throughout the quarter according to the following guidelines:

- Through January 10, a student may add a section without permission unless the class is full or requires permission; then an add code is required. Beginning January 11, add codes are required to add any course. STAR will accept course overloads only up to 115% of classroom capacity to compensate for expected course drops.
- No course adds are accepted after January 24.

REGISTRATION ASSISTANCE

If you are having problems using STAR, call the Registration Office at 543-8580 and a staff member will assist you. If you work during the day or are incapacitated and need assistance with non-STAR transactions, please call the supervisor of the Registration Office at 543-8580 to make arrangements for assistance.

REGISTRATION CONFIRMATION

Registration Confirmations for students who registered by December 4 will be mailed beginning December 8. If you register after December 4, your Registration Confirmation will be mailed in two working days. Use STAR Online or call 543-3868 to record your correct address. Confirmation will not be mailed outside the United States if you register after December 4, and will not be mailed to addresses outside of the state of Washington during the last week of Period II and during Period III. If you are using an out-of-state address, you may claim your

confirmation at the Registration Office, 225 Schmitz Hall, within two working days.

You may also confirm your registration schedule by calling STAR and using the List Schedule Transaction (L #) or by selecting STAR Online from the Information for Student on the UW Home Page. This listing includes building and classroom locations.

REGISTRATION HOLDS

If you have a Hold on your registration, you will not be permitted to register, add courses or obtain a replacement U-Pass until the Hold has been released by the initiating office. If you attempt to register on STAR before your Hold has been released, the voice response will indicate which office has placed the Hold and where to go to get it released. However, you may make other transactions on STAR.

The University will accept but not process a Returning Student Re-enrollment Application for any student who has either a financial or academic Hold on their transcript or registration. Once the Hold has been cleared, the application will be processed.

REGISTRATION IN SEQUENCE COURSES

Departments may establish a registration priority for students enrolled in sequence courses. For example, students enrolled in a foreign language 101 course may have priority to register in the next course sequence (102) for the succeeding quarter.

REGISTRATION TAMPERING

A student who tampers or attempts to tamper with the registration records of another student, including but not limited to dropping courses and adding courses, may be subject to disciplinary sanctions as defined in the Student Conduct Code (WAC 478-120).

TIME CONFLICT

You may not register on STAR for two courses that meet at the same time or for courses with overlapping meeting times. If you want the second course instead of the one you are registered for, you must drop the first one before adding the second course on STAR.

If you want to add a course that conflicts with another, you must add the second course, in person, at the Registration Office, 225 Schmitz Hall. Students must obtain the approval of both instructors to add a course that conflicts one hour a week or less; instructor signatures on an Authorization for Non-Star Transactions form are required for courses that conflict more than one hour a week.

UNDERGRADUATE SATISFACTORY PROGRESS

If you are pursuing a baccalaureate degree, you are expected to make satisfactory progress toward the attainment of that degree and are expected to enter a major and graduate after completion of a reasonable number of credits. Refer to the General Catalog for additional information.

VARIABLE CREDITS

Some courses are offered for a variable number of credits. See the department to obtain the appropriate number of credits for a variable credit course and be prepared to enter the number of credits when requested to do so by the voice response on STAR. Changes in variable credits are made only at the Registration Office, 225 Schmitz Hall. The deadline to make these changes is Friday, March 12. A \$20 change-of-registration fee will be assessed beginning January 11.

Grading, Withdrawal & On-leave Information

GRADING

AUDITORS

You must first register on STAR and then go in person to the Registration Office, 225 Schmitz Hall to select the audit grade option. You may select the audit option through January 15. A \$20 change fee is charged beginning January 11. Attendance in courses as an auditor is based on the consent of the instructor and space availability. You may not audit a course if you have not completed a prerequisite. Permission to audit is ordinarily granted for lecture classes only. You may not participate in class discussion or laboratory work and your registration may be canceled at the discretion of the instructor. Audited courses are not recorded on your permanent record.

Auditors, except ACCESS program students, pay standard tuition and fees and must be regularly admitted and registered in the course. Although credits for audited courses are not listed on your transcript, they will be included in the billing on the fee statement. Audit credits count in the calculation of fees.

Courses audited may not be changed to credit registrations after January 15.

CREDIT/NO CREDIT COURSES

Some courses are offered on a credit/no credit (CR/NC) basis. It is not possible to register S/NS for these courses. Neither CR nor NC is included in the grade-point average. In cases of withdrawal, a "W" is recorded.

DROPPING COURSES

You may drop courses on STAR without restriction through January 17. No record of the dropped course(s) will be recorded on your transcript. A \$20 change fee and tuition forfeiture will be charged after January 10.

You may drop one course each academic year (defined as September through August) after the 14th calendar day of the quarter but no later than the 7th week of the quarter. The course will be recorded on your transcript followed by a "W" and the week designator. For example, if you drop a course in week 5 the notation will be W5.

You may also petition for a Hardship Withdrawal following the 14th calendar day if appropriate. See the following section on **HARDSHIP WITHDRAWALS** for information.

GRADE APPEAL PROCEDURE

A student who believes he or she has been improperly graded first discusses the matter with the instructor before the end of the following academic quarter (not including summer quarter). If the student is not satisfied with the instructor's explanation, the student may submit a written appeal to the Chair of the department, or in a nondepartmental college, to the Dean, with a copy of the appeal also sent to the instructor. The Chair, or Dean, consults with the instructor to ensure that the evaluation of the student's performance has not been arbitrary or capricious. Should the Chair believe the instructor's conduct to be arbitrary or capricious and the instructor declines to revise the grade, the Chair (or the Dean in a nondepartmentalized school or college), with the approval of the voting members of his or her faculty, shall appoint an appropriate member, or members, of the faculty of that department to evaluate the performance of the student and assign a grade. The Dean and Provost should be informed of this action.

Once a student submits a written appeal, this document and all subsequent actions on this appeal are recorded in written form for deposit in a department or college file.

INCOMPLETE GRADE

Incomplete grades may only be awarded if you are doing satisfactory work up until the last two weeks of the quarter. Undergraduate students must not re-register for courses in which they have received an Incomplete, since a grade earned in a repeat course will not be recorded as the Incomplete conversion grade. To obtain credit for the course, an undergraduate student must convert an Incomplete into a passing grade no later than the last day of the next quarter. An Incomplete not made up by the end of the next quarter (summer excluded) will be converted to the grade of 0.0 by the Registrar unless the instructor has indicated, when assigning the Incomplete grade, that a grade other than 0.0 should be recorded if the Incomplete work is not completed. An instructor may request an extension of the Incomplete removal deadline for up to three additional quarters. The original Incomplete grade is not removed from the transcript.

SATISFACTORY/NOT SATISFACTORY

You may elect to take certain courses on a Satisfactory/Not Satisfactory (S/NS) basis.

Register for the course on STAR, select the Change Grade Option to elect the S/NS grading option. The S/NS grade option can be elected through February 21. A \$20 fee is charged beginning January 11.

As an undergraduate, a course in which an "S" is earned may not be used to satisfy any department, college, or University requirement, except that the credits may be applied to the minimum of 180 credits required for graduation. Each instructor will report numerical grades to the Registrar, who will convert satisfactory grades (2.0 or greater) to "S", and unsatisfactory grades (less than 2.0) to NS for the student's transcript. No more than 25 S/NS credits may apply toward an undergraduate degree.

If you are a graduate student and earn grades of 2.7 or above you will receive a grade of "S" (Satisfactory), while 2.6 or below are recorded as NS (Not Satisfactory). With the approval of your graduate program adviser or the Supervisory Committee Chairperson, you may elect to take any course for which you are eligible outside of your major academic unit on an S/NS basis.

In cases of withdrawal, the "W" is recorded. Neither S nor NS is included in the grade-point average.

WITHDRAWAL

WITHDRAWAL FOR THE QUARTER

(Dropping all courses.) It is your responsibility to withdraw if you are unable to attend for the quarter. You may withdraw from the quarter through the last day of instruction, which is March 12 for winter quarter 1999. If you drop your last class on STAR after January 10 you will be charged the \$20-fee. You may also write to or withdraw in person at the Registration Office, 225 Schmitz Hall, University of Washington, Box 355850, Seattle, Washington, 98195-5850. Withdrawals by mail are effective on the date of the postmark. No withdrawals are accepted after March 12.

Tuition owed will be based upon the date the complete withdrawal is recorded at the Registration Office, the date that the last class is dropped on STAR, or the postmark date for withdrawals received by mail (see Tuition Forfeiture, Page 11). If you withdraw prior to January 11

you will owe a \$75 U-PASS fee unless you return your U-PASS to the Student Accounts Office by the tuition due date (January 22). If you pay the \$75 fee and then lose your U-PASS you are not eligible to purchase a replacement U-PASS sticker.

Review the Registration Eligibility section of the Time Schedule if you are withdrawing before the first day of the quarter. New students must reapply through the Admissions Office.

Courses dropped as part of a complete withdrawal from the University during the first two weeks of a quarter (through January 17) are not recorded on your UW transcript; however, the date of the complete withdrawal is recorded.

If you withdraw during the first week of two consecutive quarters (summer quarter excepted) you will not be eligible to register as a continuing student for the third quarter. You must reapply as a former student returning to the University and will be required to pay the \$35 application fee and \$100 enrollment deposit. For example, if you withdraw during the first week of spring quarter and autumn quarter, you must reapply as a returning former student for winter quarter.

HARDSHIP WITHDRAWAL

You may submit a written petition to the Office of the Registrar for a hardship withdrawal after the 14th calendar day of the quarter. Petitions are granted if, in the judgment of the Registrar, you were unable to complete the course due to physical and/or mental debilitation or other unusual or extenuating circumstances, beyond your control, which have arisen after the 14th calendar day of the quarter. Petitions must be submitted promptly after the occurrence of the event and be accompanied by documentation. Approved hardship withdrawals will be entered on the transcript with a grade of HW. The \$20-change of registration fee will be assessed, plus any tuition forfeiture.

If you withdraw from the quarter based on reasons of hardship after the last day of instruction, the same petition process must be followed. If the withdrawal is approved, the courses will show a notation of W and the transcript will show withdrawal.

A hardship will not be granted for courses after you have been awarded your degree.

WITHDRAWAL FOR MILITARY SERVICE

If you are conscripted into the Armed Forces or called to active military duty you may withdraw through the end of the seventh week of instruction (February 21) and receive a full refund but no academic credit. If you withdraw after that date you may receive either a full refund or (academic) credit and no refund. You must submit a copy of your military orders with your request to withdraw. Please consult with the Office of the Registrar for complete details.

GRADUATE STUDENTS ON-LEAVE

To go on-leave, have your Department Graduate Program Coordinator sign a Petition for On-leave Status Card, then take it to the Registration Office through January 8. The Registration Office staff will issue you an On-leave Graduate Student Card upon payment of a \$35 non-refundable fee. This card will give you access to the libraries. If you have registered for winter quarter 1999 and plan to go on-leave, you must officially withdraw prior to January 4, before the on-leave status will be granted.

Tuition Exemptions & Access Programs

TUITION-EXEMPTION PROGRAM

Eligible University of Washington and State of Washington employees and members of the Washington State National Guard may enroll for and receive a tuition exemption for up to six credits each quarter provided they enroll on a space-available basis. You may not enroll for more than six credits or the exemption will be canceled. All participants in the tuition-exemption program will be assessed a quarterly \$30 registration fee and must pay other applicable fees including the Technology Fee. You may not register for any course prior to your assigned space-available registration day or the exemption will be canceled or not accepted. If you are in a matriculated status and desire a higher registration priority to facilitate course enrollment, you may register early and pay regular tuition rates.

Space-availability applies to degree programs as well as courses, and fully enrolled programs may choose not to accept or enroll you if you are using the tuition-exemption. To be eligible you must be:

- University of Washington permanent classified (WPRB) or contract classified employees with six months or more of continuous service prior to the first day of the quarter,
- University of Washington faculty and professional staff employed on a half time basis or more on the first day of the quarter of enrollment,
- Non-University of Washington permanent classified or contract state employees employed half-time or more,
- Permanent classified and exempt paraprofessional employees of technical colleges employed half-time or more,
- Nonacademic employees and members of the faculties and instructional staff employed half-time or more at state institutions of higher education other than the University of Washington, or
- Members of the Washington State Army or Air National Guard.

You must hold this status on the day the exemption form is approved, and must be in that status on the first day of the quarter for which the tuition-exemption is granted. The University tuition-exemption does not cover English 100, 101, 102, Math 098, UW Extension or Distance Learning courses, graduate-level independent study courses numbered 600, 700, and 800, or any self-sustaining courses. If you are nonmatriculated and admitted to enroll on a space-available, tuition-exempted basis, you may register for classes only when using the exemption and only after the exemption request form has been submitted. If you are matriculated, you are permitted to register without the exemption, but full tuition and fees will be charged.

With the instructor's permission, and if you are planning to register on a space-available basis, you may begin attending classes the first day of the quarter if space is available. Registration, however, will not be permitted until the your assigned space-available registration day.

You must apply for admission by the published application deadlines and be accepted to a University program. Applications may be filed with the Office of Undergraduate Admissions, 320 Schmitz Hall, or the Office of Graduate Admissions, 98 Gerberding Hall. Former UW students returning in the same classification or as nonmatriculated students may apply at the Registration Office, 225 Schmitz Hall.

A NOTE OF CAUTION: UW employees pursuing graduate programs or graduate level course work will have to claim the amount of the quarterly exemption as income on their federal income tax return unless the employer has certified that the program or course work is job related. If it is determined that the course is not job related, the value of the exemption will be considered income and subject to withholding.

TUITION EXEMPTION FORMS

Employees should contact their departmental office, the Registration Office, (206) 543-8580, 225 Schmitz Hall, or UW Training and Development, (206) 543-1957, for tuition-exemption forms.

REGISTRATION AND FEES

You may submit your tuition-exemption forms at the Registration Office, 225 Schmitz Hall, any time after registration begins for a quarter. A separate tuition-exemption form must be submitted each quarter. Course enrollment is not permitted prior to the appropriate space-available eligibility date. For winter quarter 1999, a \$25.00 late registration fee will be assessed if you initially register for the quarter on or after Monday, January 11, and a \$20.00 fee will be charged for all registration changes made on a single day. You will be billed these fees, and other applicable fees, plus a \$30 registration fee if you have registered for a course. If you register before your assigned tuition-exemption registration date you will not be permitted to convert to the tuition-exemption program and will be required to pay regular tuition for all registered credits.

Under the Tuition Exemption Program you must pay the quarterly Technology Fee and are not entitled to student services funded by the Services and Activities Fee, such as those available from the Hall Health Center and the Intramural Activities Building. Additionally, you are not eligible to purchase tickets to athletic events at student rates. UW faculty/staff identification cards may be used for library services. Participating Washington State employees and members of the National Guard may obtain ID cards for library services from the Student ID Center, 229 Schmitz Hall, and a U-PASS sticker for \$30.00 from the Registration Office, room 225 Schmitz Hall after registering for a class. TUITION/FEE BILLINGS AND DEADLINES

It is your responsibility to see that

tuition is paid in full by the tuition due date (January 22). Bills are sent at the beginning of each quarter (January 4) to facilitate payment. However,

FAILURE TO RECEIVE A TUITION BILL DOES NOT NULLIFY YOUR

RESPONSIBILITY FOR PAYMENT BY THE DUE

DATE. Account balances are available through STAR (transaction 11#) or STAR Online.

Bills are also sent periodically during the quarter for fees assessed after the beginning of the quarter. However, **YOU SHOULD NOT RELY ON SUCH BILLINGS TO MEET PAYMENT DEADLINES**, since balances are available from STAR and STAR Online.

Select your permanent or local address on STAR or STAR Online for fee statement mailing. If you have not received a fee statement by January 15, contact the Student Accounts Office, call STAR, or access STAR Online, for the amount of tuition due.

You may pay your fees in person in the Student Accounts Office or mail them to UW, Student Accounts Office, 129 Schmitz, Box 355870, Seattle, WA 98195-5870, on or before January 22. Checks and money orders must be in U. S. Dollars and drawn on U. S. or Canadian banks.

If you fail to pay by the deadline you will be charged a late fee. For past due balances over \$250 the late fee is \$30; \$30-\$250 balance the late fee is \$10; and if the balance is less than \$30 then there is no late fee.

If payment has not been received in the Student Accounts Office by the end of the late payment period, registration for the current quarter will be canceled. Reregistration after cancellation for nonpayment requires a \$75 fee, in addition to tuition.

TUITION AND FEE CHARGES INCURRED AFTER JANUARY 22 MUST BE PAID WITHIN THREE WORKING DAYS. Exception: beginning March 12, charges must be paid by the next business day. Always check your account status and balance on STAR when completing a registration transaction.

STUDENTS ARE EXPECTED TO KNOW

Drops or withdrawals after January 10 will cost you \$20 plus at least half of tuition reduction. (See Tuition Forfeitures and Refunds)

Tuition is due January 22.

Charges incurred after the tuition due date must be paid in 1-3 days. (See Tuition/Fee Billings and Deadlines.)

3) denies registration.

TUITION FORFEITURES AND REFUNDS

Only partial tuition reductions will result for courses dropped after January 10. You will be expected to pay one-half of the tuition associated with any course dropped beginning January 11 through February 2. Courses dropped after February 2 receive no refund.

The effect of tuition forfeitures on the over 18-credit surcharge is as follows: forfeitures for courses dropped that exceeded 18 credits are charged the same as above. Also, if you drop a course after February 2 and add another, total credit charges will include credits that are added with no reduction for credits dropped.

The University's forfeiture schedule is as follows:

a. If you withdraw before January 11, you do not pay tuition. New and returning students forfeit their \$100 Enrollment Confirmation Deposit. If you withdraw before January 11 without returning the U-PASS sticker, you will owe \$75 for the U-PASS. No replacements are allowed for students who pay the \$75 fee and then lose their U-PASS sticker.

b. If you withdraw January 11 through February 2 you will continue to owe one-half of your tuition. If you withdraw after January 10, you will be charged the applicable forfeiture and you may retain your U-PASS by paying the quarterly fee or return it no later than January 22 to have the fee waived. There will be no U-PASS refunds after January 22.

c. If you withdraw after February 2 you will continue to owe full tuition.

d. If your registration is canceled for nonpayment of fees you will continue to owe the University one-half of your tuition and fees.

e. If you are an international student who is registered for an English as a Second Language course, you must make a separate request for a refund for that course by contacting the ESL Office, 4909 25th Avenue NE, on the

2nd floor of the King Building, at the same time you withdraw from the University.

f. If you drop any classes January 11 through February 2 that results in lower tuition, you will owe one-half of the tuition associated with the reduced credit hours. A drop after February 2 will not lower tuition.

g. Course drops become effective the date received and processed on STAR, in the Registration Office, 225 Schmitz, or through the departmental registration screen used in academic departments.

h. You may petition forfeitures for extenuating circumstances (death, disability, etc.) through the Student Accounts Office.

WITHDRAWALS & REFUNDS FOR AID RECIPIENTS

If you are a financial aid recipient and withdraw from all of your classes, your refund of University charges will be returned to the financial aid programs. The amount depends upon when you withdraw and whether you are in your first quarter of attendance at the University.

If you are a first quarter student, the amount to be refunded will be based on how many weeks in the quarter you attended. Your refund will be based on the following percentages and the week of your withdrawal.

	Academic Year (autumn, winter, spring, quarter)	Summer Quarter
First seven days	100%	100%
Second week	80%	70%
Third week	70%	60%
Fourth week	60%	50%
Fifth week	50%	40%
Sixth week	50%	0%
Seventh week	40%	0%
Eighth week and beyond	0%	0%

If you are a continuing student, your refund will be based on when you withdraw within the quarter. Generally you will receive 100% if you withdraw within the first seven days of the quarter and 50% if you withdraw between the 8th and 30th day of the quarter (8th and 21st day for summer quarter). Your refund may be greater based on your withdrawal date and the following chart.

Within first seven days of quarter	100%
Within first 10% of quarter	90%
Within 11% to 25% of quarter	50%
Within 26% to 50% of quarter	25%
51% or greater % of quarter	0%

The refund of University charges will be credited to your aid programs in the following order up to the amount

you received for that quarter: Federal Direct Unsubsidized Stafford/Ford Loan, Federal Direct Subsidized Stafford/Ford Loan, Federal Direct Parent Loan for Undergraduate Students, Federal Perkins Loan, Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, other Title IV aid programs, Washington State Need Grant, institutional aid, private scholarships. If any refund remains after crediting these accounts, the balance will be refunded to you.

Please be aware that if you withdraw from all classes within the first 30 days of the quarter (first three weeks of summer quarter), you may owe immediate repayment of aid you received (except Direct Loans which are payable according to the terms of the promissory note). Contact the Office of Student Financial Aid, (206) 543-6101, if you have any questions.

APPLICATION OF PAYMENTS TO A STUDENT'S ACCOUNT

As a rule, payments received for a student's account are applied to charges in order of their due dates. For charges with the same due date, payments are applied first to tuition and related University fees and then to other charges on the account. A payment may be applied to a specific charge by paying in person to the Student Accounts Office at 129 Schmitz Hall. Financial aid from Federal Title IV programs is applied only to required tuition and fees and to loan and aid repayment obligations. The University may not apply such aid to pay insurance and some other optional charges.

Student Insurance and Special Fees

STUDENT INSURANCE

The University offers a voluntary accident and sickness insurance plan to supplement the services available at the Hall Health Primary Care Center. Seattle Campus UW students who remain registered through the first seven calendar days of instruction are eligible to enroll in the plan. Not eligible are UW Seattle campus nonmatriculated students and those enrolled in programs administered by Educational Outreach (except Evening Degree Program students) and UW faculty/staff or Washington State employees attending classes under the employee tuition exemption programs.

You may sign up for the plan when you register for classes. The insurance premium will be included on the quarterly tuition statement and must be paid by the quarterly tuition due date (January 22). In most cases Financial Aid will not pay insurance directly so you must make sure the premium is paid on time. There is no late payment period for the insurance premium.

You may add, cancel, or change your insurance selection on STAR, and remit the correct balance by the tuition due date. Or, you may make changes when paying tuition in person at the Student Accounts and Office, by the tuition due date (January 22).

If you are an international student, you must subscribe to the student insurance plan unless you are covered by another plan. Proof of other coverage must be

submitted to the International Services Office and a waiver obtained each autumn quarter (or upon initial admission if other than autumn quarter) because waivers are valid only through summer quarter each year. Students holding insurance policies that expire during the academic year are responsible for obtaining new waivers, as necessary.

For those graduate students who are eligible for Graduate Appointee Insurance, please choose the option, "no insurance" when registering on STAR. If you have questions regarding your eligibility for this plan, please contact your department.

International graduate appointees, however, must still choose the quarterly student insurance option when registering. If you are an international RA/TA/SA, the

fits may change each academic year, so students are encouraged to review the brochure carefully.

INSURANCE EFFECTIVE DATES

This is a one-year policy, the term for which begins on September 21, 1998. It ends on September 19, 1999. You may purchase the plan on a quarterly or "annual" basis. You must be registered during the quarter the plan is purchased (e.g., if you are not going to attend summer quarter, sign up at spring quarter for "annual" coverage).

If you purchase it annually at autumn quarter (4 quarters of coverage) coverage is from September 21, 1998 through September 19, 1999.

If insurance is purchased quarterly, the quarterly policy terms are:

Autumn Quarter 1998 - Sept. 21, 1998 to Jan. 3, 1999
Winter Quarter 1999 - Jan. 4, 1999 to Mar. 28, 1999
Spring Quarter 1999 - Mar. 29, 1999 to Jun. 20, 1999
Summer Quarter 1999 - Jun. 21, 1999 to Sept. 19, 1999

Part-time students (those paying less than full-time tuition) are charged on a pro rata basis. The fee will be included on the Quarterly Tuition billing.

SERVICES AND ACTIVITIES FEES

As part of tuition, students pay the Services and Activities Fee which funds a variety of student services,

system will automatically make adjustments so that you will not have double coverage. If you are an international fellow or trainee, please contact your department for further instructions.

Brochures describing the plan in more detail are available at the Hall Health Primary Care Center, the HUB, and the Registration Office, 225 Schmitz Hall. Plan bene-

including ASWA and GPSS, the Daily, Hall Health Center, Recreational Sports (MA), Student Legal Services, Child-care Assistance Program, and Ethnic Cultural Center/Theater.

SPECIAL COURSES AND LABORATORY FEES

The amounts charged for tuition and fees normally cover University charges for course registration. Some courses, however, have extraordinary expenses associated with them and in such cases the University may charge additional fees in amounts approximating the added instructional or laboratory costs. Some departments do not charge auditors these fees.

Most course fees will be included in your quarterly tuition bill. Dropping a course with a course fee after the first week of the quarter will not remove the fee from your balance owed. Any adjustment to course fees after the first week of the quarter must be handled with the academic department offering the course.

STUDENT ID (HUSKY CARD)

The student ID card is a permanent, laminated card. Once obtained, do not discard it.

If you are a new student, you are eligible for a student ID card once you've paid the Enrollment Confirmation Deposit. Bring a piece of standard photo identification - this is mandatory - to the Student ID Card Center at 229 Schmitz Hall between 8 am and 5 p.m. Monday through Friday.

The standard UW student ID card is a non-photo card; however, students living in the dormitories (except for Stevens Court, Commodore-Duchess and married student housing residents) will be issued a photo student ID card, for reasons of dormitory security.

A quarterly validation sticker is mailed to you with your Registration Confirmation. When it arrives, affix it to the front of the ID card in the location provided; without this sticker, the card is usually not honored on campus.

You should carry your student ID card with you whenever you come to campus. Many administrative transactions and campus services and facilities are not available to you without it. In some situations, you may also be asked to provide an additional piece of photo identification.

Never allow anyone else to use your student ID card, as such misuse will subject you to disciplinary action as described in the Student Conduct Code.

If you lose your student ID card, you should immediately make two phone calls, one to the ID Card Center at 685-4120 to report it as lost, and also to the UW library system at 543-2553. To replace the card, go to the Student ID Card Center with photo identification; a non-refundable \$5 fee is charged for replacement of non-photo cards, \$10 for photo cards.

If you lose three or more ID cards, you must schedule an interview with a registrar before a new card will be issued.

U-PASS INFORMATION

A U-PASS validation sticker is mailed with your Registration Confirmation each quarter. The U-PASS is valid on all regu-

lar Metro-grid Community Transit routes at all times and provides parking privileges to car-poolers, riding privileges to van-pool and Night Ride passengers, and merchant discounts. The quarterly fee of \$30 will be included on the tuition bill. If you do not wish to participate in the U-PASS program you must return the validation sticker to the university by the tuition payment deadline (January 22). The sticker can be returned by mail in the return envelope provided, or mailed with your tuition payment, or returned in person at the Student Accounts and Cashiers Office or the Registration Office.

If you withdraw through January 10 without returning the U-PASS sticker, you will owe \$75 for the U-PASS. If you withdraw after

January 10, you will be charged the applicable tuition and may retain the pass for \$30 or return it no later than the tuition due date (January 22) to have the \$30 fee waived. There will be no U-PASS refunds after the tuition payment deadline (January 22), and no replacements of lost U-PASS stickers for students who have withdrawn.

If you did not receive your U-PASS in the mail you will be asked to sign a certifying statement and will be issued a replacement sticker at no charge through January 8. Replacement stickers issued after January 8 (for any reason) will cost \$10. Lost ID cards bearing a U-PASS sticker will be replaced for a \$15 fee (\$20 fee with photo), which includes a new U-PASS sticker. Replacement fees are non-refundable. If you are issued a replacement sticker you will not be permitted to cancel the \$30 U-PASS fee by returning a sticker.

Eligible students who have not already purchased a U-PASS sticker may do so at the Registration Office, 225 Schmitz, anytime during the quarter. The fee will remain \$30 throughout the quarter.

The U-PASS is the property of the University of Washington and is not transferable. *The U-PASS pro-*

gram, replacement policies, and quarterly fee are subject to change without notice.

WASHINGTON STUDENT LOBBY (WSL)

The Washington Student Lobby (WSL) is a voluntary, independent organization of university students whose purpose is to influence the Washington State Legislature and others on higher education matters of special interest to students. Support for the WSL may be indicated during registration and the voluntary contribution will be included on your tuition billing statement for payment with tuition.

Students participate in WashPIRG as decision-makers, volunteers and credit interns producing research reports, lobbying the legislature and organizing students and citizens around consumer, environmental and governmental issues. You may choose to support WashPIRG by contributing \$3 each quarter. Support of WashPIRG may be indicated

during registration and the voluntary contribution will be included on the tuition billing statement for payment with tuition.

Notices

ASSOCIATED STUDENTS OF THE UNIVERSITY OF WASHINGTON (ASUW)

The Associated Students of the University of Washington is a voluntary association of students designated by the University Regents to carry out a variety of student activities. In order to vote in ASUW elections or hold ASUW office, you must be a member. Membership choice will not affect tuition payment in any way. Information about the ASUW can be obtained from the ASUW Office in Room 204L Student Union building. You may join ASUW when registering on STAR.

DISABLED STUDENTS

If you are a student with a disability, various support services, including priority registration, note taking and examination accommodations are available. You may contact Disabled Student Services (DSS), room 448 Schmitz Hall, 543-8925 voice/TDD, for information on academic accommodations designed to meet individual student needs.

The STAR Work Sheet and instructions are available from DSS in alternate media, including large print, tape recording and Braille. If you have a disability that limits your ability to use STAR, you may register through DSS.

EQUAL OPPORTUNITY

The University of Washington, as a standing policy, does not discriminate on the basis of race, color, creed, religion, national origin, sex, sexual orientation, age, marital status, disability, or status as a disabled veteran or Vietnam era veteran. Any discriminatory action can be a cause for disciplinary action. This policy applies to all University programs and facilities including, but not limited to, admissions, educational programs, employment, and patient and hospital services. Such discrimination is prohibited by Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973, Age Discrimination in Employment Act Amendments of 1978, Vietnam Era veteran's Readjustment Assistance Act of 1974, Americans with Disabilities Act of 1990, State of Washington Gender Equity in Higher Education Act of 1989, other federal and state statutes and regulations, and University policy. Coordination of the compliance efforts of the University of Washington with respect to all of these laws and regulations is under the direction of the Equal Employment Officer, Dr. Helen Remick, University of Washington, Equal Employment and Affirmative Action Office, JA-08, 4045 Brooklyn Ave. NE, Seattle, Washington, 98195, telephone (206) 543-1830, V/TDD.

FOLLOWING RULES AND REGULATIONS

It is the University's expectation that you will follow University rules and regulations as they are stated in the General Catalog and the Time Schedule. In instances where no appeal procedure is spelled out and you believe that a special set of circumstances makes appeal reasonable, you may appeal the application of specific rules or regulations to the office of the dean of the school or college in which you are enrolled in the case of an academic matter, or to the Office of the Vice President for Student Affairs in the case of a nonacademic matter. These offices will either render a decision on the appeal or refer you to the proper office for a decision.

GRADUATION RATES

The graduation rates of full-time freshmen beginning their studies at the University of Washington either summer or autumn quarter 1991 are 63% in 5 years and 69% in 6 years.

IMMUNIZATION

All new and returning former students, and all students living in University of Washington residence halls or single-student apartments, are required either to provide proof of measles (rubeola) immunity or request that the requirement be waived for religious, personal or medical reasons. You will not be allowed to register for any classes until the Hall Health Primary Care Center (the student health center on campus) confirms that you have satisfied this requirement.

You must complete the student health center's Measles Immunity Verification Form and provide either certifications by your health-care provider or copies of original immunization records as proof of: 1) two live virus measles (rubeola) vaccinations, both given after 1967 with at least one was given after 1980; or 2) positive measles (rubeola) titer (blood test for antibodies against measles); or 3) a history from a health-care provider of measles (rubeola) disease. Students born before 1957 are considered immune to measles.

While continuing students are not required to provide the Hall Health Primary Care Center with proof of measles immunity, they are encouraged to do so. In the event of an outbreak on the campus, all students lacking acceptable documentation of measles immunity, including students with waivers, will be barred from classes, living groups and other campus activities until health officials determine that there is no risk of them transmitting the disease to others. Measles Immunity Verification Forms are available at the Hall Health Primary Care Center and the Registration Office at 225 Schmitz Hall. For more information, students should contact the Hall Health Primary Care Center at (206) 616-4672 and leave voice-mail messages to which members of the nursing staff will respond.

RELEASE OF STUDENT DIRECTORY INFORMATION

The Family Educational Rights and Privacy Act (FERPA) of 1974 protects the privacy of your education records. As a general rule the University will not release a student's education records to a third party without written consent of the student. This includes tuition account information. The complete University policy on student education records and the location of such records may be found in the Washington Administrative Code under WAC 478-140. Manuals containing the Code are available at Reference Stations on campus and at the Visitor's Information Center, 4014 University Way NE. Information release forms for tuition account information only may be obtained from the Student Accounts Office, 129 Schmitz.

The following information is considered public or "directory" information and may be released to anyone unless you inform the Office of the Registrar that you do not wish any information released: name, address, telephone number, e-mail address, major field of studies, dates of attendance, full or part-time enrollment status, most recent previous educational institution attended, degrees and awards received, as well as notices of awards or academic honors to home town news papers, and for athletes, date-of-birth, weight and height.

If you do not wish to authorize directory release and do not want your directory information to appear in the published or electronic Student Directory you may restrict the release of this information using STAR Online which can be found in the Information for Students on the UW Home Page (<http://www.washington.edu>) or by calling the address change service at 543-3868. No information will be released on students or to students, who have restricted release of directory information. If you wish to change your authorization and allow release, you must go

to the Registration Office, 225 Schmitz and present photo identification or make the change on STAR Online.

Under the provisions of the Family Educational Rights and Privacy Act (FERPA), you have the right to:

1. Inspect and review information contained in your education records within 45 days of the day the University receives a request for access. You should submit to the registrar, dean, chair of the academic department, or other appropriate official, written requests that identify the record(s) you wish to inspect. The University official will make arrangements for access and notify you of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise you of the correct official to whom the request should be addressed.
2. Request the amendment of your education records that you believe are inaccurate or misleading. You should write the University official responsible for the record, clearly identify the part of the record you want changed, and specify why it is inaccurate or misleading. If the University decides not to amend the record as requested, the University will notify you of the decision and advise you of your right to a hearing.
3. Consent to disclosures of personally identifiable information contained in your education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, and academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
4. File a complaint with the Department of Education concerning alleged failures by the University of Washington to comply with the requirements of FERPA. Written complaints should be directed to Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue SW, Washington D.C. 20202-4605.

The Winter Quarter Examination Schedule is also available from the UW Home Page, <http://www.washington.edu/students/reg/calendar.html>.

- Saturday courses may schedule their examination for the first Saturday of the examination week, but must make arrangements with Room Assignments to check on room availability. Dean's office approval is not required for Saturday only courses.
- Students are responsible for taking any number of examinations for which they are scheduled on a given day.
- Final Examinations should be administered in accordance with the above examination schedule. The dean may permit an instructor to change the time of a final examination upon prior application demonstrating good cause for such change. In such cases, the following guidelines shall be observed:

Final Examination Guidelines

1. With the dean's permission the final examination may be postponed or moved to an earlier time within the examination period if agreed to by all students and the instructor. Before approving the rescheduling of a final examination, the dean shall obtain assurances that the change will not have an undue adverse impact on the students. The dean shall notify the Registrar of the approval granted for the date of a final examination.	unavoidable cause include death or serious illness in the immediate family, illness of the student, and, provided previous notification is given, observance of regularly scheduled religious obligations, and might possibly include attendance at academic conferences or field trips, or participation in university-sponsored activities such as debating contests or athletic competition.	8:30 a.m. and continues until 10:00 a.m. or 10:20 a.m. would use the 8:30 a.m. time to determine the examination period.
2. An instructor shall not schedule a final class examination before the beginning of finals week. An instructor shall not, except in very unusual circumstances, grant permission to individual students for an early examination. If the student is unable to take an examination on the scheduled date, the procedure outlined in the following paragraph should be followed.	4. Multiple section courses, courses with two or more lecture and/or lab sections in a given quarter, may schedule a common final with approval from the dean and the registrar. Common finals will usually be held the Saturday before or during finals, or on occasion in the evening. Common final dates and times are normally indicated in the comment section of the Time Schedule, under individual course listings. They will be announced at the beginning of the quarter in each course-section, and included in the course syllabus. 3. A student absent from any examination through sickness or other cause, judged by the instructor to be unavoidable, shall be given an opportunity to take a re-scheduled examination or perform work judged by the instructor to be the equivalent. If the instructor determines that neither alternative is feasible during the current quarter, the instructor may exempt the student from the requirement. Examples of	5. Classes that begin on the half-hour and last longer than one hour use the actual starting time to determine the examination time. For example, a class that begins at	7. Daytime classes (7:30 a.m. to 3:30 p.m.) in which the entire class meets at the same hour every day, in the same room, may extend their final examination period to three hours. All other examinations are limited to one hour and fifty minutes unless other arrangements are made with Room Assignments.
		8. If an examination is held during finals week at a time other than the above schedule indicates, instructors must check with Room Assignments to make sure the room is available.

GET ON board

85% of UW students have a U-PASS.

That's because for just \$30 a quarter the U-PASS offers so much for so little:

Free, unlimited rides on Metro and Community Transit buses. Take the bus anytime, anywhere throughout King and Snohomish Counties to just about any destination you can imagine.

Free carpool parking on campus. Park free

on campus when everyone in your carpool has a valid U-PASS. Need help finding carpool partners? Contact the Transportation Office and we'll help you find your match.

Free shuttle service to your door after dark. If you live within about a mile of the UW and need to get home from campus after dark, take the Night Ride.

Big discounts on great stuff. There are dozens of merchants all over the U District and around town that offer discounts to U-PASS holders.

So what are you waiting for? Look for your registration confirmation and U-PASS sticker in the mail after you register for the quarter. Then just affix your U-PASS sticker on the back of your UW Husky Card™ and get on board!

For more information, visit a campus Commuter Center, contact the Transportation Office at 206.543.0450 or

upass@u.washington.edu, or visit the U-PASS Web site at www.washington.edu/upass/.
